

Report to the City Council pursuant to Section 6-304 of the New York City Administrative Code

Reporting Period: Fiscal Year 2022 (7/1/2021 to 6/30/2022) *
From: Mayor's Office of Contract Services (MOCS)

Please find under "Environmentally Preferable Purchasing Construction Solicitation" information on the following:

1. The list of construction contracts that include any product that is subject to environmental purchasing;
2. The aggregate dollar value of construction contracts registered by any agency that comply with one or more of the City environmental purchasing standards; and
3. The aggregate dollar value of construction contracts registered by any agency that do not comply with one or more of the City environmental purchasing standards.

Please find under "Environmentally Preferable Purchasing Goods Solicitation" information on the following:

1. The list of goods contracts that include any product that is subject to environmental purchasing;
2. The aggregate dollar value of goods contracts registered by any agency that comply with one or more of the City environmental purchasing standards; and
3. The aggregate dollar value of goods contracts registered by any agency that do not comply with one or more of the City environmental purchasing standards.

Please find under "Exemptions" information on the following:

1. The list of contracts exempted pursuant to subdivision a of section 6-303 of the New York City Administrative Code**;
2. The aggregate dollar value of registered contracts exempted pursuant to subdivision a of section 6-303 of the New York City Administrative Code. **

*In Fiscal Year 2022, there were no reported waivers issued pursuant to subdivision b of section 6-303 of the New York City Administrative Code. There was also no material change made to the City's environmental purchasing standards since the last publication of this annual report. MOCS, MOCS and other agency partners have identified new product standards and revised existing product standards, and have been working continuously to make these updates to the standards and rules. MOCS will continue to partner with other government agencies to identify any products for which new, revised or additional environmental standards are necessary.

**For the aggregate dollar value of small purchases, emergency purchases, and intergovernmental purchases, please refer to Appendix A – Agency Procurement by Method of the Indicators Report.

Environmentally Preferable Purchasing Construction Contract Solicitation
