"Compete To Win" More Contracts!

Thanks to a new City initiative - "Compete To Win" - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and women-owned businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts at nyc.gov/competetowin

"The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence."

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
 Department for the Aging (DFTA)
 Department of Consumer Affairs (DCA)
 Department of Corrections (DOC)
 Department of Health and Mental Hygiene (DOHMH)

 Department of Probation (DOP)
 Department of Small Business Services (SBS)
 Department of Youth and Community Development (DYCD)

AGENCY RULES

ADMINISTRATIVE TRIALS AND HEARINGS

■ NOTICE

Notice of Promulgation of Rule

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED in the Office of Administrative Trials and Hearings (OATH) in accordance with Sections 1049 and 1043 of the New York City Charter that OATH amends Chapter 7 of Title 48 of the Rules of the City of New York, concerning the community service program established by OATH pursuant to Subdivision 4 of Section 1049 of the New York City Charter.

The proposed rule was published in *The City Record* on March 20, 2019, and a public hearing was held on April 23, 2019. No one attended or testified at the public hearing concerning this rule and OATH did not receive any written comments.

Statement of Basis and Purpose of Final Rule

The Office of Administrative Trials and Hearings (OATH) amends Section 7-01, Subdivisions (a) and (b) of Section 7-02, Section 7-03, and Section 7-05 of Chapter 7 of Title 48 of the Rules of the City of New York, concerning OATH's community service program established by Section 1049(4) of the New York City Charter (City Charter). In addition, OATH rennumbers Sections 7-06 and 7-07 as Sections 7-07 and 7-08, respectively, and adds a new Section 7-06 to such Chapter.

OATH began offering community service to eligible respondents in June 2017 as part of the Criminal Justice Reform Act (Local Law 73 for the year 2016). The New York City Council passed the Criminal Justice Reform Act (CJRA) to create the opportunity for civil enforcement of low-level, non-violent offenses. This legislation was enacted on June 13, 2016. As part of the CJRA, Local Law 73 added new provisions to Section 1049 of the City Charter that require OATH Hearing Officers to offer an option to perform community service in lieu of paying a monetary civil penalty for certain specified violations of the Administrative Code of the City of New York and certain violations of rules of the Department of Parks and Recreation (DPR). A respondent is eligible to complete community service if they have either admitted to a specified violation before a hearing or if a specified violation was sustained against them after a hearing. A table of specified violations can be found in § 7-02 below.

Currently, respondents may only complete community service in-person, including a one-hour e-learning (learning which is conducted on a computer) course administered at an OATH Hearings Division location. Commencing in the summer of 2019, respondents will have the option to fulfill a one- or two-hour community service requirement by completing an online Community Service course from any computer. The amendments describe the procedures by which respondents may now complete community service either before or after a hearing, including the process by which respondents can admit to a Specified Violation by completing the online Community Service course, on or before the hearing date.

The amendments to Section 7-01 remove the definition of "community service provider" since OATH is now managing the community service program. The amendments to Section 7-02 clarify that a respondent may now admit to a specified violation before the hearing date without appearing before a hearing officer.

The amendments also relocate the provisions that govern community service extensions from Subdivisions (c) and (d) of Section 7-05 to a new Section 7-06, and clarify that extensions do not apply to respondents who wish to admit to the Specified Violation by completing the online Community Service course. Due to the creation of a new Section 7-06, former Sections 7-06 and 7-07 are renumbered.
