Whereas, A bill for the removal of the Murray Hill Reservoir, and converting the land into a park, has been introduced in the Senate by Hon. W. W. Astor of that body, without the consent of the City, which owns the fee, and of the Sinking Fund Commissioners, to whom the proceeds of all real estate are pledged for the payment of the city debt ; and

Whereas, The bill in question, by appropriating the land to a use other than that to which it has long been applied, is in derogation of the rights of the city, which acquired the title, as part of the common lands under the ancient Dongan and Montgomerie charters, a title recognized and prescribed by the successive state constitutions ; and

Whereas, The passage of such an act would create a precedent which exposes all the real estate held and owned by the city to hostile and injurious legislation, in disregard of the wants and interests of the city ; and

Whereas, The Sinking Fund Commissioners have protested against the passage of such a bill and numerous associations and bodies have joined in such protest ; and

Whereas, Such reservoir holds, when full, 24,006,000 gallons, a quantity which gives 600 gallons to each of 40,000 houses below, which quantity it formerly supplied, and under proper management can still supply, and it gains an accumulation in the night two miles nearer to those houses, than are the Park Reservoirs, which accumulation it supplies in the morning, and in our judgment the reservoir is a necessary part of the water system ; therefore

Resolved, That the representatives in the Senate and Assembly from the City of New York be respectfully requested to oppose the passage of the bill in question ; and be it further

Resolved, That the Clerk of the Board be and he is hereby directed to transmit a copy of this preamble and resolution to the President of the Senate, the Speaker of the Assembly, and to each representative from this city to the Legislature.

Adopted by the Board of Aldermen, February 10, 1880.

Received from his Honor the Mayor, February 24, 1880, with his objections thereto.

In Board of Aldermen, March 9, 1880, taken up and considered, as provided in section 13, chapter 335, Laws of 1873, and adopted, notwithstanding the objections of his Honor the Mayor, three-fourths of all the members elected voting in favor thereof.

Resolved, That permission be and the same is hereby given to James F. Malloy to place and keep a watering-trough on the sidewalk in front of No. 398 Eighth avenue, the work done and water supplied at his own expense, under the direction of the Commissioner of Public Works ; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, March 2, 1880.
Approved by the Mayor, March 11, 1880.

Resolved, That William McCusker be and he is hereby appointed a Commissioner of Deeds in and for the City and County of New York, in place of Joseph A. Jacobs, who failed to qualify.

Adopted by the Board of Aldermen, February 10, 1880.
Approved by the Mayor, February 14, 1880.

Resolved, That Louis Pohl be and he is hereby appointed a Commissioner of Deeds in and for the City and County of New York, in place of Thomas S. Purdy, who has failed to qualify.

PROPOSALS FOR LIGHTING THE PUBLIC
LAMP.

PROPOSALS FOR FURNISHING THE GAS OR
other Illuminating Material for, and Lighting, Ex-
tinguishing, Cleaning, Repairing, and Maintaining the
Public Lamps (and supplying Gas, etc., for new lamps
when required) on the Streets, Avenues, Piers, Parks, and
places in the City of New York, under the care and charge
of the Department of Public Works, excepting the Twenty-
third Ward, and that portion of the Twenty-fourth Ward,

formerly known as the Town of West Farms, for the peri-
od of one year, commencing May 1st, 1880, and ending April
30th, 1881, both days inclusive.

Proposals for the above, made in accordance with Sec.
73, Chap. 335, Laws of 1873, and Chap. 478 of the Laws
of 1879, and the Revised Ordinances of the City of New
York, Chap. 8, Article 2, and enclosed in a sealed en-
velope endorsed "Proposals for furnishing the illuminating
material for, and lighting and extinguishing, cleaning, re-
pairing, and maintaining the public lamps," with the name
of the party making the same written thereon, will be
received at the office of the Commissioner of Public Works,
until 12 o'clock M. of Friday, March 26, 1880, at which
place and hour they will be publicly opened by said Com-
missioner and read.

Bidders are required to state in their proposals their
names and places of residence; the names of all persons
interested with them, and, if no other person be so inter-
ested, they shall distinctly state the fact; also, that it is
made without any connection with any other person making
any estimate for the same supplies and work; and that it is
in all respects fair, and without collusion or fraud; and,
also, that no member of the Common Council, Head of a
Department, Chief of a Bureau, Deputy thereof, or Clerk
therein, or other officer of the Corporation, is directly or
indirectly interested therein, or in the supplies or work to
which it relates, or in any portion of the profits thereof;
which proposals must be verified by the oath, in writing, of
the party making the estimate, that the several matters
stated therein are in all respects true; where more than
one person is interested, it is requisite that the verification
be made and subscribed by all the parties interested.

Each proposal shall be accompanied by the consent, in
writing, of two householders or freeholders of the City of
New York, with their respective places of business or
residence, to the effect that if the contract be awarded to
the person or persons making the bid or proposal, they
will, on its being so awarded, become bound as his or
their sureties for its faithful performance; and that if he or
they shall omit or refuse to execute the same, they will pay
to the Corporation any difference between the sum to
which he or they would be entitled upon its completion,
and that which the Corporation may be obliged to pay to
the person to whom the contract may be awarded at any
subsequent letting; the amount in each case to be calcu-
lated upon the estimated amount of the work by which
the bids are tested. The consent above mentioned shall
be accompanied by the oath or affirmation, in writing, of
each of the persons signing the same, that he is a house-
holder or freeholder in the City of New York, and is worth
the amount of security required for the completion of the
contract, and stated in the proposals, over and above all
his debts of every nature, and over and above his liabilities
as bail, surety, and otherwise; that he has offered himself
as a surety in good faith, and with an intention to execute
the bond required by Section 27, Article 2, Chapter 8,
of the Revised Ordinances of the City of New York, if the
contract shall be awarded to the person or persons for
whom he consents to become surety. The adequacy and
sufficiency of the sureties offered to be determined by
the Comptroller.

Bidders are required to state in their proposals the
several streets or parts of streets in which they propose to
perform the requirements herein contained, and also the
illuminating or candle-power of the gas they propose to
furnish, when tested at a distance of not less than one
mile from the place of manufacture, and bidders proposing
to furnish any illuminating material other than illuminating
or coal gas, must state distinctly what kind of material
they propose to furnish, and the illuminating power of the
burner they propose to use for the same.

Bidders are also required to state the price for which
they will furnish the gas (of not less than sixteen candle
power by photometrical test, at a distance of not less than
one mile from the place of manufacture) or other illuminat-
ing material for each lamp, including the lighting, ex-
tinguishing, cleaning, repairing, reglazing, and painting
lamp-posts and lanterns, and replacing the cocks, tubes,
burners, cross heads, lamp irons, and lanterns thereto, for
the period from May 1st, 1880, to April 30th, 1881, both
days inclusive, stating the price, for the above named
period of one year, for each lamp.

Bidders are also required to state a price for which they
will repair lamp-posts, including straightening and relead-
ing, and for each new lamp fitted up, as follows:

For each lamppost straightened, stating the price per
post.

For each column releaded, stating the price per post.

For each column refitted, stating the price per post.

The bidders are required to write out the amount of their
bids in their estimates, in addition to inserting the same in
figures.

The number of public lamps to be contracted for is about
20,000.

The burners for illuminating gas are to be of a capacity
to burn three cubic feet of gas per hour under a pressure
of one inch, and in case the illuminating material shall be
other than illuminating gas, then the burners to be used
for such illuminating material shall give a light (by pho-
tometrical test) equal to the light given by the gas-burners
in use in the public lamps in the City of New York.

Should any alteration or any attachment be required to
any portion of the lamps for which proposals are made in
consequence of the use of illuminating material other than
gas, then such alteration shall be done and such attach-
ment placed on the lamps without expense to the city.

The number of hours the lamps are to be kept burning
during the contract is 4,000.

The amount of security required is \$60,000 on all con-
tracts which will amount to \$100,000 or more; and on
smaller contracts the security shall be sixty per cent. of
the total amount of the bid.

The award of the contract will be made as soon as prac-
ticable after the opening of the bids.

Should the person or persons to whom the contract is so
awarded neglect or refuse to accept to contract within
forty-eight hours after written notice that the same has
been awarded to his bid or proposal, or if he accept, but
does not execute the contract and give the proper security,
it may be readvertised and relet as provided by law and
ordinance.

Bidders are informed that no deviation from the speci-
fications will be allowed, unless a written permission shall
have been previously obtained from the Mayor, Compt-
roller, and Commissioner of Public Works.

The right is reserved to assign and designate to any
bidder, whose bid shall be accepted, the number and loca-
tion of the lamps to be lighted by such bidder, in any
portion of the city for which proposals are received, and to
increase or diminish such number.

The right is reserved to determine and designate, after
the proposals are opened, what illuminating material shall
be used in the public lamps, or any number of them, dur-
ing the period before mentioned; also to decline any or all
proposals if deemed for the interests of the Corporation,
and no proposal will be accepted from or contract awarded
to, any person who is in arrears to the Corporation, upon
debt or contract, or who is a defaulter, as security or
otherwise, upon any obligation to the Corporation.

If the proposal of any bidder proposing to furnish
illuminating gas shall include any lamps with which the
pipes or mains of such bidder are not connected at the
time of the making of the bid, and a contract for furnish-
ing the gas for and lighting, extinguishing, cleaning, re-
pairing, and maintaining any such lamps, shall be
awarded to such bidder, in that case, thirty days from
the date of the execution of such contract and such further
time, not exceeding thirty days, as may be deemed reason-
able by the Commissioner of Public Works, shall be
allowed to such bidder in which to connect such pipes or
mains with such lamps.

But no payment to such bidder, on account of any such
lamps, will be made for the time so allowed, nor until the
same shall have been connected with the mains of such
bidder nor except for the time during which all the require-
ments herein mentioned shall have been fully performed.

Blank forms of proposals can be obtained on application
at the office of the Commissioner of Public Works.

—or any part thereof, will be received at the office of the Department of Public Charities and Correction, in the City of New York, until 9 o'clock A.M. of Thursday, the 18th day of March, 1880. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Lumber, Hardware, Fittings, etc.," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.
Delivery will be required to be made from time to time, at such times and in such quantities as may be directed by the said Department, but the entire quantity will be required to be delivered on or before thirty (30) days after the date of the contract.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect, that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and re-let as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.
