## OFFICE OF THE SECRETARY—NOTICES OF THE BOARD.

The notices of the Board for the abatement of nuisances are issued upon the facts and evidence contained in the written reports of the Sanitary Inspectors, the result of personal inspection of premises complained of. If, upon reinspection, it is found that the requirements of the notice have not been complied with, a suit for penalty is commenced against the delinquents, under section 82, chapter 335, Laws of 1873.

## ASSESSMENT COMMISSION.

No. 27 CHAMBERS STREET,  
TUESDAY, December 19, 1882—2.30 o'clock P. M.

The Commission created by chapter 550 of the Laws of 1880, to revise, vacate, or modify assessments for local improvements in the City of New York, met pursuant to adjournment.

Present—All the members, viz.:

Commissioners Edward Cooper, John Kelly, Allan Campbell, George H. Andrews, and Daniel Lord, Jr.

The Clerk presented copies of the CITY RECORD and "Daily Register" of December 18 and 19, 1882, showing due publication of notices of the meeting.

The minutes of the meeting held on December 13, 1882, were read and approved.

The Clerk reported that he had filed in the Finance Department, on December 15, 1882, certificates reducing assessments in the cases specified in resolution adopted December 13, 1882.

## MOTIONS.

H. A. Shipman, Esq., attorney, renewed his motions made at the meeting, on December 13, 1882, that the decisions made by the Commissioners, on January 31, February 9, and November 14, 1882, reducing the assessments for Seventh avenue regulating, grading, etc., and Seventh avenue paving, etc., from One Hundred and Tenth street to Harlem river, and Boulevard regulating, grading, etc., from Fifty-ninth to One Hundred and Fifty-fifth street, be made applicable in the following similar cases, proof of title having been furnished, viz.:

No. 2084. William A. Cauldwell, Seventh avenue regulating, etc.

No. 2099. William A. Cauldwell, Seventh avenue paving, etc.

No. 2103. William A. Cauldwell, Boulevard regulating, etc.

After hearing T. H. Baldwin, Esq., attorney, in opposition, decision on the motion was reserved.

## DECISIONS.

Commissioner Lord presented the following decision, viz.:

In matter of John H. Sherwood (No. 603), assessment for One Hundred and Twentieth street regulating, grading, etc., from Seventh to Eighth avenue; confirmed August 2, 1875.

This case is identical with that of Anderson, decided September 26, 1882. The evidence shows that the work was done under a special contract, and that the price paid for filling, \$1.59 per yard, was excessive. Taking the fair value of earth filling at 90 cents per yard, the total cost of the work would be \$11,164.53. The amount assessed on the property-owners for the improvement was \$19,616.27. The assessment on the lots of the petitioner should therefore be reduced forty-three per cent.

The Chairman put the question whether the decision as presented shall stand as the decision of the Commissioners.

Which was decided in the affirmative, a majority of all the Commissioners voting in favor thereof, viz.:

Affirmative—Commissioners Cooper, Kelly, Campbell, Andrews, and Lord—5.

Commissioner Lord presented the following decision, viz.:

In matter of John H. Sherwood (Nos. 553 and 606), assessment for One Hundred and Twenty-first street regulating, grading, etc., from Seventh to Eighth avenues; confirmed January 30, 1874.

This case is also identical with that of Anderson, decided September 26, 1882. The evidence shows that the work was done under a special contract, at the price of \$1.59 per yard for filling, which was entirely excessive. We think that the fair value of filling at that locality would be about ninety cents a yard. Computing the assessment on the basis of this price makes the total cost of the work \$16,492.42. The amount assessed on the city was \$1,139.42, and the amount assessed on the property-owners \$27,891.68. Hence the reduction of the assessment should be \$11,399.26, or forty per cent., to which extent the assessment on the lots of the petitioner should be reduced.

The Chairman put the question whether the decision as presented shall stand as the decision of the Commissioners.

Which was decided in the affirmative, a majority of all the Commissioners voting in favor thereof, viz.:

Affirmative—Commissioners Cooper, Kelly, Campbell, Andrews, and Lord—5.

Commissioner Andrews presented the following resolution, viz.:

Resolved, That the decisions rendered by the Commissioners on May 24, 1881, vacating the assessments for underground drains, and on November 14, 1882, reducing the assessment for Boulevard regulating, grading, etc., from Fifty-ninth to One Hundred and Fifty-fifth street, be made the decisions of the Commissioners in the following similar cases, in which petitions have been filed as required by chapter 550, Laws of 1880, and chapter 239, Laws of 1882, and where title to the property has been proven by the petitioners, viz.:

Assessment for Ninety-second to One Hundred and Sixth street Underground Drains, from Third avenue to East River; confirmed June 1, 1876.

No 4175. Seffrine Daily—Assessment, amounting to \$600, is vacated.

Assessment for Boulevard Regulating, Grading, etc., from Fifty-ninth to One Hundred and Fifty-fifth street; confirmed December 29, 1876.

Whereas, The recent enforcement, by the constituted authorities, of laws which, by reason of more enlightened, reasonable and considerate ideas of humanity, had become to be viewed as subversive of the liberty to individual citizens in a government, Democratic in form, and coercive to sectarian and so-called religious exactments, has excited the community of this the most cosmopolitan city of the known world, subjecting the poorest of citizens to the most inconvenience by loss of the means for their subsistence;

Therefore this Common Council of the City of New York, by resolution, herewith express their earnest and severe deprecation at the folly of the State Legislature in the re-enactment by codification of laws which custom and human progress had caused to view as most puritanical and obsolete. And we therefore ask the Legislature to assemble (which fortunately will be Democratic) to repeal at the earliest possible opportunity the odious Sabbatarian clauses in the "Penal Code," that the citizens of this the "Excelsior State" may enjoy the privileges guaranteed by "Magna Charta" unfettered by laws originating in religious fanaticism.

Received from his Honor the Mayor, December 16, 1882, without his approval or objections thereto; therefore, as provided in section 11, chapter 335, Laws of 1873, the same became adopted.

Whereas, The unfinished condition of station of the elevated railway at Third avenue and One Hundred and Twenty-ninth street, causes much inconvenience and annoyance to the thousands of our citizens who daily have occasion to ascend and descend the uncovered stairways leading thereto, which, in stormy weather, are not only abominably dirty, and unfit for use, but are often absolutely dangerous; be it therefore

Resolved, That the Manhattan Elevated Railway Company be and it is hereby directed, without delay, to cause the stairways and platforms leading to its station, at Third avenue and One Hundred and Twenty-ninth street, to be covered, in order to afford proper and much needed protection, particularly in inclement weather, to those of our citizens who travel on said road.

Adopted by the Board of Aldermen, December 12, 1882.

Approved by the Mayor, December 16, 1882.

In Board of Aldermen, December 12, 1882, taken up, reconsidered, as provided in section 13, chapter 335, Laws of 1873, and adopted, notwithstanding the objections of his Honor the Mayor, three-fourths of all the members elected voting in favor thereof.

M., of the 23d day of December, 1882. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for furnishing Fresh Fish," and with his or their name or names, and the date of its presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department, and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

The kinds of fish required are Fresh Cod, Porgies, and Blue Fish.

Delivery will be required to be made from time to time, at such times and in such quantities as may be from time to time directed by the said Department. The entire quantity required to be delivered during the year, will be about four hundred thousand (400,000) pounds.

The above quantity is estimated and approximated only, and bidders are notified that if the Department shall require more than that quantity, the contractor must furnish all that is required and will be paid therefor only at the rates or prices named in the contract; and that in case the above-named quantity shall not be required by the Department, no allowance will be made for any real or supposed damage or loss of profit.

The person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal sum of five thousand (\$5,000) dollars.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent in writing of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract shall be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or estimate, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are cautioned to examine the form of contract and the specifications for particulars before making their estimates. Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued monthly.

Bidders are informed that no deviation from the contract and specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications, showing the manner of payment will be furnished at the office of the Department.

Any person making an estimate for the work shall present the same in a sealed envelope, to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

## JURORS.

## NOTICE

## IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,  
NEW COUNTY COURT-HOUSE,  
NEW YORK, Sept. 15, 1881.

**APPLICATIONS FOR EXEMPTIONS WILL BE** heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

GEORGE CAULFIELD,

Commissioner of Street Cleaning.

DEPARTMENT OF STREET CLEANING,

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and, in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation, whereupon the Commissioner of Street Cleaning may either make another selection public notice, or readvertise and relet the work, as he may consider best for the public interest.

If the person or persons to whom the contract may be awarded, shall neglect or delay to commence the work or any portion thereof, on or after the 1st day of January, 1883, the Commissioner of Street Cleaning may perform the said work or any portion thereof for such period of neglect or delay, and charge the whole expense of the same against the said person or persons, and deduct the same from any amount due or to become due under the contract.

Bidders are required to state in their proposals, under oath, their names and places of residence, the names of all persons interested with them therein, and, if no other person be so interested, they shall distinctly state the fact; also, that it is made without any connection with any other person making any bid or proposal for the above work; and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a bureau, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested. Each proposal shall also be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, within their respective places of business or residence, to the effect that, if the contract be awarded to the person or persons making the proposal, they will, on its being so awarded, become bound by his or their sureties for his faithful performance, in the amount of fifty thousand dollars; and that, if he or they shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be subsequently awarded.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that each is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract as stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety, and otherwise; that he has offered himself as a surety in good faith, and with an intention to execute the bond required by law. The adequacy and sufficiency of the sureties offered shall be approved by the Comptroller of the City of New York.

Permission will not be given for the withdrawal of any bid or proposal, and the right is expressly reserved by the Commissioner of Street Cleaning to reject any or all bids, or to select the bid or bids the acceptance of which will, in his judgment, best secure the efficient performance of the work. No bid will be accepted from or contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each proposal must be accompanied by a certified check on a solvent banking corporation in the City of New York payable to the order of the Comptroller of the City of New York, for five per cent. of the amount bid for the performance of all the work required by said contract to be done in any one year. On the acceptance of any bid, the checks of the unaccepted bidders will be returned to them, and upon the execution of the contract the check of the accepted bidder will be returned to him.

The contract will contain a stipulation or condition that it may be terminated on ten days' notice to the Contractor by the Commissioner of Street Cleaning, with the approval of the Mayor.

All bids must be made with reference to the form of contract and the requirements thereof on file at the Department of Street Cleaning, or they will be rejected; and the same is referred to as a part of this notice.

Blank forms of contract may be obtained at the Department of Street Cleaning, 51 Chambers street, New York City, on or after Tuesday, December 12, 1882.

JAMES S. COLEMAN,  
Commissioner of Street Cleaning.
