#### MESSAGES FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, June 7, 1888.

To the Honorable the Board of Aldermen :

I return herewith, without my approval, a resolution excepting Zeltner's Park from the provisions of the ordinances forbidding the firing of firearms, for the reason that this park has taken out no license from the Mayor, and therefore is not under such supervision as in my judgment places of public entertainment ought to be placed in the City of New York.

ABRAM S. HEWITT, Mayor.

Resolved, That the premises known as Zeltner's Park, located at the northeast corner of Third avenue and One Hundred and Seventieth street, be and is hereby excepted from the provisions of section 183 of article XIII. of chapter 8 of the Revised Ordinances of 1880, relating to the firing of firearms in the City of New York.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, June 7, 1888.

To the Honorable the Board of Aldermen :

I return herewith, without my approval, a resolution to amend section 22 of article 4 of chapter VIII. of the Revised Ordinances of 1880, relating to the speed of horses in the public streets. The proposed amendment would limit the speed of horse cars to five miles an hour, which is less than the usual rate of speed upon the leading lines. No serious complaint has been made that the speed now adopted on these lines is too great for the public safety, and it is certainly a matter of convenience to transport the passengers as rapidly as possible, especially on the long lines running north and south, and upon the cable line which is in use on One Hundred and Twenty-fifth street. I agree with your Honorable Body that greater restrictions should be placed upon fast driving of ordinary vehicles in the streets, and if the resolution should be amended to except horse cars from its operation, it will receive my approval.

ABRAM S. HEWITT, Mayor.

Resolved, That chapter 8, article 4, section 22, page 138, of the Revised Ordinances be amended to read as follows :

Section 22. "It shall not be lawful for any cart, wagon, coach, public cart, horse cars, or any other vehicle, to be driven through any of the streets of the City of New York at a greater speed than five miles an hour ; nor shall it be lawful for any such vehicle to be driven around the corner of any of the streets of said city, with the horse or horses thereto traveling at a faster gait than three miles per hour ; and all and every such public carts, and all other vehicles, except horse cars, when passing through or along any of the streets of said city, shall, when meeting any other vehicle, be driven to the right-hand side of the way, so that such vehicles shall pass clear of each other ; and it shall be unlawful for any such public cart, horse car, carriage or any other vehicle, or the horse or horses attached thereto, to be driven foul of or against any person, vehicle, or other thing whatever in any of the streets, or on any of the docks and wharves of said city."

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, June 7, 1888.

To the Honorable the Board of Aldermen :

I return herewith, without my approval, a resolution allowing fireworks in the Union Park on the 23d of June, 1888, for the reason that this park has taken out no license from the Mayor, and is, therefore, not under such supervision as will make it safe to allow the use of fireworks within the city limits.

ABRAM S. HEWITT, Mayor.

Resolved, That Brommer's Union Park, located between the Southern Boulevard and the Bronx Kills, Willis and Brook avenues, be and is hereby excepted from the provisions of section 181 of Article XIII. of chapter 8 of the Revised Ordinances of 1880, relating to the firing of fireworks during the afternoon and evening, June 23, 1888, being the occasion of the annual picnic of the Societa Mazzini.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, June 7, 1888.

To the Honorable the Board of Aldermen :

I return herewith, without my approval, a resolution permitting L. A. Dunn & Co. to keep a stand at the corner of Liberty and Greenwich streets, for the reason that the language of the resolution, "newspapers, periodicals, etc." is too broad. The words "etc." would permit the sale of all articles of merchandise, whereas the law allows these stands to be used only for the sale of newspapers, periodicals, fruits and soda-water. If the resolution should be modified, the question will then recur as to the propriety of authorizing these stands in the streets which lead to the ferries, and which are much crowded with traffic. If the stand is placed on Greenwich street, it would not be so objectionable as if placed upon Liberty street, and I understand this to be the intention of the resolution.

In this connection, I call attention to the fact that these resolutions come to me in various forms, and I venture to suggest that it would be more conducive to regularity if the words of the statute were used in all cases, so as to cover fruit, newspapers, periodicals and soda-water.

ABRAM S. HEWITT, Mayor.

Resolved, That permission be and the same is hereby given to L. A. Dunn & Co. to place and keep a stand for the sale of newspapers, periodicals, etc., inside the stoop-line in front of No. 149 Greenwich street, provided such stand shall not be an obstruction to the free use of the street by the public, nor exceed six feet long by four feet wide; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 6, 1888.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted May 29, 1888, giving permission to George Hall to place and keep a watering-trough on the sidewalk, near the curb, in front of No. 321 Broome street.

The Commissioner of Public Works reports that there are now two watering-troughs and a public drinking-hydrant on Broome street within four blocks of the proposed location. The proposed trough is therefore not needed, and would lead to unnecessary waste of water.

ABRAM S. HEWITT, Mayor.

Resolved, That permission be and the same is hereby given to George Hall to place and keep a watering-trough on the sidewalk, near the curb, in front of No. 321 Broome street, the work done and water supplied at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 4, 1888.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted May 22, 1888, giving permission to Muller Brothers to use the unused city lamp-post in front of No. 703 Tenth avenue for the purpose of displaying an emblematic sign.

The Commissioner of Public Works reports that the lamp-post and gas-lamp referred to are not at present used for street lighting but may have to be used in case of an emergency, and it is not deemed proper to permit it to be used for an advertising sign.

ABRAM S. HEWITT, Mayor.

Resolved, That permission be and the same is hereby given to Muller Brothers to use the unused city lamp-post in front of their place of business, No. 703 Tenth avenue, for the purpose of displaying an emblematic sign (a mortar); such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 4, 1888.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted May 22, 1888, giving permission to J. Reddington to place and keep an electric-light on the unused city lamp-post now on the northwest corner of Broadway and Forty-second street.

The Commissioner of Public Works reports that although this lamp is not used at present, yet it should be ready to be used in case of an emergency and not used for private purposes. Another serious objection to the resolution is that the lamp-post is too low for an arc-light, and if the insulation of the electric wire is not perfect accidents would be likely to result therefrom.

ABRAM S. HEWITT, Mayor.

Resolved, That permission be and the same is hereby given to J. Reddington to place and keep an electric-light on the unused city lamp-post now on the northwest corner of Broadway and Forty-second street, the work to be done and light furnished at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 6, 1888.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted May 29, 1888, giving permission to Herman Fries to place and keep a stand for the sale of fruit and newspapers, inside the stoop-line, in the rear of No. 396 Broadway, known as Courtland alley.

The Commissioner of Public Works reports that the stand is used for the sale of coffee and cakes; that the sidewalk at that location is very narrow, and the placing of a stand there would prove a serious obstruction to the free use of the sidewalk by the public.

I am also informed that the consent attached to the resolution is signed by the lessee of the building and not by the owner, which latter consent is required under the law which authorizes your Honorable Body to grant such permits.

ABRAM S. HEWITT, Mayor.

Resolved, That permission be and the same is hereby given to Herman Fries to place and keep a stand for the sale of fruit and newspapers, inside the stoop-line, in the rear of premises No. 396 Broadway, known as Courtland alley, provided such stand shall not be an obstruction to the free use of the street by the public, nor exceed six feet long by four feet wide; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 6, 1888.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted May 29, 1888, giving permission to Israel Epstein to place and keep a stand for the sale of fruit and soda water on the sidewalk, near the curb, in front of No. 51 Forsyth street. The placing of the stand at the curb would prove an obstruction to the free use of the sidewalk by the public and the courts have decided that the Common Council have no power to authorize incumbrances in the public streets.

ABRAM S. HEWITT, Mayor.

Resolved, That permission be and the same is hereby given to Israel Epstein to place and keep a stand for the sale of fruit and soda water, on the sidewalk near the curb, in front of No. 51 Forsyth street, provided such stand shall not be an obstruction to the free use of the street by the public, nor exceed six feet long by four feet wide; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 6, 1888.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted May 29, 1888, giving permission to Daniel D. Youmans to maintain, keep and retain the two signs now on his premises in front of No. 1107 Broadway, within the stoop-line. A similar resolution was returned by me to your Honorable Body without my approval, on May 15 last, and I have now to repeat what I then set forth in my veto message at that time:

"The two signs referred to are not one structure, they project six feet from the house-line on the second story of the building in violation of law, and in their present position they are dangerous to pedestrians who are compelled to pass beneath them."

ABRAM S. HEWITT, Mayor.

Resolved, That permission be and the same is hereby given to Daniel D. Youmans to maintain, keep and retain the two signs, now on his premises, in front of No. 1107 Broadway, within the stoop-line; such permission to continue during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 4, 1888.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted May 22, 1888, giving permission to Alexander T. Kent to place and keep a small bulletin-board near the curb in front of No. 16 Spruce street.

The Commissioner of Public Works reports that the proposed bulletin-board would be an obstruction to the free use of the sidewalk by the public. The courts have decided that the Common Council have no power to authorize incumbrances in the public streets.

ABRAM S. HEWITT, Mayor.

Resolved, That permission be and the same is hereby given to Alexander T. Kent, publisher of the "Sporting World" newspaper, to place and keep a small bulletin-board, thirty-four by forty-seven inches, constructed so as to slide up and down on a three or four inch iron pipe, which must be firmly imbedded in the ground between the end of the sidewalk flagging and the curb-stone, in front of No. 16 Spruce street, as shown on the annexed diagram, the work to be done at his own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 4, 1888.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted May 22, 1888, that permission be given to Patrick Colwell to place and keep an emblematic sign on the sidewalk, near the curb, in front of No. 148 West Thirty-seventh street.

The Commissioner of Public Works reports that the proposed sign is to be two feet square at the base and eight feet high, and would be an obstruction to public travel. The courts have decided that the Common Council have no power to authorize incumbrances in the public streets.

ABRAM S. HEWITT, Mayor.

Resolved, That permission be and the same is hereby given to Patrick Colwell to place and keep an emblematic sign on the sidewalk, near the curb, in front of No. 148 West Thirty-seventh street, provided such sign shall not be an obstruction to the free use of the street by the public, nor exceed eight feet high by one foot in diameter; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 4, 1888.

To the Honorable the Board of Aldermen:

I return, without my approval, the resolution of the Board of Aldermen, adopted May 22, 1888, giving permission to Marcus Stern to place and keep an emblematic sign on the sidewalk, near the curb, in front of No. 491 Sixth avenue.

The Commissioner of Public Works reports that the proposed sign would interfere with the free use of the sidewalk by the public. The courts have decided that the Common Council have no power to authorize incumbrances in the public streets.

ABRAM S. HEWITT, Mayor.

Resolved, That permission be and the same is hereby given to Marcus Stern to place and keep an emblematic sign on the sidewalk, near the curb, in front of No. 491 Sixth avenue, on the iron post now in front of said premises, provided such sign shall not be an obstruction to the free use of the street by the public, nor exceed nine feet high by six inches in diameter; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor:

MAYOR'S OFFICE, NEW YORK, June 4, 1888.

ABRAM S. HEWITT, Mayor.

Resolved, That permission be and the same is hereby given to Patrick O'Connor to place and keep a pole surmounted by an emblematic sign (horseshoe) on the sidewalk, near the curb, in front of No. 501 West Forty-third street, provided such pole and sign shall not be an obstruction to the free use of the street by the public, nor exceed ten feet high by six inches in diameter; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

#### MOTIONS AND RESOLUTIONS.

The 730 deaths during the week represent a death-rate of 24.02 per 1,000, the lowest of the year, as against 25.76 during the corresponding week of 1887, and 26.26 for last week.

The decrease of 65 deaths is chiefly due to a decrease in diphtheria (12 less), in diarrhoeal diseases (5 less), in heart diseases (9 less), in bronchitis (17 less), in pneumonia (13 less), and in Bright's disease and nephritis (11 cases). Deaths from scarlatina were the same (31) in both weeks. The decrease of diphtheria was most marked in the Sixth, Nineteenth and Twentieth Wards, from diarrhoeal diseases in the Ninth, from bronchitis in the Thirteenth and Eighteenth, from pneumonia in the Sixth, Twenty-first and Twenty-second, while there was a notable increase in the Seventeenth Ward.

#### TO CONTRACTORS.

PROPOSALS FOR NEW BOILERS AT HOMEOPATHIC HOSPITAL, WARD'S ISLAND.

SEALED BIDS OR ESTIMATES FOR THE aforesaid job, in accordance with the specifications and plans, will be received at the office of the Department of Public Charities and Correction, No. 66 Third Avenue, in the City of New York, until 9:30 o'clock A. M. of Tuesday, June 19, 1888.

No bid or estimate will be accepted, or contract awarded, to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of FIFTEEN THOUSAND (\$15,000) dollars.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and that it is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of FOUR THOUSAND (\$4,000) dollars.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and that it is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on being so awarded, become bound by his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded.

If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

## PUBLIC NOTICE AS TO WATER RATES.

PUBLIC NOTICE IS HEREBY GIVEN THAT in compliance with the provisions of chapter 359, Laws of 1887, amending sections 350 and 321 of the New York City Consolidation Act of 1882, passed June 9, 1887, the following changes are made in charging and collecting water rents:

1st. All extra charges for water incurred from and after June 9, 1887, shall be treated, collected and returned in arrears in the same manner as regular rents have heretofore been treated.

2d. In every building where a water meter or meters are now, or shall hereafter be in use, the charge for water by meter measurement shall be the only charge against such building, or such part thereof as is supplied through meter.

3d. The returns of arrears of water rents, including the year 1887, shall be made as heretofore on the confirmation of the tax levy by the Board of Aldermen, and shall include all charges and penalties of every nature.

4th. A penalty of five dollars (\$5) is hereby established, and will be imposed in each and every case where the rules and regulations of the Department prohibiting the use of water through hose, or in any other wasteful manner, are violated, and such penalties will be entered on the books of the Bureau against the respective buildings or property, and, if not collected, will be returned in arrears in like manner as other charges for water.

5th. Charges for so-called extra water rents of every nature, imposed or incurred prior to June 9, 1887, will be canceled of record on the books of the Department.

## PUBLIC NOTICE.

## NOTICE TO CROTON WATER CONSUMERS.

NUMEROUS APPLICATIONS HAVE BEEN made to this Department by citizens claiming reductions or rebates on bills for water supplied through meters, on the alleged ground of leakage caused by defective plumbing and worn-out service pipes, or by willful waste of water by tenants allowing the faucets to be turned on in full force in water-closets, sinks, etc., without the knowledge or consent of the owners of the premises.

The main object of the use of water-meters is to enable this Department to detect and check the useless and unwarrantable waste of an element so valuable and essential to the health and comfort of all the citizens, and this object can only be accomplished by enforcing payment for the water wasted.

Under the law all charges for water supplied through meters are a lien against the respective premises, and the law therefore holds the owner of the premises responsible for the amount of water used or wasted.

Notice is therefore given to all householders that, in all further applications for reduction of water rents, no allowance will be made on account of waste of water occurring through leaks, from defective service pipes or plumbing, or wasteful use of water by tenants or occupants of buildings, though such leakage or waste may have occurred without the knowledge or consent of the owners of the buildings.

House-owners are further notified that whenever their premises become vacant, and are likely to remain vacant, they must notify this Department in writing, and that unless this requirement is complied with no deductions in extra water rents will be allowed for any portion of one year.

JOHN NEWTON,  
Commissioner of Public Works.
