HOUSING PRESERVATION & DEVELOPMENT

NOTICE

Pursuant to Article 16 of the General Municipal Law ("GML") and Section 1802(6)(j) of the Charter, notice is hereby given that the Department of Housing Preservation and Development ("HPD") of the City of New York ("City") has proposed the sale of its remainder interest ("Remainder Interest") in certain property (the "Property") located in the Borough of Manhattan, City and State of New York, on Block 1729, Lot 52 on the Tax Map of the City, at 50 West 132nd Street and known as Bethel Manor, to Ebthel Housing Development Fund Company, Inc. ("Sponsor").

In 1973, the City conveyed the Property to Sponsor and simultaneously purchased a remainder interest in the Property for \$235,000. Sponsor initially developed the Property under HUD's Section 236 program.

Bethel Manor LLC ("Developer") seeks to purchase the Property from Sponsor and thereafter rehabilitate the Property using HPD financing and Low Income Housing Tax Credit equity. In order to satisfy the requirements of lenders, Developer has requested that Sponsor acquire the City's Remainder Interest for the negotiated price of \$10

("Disposition Price") prior to Developer's acquisition of the Property.

Under the proposed project, the City will sell the Remainder Interest to Sponsor for the Disposition Price. Sponsor will then transfer title of the Property to Developer. Developer will thereafter rehabilitate the occupied multiple dwelling on the Property. When completed, the project will provide 46 units of rental housing for low income families, plus one unit for a superintendent, and parking facilities.

The appraisal and the proposed Deed and Project Summary are available for public examination at the office of HPD, 100 Gold Street, Room 5-A4, New York, New York on business days during business hours.

PLEASE TAKE NOTICE that a public hearing will be held on March 16, 2010 at Second Floor Conference Room, 22 Reade Street, Manhattan at 10:00 A.M., or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed sale of the Remainder Interest pursuant to Section 695(2)(b) of the GML and Section 1802(6)(j) of the Charter.

Individuals requesting sign language interpreters should contact the Mayor's Office Of Contract Services, Public Hearings Unit, 253 Broadway, Room 915, New York, New York 10007, (212) 788-7490, no later than seven (7) business days prior to the public hearing. DETERMINATION AND FINDINGS BY THE CITY OF NEW YORK PURSUANT TO SECTION 204 OF THE NEW YORK STATE EMINENT DOMAIN PROCEDURE LAW

Whereas, the New York City Department of Design and Construction (“DDC”), on behalf of the New York City Department of Environmental Protection (“DEP”) and the City of New York (“City”), has proposed the acquisition of certain street properties known as portions of Monitor Street from Greenpoint Avenue to approximately 560 feet south of Calyer Street (Capital Project HWK476B) in the Borough of Brooklyn; and

Whereas, the New York State Eminent Domain Procedure Law (“EDPL”) sets forth uniform procedures for condemnations by municipalities throughout the State of New York, which also govern over this acquisition; and

Whereas, pursuant to the EDPL, the City is required to hold a public hearing to determine whether the public would be better served by the proposed acquisition of the above-mentioned properties and the impact of such an acquisition on the neighborhood where the project is to be constructed; and

Whereas, the City held a public hearing pursuant to EDPL Section 204 in relation to this acquisition on Friday, November 20, 2009 in the Borough of Brooklyn. Having given due consideration to the complete hearing record, which includes, among other things, all documents submitted and all public comments, the City makes the following determination and findings concerning the above and below described acquisitions and project:

- (1) The public use and benefit of this project is for the reconstruction of roadways, sidewalks and curbs; the installation of new storm sewers and the upgrading of existing water mains at certain portions of Monitor Street from Greenpoint Avenue to approximately 560 feet south of Calyer Street in the Borough of Brooklyn (the “Project”).
- (2) The properties to be acquired are shown on the City’s Tax Map for the Borough of Brooklyn and include the following properties:

Monitor Street

- Bed of Monitor Street, Adjacent to Blocks 2584 and 2585; and

- Bed of Monitor Street, Adjacent to Blocks 2607 and 2608

The proposed acquisition shall consist of the following locations in the Borough of Brooklyn:

Monitor Street from Greenpoint Avenue to approximately 560 feet south of Calyer Street.

The City selected these locations based on a need for the reconstruction of roadways, sidewalks and curbs; the installation of new storm sewers and the upgrading of existing water mains.

- (3) The general effect on the neighborhood will be to improve current living conditions. The proposed Project involves the reconstruction of roadways, sidewalks and curbs; the installation of new storm sewers and the upgrading of existing water mains and will have no significant adverse effect on the environment. The New York City Department of Design and Construction conducted an Environmental review of the proposed acquisition associated with the planned improvements and concluded that the project falls within the scope of a Type II action with no significant environmental impact in accordance with New York State Environmental Quality Review (“SEQRA”) requirements, as set forth in Section 617.5 of the New York State Codes, Rules and Regulations, as well as New York City Environmental Quality Review (“CEQRA”) requirements, as codified in Chapter 5 of the Rules of the City of New York.

- (4) (The record reflected that no member of the public was present at the time of the hearing.)

DETERMINATION:
Based upon due consideration of the record and the foregoing findings, it is determined that the City of New York should exercise its power of eminent domain to acquire the above-described properties in order to promote and permit the purposes of the project to be achieved.

COURT NOTICE MAP FOR GRACE ASPHALT PLANT

READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign Trade Council**, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may not be enforced.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists-free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at <http://nyc.gov/selltonyc>

- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

PROCUREMENT POLICY BOARD RULES

The Rules may also be accessed on the City Website, <http://nyc.gov/selltonyc>

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
