Section 1. Sections four and six of an Ordinance entitled "An Ordinance to create and organize the Fire Department of the Village of Edgewater and to provide for the government thereof," adopted by the Board of Trustees of the Village of Edgewater, December 12, 1888, are hereby amended so as to read as follows:

Sec. 4. A Chief Engineer and three Assistant Engineers of said Department shall be elected by the members of said Department on the second Monday of May, 1901, and every two years thereafter, who shall hold their offices for two years from the first day of June next following and

until their successors are duly elected and qualified. No person shall be eligible to the office of Engineer or Assistant Engineer unless he shall have been a active fireman at least three years or more immediately preceding said election, a member in good standing of some one of the companies belonging to said Department, and a resident of the Village of Edgewater.

Sec. 6. The Chief Engineer and Assistant Engineers shall be elected on the date above named, to wit, on the second Monday of May, in the year 1901, and on that day every two years thereafter, at the respective meeting room of each company, the polls for each company to be open from eight o'clock P. M. to ten o'clock P. M. of that day. The Foreman and Secretary of each company shall act as Inspectors of Election, and shall keep an accurate list of all voters who shall vote at said election in their respective companies.

No person shall be entitled to vote at such an election unless he be an active member in good standing of the company when he offers his vote, and has been such a member for at least forty days prior to such election and is of the age of twenty-one or over. It shall be the duty of the Foreman and Secretary of each company to file in the branch office of the City Clerk in the Borough of Richmond, at least one week before such election, a correct list of the members of such company who will be entitled to vote at such election, which shall be certified and sworn to by said Foreman and Secretary as correct, the board for canvassing hereinafter provided for may in its discretion refuse to receive or canvass the votes of such company.

Each member shall personally appear at the polls in his own company and vote; and it shall not be lawful in any case at such election to vote by proxy, nor shall any such vote by proxy be received or counted.

The Inspectors immediately after the close shall canvass the votes cast and make a proper return thereof, showing the number of votes cast and for whom; and shall verify the same before a notary public of said county, and attach it to and file it with the poll list, which shall also be verified with the Deputy City Clerk, in the Borough of Richmond, at or before 4 P. M. of the day following such election.

The members of the Municipal Assembly residing in the Borough of Richmond shall constitute a board for canvassing, and shall assemble at said Deputy City Clerk's office on the Wednesday succeeding every such election at 10 o'clock A. M., and after proper organization shall proceed to examine said poll lists, return and certificates and shall determine from the same who have respectively received the highest number of votes for the respective offices, and shall declare the persons receiving the highest number of votes for each office duly elected thereto, signing a certificate thereof and filing the same with said Deputy City Clerk.

But nothing in this ordinance contained shall be construed to prevent said board for canvassing upon such canvass from examining into the legality of the votes cast at such election and into the conduct thereof, nor from declaring the result in conformity with such election, nor from ordering a new election in case the board cannot determine satisfactorily such result.

Sec. 2. This ordinance shall take effect immediately upon its passage and adoption.

Sec. 3. A copy of this ordinance shall be transmitted to each company in the Fire Department of the Village of Edgewater.

Adopted by the Board of Aldermen, April 16, 1901.

THE CITY OF NEW YORK—DEPARTMENT OF FINANCE,
COMPTROLLER'S OFFICE.

To the Holders of Six Per Cent. Gold Consolidated Stock of the County of New York, Payable July 1, 1901:

THE FOLLOWING IS AN EXTRACT FROM the proceedings of the Commissioners of the Sinking Fund at a meeting held Tuesday, February 19, 1901:

The Comptroller presented the following report and accompanying resolution relative to the redemption of six per cent. Gold Consolidated Stock of the County of New York, maturing July 1, 1901:

CITY OF NEW YORK, DEPARTMENT OF FINANCE,
COMPTROLLER'S OFFICE, February 15, 1901.

To the Commissioners of the Sinking Fund:

GENTLEMEN—Six per cent. Gold Consolidated Stock, amounting to eight million eight hundred and eighty-five thousand five hundred dollars (\$8,885,500), which was issued by the County of New York prior to its consolidation with the former City of New York, matures on July 1, 1901.

The said stock is all held by the public and is payable from the Sinking Fund for the Redemption of the

City Debt (No. 1), under the provisions of section 213 of chapter 378 of the Laws of 1897.

Under an amendment to the Constitution of the State of New York adopted at the general election held in the year 1890, the said stock is exempted, for the debt-restrictive purposes of section 10 of article VIII. of the Constitution, from classification as a City debt.

In view of the present heavy demands upon the City's debt-incurring capacity, especially for rapid transit and bridge construction, it is desirable to retain the advantage gained by such exemption. This advantage would be practically lost as to the amount of said stock if it were to be redeemed out of the Sinking Fund, or if it were refunded by the issue of Corporate Stock of The City of New York.

I therefore propose to extend the maturity of a considerable proportion, if not the whole of such stock, for periods not exceeding twenty years, under the authority conferred upon me by chapter 630 of the Laws of 1900, upon the best obtainable terms for the City.

It is not unlikely, however, that it may prove impossible to extend certain portions of said stock upon advantageous terms, and I therefore recommend that a resolution be adopted authorizing the Comptroller to redeem from the Sinking Fund such portions of said stock.

Respectfully,
(Signed) BIRD S. COLER,
Comptroller.

Whereas, Six per cent. Gold Consolidated Stock issued by the County of New York prior to its consolidation with the former City of New York, amounting to eight million eight hundred and eighty-five thousand five hundred dollars (\$8,885,500), matures July 1, 1901, and is payable from the Sinking Fund for the Redemption of the City Debt (No. 1), under the provisions of section 213 of chapter 378 of the Laws of 1897:

Whereas, the Comptroller proposes, under the authority of chapter 630 of the Laws of 1900, to extend for periods not exceeding twenty years the maturity of as much of said stock as he may be able to so extend upon terms advantageous to the City; and

Resolved, That the Comptroller be and is hereby authorized to pay out of the Sinking Fund for the Redemption of the City Debt (No. 1), such portion of the six per cent. Gold Consolidated Stock of the County of New York, payable July 1, 1901, as he may be unable to extend upon terms deemed by him to be advantageous to the City.

The report was accepted and the resolution unanimously adopted.

For the reasons set forth in the foregoing report to the Commissioners of the Sinking Fund, the Comptroller of The City of New York will avail himself of the provisions of chapter 630 of the Laws of 1900, which reads as follows:

CHAPTER 630.

AN ACT to authorize the extension of the funded indebtedness of the counties of New York, Kings, Queens and Richmond.

ACCEPTED BY THE CITY.

Became a law April 23, 1900, with the approval of the Governor. Passed, a majority being present.

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. It shall be lawful for the comptroller of the city of New York, in his discretion, to provide for the extension of all or any part of the funded indebtedness of the counties of New York, Kings, Queens and Richmond, as the same may from time to time mature. Certificates of stock or bonds so extended shall bear interest at a rate not exceeding three and one-half per centum per annum, and shall be stamped across their face with the terms of such extension, which shall be for a period not exceeding twenty years.

Sec. 2. This act shall take effect immediately.

Proposals will be received by the Comptroller at his office, No. 28 Broadway, New York City, from the holders of six per cent. Gold Consolidated Stock of the County of New York, payable July 1, 1901, for extending the maturity of all or any part of the respective amounts of such stock held by them to the following dates:

JULY 1, 1907,
JULY 1, 1918,
JULY 1, 1919,
JULY 1, 1920, and
JULY 1, 1921.

Stock so extended will be payable in gold and will bear interest from July 1, 1900, at the rate of three and one-half (3½) per cent. per annum, payable, also in gold, semi-annually, on the first day of January and of July in each year. The Comptroller proposes to apportion the amount of stock thus extended so that, as nearly as practicable, one-fifth of the whole amount extended shall be redeemable at each of the five maturity dates above mentioned. Preference will, as far as possible, be given to the proposals received according to priority in the date of their receipt, the proposals first received being entitled to the privilege of the longest extension period, unless such proposal shall indicate a preference for the shorter terms. The stock which is to be extended in accordance with the terms of this circular must be delivered to the Comptroller upon demand, when the certificates will be stamped across their face with the terms of the extension, in accordance with the provisions of chapter 630 of the Laws of 1900, provided, however, that such stock now outstanding in coupon form when presented for extension will be extended in the form of registered stock. Thereafter transfers may be made of such stock on the books of the Corporation in accordance with the general provisions of law and the rules of the Department of Finance in regard thereto. The right to discontinue the offer contained in this circular at any time without further notice is expressly reserved.

Dated NEW YORK, March 1, 1901.
