[illegible]

The 734 deaths represent a death-rate of 22.48, against 20.68 for the previous week and 22.21 for the corresponding week of 1890.

Contagious and infectious diseases continue to increase at a slow rate, the number of cases reported of diphtheria, measles, scarlet fever and typhoid fever being respectively 120, 70, 157 and 28, against 114, 85, 133 and 29 for the previous week, a total of 375 against 361. Diphtheria increased markedly between Fortieth and Eighty-sixth streets, West, and Twenty-sixth and Eighty-sixth streets, East, decreasing or varying little elsewhere. Measles increased at the Barge Office, between Division and Rivington streets, the Bowery and Norfolk street, and above Eighty-sixth street, with a marked decrease between Fortieth and Eighty-sixth streets, East, apparently due to a subsidence of the epidemic in the Foundling Asylum, elsewhere the changes were slight. The increase of scarlet fever was most noticeable between Rivington and Fourteenth streets, Third avenue and the East river, between Broadway and the Bowery, south of Houston street, and between Twenty-sixth and Fortieth streets, from river to river, elsewhere there was little change; 12 of the 28 cases of typhoid fever were above Fortieth street, and 11 of the remaining 16 were below Fourteenth street.

Each estimate must contain the name and place of
 residence of the person making the same, the names of
 all persons interested with him therein, and if no other
 person be so interested, it shall distinctly state that fact.

That it is made without any connection with any other
 person making an estimate for the same work, and is in
 all respects fair and without collusion or fraud. That
 no member of the Common Council, head of a depart-
 ment, chief of a bureau, deputy thereof, or clerk
 therein, or other officer of the Corporation, is directly
 or indirectly interested in the estimate or in the work to
 which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing,
 of the party making the same, that the several matters
 therein stated are true, and must be accompanied by the
 consent, in writing, of two householders or freeholders in
 the City of New York, to the effect that if the contract
 is awarded to the person making the estimate, they will,
 upon its being so awarded, become bound as his sureties
 for its faithful performance; and that if he shall refuse
 or neglect to execute the same, they will pay to the Cor-
 poration any difference between the sum to which he
 would be entitled upon its completion and that which the
 Corporation may be obliged to pay to the person to
 whom the contract shall be awarded at any subsequent
 letting; the amount to be calculated upon the estimated
 amount of the work by which the bids are tested.

The consent last above mentioned must be accom-
 panied by the oath or affirmation, in writing, of each of
 the persons signing the same, that he is a householder
 or freeholder in the City of New York, and is worth the
 amount of the security required for the completion of
 the contract, over and above all his debts of every
 nature, and over and above his liabilities as bail, surety,
 or otherwise, and that he has offered himself as surety
 in good faith, with the intention to execute the bond
 required by law.

No estimate will be considered unless accompanied by
 either a certified check upon one of the State or National
 banks of the City of New York, drawn to the order of
 the Comptroller, or money, to the amount of five
 per centum of the amount of the security required for
 the faithful performance of the contract. Such check
 or money must not be inclosed in the sealed envelope
 containing the estimate, but must be handed to the
 officer or clerk of the Department who has charge of
 the estimate-box, and no estimate can be deposited in
 said box until such check or money has been examined
 by said officer or clerk and found to be correct. All
 such deposits, except that of the successful bidder, will
 be returned to the persons making the same within
 three days after the contract is awarded. If the suc-
 cessful bidder shall refuse or neglect, within five days
 after notice that the contract has been awarded to him,
 to execute the same, the amount of the deposit made by
 him shall be forfeited to and retained by the City of
 New York as liquidated damages for such neglect or
 refusal; but if he shall execute the contract within the
 time aforesaid, the amount of the deposit will be
 returned to him.

THE COMMISSIONER OF PUBLIC WORKS
 RESERVES THE RIGHT TO REJECT ALL BIDS
 RECEIVED FOR ANY PARTICULAR WORK IF
 HE DEEMS IT FOR THE BEST INTERESTS OF

Each bid or estimate shall contain and state the
 name and place of residence of each of the persons
 making the same; the names of all persons interested
 with him or them therein; and if no other person be
 so interested, it shall distinctly state that fact; that
 it is made without any connection with any other

 and is in all respects fair, and without collusion or
 fraud; and that no member of the Common Council,
 head of a department, chief of a bureau, deputy

 supplies or work to which it relates, or in any portion of
 the profits thereof. The bid or estimate must be verified

 and subscribed by all the parties interested.
 Each bid or estimate shall be accompanied by the con-

sent, in writing, of two householders or freeholders of
 the City of New York, with their respective places of
 business or residence, to the effect that if the con-
 tract be awarded to the person making the estimate,
 they will, on its being so awarded, become bound
 as sureties for its faithful performance in the
 sum of four thousand dollars (\$4,000); and that if he
 shall omit or refuse to execute the same, they shall
 pay to the Corporation any difference between the
 sum to which he would be entitled on its com-
 pletion, and that which the Corporation may be obliged
 to pay to the person or persons to whom the contract
 may be awarded at any subsequent letting; the amount
 in each case to be calculated upon the estimated amount
 of the work by which the bids are tested. The consent
 above mentioned shall be accompanied by the oath or
 affirmation, in writing, of each of the persons signing the
 same, that he is a householder or freeholder in the City
 of New York, and is worth the amount of the security
 required for the completion of this contract, over and
 above all his debts of every nature, and over and above
 his liabilities as bail, surety or otherwise; and that he
 has offered himself as a surety in good faith and with
 the intention to execute the bond required by law.
 The adequacy and sufficiency of the security offered
 is to be approved by the Comptroller of the City of
 New York before the award is made and prior to the
 signing of the contract.

No estimate will be considered unless accompanied by
 either a certified check upon one of the banks of the
 City of New York, drawn to the order of the Comptroller,
 or money to the amount of two hundred (200) dollars.
 Such check or money must not be inclosed in the
 sealed envelope containing the estimate, but must be
 handed to the officer or clerk of the Department who
 has charge of the estimate-box, and no estimate can be
 deposited in said box until such check or money

 has been awarded to him, to execute the same, the
 amount of the deposit made by him shall be forfeited
 to and retained by the City of New York, as liquidated
 damages for such neglect or refusal, but if he shall
 execute the contract within the time aforesaid, the
 amount of his deposit will be returned to him.

Should the person or persons to whom the contract
 may be awarded neglect or refuse to accept the contract
 within five days after written notice that the same has
 been awarded to his or their bid or proposal, or if he or
 they accept but do not execute the contract and give
 the proper security, he or they shall be considered as

(1.) Bidders must satisfy themselves in regard to the work by personal examination of the specifications of the proposed work, and by such other means as they may prefer, and shall not, at any time after the submission of an estimate, dispute or complain of the above statement of work in the specifications, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

(2.) Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract. No extra compensation, beyond the amount payable for the work before mentioned, which shall be actually performed, at the price therefor, to be specified by the lowest bidder, shall be due or payable for the entire work.

The work to be done under the contract is to be commenced within five days after the date of the contract, and all the work contracted for is to be fully completed on or before the 30th day of April, 1892, and the damages to be paid by the contractor for each day that the contract may be unfulfilled after the time fixed for the fulfillment thereof has expired, are, by a clause in the contract, determined, fixed and liquidated at Fifty Dollars per day.

Bidders will state in their estimates a price for the whole of the work to be done in conformity with the approved form of agreement and the specifications therein set forth, by which price the bids will be tested. This price is to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder. The award of the contract, if awarded, will be made to the bidder who is the lowest for doing the whole of the work, and whose estimate is regular in all respects.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing the work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do he or they will be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet and so on until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence, the names of all persons interested with them therein; and if no other person be so interested the estimate shall distinctly state the fact; also that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed to by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled on its completion and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount, in each case, to be calculated upon the estimated amount of the work to be done in each class by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

THE RIGHT TO DECLINE ALL THE ESTIMATES IS RESERVED IF DEEMED FOR THE INTEREST OF THE CORPORATION OF THE CITY OF NEW YORK.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.
