APPROVED PAPERS.

Whereas, By resolution approved December 23, 1876, all incorporated gas companies were permitted "to lay gas mains and pipes in the streets, avenues and public places in this city for the purpose of supplying gas to the City and its inhabitants, upon such conditions as may be first prescribed and approved of by his Honor the Mayor, the Comptroller, and the Commissioner of Public Works, who are now by law authorized to make provision for lighting the streets of the City; and,

Whereas, Since the passage of the aforesaid resolution by the Common Council, several incorporated gas companies have obtained permission, under conditions prescribed and approved by the city officers therein named, to lay gas-pipes in many of the streets, avenues and public places, and have in good faith complied with the said conditions, and are now supplying, or are nearly ready to supply, gas to the City and its inhabitants; and

Whereas, At the General Term, May, 1884, of the Court of Common Pleas, in the suit of Elbert Ellery Anderson, appellant, against the Equitable Gas-light Company of New York and Hubert O. Thompson, respondents, it was held substantially that "there is no provision in the law itself authorizing them (the Common Council) to delegate this power, and that the case falls within the settled principle that powers of this description cannot be delegated," but must be regarded as "public powers and trusts, devolved by law or charter upon the Common Council, or governing body, to be exercised by it when and in such manner as it shall judge best, and cannot be delegated to others," and that "there is no provision of law authorizing the Mayor, Comptroller, and Commissioner of Public Works to decide the manner or upon what conditions the defendant corporation may open the streets to lay its mains, and any permit founded upon their action in the premises, confers no license, and is void;" and

Whereas, It would be manifestly unjust to the gas companies, who have acted throughout in good faith and have complied with the provisions of the resolution of December 23, 1876, to enforce the principle embraced in the decision, which, in effect, declares them to be trespassers upon the property of the public—as a void permission is no permission—and any disturbance of the relations now existing between these several companies and this City and its inhabitants, would be injurious to both; while the continued existence of the resolution of 1876, which has produced such unsatisfactory results, would be both unwise and inexpedient: in order, therefore, that no injustice may be done the gas companies, or injury inflicted upon the City or its inhabitants, be it

Resolved, That the ordinance or resolution of the Common Council, adopted by the Board of Aldermen December 21, 1876, and approved by the Mayor, December 23, 1876, as follows, viz: "Resolved, That permission be and is hereby given to all incorporated gas-light companies to lay gas-mains and pipes for the purpose of supplying gas to the City and its inhabitants upon such conditions as may be prescribed and approved by his Honor the Mayor, the Comptroller, and the Com-

missioner of Public Works, who are now by law authorized to make provision for lighting the streets of the City," be and the same is hereby repealed, but this repeal shall not prejudice or effect any right, interest, privilege or power which has heretofore arisen, accrued or been conferred by the said ordinance or resolution, and by the action of his Honor the Mayor, the Comptroller and the Commissioner of Public Works following thereon, as such right, interest, privilege, or power now exists, and every such right, interest, privilege or power conferred, given or granted by the said Mayor, the Comptroller and the Commissioner of Public Works, under and by the terms and provisions of the said resolution of December 23, 1876, are hereby confirmed, ratified and approved.

Adopted by the Board of Aldermen, August 18, 1884.

DEPARTMENT OF PUBLIC CHARITIES AND CORRECTION.

DEPARTMENT OF PUBLIC CHARITIES AND CORRECTION, No. 66 THIRD AVENUE.

TO CONTRACTORS.

PROPOSALS FOR A LOCOMOTIVE TUBULAR BOILER FOR BRANCH LUNATIC ASYLUM, HART'S ISLAND,

will be received at the office of the Department of Public Charities and Correction, No. 66 Third Avenue, in the City of New York, until 9.30 o'clock A. M., of Friday, September 12, 1884. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, endorsed "Bid or Estimate for Locomotive Boiler," and with his or her name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department and read.

The Board of Public Charities and Correction reserves the right to reject all bids or estimates if deemed to be for the public interest, as provided in SECTION 46, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for the contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by bond, with two sufficient sureties, each in the penal amount of three thousand (\$3,000) dollars.

Each bid or estimate shall contain and state the name and place of residence of the person making the same; the names of all persons interested with him or her therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without connection with, or reference to, any other estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or any other officer of the Corporation, is directly or indirectly interested therein, or to the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate; that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, or if it will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which the contract may be on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount, in such case, to be calculated on the estimated amount of the work by which the bids are accompanied. The consent above mentioned shall be attested by the oath or affirmation, in writing, of each of the persons signing the same; and if the contract be awarded to a freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith, with the intention to execute the bond required by section 12 of Chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a sealed check upon one of the National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract, or check, or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-bids, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept, but do not execute the contract and give proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be re-advertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from funds of the Corporation, as may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

Dated NEW YORK, September 1, 1884.

TO CONTRACTORS.

PROPOSALS FOR THE SEVERAL WORKS, MATERIALS, MATTERS AND THINGS REQUIRED FOR THE CONSTRUCTION AND FINISHING OF TWO CERTAIN PRISON BUILDINGS TO BE ERECTED WITHIN THE PREMISES BOUNDED BY CENTRE, ELM, FRANKLIN AND LEONARD STREETS IN THE CITY OF NEW YORK.

will be received at the office of the Department of Public Charities and Correction, No. 66 Third Avenue, in the City of New York, until 9 o'clock A. M., of Friday, September 12, 1884. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Additional Prison Buildings," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department, and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 110, LAWS OF 1882.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for these contracts must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom a contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty thousand (\$50,000) dollars.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation; and the contract will be re-advertised and let as provided by law.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

Dated New York, August 28, 1884.
