AN ORDINANCE to amend section 21 of article 2 of chapter 7 of the Revised Ordinances.

The Mayor, Aldermen, and Commonalty of the City of New York, in Common Council convened, do ordain as follows :

Section 21 of article 2 of chapter 7 of the Revised Ordinances is hereby amended so as to read as follows :

§ 21. The consent mentioned in the last section shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, and stated in the proposals, as prescribed by section 17 of this chapter, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered

himself as a surety in good faith, and with an intention to execute the bond required by section of this chapter, if the contract shall be awarded to the person or persons for whom he consents to become surety.

Adopted by the Board of Aldermen, February 10, 1876.

Approved by the Mayor, February 15, 1876.

Whereas, The people of the United States of America should ever sacredly foster and scrupulously transmit to posterity a just appreciation of the inestimable services rendered by the immortal George Washington, the father of his country, and should ever zealously show the highest admiration for the pre-eminent private and public virtues which characterized that God-like man, "the simple majesty of whose character, too sublime for elaborate eulogy, like the lineaments of his extraordinary countenance, will never cease to be familiar to virtuous humanity until Time shall close his records and the heavens shall pass away as a scroll ;" to whose untiring energy, indomitable perseverance, and military genius our country is mainly indebted for national existence and our people for the liberties they now enjoy ; and

Whereas, In grateful recognition of all these priceless blessings conferred upon them by his inspired efforts, the people of the City of New York—the imperial city of the western hemisphere—through their corporate authorities in Common Council convened, deem it to be eminently fit and proper in this, the centennial year of American independence, to manifest in some marked degree their estimation of his illustrious character and their acknowledgment of his patriotic services ; therefore be it

Resolved, That in commemoration of the remarkable events with which the history of George Washington is so strikingly replete, some extraordinary recognition of the one hundred and forty-fourth anniversary of the day of his birth (which will occur in this, the one hundredth year of the declaration of American independence, on Tuesday, 22d day of February, 1876), should be demonstrated by the citizens of the city of New York ; and it is, therefore, recommended that they observe the day as a general holiday ; that they be requested to abstain, as far as possible, from all secular employment ; that the flags of all nations be displayed alike, afloat and ashore ; that the flags of the city be hoisted on all the public buildings ; that the reverend, the clergy, be requested to open their churches for morning services or prayers, to render humble and devout thanks and reverence to Almighty God, who gave to our country so eminent a soldier and patriot, and whose omniscient power guided it safely through all the perils incident to its birth, growth, and maturity for a century of years.

Adopted by the Board of Aldermen, February 10, 1876.

Approved by the Mayor, February 15, 1876.

Resolved, That the Legislature be respectfully requested to enact a law to prevent the stoppage of horse-cars upon street-crossings, substantially as follows :

AN ACT entitled an act to prevent the stoppage of horse-cars upon street-crossings in the City of New York :

Section 1. On and after the passage of this act it shall not be lawful for any person or persons, or corporation operating a horse-railroad in the City of New York, to stop their cars or horses for the purpose of transferring the horses on any street-crossing used by pedestrians in the City of New York, or stop the cars so near the crossings for the purpose of transferring the horses that the cars or the horses will, when standing still and before the horses are transferred, be upon any street-crossing or in any manner obstruct the crossing.

Sec. 2. If any such person or persons, or corporation operating any horse-railroad in the City of New York, shall stop their cars or horses, for the purpose of transferring their horses, on any street-crossing used by pedestrians in the City of New York, or shall stop their cars so near the crossing, for the purpose of transferring the horses, that the cars or the horses will, when standing still and before the horses are transferred, be upon any street-crossing, or in any manner obstruct the crossing, such person, or persons, or corporation shall forfeit the sum of fifty dollars for every such offense, to be recovered by and in the name of the Mayor, Aldermen, and Commonalty of the City of New York in any court having cognizance thereof.

Sec. 3. All acts and parts of acts inconsistent with this act are hereby repealed.

Resolved, That a copy of this resolution, with copies of the proposed act, be sent to the Members of Assembly and the Senators from this city in the Legislature of this State, with the request that they endeavor to secure its passage.

## JURORS.

## NOTICE IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,  
NEW COUNTY COURT-HOUSE,  
NEW YORK, June 4, 1875.

**APPLICATIONS FOR EXEMPTIONS WILL BE** heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

When possible and legal, serving jurors will be allowed to select a convenient season—if application be made in time.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of delinquents.

The Commissioner will receive applications for relief from those jurors who have served continuously and promptly for several years, or have done excessive jury service in the State Courts.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted. No fees of any kind exist or are allowed in regard to jury notices, and any one asking, receiving, or giving any such "fee" or "present" will be arrested, and, if possible, punished to the full extent of the law.
