

WEEKLY INCIDENT BRIEF - COVID-19

06/15/2020 – 06/22/20

Purpose of Weekly Incident Brief This Weekly Incident Brief provides resources for businesses seeking economic relief, information for workplaces, and guidance for donating services or supplies. In comparison, the Daily Brief provides more detailed information about the evolving COVID-19 situation, including travel and transit impacts and the number of COVID-19 cases in the City by borough.

Incident Summary

NYC Emergency Management continues to coordinate with our partners at the City, State, and Federal levels as well as the private sector in response to COVID-19. As of June 12, 2020, there are 205,846 COVID-19 positive cases in New York City. Additionally:

- Per [CDC guidance](#), employers should not require a positive COVID-19 test result or a healthcare provider's note for employees who are sick to validate their illness, qualify for sick leave, or to return to work.
- Governor Cuomo [released a guide](#) to the state's "NY Forward Reopening" Plan, along with the state's [regional monitoring dashboard](#).
- Central NY, Finger Lakes, Mohawk Valley, North Country & Southern Tier are now in phase 3. All other regions are in phase 1 or 2. More information about reopening New York can be found [here](#).
- More information regarding the New York State Executive Orders can be found [here](#).

There are no specific vaccines or treatments available for this novel coronavirus, or any other coronavirus. However, medication and vaccine research continues.
