DEPARTMENT OF PUBLIC PARKS.

Nos. 49 and 51 CHAMBERS STREET,

NEW YORK, November 11, 1892.

## TO CONTRACTORS.

SEALED BIDS OR ESTIMATES, WITH THE title of the work and the name of the bidder indorsed thereon, will be received by the Department of Public Parks at its offices, Nos. 49 and 51 Chambers street, until eleven o'clock A. M., on Wednesday, November 23, 1892:

FOR TAKING DOWN AND REBUILDING BRICK WALLS OF THE ANNEX IN THE CASTLE GARDEN BUILDING IN BATTERY PARK, IN THE CITY OF NEW YORK.  
Bidders are required to state in their proposals ONE PRICE OR SUM for which they will execute the ENTIRE WORK, including the furnishing of all materials, labor and transportation, all implements, tools, apparatus and appliances of every description necessary to complete, in every particular, the whole of the work, as set forth in the plans and in specifications, estimates and form of agreement.

The time allowed for the completion of the whole work will be THIRTY CONSECUTIVE WORKING DAYS.

The damages to be paid by the contractor for each day that the contract, or any part thereof, may be unfulfilled after the time fixed for the completion thereof has expired, are fixed at TEN DOLLARS per day.

The amount of security required is THIRTEEN HUNDRED DOLLARS.

Bidders must satisfy themselves by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the nature and extent of the work, and shall not, any time after the submission of an estimate, dispute or complain of such statement, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

The estimates received will be publicly opened by the head of the said Department at the place and hour last above mentioned and read.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose; and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities, as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not

be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

N. B.—The price must be written in the estimate and also stated in figures, and all estimates will be considered as informal which do not contain bids for all items for which bids are herein called, or which contain bids for items for which bids are not herewith called for. Permission will not be given for the withdrawal of any bid or estimate. No bid will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The Department of Public Parks reserves the right to reject any or all the bids received in response to this advertisement if it should deem it for the interest of the City so to do, and to readvertise until satisfactory bids or proposals shall be received. But the contract when awarded will be awarded to the lowest bidder.

Blank forms for proposal and forms of the contract which the successful bidder will be required to execute can be had at the office of the Secretary, and the plans can be seen and information relative to them can be had at the office of the Department, Nos. 49 and 51 Chambers street.

### TO CONTRACTORS.

(No. 427.)

PROPOSALS FOR ESTIMATES FOR PREPARING FOR AND BUILDING A CRIB-BULKHEAD, WITH APPURTENANCES, FROM WEST ONE HUNDRED AND TWENTY-NINTH STREET TO WEST ONE HUNDRED AND THIRTIETH STREET, NORTH RIVER, AND FOR DREDGING THEREAT.

ESTIMATES FOR PREPARING FOR AND building a Crib-bulkhead, from West One Hundred and Twenty-ninth street to West One Hundred and Thirtieth street, North river, and for dredging thereat, will be received by the Board of Commissioners at the head of the Department of Docks, at the office of said Department, on Pier "A," foot of Battery place, North river, in the City of New York, until 1 o'clock P. M. of

FRIDAY, NOVEMBER 25, 1892.

at which time and place the estimates will be publicly opened by the head of said Department. The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall furnish the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The bidder to whom an award is made shall give security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of Four Thousand Dollars.

The Engineer's estimate of the nature, quantities and extent of the work is as follows:

### CLASS I.

Dredging for the site of the Crib-bulkhead, about 3,000 cubic yards.

### CLASS II.

1. About 150,800 cubic feet more or less of Cribwork, complete, including Fenders, Mooring-posts and Backing-logs, and measured from the under side of the Backing-log.

2. One White Oak Fender-pile, about 45 feet long.

3. Fifteen Yellow Pine, White Pine, Spruce or Cypress Piles, about 20 to 25 feet long.

4. Materials for Painting and Oiling or Tarring.

5. Labor of every description for about 215 linear feet of main Crib-bulkhead and about 30 feet of detached Crib, and driving close Piling.

N. B.—As the above-mentioned quantities, though stated with as much accuracy as is possible, in advance, are approximate only, bidders are required to submit their estimates upon the following express conditions, which shall apply to and become a part of every estimate received:

(1.) Bidders must satisfy themselves by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the accuracy of the foregoing Engineer's estimate, and shall not at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was any misunderstanding in regard to the nature or amount of the work to be done.

(2.) Bidders will be required to complete the entire work to the satisfaction of the Department of Docks and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation beyond the amount payable for each class of the work before mentioned, which shall be actually performed at the prices therefor, to be specified by the lowest bidder, shall be due or payable for the entire work.

The work to be done under the contract is to be commenced within five days after the date of the contract, or within five days from the receipt of a notice from the Engineer-in-Chief of the Department of Docks that the work may be begun and all the work to be done under this contract is to be fully completed on or before the 1st day of April, 1893, or within as many days thereafter as may elapse after the date of the contract before a notice is given to the contractor by the Engineer that the work may be begun, and the damages to be paid by the contractor for each day that the contract may be unfulfilled after the time fixed for the fulfillment thereof has expired are, by a clause in the contract, fixed and liquidated at Fifty Dollars per day.

Bidders will state in their estimates a price for the whole of the work to be done, in each class, in conformity with the approved form of agreement and the specifications therein set forth, by which prices the bids will be tested. These prices are to cover all expenses of every kind involved in or incidental to the fulfillment of the contract, including any claim that may arise through delay, from any cause, in the performing of the work thereunder. The award of the contract, if awarded, will be made to the bidder who is the lowest for doing the whole of the work comprised in the two classes, and whose estimate is regular in all respects.

Bidders will distinctly write out, both in words and in figures, the amount of their estimates for doing each class of the work.

The person or persons to whom the contract may be awarded will be required to attend at this office with the sureties offered by him or them, and execute the contract within five days from the date of the service of a notice to that effect; and in case of failure or neglect so to do, he or they will be considered as having abandoned it, and as in default to the Corporation; and the contract will be readvertised and relet, and so on, until it be accepted and executed.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein, and if no other person be so interested, the estimate shall distinctly state the fact; also, that the estimate is made without any connection with any other person making an estimate for the same work, and that it is in all respects fair, and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimate must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed to by all the parties interested.

Each estimate shall be accompanied by the consent in writing of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the estimate, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if said person or persons shall omit or refuse to execute the contract, they will pay to the Corporation of the City of New York any difference between the sum to which said person or persons would be entitled upon its completion, and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work to be done in each class by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

THE RIGHT TO DECLINE ALL THE ESTIMATES IS RESERVED, IF DEEMED FOR THE INTEREST OF THE CORPORATION OF THE CITY OF NEW YORK.

Bidders are requested, in making their bids or estimates, to use the blank prepared for that purpose by the Department, a copy of which, together with the form of the agreement, including specifications, and showing the manner of payment for the work, can be obtained upon application therefor at the office of the Department.

stated with as much accuracy as is possible, in advance,  
are approximate only, bidders are required to submit  
their estimates upon the following express conditions,  
which shall apply to and become a part of every  
estimate received:

1st. Bidders must satisfy themselves, by personal  
examination, of the location of the proposed work, and  
by such other means as they may prefer, as to the  
accuracy of the foregoing Engineer's estimate, and shall  
not, at any time after the submission of an estimate,  
dispute or complain of the above statement of quantities,  
nor assert that there was any misunderstanding in  
regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire  
work to the satisfaction of the Department of Docks, and  
in substantial accordance with the specifications of the  
contract. No extra compensation, beyond the amount  
payable for the work before mentioned, which shall be  
actually performed, at the price therefor, to be specified  
by the lowest bidder, shall be due or payable for the  
entire work.

The work to be done under the contract is to be com-  
menced within five days after the date of the contract,  
or within five days from the receipt of a notice from the  
Engineer-in-Chief of the Department of Docks that the  
work may be begun, and all the work to be done under  
this contract is to be fully completed on or before the  
31st day of December, 1892, or within as many days  
thereafter as may elapse after the date of the contract  
before a notice is given to the contractor by the Engi-  
neer that the work may be begun, and the damages to be  
paid by the contractor for each day that the contract  
may be unfulfilled after the time fixed for the fulfillment  
thereof has expired, are, by a clause in the contract,  
fixed and liquidated at Fifty Dollars per day.

Bidders will state in their estimates a price for the  
whole of the work to be done in conformity with the  
approved form of contract and the specifica-  
tions therein set forth, by which price the bids will  
be tested. This price is to cover all expenses of  
every kind involved in or incidental to the fulfillment of  
the contract, including any claim that may arise through  
delay, from any cause, in the performing of the work  
thereunder.

Bidders will distinctly write out, both in words and in  
figures, the amount of their estimates for doing this  
work.

The person or persons to whom the contract may be  
awarded will be required to attend at this office with the  
sureties offered by him or them, and execute the con-  
tract within five days from the date of the service of a  
notice to that effect; and in case of failure or neglect so  
to do, he or they will be considered as having abandoned it,  
and as in default to the Corporation, and the contract  
will be re-advertised and relet, and so on until it is ac-  
cepted and executed.

Bidders are required to state in their estimates their  
names and places of residence; the names of all persons  
interested with them therein; and if no other person be  
so interested, the estimate shall distinctly state the  
fact; also, that the estimate is made without any con-  
nection with any other person making an estimate for  
the same work, and that it is in all respects fair and with-  
out collusion or fraud; and also, that no member of the  
Common Council, head of a department, chief of a bureau,  
deputy thereof, or clerk therein, or other  
officer of the Corporation, is directly or indirectly inter-  
ested therein, or in the supplies or work to which it re-

lates, or in any portion of the profits thereof; which  
estimate must be verified by the oath, in writing, of the  
party making the estimate, that the several matters  
stated therein are in all respects true. Where more  
than one person is interested, it is requisite that the  
verification be made and subscribed to by all the parties  
interested.

Each estimate shall be accompanied by the con-  
sent, in writing, of two householders or freeholders in  
the City of New York, with their respective places of  
business or residence, to the effect that if the contract be  
awarded to the person or persons making the esti-  
mate, they will, upon its being so awarded, become  
bound as his or their sureties for its faithful perform-  
ance; and that if said person or persons shall omit or  
refuse to execute the contract, they will pay to the Cor-  
poration of the City of New York any difference  
between the sum to which said person or persons would  
be entitled upon its completion and that which said  
said Corporation may be obliged to pay to the person  
to whom the contract may be awarded at any  
subsequent letting; the amount, in each case, to be  
calculated upon the estimated amount of the work to be  
done by which the bids are tested. The consent  
above mentioned shall be accompanied by the oath  
or affirmation, in writing, of each of the persons sign-  
ing the same, that he is a householder or freeholder  
in the City of New York, and is worth the amount of the  
security required for the completion of the contract, over  
and above all his debts of every nature, and over and  
above his liabilities as bail, surety and otherwise; and  
that he has offered himself as surety in good faith, and  
with the intention to execute the bond required by law.  
The adequacy and sufficiency of the security offered  
will be subject to approval by the Comptroller of the  
City of New York after the award is made and prior to  
the signing of the contract.

No estimate will be received or considered unless  
accompanied by either a certified check upon one of the  
State or National banks of the City of New York,  
drawn to the order of the Comptroller, or money, to the  
amount of five per centum of the amount of security  
required for the faithful performance of the contract.  
Such check or money must not be inclosed in the  
sealed envelope containing the estimate, but must be  
handed to the officer or clerk of the Department who  
has charge of the estimate-box, and no estimate can be  
deposited in said box until such check or money has been  
examined by said officer or clerk and found to be cor-  
rect. All such deposits, except that of the success-  
ful bidder, will be returned to the persons making the  
same, within three days after the contract is awarded.  
If the successful bidder shall refuse or neglect, within  
five days after notice that the contract has been awarded  
to him, to execute the same, the amount of the deposit  
made by him shall be forfeited and retained by the  
City of New York as liquidated damages for such neg-  
lect or refusal; but if he shall execute the contract  
within the time aforesaid, the amount of his deposit  
will be returned to him.

Bidders are informed that no deviation from the  
specifications will be allowed, unless under the written  
instructions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded  
to, any person who is in arrears to the Corporation,  
upon debt or contract, or who is a defaulter, as surety  
or otherwise, upon any obligation to the Corporation.

THE RIGHT TO DECLINE ALL THE ESTI-  
MATES IS RESERVED IF DEEMED FOR THE  
INTEREST OF THE CORPORATION OF THE  
CITY OF NEW YORK.

Bidders are requested, in making their bids or esti-  
mates, to use the blank prepared for that purpose by the  
Department, a copy of which, together with the form of  
the agreement, including specifications, and showing  
the manner of payment for the work, can be obtained  
upon application therefor at the office of the Depart-  
ment.

accompanied by either a certified check upon one of the  
State or National banks of the City of New York, drawn  
to the order of the Comptroller, or money, to the

required for the faithful performance of the contract.  
Such check or money must not be inclosed in the sealed  
envelope containing the estimate, but must be handed  
to the officer or clerk of the Department who has charge

of the estimate-box; and no estimate can be deposited  
in said box until such check or money has been exam-  
ined by said officer or clerk and found to be correct. All such  
deposits, except that of the successful bidder, will be  
returned to the persons making the same within three  
days after the contract is awarded. If the successful

any obligation to the Corporation.

The award of the contract will be made as soon as  
practicable after the opening of the bids.

Delivery will be required to be made of Poultry on  
Tuesday, November 22, 1892, before 7 o'clock A. M., all  
in accordance with specifications.

Any bidder for this contract must be known to be  
engaged in and well prepared for the business, and must  
have satisfactory testimonials to that effect; and the  
person or persons to whom the contract may be  
awarded will be required to give security for the per-  
formance of the contract by his or their bond, with two  
sufficient sureties, each in the penal amount of fifty (50)  
per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name  
and place of residence of each of the persons making the  
same; the names of all persons interested with him or  
them therein; and if no other person be so interested, it  
shall distinctly state that fact; also, that it is made with-  
out any connection with any other person making an  
estimate for the same purpose, and is in all respects fair  
and without collusion or fraud; and that no member of  
the Common Council, head of a department, chief of a  
bureau, deputy thereof, or clerk therein, or other  
officer of the Corporation, is directly or indirectly inter-  
ested therein, or in the supplies or work to which it re-  
lates, or in any portion of the profits thereof. The bid  
or estimate must be verified by the oath, in writing,  
of the party or parties making the estimate that the  
several matters stated therein are in all respects true.  
Where more than one person is interested, it is requisite  
that the verification be made and subscribed by all the  
parties interested.

Each bid or estimate shall be accompanied by the con-  
sent, in writing, of two householders or freeholders in  
the City of New York, with their respective places of  
business or residence, to the effect that if the contract be  
awarded to the person making the estimate, they  
will, on its being so awarded, become bound as his  
sureties for its faithful performance; and that if he  
shall omit or refuse to execute the same, they shall  
pay to the Corporation any difference between

the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the supplies delivered by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.
