The contracting opportunities for construction/construction services and construction-related services that appear in the individual agency listings below reflect that commitment to excellence.

#### HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

#### **Participating NYC Agencies**

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

DPR is seeking to evaluate and pre-qualify a list of general contractors (a "PQL") exclusively to conduct non-complex general construction site work involving the construction and reconstruction of DPR parks and playgrounds projects not exceeding \$3 million per contract ("General Construction").

The vendors selected for inclusion in the General Construction PQL will be invited to participate in the NYC Construction Mentorship. #### MAYOR'S FUND TO ADVANCE NEW YORK CITY

#### ■ NOTICE

The Mayor's Fund to Advance New York City (Mayor's Fund) received funding to support a diversity initiative targeting the not for profit cultural community in New York City. The New York City Department of Cultural Affairs (DCLA) launched the Diversity Initiative in January 2015. The purpose of this major initiative is to promote diversity among the leadership, staffs, and audiences of cultural organizations in New York City. This includes a demographic survey of DCLA's nearly 1,000 grantee organizations that will examine race, ethnicity, gender, disability, age, and other factors.

The Mayor's Fund seeks a consultant to develop strategy and execution programming related to DCLA's Diversity Initiative, as further described in the RFP at on.nyc.gov/DiversityInitiativeRFP. The anticipated term of engagement is October 24, 2015 - December 31, 2016.

The budget for this initiative is \$93,000.

a25-s25

The Mayor's Fund is seeking appropriately qualified Community Based Organizations (CBOs) to establish and operate the Connections to Care (C2C) program. The C2C program is funded primarily though a Healthy Futures grant from the Social Innovation Fund of the Corporation for National and Community Service. In C2C, CBOs partner with clinical mental health providers (MHPs) to integrate evidence-based mental health services (treatment, promotion, and/or prevention) into existing programs that serve at-risk populations. The program's goal is to improve mental health and program-related outcomes for low-income (1) expectant mothers and parents of children 0-4; (2) out of school, out of work young adults ages 16-24; and/or (3) unemployed or underemployed low-income working-age adults ages 18 and over receiving workforce development services. In addition, C2C aims to increase access to and utilization of quality mental health care services in order improve mental health outcomes and CBO programmatic outcomes. Expecting C2C to be a five-year program, the Mayor's Fund anticipates awarding grants to approximately twelve CBOs in New York City. Grant sizes are expected to range between \$100,000 and \$250,000 per year, which are required to be matched 1:1 by non-federal funds (for total annual subgrantee budgets of \$200,000 to \$500,000).
