Whereas, The death of one of our most eminent and respected citizens—the Hon. John T. Hoffman, which occurred suddenly, at Weisbaden, Germany, on Saturday, the 24th instant, in the sixtieth year of his age—imposes upon this Common Council the sad duty of giving expression to the sorrow of our people and government; of testifying to his many virtues; of placing on record

our appreciation of his public services; his pre-eminent abilities; his exalted character; his fidelity to principle; and to manifest our deep sympathy with his bereaved family and his sorrowing relatives and friends; and

Whereas, The deceased was honored by the people of this State and city, in his life time, to an unusual degree, having been chosen by their suffrages to the most exalted offices in their gift: He was Recorder of this city from 1861 to 1866; Mayor from 1866 to 1869; Governor of this State, during the years 1869 and 1870, and held, at other times, minor offices of honor and responsibility, the duties of which he performed with marked ability and fidelity; his death is a loss to the people, a cause of grief to his friends and acquaintances, and a calamity to his family and relatives; be it therefore

Resolved, That the members of this Common Council, for themselves and as the representatives of the people of this city, have learned, with the most profound sorrow, of the death of the Hon. John T. Hoffman, formerly Governor of this State and Recorder of this city; his public life was characterized by such exalted principles of honesty and integrity that he secured the unbounded confidence of an admiring constituency in this State and city, and the admiration and respect of the people of this republic; while in his private and domestic relations, he was an exemplar of all the Christian virtues; and be it further

Resolved, That out of respect for the memory of the deceased, it is hereby ordered that, should his family approve of the proposition, the Governor's Room in the City Hall be placed at their disposal, in which his body may lie in state, upon its arrival in this city, and the people be permitted to view his features before interment; that the flags on all the public buildings be displayed at half-staff, from sunrise until sunset each day, from the arrival of his remains in this port, until their interment, and the owners of private buildings and the masters and owners of vessels in our harbor be requested to display their flags in like manner on the day set apart for solemnizing the funeral rites and ceremonies; that the members of this Board will attend his funeral in a body, and that his Honor the Mayor, and the heads of the several departments of the City Government be requested to participate with the members of the Common Council in paying the last sad tribute of respect to his remains, and that a Special Committee of seven members of this Board be appointed by the President to confer with the Mayor and the heads of departments in order to perfect the foregoing, and make such other and further arrangements as they may deem best calculated to manifest the profound grief of our people for the death, and their respect and reverence for the memory of the deceased statesman; and be it further

Resolved, That a copy of the foregoing preamble and resolutions be engrossed and duly authenticated by the President and the Clerk of the Common Council, and transmitted to the family of the deceased, as an additional evidence of the estimation in which the recollection of the invaluable public services and exemplary private life of the deceased are cherished by the people and government of this city.

Whereas, The death of ex-Lieutenant Governor William Dorsheimer, an eminent, respected and honored citizen of this State, which occurred unexpectedly at Savannah, Ga., on Tuesday, the 27th ult., in the fifty-sixth year of his age, imposes upon the municipal authorities, of this city of his residence, the sad duty of placing on record the high appreciation of our people for his exalted character, his stern integrity, his great ability, his devotion to duty, and to give expression to our deep sympathy with his bereaved wife, his afflicted relatives and sorrowing friends and acquaintances ; be it therefore

Resolved, That this Common Council deplores the death of ex-Lieutenant Governor William Dorsheimer as a loss to the public, a bereavement to his family, an affliction to his relatives, and of the deepest sorrow to his acquaintances and friends. He possessed in an eminent degree all those characteristics that distinguish the eminent citizen, the tried, faithful public official, the genial companion, the disinterested and steadfast friend. The people trusted and honored him in his life-time and profoundly lament the loss occasioned by his death. He was a mentor in politics, a jurist in law, a sage in ethics, a philosopher in the daily affairs of life, and he blended them all practically, so that he became one of the most eminent and versatile journalists of our day. Simple in his habits, dignified yet courteous in his demeanor, and affable in his intercourse with others, his death has left a void among our public men that cannot be easily filled ; and be it further

Resolved, That in the general sorrow for his death, the poignancy of private grief is not forgotten, and to his bereaved widow and afflicted relatives we hereby tender our sincere sympathy and condolence ; and be it further

Resolved, That as the people have already evinced in the interval since his death a sense of the loss they have sustained, it only further remains to this Common Council to place this preamble and these resolutions on record, among the archives of the City Government, in order to preserve and perpetuate its estimate and full appreciation of his noble life, character and public services ; be it therefore

Resolved, That the foregoing preamble and resolutions be entered at length in the minutes of this meeting and published in the CITY RECORD ; also that a copy thereof, signed by the President of this Board, sealed with the seal of the Corporation of the City of New York and attested by the Clerk of the Common Council, be prepared and transmitted to the widow of the illustrious deceased.

Resolved, That the vacant lots on the east side of Washington avenue, commencing at a point about two hundred feet north of One Hundred and Sixty-ninth street and running thence north about one hundred and ninety feet, be fenced in, under the direction of the Commissioners of the Department of Public Parks; and that the accompanying ordinance therefor be adopted.

## BOARD OF ARMORY COMMISSIONERS.

MAYOR'S OFFICE, No. 61 CHAMBERS STREET, }  
NEW YORK CITY, April 4, 1888. }

A meeting of the Armory Board was held this day, at 2 P. M., at the office of his Honor Mayor Hewitt.

Present—The Mayor, the President Commissioner of the Department of Taxes and Assessments, the Commissioner of the Public Works Department, and Colonel Emmons Clark.

The minutes of the last meeting were read and approved.

Commissioner Coleman then offered the following:

Resolved, That the bids and proposals received on March 29 for the "Masonry," "Carpentry," "Iron-work," "Steam-heating and Ventilating" work and the "Plumbing and Gas fitting" work for the erection of an Armory for the Twenty-second Regiment be all rejected.

Which was unanimously passed.

The Commissioner of the Public Works Department then offered the following:

Resolved, That the Committee on Plans be directed to confer with Mr. G. B. Post, or other architects, and secure plans for an Armory for the Twenty-second Regiment that can be built for the sum of \$300,000, including architect's fees.

Which was unanimously passed.

Commissioner Coleman reported that the workmen engaged in excavating for the Eighth Regiment Armory were driving over and destroying the flagging, and recommended that it be taken up and preserved so that it could be used in repaving the sidewalk after the Armory is finished.

He also spoke of the probable necessity of having sewers laid in Ninety-fourth and Ninety-fifth streets, adjacent to the same Armory, so that the contractors could make connections therewith.

Both matters were referred to the Commissioner of the Public Works Department.

The meeting then adjourned.

M. COLEMAN, Secretary.

IN RELATION TO JURORS FOR STATE  
COURTS.**

OFFICE OF THE COMMISSIONER OF JURORS,  
Room 127, STEWART BUILDING,  
CHAMBERS STREET AND BROADWAY,  
NEW YORK, JUNE 1, 1887.

**APPLICATIONS FOR EXEMPTIONS WILL BE**  
heard here, from 9 to 4 daily, from all persons  
hitherto liable or recently serving who have become  
exempt, and all needed information will be given.  
Those who have not answered as to their liability,  
or proved permanent exemption, will receive a "jury  
enrollment notice," requiring them to appear before me  
this year. Whether liable or not, such notices must be  
answered in person, if possible, and at this office only  
under severe penalties. If exempt, the party must bring  
proof of exemption; if liable, he must also answer in  
person, giving full and correct name, residence, etc., etc.  
No attention paid to letters.  
Persons "enrolled" as liable must serve when called  
or pay their fines. No mere excuse will be allowed or  
interference permitted. The fines if unpaid will be entered  
as judgments upon the property of the delinquents.  
All good citizens will do the course of justice, and  
secure reliable and respectable jurors, and equalize their  
duty by serving promptly when summoned, allowing  
their clerks or subordinates to serve, reporting to me any  
attempt at bribery or evasion, and suggesting names for  
enrollment. Persons between sixty and seventy years of  
age, summer absentees, persons temporarily ill, and  
United States jurors are not exempt.  
Every man must attend to his own notice. It is a mis-  
demeanor to give any jury paper to another to answer.  
It is also punishable by fine or imprisonment to give or  
receive any present or bribe, directly or indirectly, in  
relation to jury service, or to withhold any paper or  
make any false statement, and every case will be fully  
prosecuted.

**THE BOARD OF PUBLIC CHARITIES AND CORRECTION** has the right to reject all bids or estimates if deemed to be for the public interest, as provided in section 47, chapter 470, Laws of 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Commission, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath or writing of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all persons so interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of abode or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will, on the part of the Corporation, make good the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded, or to any subsequent letting. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; that he has offered himself as a bond in good faith and with the intention to execute the same; and that by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety, the adequacy and solvency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him, or his bid or proposal, or if he neglects to accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-awarded and let as provided by law.

Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a check drawn on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in real estate, or in the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by the deposit of two sufficient sureties, in the penal amount of fifty (50) per cent of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The amount in each case to be calculated upon the estimated amount of the work by which the bids are tested.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts and liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National Banks of the City of New York, drawn to the order of the Comptroller or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated

damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation; and the contract will be re-advertised and relet as provided by law.

The bid or estimate must be verified by the oath, in writing, of the person or persons making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting. The amount in each case to be calculated upon the estimated amount of the work by which the bids are tested.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts and liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of this security shall, in addition to the justification and acknowledgment, be approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of FIVE PER CENTUM OF THE AMOUNT OF SECURITY REQUIRED FOR THE FAITHFUL PERFORMANCE OF THE CONTRACT. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept, but do not execute the contract and provide the proper security, as has been heretofore stated, to be requisite, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures. Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract.

BIDDERS ARE INFORMED THAT NO DEVIATION FROM THE SPECIFICATIONS WILL BE ALLOWED, UNLESS UNDER THE WRITTEN INSTRUCTIONS OF THE COMMISSIONERS OF PUBLIC CHARITIES AND CORRECTION.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department, where the plans will be on exhibition for the information of bidders.

That no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of a certified check, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained at Rooms 1 and 15, No. 31 Chambers street.

D. LOWBER SMITH,  
Deputy and Acting Commissioner of Public Works.

"The commissioner of public works shall, from time to time, establish scales of rents for the supplying of water, which rents shall be collected in the manner provided by law, and which shall be apportioned to different classes of buildings in said city in reference to their dimensions, values, exposure to fires, ordinary uses for dwellings, stores, shops, private stables and other common purposes, number of families or occupants, or consumption of water, as near as may be practicable, and modify, alter, amend and increase such scale from time to time and extend it to other descriptions of buildings and establishments. All extra charges for water shall be deemed to be included in the regular rents, and shall become a charge and lien upon the buildings upon which they are respectively levied, and shall be returned as arrears to the clerk of arrears. Such regular rents, including the extra charges above mentioned, shall be collected from the owners or occupants of all such buildings respectively, who shall be situated upon lots adjoining any street or avenue in said city in which the distributing water-pipes are or may be laid, and from which they can be supplied with water. Said rents, including the extra charges above mentioned, shall become a charge and lien upon such houses and lots, respectively, as herein provided, but no charge whatever shall be made against any building in which a water-meter may have been, or shall be placed as provided in this act. In all such cases the charge for water shall be determined only by the quantity of water actually used as shown by said meters."

"The said commissioner of public works is hereby authorized to prescribe a penalty not exceeding the sum of five dollars for each offense, for permitting water to be wasted, and for any violation of such reasonable rules as he may, from time to time, prescribe for the prevention of the waste of water; such fines shall be added to the regular water rents."

The rate charged for steam-vessels taking water daily or belonging to daily lines, is one-half cent, per ton (Custom House measurement) for each time they take water.

Steamers taking water other than daily, one cent per ton (Custom House measurement).

Water supplied to sailing vessels and put on board, twenty-five cents per hundred gallons.

All matters not hereinbefore embraced are reserved for special contract by and with the Commissioner of Public Works.

**HYDRANTS, HOSE, TROUGHS, FOUNTAINS, ETC., ETC.**

No owner or tenant will be allowed to supply water to another person or persons.

All persons taking water from the City must keep their own service-pipes, street tap, and all fixtures connected therewith, in good repair, protected from frost, at their own risk and expense, and shall prevent all waste of water.

The use of hose to wash coaches, omnibuses, wagons, railway cars or other vehicles or horses, cannot be permitted.

No horse-troughs or horse-watering fixtures will be permitted in the street or on the sidewalk, except upon a license or permit to use for that purpose.

All licenses or permits must be annually renewed on the first of May. Such fixtures must be kept in good order and the water not allowed to drip or waste by overrunning the sidewalk or street, or to become dangerous in winter by freezing in and about such troughs or fixtures.

No hydrant will be permitted on the sidewalk or in the front area, and any hydrant standing in a yard or alley, attached to any dwelling or building, must not be left running when not in actual use, and if the drip or waste from such hydrant freezes and becomes dangerous in winter, the supply will be shut off in addition to the penalty of five dollars imposed.

Taps at wash-basins, water-closets, baths and urinals must not be left running, under the penalty of five dollars for each offense, which will be strictly enforced.

Fountains or jets in hotels, porter-houses, eating-saloons, confectioneries or other buildings are strictly prohibited.

The use of hose for washing sidewalks, stoops, areas, house-fronts, yards, courts, gardens, and about stables, is prohibited. Where premises are provided with wells, special permits will be issued for the use of hose, in order that the police or inspectors of this department may understand that the permission is not for the use of Croton water.

Opening fire-hydrants to fill hand sprinklers or other vessels will not be allowed.

The penalty for violation of any of the preceding rules and regulations will be five dollars for each offense, and if not paid when imposed will become a lien on the premises in like manner as all other charges for unpaid water rates.

By order, JOHN NEWTON,  
Commissioner of Public Works.

1st. All extra charges for water incurred from and after June 9, 1887, shall be treated, collected and returned in arrears in the same manner as regular rates have heretofore been treated.

2d. In every building where a water meter or meters are now, or shall hereafter be in use, the charge for water by meter measurement shall be the only charge against such building, or such part thereof as is supplied through meter.

3d. The returns of arrears of water rents, including the year 1887, shall be made as heretofore on the confirmation of the tax levy by the Board of Aldermen, and shall include all charges and penalties of every nature.

4th. A penalty of five dollars (\$5) is hereby established, and will be imposed in each and every case where the rules and regulations of the Department prohibiting the use of water through hose, or in any other wasteful manner, are violated, and such penalties will be entered on the books of the Bureau against the respective buildings or property, and not collected, but be returned in arrears in like manner as other charges for water.

5th. Charges for so-called extra water rents of every nature, imposed or incurred prior to June 9, 1887, will be canceled of record on the books of the Department.

#### NOTICE TO CROTON WATER CONSUMERS.

**NUMEROUS APPLICATIONS HAVE BEEN** made to this Department by citizens claiming reductions or rebates on bills for water supplied through meters, on the alleged ground of leakage caused by defective plumbing and worn-out service pipes, or by willful waste of water by tenants allowing the faucets to be turned on in full force in water-closets, sinks, etc., without the knowledge or consent of the owners of the premises.

The main object of the use of water-meters is to enable this Department to detect and check the useless and unwarrantable waste of an element so valuable and essential to the health and comfort of all the citizens, and this object can only be accomplished by enforcing payment for the water wasted.

Under the law all charges for water supplied through meters are a lien against the respective premises, and the law therefore holds the owner of the premises responsible for the amount of water used or wasted.

Notice is therefore given to all householders that, in all further applications for reduction of water rents, no allowance will be made on account of waste of water occurring through leaks, from defective service pipes or plumbing, or wasteful use of water by tenants or occupants of buildings, though such leakage or waste may have occurred without the knowledge or consent of the owners of the buildings.

House-owners are further notified that whenever their premises become vacant, and are likely to remain vacant, they must notify this Department in writing, and that unless this requirement is complied with no deductions in extra water rents will be allowed for any portion of one year.

JOHN NEWTON,  
Commissioner of Public Works.
