PROCUREMENT

“Compete To Win” More Contracts!

Thanks to a new City initiative - “Compete To Win” - the NYC Department of Small Business Services offers a new set of FREE services to help create more opportunities for minority and Women-Owned Businesses to compete, connect and grow their business with the City. With NYC Construction Loan, Technical Assistance, NYC Construction Mentorship, Bond Readiness, and NYC Teaming services, the City will be able to help even more small businesses than before.

- Win More Contracts, at nyc.gov/competetowin

“The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City’s prestige as a global destination. The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.”

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic prequalification application using the City’s Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed, at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

- Administration for Children’s Services (ACS)
- Department for the Aging (DFTA)
- Department of Consumer Affairs (DCA)
- Department of Corrections (DOC)
- Department of Health and Mental Hygiene (DOHMH)
- Department of Homeless Services (DHS)
- Department of Probation (DOP)
- Department of Small Business Services (SBS)
- Department of Youth and Community Development (DYCD)
- Housing and Preservation Department (HPD)
- Human Resources Administration (HRA)
- Office of the Criminal Justice Coordinator (CJC)

STATEMENT OF BASIS AND PURPOSE

Members of the press who cover news within the City of New York may apply to the NYPD Office of the Deputy Commissioner, Public Information (“DCPI”) for press credentials that entitle the bearer to certain access to cover breaking stories and events. Pursuant to Chapter 11 of Title 38 of the Rules of the City of New York, members of the press, should they meet specific criteria as outlined in 38 RCNY Section 11-01, may be issued a press credential by the Office of the Deputy Commissioner, Public Information. The press credential entitles the bearer to cross police lines to cover a news story, subject to legitimate concerns about safety and evidence preservation, as well as space limitations. However, a press credential is subject to a summary suspension or revocation if the credential holder abuses their privileges or engages in conduct that endangers public safety.

Currently, Sections 11-11(b), (c), (d), and (e) outline procedures for when a press credential is summarily suspended by the DCPI or the DCPI seeks to revoke the press credential. However, the NYPD seeks to clarify its policy governing when summary suspensions or revocations of NYPD-issued press credentials may be appropriate, and further set forth governing procedures for hearings associated with summary suspensions and/or revocations.

NYPD is proposing to:

- 1) Amend Section 11-11 in order to clarify its criteria and procedures to summarily suspend or revoke press credentials, and
- 2) Repeal Section 11-12.

Specifically, the proposed rule would:

- Set forth criteria for when a summary suspension or revocation of an NYPD-issued press credential may be appropriate;
- Set forth the procedures to be applied whenever a press credential is summarily suspended or is sought to be revoked by the DCPI; and
- Clarify procedures for hearings for when a press credential is summarily suspended or is sought to be revoked by the DCPI.

New material is underlined

[Deleted material is in brackets]

“Shall” and “must” denote mandatory requirements and may be used interchangeably in the rules of the NYPD, unless otherwise specified or unless the context clearly indicates otherwise.

Chapter 11 of Title 38 of the Rules of the City of New York is amended to read as follows:

Subchapter B: [Appeal] Procedures [After] For Denial, Summary Suspension and Revocation

§11-11 Hearing Procedures.

(a) Denial.

(1) Any person who is denied any of the above-described press credentials may appeal and request a hearing with respect to such decision, in writing, to the Commanding Officer, Public Information Division, within twenty (20) days from the date of the denial. The applicant will be notified of a hearing date which shall be no more than thirty (30) days from receipt of the request for a hearing, unless there is a mutual agreement to another date. Any person denied a Single Event Press Card may request that the hearing be waived.

(2) If, after a hearing, the decision to deny the applicant's request for a press credential is upheld, the applicant will be advised in writing of the basis for the denial of the application. An appeal of this decision must be made, in writing, to the Deputy Commissioner, Public Information within twenty (20) days of the date contained in the "Notice of Hearing Result." Any documentation in support of the appeal must be submitted with the request to the Deputy Commissioner, Public Information. The Deputy Commissioner, Public Information shall issue a written decision, setting forth the basis for denial in the event the denial is upheld, or vacating the initial denial in the event the denial is not upheld, within thirty (30) days of the date when the appeal is received.

(b) [In those instances where any of the above-described press credentials are summarily suspended, a hearing may be requested by the holder of the press credential and such hearing shall be provided no later than five (5) business days from the request.]

Summary Suspension.

(1) The Deputy Commissioner, Public Information may summarily suspend a press credential that has been previously issued based upon:

- (i) the press credential holder's lawful arrest based on the press credential holder's commission of a violation or crime; or
- (ii) the press credential holder's failure to comply with a lawful order of a police officer; or
- (iii) the press credential holder's intentional interference or attempt to interfere with the performance of a police officer's official function; or
- (iv) the press credential holder misusing or misrepresenting the press credential while not acting in a news gathering capacity; or
- (v) the press credential holder conducting an unauthorized transfer or assignment of such credential to an individual who has not been assigned any of the above-described press credentials; or
- (vi) other conduct that endangers public safety or interferes with legitimate law enforcement needs.

(2) Where a press credential is seized by a member of the police department, the press credential holder shall receive a letter notice via email within two (2) business days of the seizure containing a copy of 38 R.C.N.Y. § 11-11 and advising the press credential holder of:

- (i) the summary suspension of the press credential;
- (ii) the reason or reasons for the summary suspension of the press credential;
- (iii) the press credential holder's right to request a hearing contesting the decision to summarily suspend the press credential;
- (iv) instructions on how to request a hearing; and that
- (v) the maximum length for a summary suspension shall be no more than six (6) months, except if the summary suspension came as a result of a lawful arrest based on the press credential holder's commission of a violation or crime, then the length of the summary suspension may be extended until resolution of the criminal proceedings, and, in the event an arrest results in a conviction or guilty plea, then the length of the summary suspension may be extended by the Deputy Commissioner, Public Information for a maximum length of six (6) months or the period of the imprisonment that results from the conviction or guilty plea, whichever is greater.

(3) If the press credential holder requests a hearing to contest the decision to summarily suspend the press credential, a hearing

shall be held within nine (9) business days of the request and the press credential holder will be notified of the hearing date. If the press credential holder does not respond to the letter notice within thirty (30) days, or if the press credential holder notifies the Deputy Commissioner, Public Information in writing that the press credential holder will not request a hearing, then the Commanding Officer of the Public Information Division will notify the press credential holder in writing of the length of the summary suspension and the reason for such suspension. In considering the length of the suspension, the Commanding Officer of the Public Information Division shall consider the criteria set forth in paragraph (1) of this subsection and the written notice to the press credential holder shall make reference to these criteria.

(4) Prior to a hearing, the Deputy Commissioner, Public Information will assign an investigator to the matter. The investigator:

(i) may, but is not required to, prepare a report on the matter. If a report is prepared, it shall be produced to the press credential holder or his or her attorney at least two (2) business days before the hearing and read into the record at the hearing; and

(ii) shall introduce into the record any documentary, photographic, and video evidence, including records and documents in possession of the police department relevant to the summary suspension of the press credential. Such evidence shall be produced to the press credential holder or his or her attorney at least two (2) business days before the hearing;

(5) The press credential holder:

(i) has a right to be represented by counsel at the hearing, give testimony, bring witnesses, and introduce evidence that the press credential holder believes would be relevant to the issues that are the subject of the hearing. A list of any witnesses the press credential holder intends to call at the hearing must be provided to counsel for the New York City Police Department at least two (2) business days before the hearing so that they can make any necessary arrangements with security within the building. Failure to provide this list of witnesses may result in these individual(s) being prohibited from entering the building. If an investigator's report is prepared and if after reviewing said report, or receiving the evidence set forth in (b)(4)(ii) of these Rules, the press credential holder identifies another witness(es) the press credential holder would like to call, the press credential holder must provide the name of the witness(es) to counsel for the NYPD at least twenty-four (24) hours in advance of the scheduled hearing. Again, failure to provide the name of this additional witness(es) at least twenty-four (24) hours before the hearing may result in the individual(s) being prohibited from entering the building.

(ii) or the press credential holder's attorney may cross-examine the investigator about the substance of the evidence submitted into the record and about the investigator's report, if one was prepared;

(iii) or the press credential holder's attorney may not subpoena any documents or records from the police department or subpoena any City of New York or police department employee.

(6) The hearing officer:

(i) shall be the Commanding Officer of the Public Information Division. In the event of a conflict, the Commanding Officer shall designate a neutral and detached hearing officer to preside over the hearing. This shall include, but is not limited to, if the Commanding Officer participated in or witnessed the events in question, participated in the decision to seize the press credential at issue, or participated in the investigation;

(ii) shall disclose, on the record at the hearing, the existence and substance of any contacts with the assigned investigator, the press credential holder, or any witness scheduled to testify at the hearing;

(iii) may, at the hearing, ask questions of the investigator, press credential holder and/or any other witness;

(iv) has the discretion to disallow any question or questions on the grounds of relevance, duplicity, harassment, or if the questions are of a cumulative nature;

(v) may only consider evidence in the record at the hearing in deciding whether to uphold or vacate the summary suspension of the press credential; and

(vi) need not observe the rules of evidence observed by courts during the hearing.

(7) Agency counsel for the police department is permitted to be at the hearing, but may not question any witness. Agency counsel may, however, confer with the hearing officer before, during, and after the hearing.

(8) Only the hearing officer, press credential holder or the press credential holder's attorney may ask questions of any witness.

(9) The burden of proof shall be on the New York City Police Department to demonstrate, by a preponderance of the evidence, that the summary suspension was proper based upon the criteria as set for in paragraph (1) of this subsection.

(10) An audio record shall be made of all proceedings and, upon request, a copy of the audio record shall be provided to the press credential holder or if represented by counsel to the press credential holder's attorney within two (2) business days of such request.

(11) Within twenty-one (21) days of the conclusion of the hearing, the hearing officer shall issue a factually detailed, non-conclusory written decision, which shall include the length of the summary suspension if the decision to summarily suspend the press credential has been upheld. Should the hearing officer decide to vacate the summary suspension, the press credential holder shall be notified and the press credential shall be made available for pick up from the office of the Deputy Commissioner, Public Information within one (1) business day.

(12) Should the hearing officer uphold the summary suspension, the hearing officer shall determine the length of the summary suspension. In deciding the length of any summary suspension, the hearing officer shall consider:

- (i) whether the misconduct actually occurred;
- (ii) the severity of any misconduct;
- (iii) the length of time the press credential holder has already been without the press credential;
- (iv) the risk that the press credential holder will engage in future misconduct;
- (v) the penalties imposed in other cases; and
- (vi) any other equitable factors raised by the parties at the hearing.

(13) In the event a press credential is summarily suspended, the press credential holder may not obtain or use a reserve card during the suspension. The summary suspension of the press credential also suspends the use of any reserve card.

(c) [Whenever the revocation of the above-described press credentials is sought, a hearing shall be provided before such revocation shall take effect. However, if there has been a summary suspension of the press credential which is the subject of the revocation, the hearing for the suspension can also serve as the hearing required herein.]

Revocation.

(1) The Deputy Commissioner, Public Information may seek to revoke a press credential that has been previously issued based upon:

- (i) two (2) or more legitimate summary suspensions of a press credential within that credential's two (2) year cycle; or
- (ii) if the press credential holder's continued possession of the press credential creates legitimate safety or security concerns that cannot be resolved by a summary suspension.
