## COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund at a Meeting Held in Room 16, City Hall, at 12 o'clock Noon on Thursday, March 28, 1918.

Present—John F. Hylan, Mayor; Charles L. Craig, Comptroller; Alfred J. Johnson, Chamberlain; Robert L. Moran, Acting President, Board of Aldermen; Francis P. Kenney, Chairman, Finance Committee, Board of Aldermen.

The minutes of the meeting held March 14, 1918, were approved as printed in the City Record, March 26, 1918.

Dock Department—Proposed Amendment to Resolution Authorizing a Lease to the Royal Mail Steam Packet Company of Extension to Pier 42, North River, Manhattan.

The following communication was received from the Commissioner of Docks:

Pier A, North River, March 6, 1918.

Hon. JOHN F. HYLAN, Mayor, and Chairman of the Commissioners of the Sinking Fund:

Dear Sir—At a meeting of the Commissioners of the Sinking Fund held November 13, 1907, a resolution was adopted approving lease to the Royal Mail Steam Packet Company of Pier 42, North River, and ninety-four feet of bulkhead southerly, for a term of ten years commencing August 7, 1910, and expiring August 7, 1920, with privilege of two renewals of ten years each, expiring August 7, 1940.

Under date of July 1, 1913, the then Commissioner of Docks recommended that a resolution be adopted by the Commissioners of the Sinking Fund approving and consenting to the execution by the Commissioner of Docks of a lease to the Royal Mail Steam Packet Company of an extension of Pier New, 42, North River.

"The lease shall be for a period co-terminous with the existing lease of said pier, dated December 6, 1907, the term of which begins August 7, 1910, and expires August 7, 1920, with privilege of two renewal terms of ten years each."

(See Mins. of S. F., 1913, p. 987.)

The resolution which was adopted by the Commissioners of the Sinking Fund on that date, however, approves the lease for a period terminating August 7, 1930. This is evidently a mistake, as the original lease expires August 7, 1940, and the

recommendation of the Commissioner of Docks also specifies August 7, 1940, as the date of termination of the lease of extension.

Will you please, therefore, have the resolution of the Commissioners of the Sinking Fund of July 7, 1913, amended so that the lease of the extension shall commence February 19, 1914, and shall expire August 7, 1920, with privilege of two renewals of ten years each, the annual rental for the first term to be at the rate of 27½ cents per square foot per annum, and for each rental period an advance of ten per cent. on the rental over the preceding term? Respectfully yours,

MURRAY HULBERT, Commissioner of Docks.

In connection therewith the Comptroller presented the following report:

March 8, 1918.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On July 1, 1913, the Commissioner of Docks requested the Commissioners of the Sinking Fund to approve of and consent to the execution by the Commissioner of Docks of a lease to the Royal Mail Steam Packet Company of an extension to Pier, new, No. 42, North River, Borough of Manhattan, City of New York, the Commissioner's request stating, in part:

"The lease of said extension shall commence on the date the Chief Engineer of this Department shall certify that said extension is completed. The lease shall be for a period co-terminous with the existing lease of said pier, dated December 6, 1907, the term of which begins August 7, 1910, and expires August 7, 1920, with privilege of two renewal terms of ten years each."

The report of the Comptroller to the Commissioners of the Sinking Fund, under date of July 10, 1913, states, in part:

"The leases of said extensions shall commence on the date the Chief Engineer of the Department of Docks and Ferries shall certify said extensions are completed; the leases to be for a period co-terminous with existing leases of said piers."

The resolution of the Commissioners of the Sinking Fund, dated July 17, 1913, reads, in part:

"The lease of said extension shall commence on the date that the Chief Engineer of the Department of Docks and Ferries shall certify that the extension is completed, and shall be for a period co-terminous with the existing lease of said pier, dated December 6, 1907, the term of which commenced August 7, 1910, and expires August 7, 1920, with privilege of renewal for a further term of ten (10) years, at an annual rental of twenty-seven and one-half cents (27½c.) per square foot for the area of land under water covered by said extension, said area to be as shown by the surveys of the Department of Docks and Ferries, and for the renewal period from August 7, 1920, to August 7, 1930, at an advance of ten (10) per cent."

In view of the evident mistake in the wording of the resolution, which provides for a rate of rental only to August 7, 1930, while it was obviously the intent to provide for the termination of the lease August 7, 1940, I recommend the adoption of the attached resolution complying with the request of the Commissioner of Docks under date of March 6, 1918. Respectfully,

CHARLES L. CRAIG, Comptroller.

After discussion, the matter was referred back to the Commissioner of Docks.

Street Cleaning Department—Lease for, of Premises at 1290 Intervale Ave., Bronx.

The Comptroller presented the following report and offered the following resolution:

March 19, 1918.

To the Honorable the Commissioners of the Sinking Fund:

Dear Sirs—The Commissioner of the Department of Street Cleaning, in a communication to your Board under date of February 6, 1918, states that the premises now occupied by that department at 1159 Southern Boulevard, Borough of The Bronx, at an annual rental of \$420 under a lease which expires May 1, 1918, are very unsatisfactory, and requests that new quarters at No. 1290 Intervale Avenue be leased in place thereof for a period of three years from May 1, 1918, at an annual rental of \$480. This rental was subsequently reduced to \$420 a year.

In the 1918 Budget the sum of \$420 was provided for the renewal of the lease of the present quarters, which is the same rental as asked for the new quarters.

The premises proposed to be leased consist of a store approximately 14 feet by 40 feet, with three rear rooms, one 14 feet 4 inches by 12 feet, and two each 8 feet by 12 feet 3 inches, making a total area of 927 square feet, at a rental of \$420, which is at the rate of 45.2 cents per square foot, together with the use of cellar, about 14 feet by 24 feet.

The quarters under consideration are the northerly part of a one-story building located on a parcel 33 feet 6 inches by 73 feet and irregular.

There is no City-owned property in the vicinity that is available for this purpose.

The nearest City property is located about five blocks away on Jennings Street, between Prospect and Union Avenues, and consists of four two-story frame buildings, which were acquired as an addition to Public School No. 40, and which would not be suitable for the purposes of a Street Cleaning Station.

There is no property in the vicinity now under lease to the City that is not in use or that could be made available for the purposes of this lease.

For rental comparison, the adjoining and similar store premises in this same building rent for \$480 a year.

There is no other privately owned property that could be rented or used in lieu of the above premises to the advantage of the City.

Under the circumstances, the rent appears to me to be reasonable and just.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the store, three rear rooms and cellar of the premises 1290 Intervale Avenue, Borough of The Bronx, for use of the Department of Street Cleaning, for a period of three years from May 1, 1918, at an annual rental of \$420, payable quarterly; the lessor to put the premises in tenantable condition satisfactory to the Department of Street Cleaning, pay taxes, assessments and water rates, make outside repairs, widen the front door of the demised premises, if required, and furnish and install gas and electric light fixtures; the lessee to furnish heat, light and caretaker, and to make such inside repairs as it may deem necessary during occupancy. Lessor, T. R. Building Company, Inc., 3228 Decatur Avenue, Borough of The Bronx.

Respectfully,

CHARLES L. CRAIG, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Street Cleaning of a lease to the City from the T. R. Building Company, Inc., of the store, three rear rooms and cellar of premises at No. 1290 Intervale Avenue, Borough of The Bronx, for use of the Department of Street Cleaning, for a period of three years from May 1, 1918, at an annual rental of four hundred and twenty dollars (\$420), payable quarterly; the lessor to put the premises in tenantable condition satisfactory to the Department of Street Cleaning, pay taxes, assessments and water rates, make outside repairs, widen the front door of the demised premises, if required, and furnish and install gas and electric light fixtures; the lessee to furnish heat, light and caretaker, and to make such inside repairs as it may deem necessary during occupancy; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

Street Cleaning Department—Renewal of Lease for, of Premises at 416 E. 64th St., Manhattan.

The Comptroller presented the following report and offered the following resolution:

March 20, 1918.

To the Honorable the Commissioners of the Sinking Fund:

Dear Sirs—The Commissioner of the Department of Street Cleaning, in a communication dated March 13, 1918, requests the renewal of the lease of the premises occupied as a Section Station at 416 East 64th Street, Borough of Manhattan, for a period of one year from April 1, 1918, at the same rental and on the same terms and conditions as now occupied.

Provision for the renewal of this lease is made in the 1918 Budget.

These premises have been occupied for this purpose under leases made as follows:

April 1, 1912—April 1, 1915, \$420 a year, Mar. 13, 1912.

April 1, 1915—April 1, 1916, \$420 a year, Mar. 3, 1915.

April 1, 1916—April 1, 1917, \$420 a year, Feb. 18, 1916.

April 1, 1917—April 1, 1918, \$420 a year, Feb. 8, 1917.

There is no City-owned property in the vicinity that is available for this purpose.

The nearest City-owned property is on the north side of East 66th Street, between First Avenue and Avenue A, occupied as P. S. No. 183.

There is no property in the vicinity now under lease to the City that is not in use or that could be made available for the purposes of this lease.

The rent for the renewed lease compared with other rents in the vicinity is as follows: Premises occupied by the City consist of two adjoining stores, with three rooms in the rear of each, and comprise a total floor area of 1,420 square feet; at the rental of \$420 a year, the rate is about 30 cents per square foot. A single similar store with rear rooms at No. 412 E. 64th Street is rented for \$300 a year. The floor area is 700 square feet. The rate per square foot is therefore about 43 cents.

There is no other privately owned property that could be rented or used in lieu of the above premises to the advantage of the City.

Under the circumstances, the rent appears to me to be reasonable and just.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the said lease upon the same terms and conditions as the present lease, to wit:

Of the lease of two single stores 10 feet by 40 feet each, with three rooms in the rear of each 8 feet by 10 feet, 9 feet by 10 feet and 14 feet by 10 feet, together with front basement space 23 feet by 30 feet, in building No. 416 E. 64th Street, Borough of Manhattan, for use of the Department of Street Cleaning, for a period of one year from April 1, 1918, at an annual rental of \$420, payable quarterly; the lessor to keep the premises in good and tenantable condition and repair, and pay taxes and water rates; the lessee to furnish heat, light and janitor service. Lessor, Louis Tekulsky, No. 188 St. Nicholas Avenue, Manhattan. Respectfully,

CHARLES L. CRAIG, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Street Cleaning of a renewal of the lease to the City, of the two single stores, with three rooms in the rear of each, together with front basement space, at No. 416 East 64th Street, Borough of Manhattan, for use of the Department of Street Cleaning, for a period of one year from April 1, 1918, at an annual rental of four hundred and twenty dollars (\$420), payable quarterly; the lessor to keep the premises in good and tenantable condition and repair and pay taxes and water rates; the lessee to furnish heat, light and janitor service; lessor, Louis Tekulsky; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

#### Street Cleaning Department—Renewal of Lease for, of Premises at No. 483 E. 142d St., Bronx.

The Comptroller presented the following report and offered the following resolution:

March 11, 1918.

To the Honorable the Commissioners of the Sinking Fund:

Dear Sirs—The Commissioner of Street Cleaning, in a communication dated February 6, 1918, requests a renewal of the lease of premises occupied as a section station at 483 East 142nd Street, Borough of The Bronx, for a period of three years from May 1, 1918, at the same rental and under the same terms and conditions as now occupied.

Provision for the renewal of this lease was made in the 1918 Budget.

These premises have been occupied for this purpose under leases made as follows:

May 1, 1908, to May 1, 1911, \$480, Apr. 1, 1908.

May 1, 1911, to May 1, 1914, \$480, Feb. 15, 1911.

May 1, 1914, to May 1, 1915, \$480, Mar. 25, 1914.

May 1, 1915, to May 1, 1918, \$480, Apr. 7, 1915.

There is no City-owned property in the vicinity that is available for this purpose.

The nearest City-owned property is at 141st Street and Willis Avenue, and is occupied by the Department of Education.

There is no property in the vicinity now under lease to the City that is not in use or that could be made available for the purposes of this lease.

As this property is on a residential side street, there is no opportunity to make comparison as to rents. Stores on the avenue are held at a much higher rental.

There is no other privately owned property that could be rented or used in lieu of the above premises to the advantage of the City.

Under the circumstances the rent appears to me to be reasonable and just.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the lease of the store floor and front half of basement of the premises 483 East 142nd Street, Borough of The Bronx, for use of the Department of Street Cleaning, for a period of three years from May 1, 1918, at an annual rental of \$480, payable quarterly; the lessor to pay taxes and water rates and make outside repairs; the lessee to furnish heat, light and janitor service and to make such inside repairs as it may deem necessary. Lessor, Mrs. Sarah O'Brien, 481 East 142nd Street, Borough of The Bronx. Respectfully,

CHARLES L. CRAIG, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Street Cleaning of a renewal of the lease to the City of the store floor and front half of the basement at No. 483 East 142nd Street, Borough of The Bronx, for use of the Department of Street Cleaning, for a period of three years from May 1, 1918, at an annual rental of four hundred and eighty dollars (\$480), payable quarterly; the lessor to pay taxes and water rates and make outside repairs; the lessee to furnish light, heat and janitor service and to make such inside repairs as it may deem necessary; lessor, Mrs. Sarah O'Brien; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

#### Street Cleaning Department—Renewal of Lease for, of Premises at 876 Forest Ave., Bronx.

The Comptroller presented the following report and offered the following resolution:

March 16, 1918.

To the Honorable the Commissioners of the Sinking Fund:

Dear Sirs—The Commissioner of the Department of Street Cleaning, in a communication dated February 14, 1918, requests a renewal of the lease of premises occupied as a Section Station at No. 876 Forest Avenue, Borough of The Bronx, for a period of three years from May 1, 1918, at the same rental and under the same terms and conditions as now occupied.

Provision for a renewal of this lease was made in the 1918 Budget.

These premises have been occupied for this purpose under a lease made as follows:

May 1, 1913, to May 1, 1918, \$540 a year, April 2, 1913.

There is no City-owned property in the vicinity that is available for this purpose.

The nearest City-owned property is at 998 Forest Avenue and is being used by the Fire Department.

There is no property in the neighborhood now under lease to the City that is in use or that could be made available for this purpose.

The rent for the renewed lease, compared with other rents in the locality, is as follows:

Store at 871 Forest Avenue, which is larger than the premises now leased by the City, rents for \$540 a year, which is at the rate of 36 cents a square foot. These premises, however, have not the advantages of the present leased premises, inasmuch as the yard space, which is included in said lease, is reached by an arcaway instead of through the store.

Under the circumstances, the rent appears to me to be reasonable and just.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of said lease upon the same terms and conditions.

Of premises at 876 Forest Avenue, consisting of store 21 feet by 60 feet, with front basement space 12 feet by 40 feet, and rear yard space 22 feet by 30 feet, for use of the Department of Street Cleaning, for a period of three years from May 1, 1918, at an annual rental of \$540, payable quarterly; the lessor to pay taxes and water

rates and make outside repairs during the term of the lease; the lessee to furnish heat, light and caretaker and make such inside repairs during occupancy as it may deem necessary. Lessors, William Ferber and Jacob M. Ferber, 699 East 161st Street, New York City. Respectfully,

CHARLES L. CRAIG, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Street Cleaning of a renewal of the lease to the City of the premises consisting of the store with front basement space and rear yard space at No. 876 Forest Avenue, Borough of The Bronx, for a period of three years from May 1, 1918, at an annual rental of five hundred and forty dollars (\$540), payable quarterly; the lessor to pay taxes and water rates and make outside repairs during the term of the lease; the lessee to furnish heat, light and caretaker and make such inside repairs during occupancy as it may deem necessary; lessors, William Ferber and Jacob M. Ferber; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

#### Street Cleaning Department—Proposed Renewal of Lease for, of Premises at 403 Butler St., Brooklyn.

This matter was on the calendar of meetings held January 31, February 14, 28th and March 14, 1918, and laid over.

Which was again laid over.

#### Street Cleaning Department—Renewal of Lease for, of Premises at 42-46 Hamilton St., Manhattan.

The Comptroller presented the following report and offered the following resolution:

To the Honorable the Commissioners of the Sinking Fund:

Dear Sirs—The Commissioner of the Department of Street Cleaning, in a communication dated January 16, 1918, requested the renewal of the lease of premises occupied as a stable at 42-46 Hamilton Street, Manhattan, for a period of three years from April 1, 1918, at the same rental and upon the same terms and conditions as now occupied.

On February 18, 1918, in a further communication he called attention to the fact that while there is a provision in the present lease for a three years' renewal, the landlords were unwilling that the renewal lease should contain such a provision, but that they were willing to make a new lease for five years, which he has recommended.

Provision for the renewal of this lease was made in the 1918 Budget.

These premises have been occupied for this purpose under leases made as follows:

Ten years from date of occupation, \$7,000 a year, Sept. 28, 1904.

April 1, 1915—April 1, 1918, \$7,000 a year, Mar. 24, 1915.

There is no City-owned property in the vicinity that is available for this purpose.

The nearest City-owned property is at the southeast corner of Monroe and Market Streets, occupied as P. S. No. 177.

There is no property in the vicinity now under lease to the City that is not in use or that could be made available for the purposes of this lease.

The rent for the renewed lease, compared with other rents in the vicinity, is as follows: There is no other property of similar character in the vicinity with which comparison may be made; the premises consists of two large stables, one of which was erected for the City by the owners according to plans and specifications furnished by the City, the owners also asphalted the yard for the department.

There is no other suitable or adaptable premises in the neighborhood. When the present lease was made the assessed valuation was \$60,000. Now the assessed value of the premises is \$50,000, to which figure the owners procured a reduction shortly after the present lease was made. The rental is therefore 14 per cent. on that value. The property was appraised in 1916 by two outside appraisers at \$65,000 and \$75,000; on these values the rent is about 10 8-10 per cent. and 9 3-10 per cent., respectively.

There is no other privately owned property that could be rented or used in lieu of the above premises to the advantage of the City.

The rental is high, based on the assessed valuation, but suitable and adaptable premises cannot be hired in the station section before the expiration of the present lease.

As the work of the Street Cleaning Department must be carried on for the protection of the public health, and there seems to be no other place available at present, the terms must be submitted to for another year.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the renewal of said lease for one year upon the same terms and conditions as the present lease, except as to the provisions for renewal, to wit:

Of the premises known as Nos. 42-46 Hamilton Street, Borough of Manhattan, for use of the Department of Street Cleaning, for a period of one year from April 1, 1918, at an annual rental of \$7,000, payable quarterly; the lessor to pay all the taxes and assessments and make such outside repairs as may be deemed necessary by the Department of Street Cleaning; the lessee to pay for water used on the premises and to make such inside repairs as it may deem necessary. Lessors, Philip F. Collins, Helen Collins, John E. Collins, Elizabeth I. V. Murphy, Annie F. A. Leland, as General Guardian for Genevieve K. Collins, and Hugh J. Christie, as Receiver, 78 Monroe Street, Manhattan. Respectfully,

CHARLES L. CRAIG, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Commissioner of Street Cleaning of a renewal of the lease to the City of the premises known as Nos. 42-46 Hamilton Street, Manhattan, for use of the Department of Street Cleaning for a period of one year from April 1, 1918, at an annual rental of seven thousand dollars (\$7,000), payable quarterly; the lessor to pay all taxes and assessments and make such outside repairs as may be deemed necessary by the Department of Street Cleaning; the lessee to pay for water used on the premises and to make such inside repairs as it may deem necessary; lessors, Philip F. Collins, Helen Collins, John E. Collins, Elizabeth I. V. Murphy, Annie F. A. Leland, as General Guardian for Genevieve K. Collins, and Hugh J. Christie, as Receiver; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

#### Health Department—Renewal of Lease for, of Premises at 994 Flushing Ave., Brooklyn.

The Deputy and Acting Comptroller presented the following report and offered the following resolution:

March 4, 1918.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Secretary of the Department of Health, in a communication dated January 9, 1918, requests a renewal of the lease of premises occupied as an Infants' Milk Station, located at 994 Flushing Avenue, Borough of Brooklyn, for a period of one year from April 1, 1918, at the same rental and upon the same terms and conditions as now occupied.

Provision for a renewal of this lease is made in the 1918 Budget.

These premises have been occupied for this purpose under leases made as follows:

Apr. 1, 1911—Apr. 1, 1912, \$300, Mar. 29, 1911.

Apr. 1, 1912—Apr. 1, 1913, \$300, Feb. 21, 1912.

Apr. 1, 1913—Apr. 1, 1914, \$300, Feb. 15, 1913.

Apr. 1, 1914—Apr. 1, 1915, \$300, Mar. 4, 1914.

Apr. 1, 1915—Apr. 1, 1916, \$300, Mar. 3, 1915.

Apr. 1, 1916—Apr. 1, 1917, \$300, Feb. 23, 1916.

Apr. 1, 1917—Apr. 1, 1918, \$300, Feb. 8, 1917.

There is no City-owned property in the vicinity that is available for this purpose.

The nearest City property is on Thames Street, between Vanderbilt Place and Knickerbocker Avenue, occupied as Public School 88.

There is no property in the vicinity now under lease that is in use or that could be made available for the purposes of this lease.

The rent for the renewed lease, compared with other rents in the neighborhood, is as follows:

The premises occupied by the City consist of 700 square feet, and at the rent of \$300 a year the rate is 43 cents per square foot. A store, within a few doors, at 130 Forest Street, with 960 square feet, is offered for rent at \$240 a year, which is at the rate of about 25 cents a square foot, but as it would require many repairs to fit it for use as a Milk Station, the cost of removal of the present station to the other location, would more than offset the saving in rent of \$60 a year.

There is no privately owned property that could be rented or used in lieu of the above premises with advantage to the City.

Under the circumstances, the rent appears to me to be reasonable and just.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of the said lease upon the same terms and conditions as in the present lease, to wit:

Of the store 22 feet 6 inches by 18 feet, with three rear rooms, 15 feet by 10 feet, 9 feet by 8 feet and 8 feet by 10 feet, with coal bin in cellar, in the two-story and cellar frame building No. 994 Flushing Avenue, Borough of Brooklyn, for use of the Department of Health, for a period of one year from April 1, 1918, at an annual rental of \$300, payable quarterly; the lessor to pay taxes and water rates and keep the premises in good and tenable condition; the lessee to furnish heat, light and janitor service. Lessor, Andrew Schirmeister, 18 Central Avenue, Brooklyn.

Respectfully, CHARLES L. CRAIG, Comptroller.

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City of the store with three rear rooms and coal bin in cellar at No. 994 Flushing Avenue, Borough of Brooklyn, for use of the Department of Health, for a period of one year from April 1, 1918, at an annual rental of three hundred dollars (\$300), payable quarterly; the lessor to pay taxes and water rates and keep the premises in good and tenable condition; the lessee to furnish heat, light and janitor service; lessor Andrew Schirmeister; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

#### Health Department—Renewal of Lease for, of Premises at 439 E. 139th St., Bronx.

Laid over.

#### Health Department—Renewal of Lease for, of Premises at 621 Fourth Ave., Brooklyn.

The Comptroller presented the following report and offered the following resolution:

February 27, 1918.

To the Honorable the Commissioners of the Sinking Fund:

Dear Sirs—The Secretary of the Department of Health, in a communication dated February 7, 1918, requests a renewal of the lease of premises occupied as an Infants' Milk Station at 621 Fourth Avenue, Borough of Brooklyn, for a period of one year from April 1, 1918, at the same rental and upon the same terms and conditions as now occupied.

Provision for the renewal of this lease was made in the 1918 Budget.

These premises have been occupied for this purpose under leases made as follows:

Apr. 1, 1915—Apr. 1, 1917, \$300 a year, Mar. 3, 1915.

Apr. 1, 1917—Apr. 1, 1918, \$300 a year, Feb. 8, 1917.

There is no City-owned property in the vicinity that is available for this purpose. The nearest City-owned property is at 633 Fourth Avenue, occupied as a fire house.

There is no property in the vicinity now under lease to the City that is not in use or that could be made available for the purposes of this lease.

The rent for the renewed lease, compared with other rents in the vicinity, is as follows:

The premises occupied by the City consist of a corner store, with an area of 580 square feet, which at a rental of \$300 a year is 51 cents per square foot. An interior store at 616 Fourth Avenue, with a floor area of 510 square feet, can be rented for \$240 a year, or at the rate of 47 cents a square foot, but the Health Commissioner, after viewing the premises, refuses to accept them.

There is no other privately owned property that could be rented or used in lieu of the above premises to the advantage of the City.

Under the circumstances, the rent appears to me to be reasonable and just.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of said lease upon the same terms and conditions as the present lease, to wit:

Of the corner store, 17 feet by 34 feet 2 inches, with open space at the southerly side of the front part of the cellar, of premises No. 621 Fourth Avenue, Borough of Brooklyn, for use of the Department of Health, for a period of one year from April 1, 1918, at an annual rental of \$300, payable quarterly; the lessor to pay taxes and water rates; the lessee to furnish heat, light and janitor service, and make such interior repairs and alterations, not to include removal of partitions, as it may deem necessary during occupancy. Lessor, Frederick H. Jolivet, 381 State Street, Brooklyn.

Respectfully, CHARLES L. CRAIG, Comptroller.

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City of the corner store with open space at the southerly side of the front part of the cellar of premises at No. 621 Fourth Avenue, Borough of Brooklyn, for use of the Department of Health, for a period of one year from April 1, 1918, at an annual rental of three hundred dollars (\$300), payable quarterly; the lessor to pay taxes and water rates; the lessee to furnish heat, light and janitor service and make such interior repairs and alterations, not to include removal of partitions, as it may deem necessary during occupancy; lessor, Frederick H. Jolivet; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

#### Department of Correction—Renewal of Lease for, of the Premises at 516 E. 20th St., Manhattan.

The Comptroller presented the following report and offered the following resolution:

March 8, 1918.

To the Honorable the Commissioners of the Sinking Fund:

Dear Sirs—The Commissioner of the Department of Correction, in a communication dated February 23, 1918, requests the renewal of the lease of the premises occupied as the Central Office Stables, at 516 East 20th Street, Borough of Manhattan, for a period of one year from April 1, 1918, at the same rental and upon the same terms and conditions as now occupied.

Provision for the renewal of this lease is made in the 1918 Budget.

These premises have been occupied for this purpose under leases made as follows:

April 1, 1902—April 1, 1906, \$1,200 a year, July 1, 1902.

April 1, 1906—April 1, 1907, \$1,200 a year, February 7, 1906.

April 1, 1907—April 1, 1908, \$1,200 a year, January 17, 1907.

April 1, 1908—April 1, 1909, \$1,200 a year, April 1, 1908.

April 1, 1909—April 1, 1910, \$1,200 a year, April 21, 1909.

April 1, 1910—April 1, 1911, \$1,200 a year, April 6, 1910.

April 1, 1911—April 1, 1912, \$1,200 a year, February 15, 1911.

April 1, 1912—April 1, 1913, \$1,200 a year, February 21, 1912.

April 1, 1913—April 1, 1914, \$1,200 a year, January 29, 1913.

April 1, 1914—April 1, 1915, \$1,200 a year, March 18, 1914.

April 1, 1915—April 1, 1916, \$1,200 a year, March 24, 1915.

April 1, 1916—April 1, 1917, \$1,200 a year, February 23, 1916.

April 1, 1917—April 1, 1918, \$1,200 a year, February 8, 1917.

There is no City owned property in the vicinity that is available for this purpose. The nearest City owned property is at 431-437 East 19th Street, acquired for the Board of Education for playground purposes, therefore not available.

There is no property in the vicinity now under lease to the City that is not in use for the purposes of this lease.

The rent for the renewed lease compared with other rent in the vicinity is as follows: The assessed value of the premises in question for the year 1918 is \$10,500; the rental of \$1,200 a year is therefore approximately 11.4 per cent. on this value. A three-story brick building at 520 East 20th Street—lot and building the same size as 516 East 20th Street—rents for \$1,000 a year; the lessee, however, also paying taxes.

There is no privately owned property that could be renewed or leased in lieu of the above premises to the advantage of the City.

Under the circumstances the rent appears to me to be reasonable and just.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a renewal of said lease upon the same terms and conditions as the present lease, to wit:

Of the stable premises at No. 516 East 20th Street, Borough of Manhattan, for use of the Department of Correction for a period of one year from April 1, 1918, at an annual rental of \$1,200, payable quarterly; the lessors to pay taxes, make inside and outside repairs; the lessee to pay water rates and furnish light and heat. Lessors, Donald S. Walker and August N. Hand, executors of the last will and testament of John U. Brookman, deceased, No. 88 Wall Street, Manhattan.

Respectfully,

CHARLES L. CRAIG, Comptroller.

Resolved, That the Comptroller be and is hereby authorized and directed to execute a renewal of the lease to the City of the stable premises at No. 516 E. 20th Street, Borough of Manhattan, for use of the Department of Correction, for a period of one year from April 1, 1918, at an annual rental of twelve hundred dollars (\$1,200), payable quarterly; the lessors to pay taxes and make inside and outside repairs; the lessee to pay water rates and furnish light and heat; lessors, Donald S. Walker and August N. Hand, executors of the last will and testament of John U. Brookman, deceased; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made.

The report was accepted and the resolution unanimously adopted.

#### Staten Island Association of Arts and Sciences—Hiring by, of Premises at 154 Stuyvesant Place, St. George, Richmond.

The Comptroller presented the following report and offered the following resolution:

March 9, 1918.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The President of the Staten Island Association of Arts and Sciences, in a communication to your Board dated March 5, 1918, requests an extension of the present lease of premises at 154 Stuyvesant Place, St. George, Borough of Richmond, used as an art museum, for a period not to exceed three months from April 1, 1918, at the same rental as now paid and upon the same terms and conditions.

The President further states that the new building now being erected at the northeast corner of Wall Street and Stuyvesant Place will not be ready for occupancy at the termination of the lease of the premises now occupied by the Association, but he believes that in the course of the next three months the building will be in such shape that they can occupy it.

Provision for the payment of the rent for the leased premises was allowed in the appropriation made directly to this association in the 1918 Budget.

These premises have been occupied for this purpose under leases made as follows:

January 1, 1911, to January 1, 1916, \$1,500, December 21, 1910.

January 1, 1916, to April 1, 1917, \$1,500, December 29, 1915.

April 1, 1917, to April 1, 1918, \$1,500, March 1, 1917.

There is no City owned property in the vicinity that is available for this purpose, inasmuch as a new building is being erected for the association in the immediate neighborhood.

The nearest City owned property is directly opposite the present leased quarters and is occupied by the Richmond Borough Hall.

There is no property in the vicinity now under lease that is not in use or that could be made available for the purposes of this lease.

The rent for the renewed lease, compared with other rents in the vicinity, is as follows:

There is no similar building now being rented at this location with which a fair comparison may be made. It might be stated that private dwellings are much in demand in this neighborhood, owing to the great increase in manufacturing and war activities now going on in the Borough of Richmond.

There is no other privately owned property that could be rented or used in lieu of the above premises to the advantage of the City.

Under the circumstances, the rent appears to me to be reasonable and just.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the Comptroller to pay rent to Barbara Rosenberg, as executrix, and Morton Rosenberg, as executor, of the last will and testament of Charles Rosenberg, deceased, for use of the premises No. 154 Stuyvesant Place, northwesterly corner of Hyatt Street, St. George, Borough of Richmond, with land 94 feet by 175 feet, by the Staten Island Association of Arts and Sciences, on a month to month basis, for a period not exceeding three months from April 1, 1918, at the rate of \$1,500 a year, payable monthly, without the necessity of entering into a lease therefor. The owner to pay taxes and keep roof in repair; the City to furnish heat, water, light and janitor service and make such alterations and repairs as it may deem necessary. Respectfully,

CHARLES L. CRAIG, Comptroller.

Resolved, That the Comptroller be and is hereby authorized to pay to Barbara Rosenberg, as executrix, and Morton Rosenberg, as executor of the last will and testament of Charles Rosenberg, deceased, rent for use of the premises No. 154 Stuyvesant Place, northwesterly corner of Hyatt Street, St. George, Borough of Richmond, with land 94 feet by 175 feet, by the Staten Island Association of Arts and Sciences, on a month to month basis, for a period not exceeding three months from April 1, 1918, at the rate of one thousand five hundred dollars (\$1,500) a year, payable monthly, without the necessity of entering into a lease therefor; the owner to pay taxes and keep roof in repair; the City to furnish heat, water, light and janitor service and make such alterations and repairs as it may deem necessary.

The report was accepted and the resolution unanimously adopted.

**Sale and Removal of Encroachments Lying Within the Lines of Atlantic Ave., from Birch St. to Maure Ave., Queens.**

The Comptroller presented the following report and offered the following resolution:

January 18, 1918.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—A request has been received from the President of the Borough of Queens for the removal of an encroachment lying within the lines of Atlantic Avenue, from Birch Street to Maure Avenue, in the Borough of Queens, owing to the condition of the building and the Violation Notices filed against it by the Department of Health.

This encroachment consists of part of a two-story brick building on Damage Parcel No. 212, the estimated removal value of which is \$50, which amount should be realized by its sale.

I therefore request that the Commissioners of the Sinking Fund, pursuant to the authority vested in them by sections 205 and 1553 of the Revised Charter, adopt a resolution authorizing and ordering that the said encroachment be offered for sale at

the upset or minimum price named above, and also authorizing and ordering the President of the Borough of Queens to demolish and remove this encroachment if it is not sold at the said upset price, as an encumbrance upon a public street, and such resolution is herewith transmitted. Yours truly, CHARLES L. CRAIG, Comptroller.

Whereas, The President of the Borough of Queens has requested the removal of an encroachment lying within the lines of Atlantic Avenue, from Birch Street to Maure Avenue, in the Borough of Queens; and

Whereas, If this improvement is offered for sale at an upset price it would probably realize a fair return in proportion to the award given, it is therefore

Resolved, That the Commissioners of the Sinking Fund, by virtue of the powers vested in them by law, hereby authorize and order the sale at public auction or by sealed bids Damage Parcel No. 212, consisting of part of a two-story brick building lying within the lines of Atlantic Avenue, from Birch Street to Maure Avenue, in the Borough of Queens, at the upset or minimum price of \$50, upon the terms and conditions for the sale of buildings, etc., as authorized by the Commissioners of the Sinking Fund at meetings held October 4, 1910, and January 18, 1916, and the President of the Borough of Queens is hereby authorized and ordered to demolish and remove this encroachment if it does not realize the said upset price, as an encumbrance upon a public highway, in the manner provided by section 205 of the Revised Charter, as amended by chapter 398 of the Laws of 1909.

The report was accepted and the resolution unanimously adopted.

*To the Honorable the Commissioners of the Sinking Fund:*

Gentlemen—A request has been received from the President of the Borough of Queens for the removal of an encroachment within the lines of Fisk Avenue, from Queens Boulevard to Grand Street, in the Borough of Queens, to permit the former owner to improve his property.

This encroachment consists of part of a two-story frame house on Damage Parcel No. 144, the estimated removal value of which is \$95, which amount should be realized by its sale.

I therefore request that the Commissioners of the Sinking Fund, pursuant to the authority vested in them by sections 205 and 1553 of the Revised Charter, adopt a resolution authorizing and ordering that the said encroachment be offered for sale at the upset or minimum price named above, and also authorizing and ordering the President of the Borough of Queens to demolish and remove this encroachment if it is not sold at the said upset price, as an encumbrance upon a public street, and such a resolution is herewith transmitted. Yours truly,

CHARLES L. CRAIG, Comptroller.

Whereas, The President of the Borough of Queens has requested the removal of an encroachment lying within the lines of Fisk Avenue, from Queens Boulevard to Grand Street, in the Borough of Queens; and

Whereas, If this improvement is offered for sale at an upset price it would probably realize a fair return in proportion to the award given, it is therefore

Resolved, That the Commissioners of the Sinking Fund, by virtue of the powers vested in them by law, hereby authorize and order the sale at public auction or by sealed bids Damage Parcel No. 144, consisting of part of a two-story frame house lying within the lines of Fisk Avenue, from Queens Boulevard to Grand Street, in the Borough of Queens, at the upset or minimum price of \$95, upon the terms and conditions for the sale of buildings, etc., as authorized by the Commissioners of the Sinking Fund at meetings held October 4, 1910, and January 18, 1916, and the President of the Borough of Queens is hereby authorized and ordered to demolish and remove this encroachment if it does not realize the said upset price, as an encumbrance upon a public highway, in the manner provided by section 205 of the Revised Charter, as amended by chapter 398 of the Laws of 1909.

**Deposit to Be Made with the Comptroller in Connection with Releases or Quit-Claims of the City's Interest in Real Estate.**

The Comptroller presented the following report and offered the following resolution:

March 8, 1918.

*To the Commissioners of the Sinking Fund:*  
Dear Sirs—On December 20, 1917, a resolution was adopted by this Board rescinding twenty-two resolutions authorizing releases of the City's interest in closed and discontinued streets, for the reason that the petitioners, after having been notified that the releases were authorized and ready for execution and delivery, failed to comply with the terms of the resolutions and receive the deeds.

The amount of time and labor involved in connection with these matters is considerable and it would seem advisable that something be done which would tend to prevent such action in future.

I therefore recommend that each applicant for a release of the City's interest in real estate, pursuant to section 205 of the Charter, be requested to deposit with the Comptroller a sum to be fixed by the Comptroller, as an evidence of his intention to comply with the terms of the resolution and to consummate the matter.

The following resolution will carry this into effect. Respectfully,  
CHARLES L. CRAIG, Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby direct that each applicant for a release of the City's interest in real estate, pursuant to section 205 of the Charter, shall deposit with the Comptroller a sum to be fixed by the Comptroller, which sum shall be equivalent to the price for which the City will give the deed of release asked for, and in the event that the Commissioners of the Sinking Fund shall by resolution authorize such deed of release, such sum shall be applied by the City as and in payment for such deed of release. The said deed of release to be mailed to the applicant by registered mail if not called for within thirty days after being notified that it is executed and ready for delivery. In the event that the Commissioners of the Sinking Fund shall deny such application, such deposit shall be returned to the applicant.

The report was accepted and the resolution unanimously adopted.

**Navy Department—Use Additional Lands in Pelham Bay Park, Bronx, for Military Purposes, Authorized.**

(Not on the Calendar—considered by unanimous consent.)

The Acting President of the Board of Aldermen submitted the following correspondence, requested endorsement of the action of the Acting Mayor, as herein-after set forth, and offered the following resolution:

New York, March 5, 1918.

Honorable ALFRED E. SMITH, Acting Mayor, City of New York, City Hall, New York City:

Dear Sir—I understand that your Honor's request to me to grant a permit to Commander W. B. Franklin for additional land at Pelham Bay Park has not been presented yet to the Sinking Fund Commission for endorsement. I am holding back the formal permit, awaiting that endorsement. The permit orally, on your authorization, has, of course, been granted.

I am informed that the next meeting of the Sinking Fund Commission will be held on Thursday, March 14th. Yours truly,

JOSEPH P. HENNESSY, Commissioner of Parks, Borough of The Bronx.

(Copy.)

Naval Training Camp, Pelham Bay Park, New York, N. Y., February 15, 1918.

Hon. J. P. HENNESSY, Park Commissioner, Borough of Bronx, New York, N. Y.:

Dear Sir—The land recently obtained from the City of New York for the establishment of a temporary training camp for Naval Reservists is not capable of holding the entire 10,000 men without undue crowding. Furthermore, should the barracks be erected as close together as would be necessary, a number of fine trees would have to be sacrificed, which could easily be spared if more space was left between the buildings.

On behalf of the Navy Department, I am, therefore, again approaching you with a request for additional land. The site chosen to hold this increased number is to the eastward of the City Island Road, directly across from the land now occupied, and would extend from the roadway leading into the large white house on the extreme southern end of the property northward as far as the road. It may possibly be necessary to move slightly a portion of the walk used by the tent colonies, but this expense would be borne by the Government.

The Government has no wish to in any way interfere with the tent colony aforementioned or to request any of the land occupied by that colony or used by the members of it.

It is understood that this additional land, if obtained, will be subject in all respects to the same conditions as were entered into between the City and the Government in the original loan of the present camp site.

In view of the urgency of this matter, it is requested that your reply be expedited in every possible way. Very truly yours,

(Sgd.) W. B. FRANKLIN, Commander, N. N. V.

March 13, 1918.

Hon. ALFRED E. SMITH, President, Board of Aldermen, Municipal Building, New York City:

Dear Sir—I enclose you herewith a description of the land given for temporary use by this department to the Navy Department of the United States in Pelham Bay Park, under your request on March 5th, and under permit subsequently issued to the said Navy Department by this department, with provision for the endorsement of the Sinking Fund Commission.

I send the description herewith for the reason that it may be desired by the other members of the Sinking Fund Commission, upon the question of their endorsement of your request.

This description was submitted to you at the time the matter was presented by this department for your consideration, at the instance of Commander W. B. Franklin.

Very truly yours,

JOSEPH P. HENNESSY, Commissioner of Parks, Borough of The Bronx.

Resolved, That the Commissioners of the Sinking Fund hereby endorse the action of Acting Mayor Alfred E. Smith, taken on March 5th, 1918, in requesting the Commissioner of Parks for the Borough of Bronx to issue a permit to Commander W. B. Franklin for the use of additional land in Pelham Bay Park, a description of which is annexed hereto, for the establishment of a temporary training camp for Naval Reservists, pursuant to the application made therefor by Commander Franklin on behalf of the Navy Department, under date of February 15th, 1918.

Beginning at a point on the easterly side of City Island Road distant 200 feet southerly from the corner formed by the intersection of the said easterly side of City Island Road and the southerly side of road known as Pelham Bay Shore Road; running thence southerly along the easterly side of City Island Road for a distance of 1,650 feet, more or less; thence easterly for a distance of 320 feet, more or less; thence northerly for a distance of 170 feet, more or less; thence northerly for a distance of 260 feet; thence easterly for a distance of 430 feet; thence northerly for a distance of 600 feet; thence easterly for a distance of 300 feet; thence northerly parallel to the Pelham Bay Shore Road and approximately 200 feet westerly therefrom for a distance of 1,600 feet, more or less, to the point or place of beginning, containing approximately 91 3/4 acres.

Which resolution was unanimously adopted.

Adjourned. JOHN KORB, Secretary.

#### DEPARTMENT OF STREET CLEANING.

##### Proposals.

SEALED BIDS WILL BE RECEIVED BY the Commissioner of Street Cleaning, at Room 1244 Municipal Building, Manhattan, until 12 noon, on

**WEDNESDAY, APRIL 10, 1918.**  
FOR A CONTRACT TO COMPLETE THE "CONTRACT, PURSUANT TO SECTION 544 OF THE GREATER NEW YORK CHARTER, FOR THE FINAL DISPOSITION OF THE ASHES, STREET SWEEPINGS AND RUBBISH THAT MAY BE COLLECTED IN THE BOROUGHS OF MANHATTAN AND THE BRONX, WHETHER BY THE CARTS OF THE DEPARTMENT OF STREET CLEANING OR BY OTHER CARTS AUTHORIZED TO COLLECT THE SAME AND HOLDING PERMITS FROM SAID DEPARTMENT TO DEPOSIT THE MATERIALS AT THE DEPARTMENT DUMPS; THE ASHES FROM THE DOCKS OF BLACKWELL'S AND RANDALL'S ISLANDS; AND THE ASHES AND RUBBISH FROM STEAM TUGS OR OTHER VESSELS OF THE HARBOR LOCATED AT SUCH POINTS AS THE SUPERVISOR OF THE HARBOR MAY DIRECT, AS PROVIDED IN SECTION 881 OF THE CHARTER, FOR A PERIOD OF THREE YEARS COMMENCING JAN. 2, 1914, WITH THE RIGHT TO THE CITY OF NEW YORK TO RENEW THE CONTRACT FOR ANOTHER PERIOD OF TWO YEARS ON THE SAME TERMS AND CONDITIONS, EXCEPTING THE PRIVILEGE FOR RENEWAL," WHICH SAID CONTRACT WAS HERETOFORE AWARDED TO JOHN D. DAILEY AND DEWITT C. IVINS, COMPOSING THE FIRM OF DAILEY & IVINS, AND RENEWED FOR THE TWO-YEAR PERIOD.

The period of the work to be performed under this contract will be for eight (8) months, commencing May 1, 1918.

The compensation to be paid to the contractor, which shall be in full for all the work performed, will be as follows for the various items:

For the removal and final disposition of ashes and street sweepings, at a price or sum per ash cartload (a) or in like proportion.

For the removal and final disposition of rubbish, at a price or sum per paper and rubbish cartload (c) or in like proportion.

For the loading, removal and final disposition of the ashes from Blackwell's and Randall's Islands, at a price or sum for eight months beginning May 1, 1918.

For the removal and final disposition of the ashes and rubbish from steam tugs and other vessels in the harbor, at a price or sum for eight months beginning May 1, 1918.

These prices must be written in full and also be given in figures, and all the materials that are more or less than the quantity as estimated in the "Information to Bidders" shall be received and properly disposed of by the Contractor without any extra or other compensation than the said prices, which said prices shall cover all and every cost of transportation and final disposition, however incurred, from the time that the materials are delivered to the contractor.

In the comparison to ascertain the lowest bid, the following method will be used: Multiply the price or sum bid per cartload for ashes and street sweepings by the total cartloads as shown in the table for the last eight months of the year 1917 in the "Information to Bidders"; multiply the price or sum per cartload for rubbish by the total of cartloads, as shown in the said table, during the same eight months; to the sum of these two items add the prices or sums bid for eight months commencing May 1, 1918, for the ashes from Blackwell's and Randall's Islands, and for the ashes and rubbish from steam tugs and other vessels in the harbor.

Each bid or estimate must be accompanied by certified check on a solvent banking corporation in The City of New York, payable to the order of the Comptroller of The City of New York, for five (5) per centum of the estimated amount for which the work bid for is proposed to be

performed during the eight months commencing May 1, 1918, as computed by the method above shown to ascertain the lowest bid. This check must not be enclosed, but must be handed in separately from the bid.

The Commissioner of Street Cleaning reserves the right to select from the bids or estimates that bid or estimate the acceptance of which will, in his judgment, best secure the efficient performance of the work, or he may reject any or all of said bids or estimates.

A special deposit of Ten Thousand Dollars (\$10,000) in cash will be required to be made to the Comptroller of The City of New York on or before the signing, sealing and delivery of the contract; this amount, or the unexpended portion thereof, to be returned to the contractor at the completion of the contract or other termination thereof.

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 will be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances, between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of buildings, sheds, walks, structures and cellars of whatever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations, and the sidewalks and curbs in front of said buildings, extending within the described area, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from the demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all house sewer connections to the main sewer in the street and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture

of ownership of such buildings, appurtenances or portions as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the date of possession, and the successful bidder will provide and furnish all materials or labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

"No buildings, parts of buildings, fixtures or machinery sold for removal under these terms and conditions shall in any case be relocated or re-erected within the lines of any proposed street or other public improvement, and if any such buildings, parts of buildings, fixtures or machinery, etc., shall be relocated or re-erected within the lines of any proposed street or other public improvement, title thereto shall thereupon become vested in The City of New York and a resale at public or private sale may be made in the same manner as if no prior sale thereof had been made."

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids, and be it further

Resolved, That while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

#### NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS ON WORK TO BE DONE FOR, OR SUPPLIES TO BE FURNISHED TO THE CITY OF NEW YORK.

The person or persons making a bid for any service, work, materials or supplies for The City of New York, or for any of its departments, bureaus or officers, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the bids will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid shall contain the name and place of residence of the person making the same, and the names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making a bid for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer or employee of The City of New York is, shall be, or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid must be verified by the oath, in writing, or the party or parties making the bid, that the several matters stated therein are in all respects true.

No bid will be considered unless as a condition precedent to the reception or consideration of such bid it be accompanied by a certified check upon one of the State or National banks or trust companies of The City of New York, or a check of such bank or trust company signed by a duly authorized officer thereof, drawn to the order of the Comptroller, or money or corporate stock or certificates of indebtedness of any nature issued by The City of New York, which the Comptroller shall approve as of equal value with the security required in the advertisement to the amount of not less than three nor more than five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

All bids for supplies must be submitted in duplicate. The certified check or money should not be enclosed in the envelope containing the bid, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid.

For particulars as to the quantity or quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter as surety or otherwise, upon any obligation of the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids in addition to inserting the same in figures.

Bidders are requested to make their bids upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done or the supplies are to be furnished. Plans and drawings of construction work may be seen there.
