ARMORY BOARD COMMISSIONERS.

TO CONTRACTORS.

ARMORY BOARD—CITY HALL,
NEW YORK, October 6, 1886.

PROPOSALS FOR ESTIMATES FOR PAVING, CURBING AND GUTTERING THE STREETS AROUND THE ARMORY BUILDING AT NINTH AVENUE, SIXTY-FIRST AND SIXTY-SECOND STREETS.

PROPOSALS FOR ESTIMATES FOR PAVING,
Curbing and guttering the streets around the
Armory Building, at Ninth avenue, Sixty-first and Sixty-
second streets, County and City of New York, will be
received by the Armory Board at the office of the Secretary,
M. Coleman, Tax office, Staats Zeitung Building,
until 2 o'clock P. M., of October 19, 1886, at which
time they will be publicly opened and read by said
Board at the Mayor's office, City Hall.

Any person making an estimate for the above work
shall furnish the same in a sealed envelope to the Presi-
dent of said Armory Board, indorsed, "Estimate for
Paving, Curbing and Guttering Work of the Armory
Building, at Ninth avenue, Sixty-first and Sixty-second
streets," and also with the name of the person or persons
presenting the same, and the date of its presentation.

Any bidder for this contract must be known to be en-
gaged in and well prepared for the business, and must
have satisfactory testimonials to that effect; and the
person or persons to whom the contract may be awarded
will be required to give security for the performance of
the contract by his or their bond, with two sufficient
sureties, each in the penal sum of \$1,500.

Bidders are required to submit their estimates upon
the following express conditions, which shall apply to and
become part of every estimate received:

1st. Bidders must satisfy themselves by personal ex-
amination of the location of the proposed work, and by
such other means as they may prefer, as to the accuracy
of the estimate, and shall not at any time after the sub-
mission of an estimate, dispute or complain of the state-
ment of quantities, nor assert that there was any misun-
derstanding in regard to the nature or amount of the
work to be done.

2d. Bidders will be required to complete the entire
work to the satisfaction of the Armory Board, and in
substantial accordance with the specifications of the con-
tract and the plans therein referred to. No extra com-
pensation beyond the amount payable for the work before
mentioned, which shall be actually performed, at the
prices therefor to be specified by the lowest bidder, shall
be due or payable for the entire work.

Bidders will state in their estimates a price for the
whole of the work to be done, in conformity with the
approved form of contract and the specifications therein
set forth, by which price the bids will be tested. This
price is to cover all expenses of every kind involved in or
incident to the fulfillment of the contract, including
any claim that may arise through delay, from any cause,
in the performing of the work thereunder.

Bidders will distinctly write out, both in words and
in figures, the amount of their estimates for doing this
work.

The person or persons to whom the contract may be
awarded will be required to attend at this office with the
sureties offered by him or them, and execute the contract
within five days from the date of the service of a notice
to that effect; and in case of failure, or neglect so to do
he or they will be considered as having abandoned it, and
as in default to the Corporation, and the contract will be
readvertised and relet, and so on until it be accepted and
executed.

Bidders are required to state in their estimate their
names and places of residence, the names of all persons
interested with them therein; and if no other person be
so interested, the estimate shall distinctly state the fact;
also that the estimate is made without any connection
with any other person making an estimate for the same
work, and that it is in all respects fair, and without col-
lusion or fraud; and also that no member of the Common
Council, head of a department, chief of a bureau, deputy
thereof, or clerk therein, or other officer of the Corpora-
tion, is directly or indirectly interested therein, or in the
supplies or work to which it relates, or in any portion of
the profits thereof; which estimate must be verified by the
oath, in writing, of the party making the estimate, that
the several matters stated therein are in all respects true.
Where more than one person is interested, it is requisite
that the verification be made and subscribed by all the
parties interested.

Each estimate shall be accompanied by the consent, in
writing, of two householders or freeholders in the City of
New York, with their respective places of business or
residence, to the effect that if the contract be awarded to
the person or persons making the estimate, they will, on
its being so awarded, become bound as his or their sure-
ties for its faithful performance; and that if said person
or persons shall omit or refuse to execute the contract,
they will pay to the Corporation of the City of New York
any difference between the sum to which said person or
persons would be entitled on its completion, and that
which said Corporation or the Armory Board may be
obliged to pay to the person to whom the contract
may be awarded at any subsequent letting; the amount
in each case to be calculated upon the estimated amount
of the work to be done by which the bids are tested; the
consent above mentioned shall be accompanied by the
oath or affirmation, in writing, of each of the persons
signing the same, that he is a householder or freeholder
in the City of New York, and is worth the amount of
the security required for the completion of the contract
and stated in the proposal, over and above all his debts
of every nature, and over and above his liabilities as
bail, surety and otherwise; and that he has offered him-
self as surety in good faith, and with the intention to ex-
ecute the bond required by law. The adequacy and suffi-
ciency of the security offered is to be approved by the
Comptroller of the City of New York, after the award is
made and prior to the signing of the contract.

No estimate will be received or considered unless ac-
companied by either a certified check upon one of the State
or National Banks of the City of New York, drawn to the
order of the Comptroller, or money to the amount of five
per centum of the amount of the security required for the
faithful performance of the contract. Such check or

money must not be inclosed in the sealed envelope con-
taining the estimate, but must be handed to the officer or
clerk of the Board who has charge of the Estimate-
box, and no estimate can be deposited in said box until
such check or money has been examined by said officer
or clerk, and found to be correct. All such deposits,
except that of the successful bidder, will be returned by
the Comptroller to the persons making the same, within
three days after the contract is awarded. If the success-
ful bidder shall refuse or neglect within five days after
notice that the contract has been awarded to him to ex-
ecute the same, the amount of the deposit made by him
shall be forfeited to and retained by the City of New
York as liquidated damages for such neglect or refusal;
but, if he shall execute the contract within the time afore-
said, the amount of his deposit will be returned to him by
the Comptroller.

No estimate will be accepted from, or contract awarded
to, any person who is in arrears to the Corporation upon
debt or contract, or who is a defaulter as surety or other-
wise, upon any obligation to the Corporation.

Bidders are requested, in making their bids or estimates,
to use a blank prepared for that purpose by the Board
a copy of which, together with the form of the agree-
ment, including specifications, and showing the manner
of payment for the work, can be obtained upon applica-
tion therefor at the office of the architect, James E.
Ware, No. 239 Broadway.

The Board reserves the right to reject any or all esti-
mates not deemed beneficial to or for the public interest.

forms for bids or estimates obtained, by application to the
architect, at his office, No. 239 Broadway, New York.

a sealed envelope, indorsed "Bid or Estimate for Groc-
eries, Dry Goods, Woodenware, Leather and Lime
and Cement," with his or their name or names, and the
date of presentation, to the head of said Department,
at the said office, on or before the day and hour above
named, at which time and place the bids or estimates
received will be publicly opened by the President of said
Department and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION
RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES
IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS
PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract
awarded to, any person who is in arrears to the Cor-
poration upon debt or contract, or who is a defaulter, as
surety or otherwise, upon any obligation to the Corpora-
tion.

The award of the contract will be made as soon as
practicable after the opening of the bids.
Delivery will be required to be made from time to time,
and in such quantities as may be directed by the said
Commissioners.

Any bidder for this contract must be known to be en-
gaged in and well prepared for the business, and must
have satisfactory testimonials to that effect; and the
person or persons to whom the contract may be awarded
will be required to give security for the performance of
the contract by his or their bond, with two sufficient
sureties, in the penal amount of fifty (50) per cent. of
the estimated amount of the contract.

Each bid or estimate shall contain and state the name
and place of residence of each of the persons making the
same; the names of all persons interested with him or
them therein; and if no other person be so interested, it
shall distinctly state that fact; also that it is made without
any connection with any other person making an estimate
for the same purpose, and is in all respects fair and with-
out collusion or fraud; and that no member of the Com-
mon Council, Head of a Department, Chief of a Bureau,
Deputy thereof, or Clerk therein, or other officer of the

Corporation, is directly or indirectly interested therein or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as surety in good faith, and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same, on exhibition, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.
