JURORS.

NOTICE
IN RELATION TO JURORS FOR STATE
COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, Sept. 15, 1882.

APPLICATIONS FOR EXEMPTIONS WILL BE
heard here, from 10 to 3 daily, from all persons
hitherto liable or recently serving who have become ex-
empt, and all needed information will be given.

Those who have not answered as to their liability, or
proved permanent exemption, will receive a "jury enroll-
ment notice," requiring them to appear before me this
year. Whether liable or not, such notices must be an-
swered (in person, if possible, and at this office only) under
severe penalties. If exempt, the party must bring proof
of exemption; if liable, he must also answer in person,
giving full and correct name, residence, etc., etc. No
attention paid to letters.

Persons "enrolled" as liable must serve when called
or pay their fines. No mere excuse will be allowed or
interference permitted. The fines if unpaid will be entered
as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and
secure reliable and respectable juries, and equalize their
duty by serving promptly when summoned, allowing their
clerks or subordinates to serve, reporting to me any attempt
at bribery or evasion, and suggesting names for enrollment.
Persons between sixty and seventy years of age, summer
absentees, persons temporarily ill, and United States and
District Court jurors are not exempt.
Every man must attend to his own notice. It is a mis-
demeanor to give any jury paper to another to answer.
It is also punishable by fine or imprisonment to give or
receive any present or bribe, directly or indirectly, in re-
lation to a jury service, or to withhold any paper or make
any false statement, and every case will be fully prose-
cuted.

—or any part thereof, will be received at the office of the
Department of Public Charities and Correction, in the
City of New York, until 9:30 o'clock A. M., of Friday,
March 16, 1883. The person or persons making any bid
or estimate shall furnish the same in a sealed envelope,
indorsed "Bid or Estimate for Groceries, Dry Goods,
etc.," and with his or their name or names, and the date
of presentation, to the head of said Department, at the
said office, on or before the day and hour above named,
at which time and place the bids or estimates received
will be publicly opened by the head of said Department,
and read.

The Department of Public Charities and Correction
reserves the right to decline any and all bids or estimates
if deemed to be for the public interest, and to accept any
bid or estimate as a whole, or for any one or more arti-
cles included therein. No bid or estimate will be
accepted from, or a contract awarded to, any person who
is in arrears to the Corporation upon debt or contract,
or who is a defaulter, as surety or otherwise, upon any
obligation to the Corporation.

The award of the Contract will be made as soon as
practicable after the opening of the bids.
Delivery will be required to be made from time to time,
at such times and in such quantities as may be directed by
the said Department.

Any bidder for this contract must be known to be en-
gaged in and well prepared for the business, and must
have satisfactory testimonials to that effect; and the
person or persons to whom the contract may be awarded
will be required to give security for the performance of
the contract by his or their bond, with two sufficient sure-
ties, in the penal amount of fifty (50) per cent. of the esti-
mated amount of the contract.

Each bid or estimate shall contain and state the name
and place of residence of each of the persons making the

same; the names of all persons interested with him or
them therein; and if no other person be so interested, it
shall distinctly state that fact; also that it is made without
any connection with any other person making an estimate
for the same purpose, and is in all respects fair and without
collusion or fraud; and that no member of the Common
Council, Head of a Department, Chief of a Bureau,
deputy thereof or clerk therein, or other officer of the
Corporation, is directly or indirectly interested therein, or
in the supplies or work to which it relates, or in any por-
tion of the profits thereof. The bid or estimate must be
verified by the oath, in writing, of the party or parties
making the estimate, that the several matters stated there-
in are in all respects true. Where more than one person
is interested, it is requisite that the verification be made
and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders in the
City of New York, with their respective places of busi-
ness or residence, to the effect that if the contract be
awarded to the person making the estimate, they will, on
its being so awarded, become bound as his sureties for its
faithful performance; and that if he shall omit or refuse
to execute the same, they shall pay to the Corporation any
difference between the sum to which he would be entitled
on its completion, and that which the Corporation may
be obliged to pay to the person or persons to whom the
contract may be awarded at any subsequent letting; the
amount in each case to be calculated upon the estimated
amount of the work by which the bids are tested. The
consent above mentioned shall be accompanied by the
oath or affirmation, in writing, of each of the persons
signing the same that he is a householder or freeholder in
the City of New York, and is worth the amount of the
security required for the completion of this contract, over
and above all his debts of every nature, and over and above
his liabilities, as bail, surety, or otherwise; and that he
has offered himself as a surety in good faith and with the
intention to execute the bond required by section 27 of
Chapter 8 of the Revised Ordinances of the City of New
York, if the contract shall be awarded to the person or
persons for whom he consents to become surety. The
adequacy and sufficiency of the security offered to be
approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accom-
panied by either a certified check upon one of the
national banks of the City of New York, drawn to the
order of the Comptroller, or money, to the amount of five
per centum of the amount of the security required for the
faithful performance of the contract. Such check or
money must not be inclosed in the sealed envelope con-
taining the estimates, but must be handed to the officer or
clerk of the Department who has charge of the Estimate-
box, and no estimate can be deposited in said box until
such check or money has been examined by said officer
or clerk and found to be correct. All such deposits,
except that of the successful bidder, will be returned to
the persons making the same within three days after the
contract is awarded. If the successful bidder shall refuse
or neglect, within five days after notice that the contract
has been awarded to him, to execute the same, the amount
of the deposit made by him shall be forfeited to and
retained by the City of New York as liquidated
damages for such neglect or refusal; but, if he shall ex-
ecute the contract within the time aforesaid, the amount
of his deposit will be returned to him.

Should the person or persons to whom the contract may be
awarded neglect or refuse to accept the contract within five
days after written notice that the same has been awarded
to his or their bid or proposal, or if he or they accept, but
do not execute the contract and give the proper security,
he or they shall be considered as having abandoned it,
and as in default to the Corporation; and the contract
will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and
merchandise must conform in every respect to the samples
of the same respectively at the office of the said Depart-
ment. Bidders are cautioned to examine the specifica-
tions for particulars of the articles, etc., required, before
making their estimates.

Bidders will state the prices for each article, by which
the bids will be tested.

Bidders will write out the amount of their estimate in
addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller,
issued on the completion of the contract or from
time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifi-
cations will be allowed, unless under the written instruc-
tion of the Commissioners of Public Charities and
Correction.

The form of the agreement, including specifications,
and showing the manner of payment, can be obtained at
the office of the Department.
