The communication was ordered filed. The Secretary presented the following communication from the Acting Corporation Counsel, dated June 23, 1910:

"Hon. John C. McGuire, President, Municipal Civil Service Commission:

"Sir—I desire to inform you of the outcome of certain recent proceedings brought against the Municipal Civil Service Commission by various persons claiming to have been injured by its rulings.

"McSorley vs. McGuire et al. This case was originally begun against Frank L. Polk and others composing the Municipal Civil Service Commission and an order of substitution was entered. On May 27, 1910, an order was entered in the Appellate Division affirming an order of the Court below denying the motion of the plaintiff for an injunction pendente lite against the action of the Civil Service Commission in proposing to hold a competitive examination for appointment to the position of Assistant Foreman, second grade, in the Street Cleaning Department. A copy of the orders in this case is inclosed in response to a verbal request from Mr. Spencer, Secretary of your Commission. It is, of course, possible that the plaintiff will try the action herein when he will have an opportunity to offer evidence before the Court, but in view of the action of the Appellate Division I believe that such a course on the part of the plaintiff is somewhat doubtful.

"People ex rel. Goodwin vs. McGuire, et al.; People ex rel. Murray vs. McGuire, et al. Motions to compel the Civil Service Commission to attach the usual certificates required by section 20 of the Civil Service Law to the payrolls of the relatives. The salaries of the latter having been increased so as to constitute a promotion from Grade C to Grade D of the Engineering Service without their having taken a promotion examination. Motions denied by Mr. Justice Mills of Westchester County and orders entered therein on June 10, 1910.

"People ex rel. Casey vs. McGuire et al. composing the Municipal Civil Service Commission. Motion to compel said Commission to re-rate examination paper of the 1910, for promotion to position of Lieutenant of Police. Order entered June 20, 1910, in New York County on the decision of Mr. Justice Giegerich denying the said motion.

"Very truly yours,

"THEODORE CONNOLLY, Acting Corporation Counsel."

The communication was ordered filed.

A letter was presented from the Secretary of the Department of Docks and Ferries, dated June 22, submitting a physician's certificate relative to the illness of James Dineen, a Foreman of Dock Laborers who had been absent on account of illness since May 13, 1910, and requesting the Commission to authorize the reassignment of Dineen. The reassignment was approved.

A letter was presented from the Secretary of the Department of Docks and Ferries, dated June 22, stating that owing to the new law providing for vacations for per diem employees, there would be, temporarily, vacancies in various gangs and positions throughout the Department, and that to apply to the Commission for eligible lists, such as Dock Laborers, Dock Builders, Stokers, etc., for the purpose of making temporary assignments, would result in much confusion, for which reason it was requested that the Commission authorize the temporary assignment of Laborers throughout the summer season to perform the duties of other positions in the absence of the incumbents of the said positions on vacation. The request was granted.

A letter was presented from the Secretary of the Department of Docks and Ferries, dated June 23, stating that the Commissioner desired to appoint, as Confidential Inspector, Mr. W. G. Rainsford, with salary at the rate of \$2,200 per annum, and requesting authority, pending the creation of the position by the Board of Estimate and Apportionment and the Board of Aldermen, under section 56 of the Charter, to employ Mr. Rainsford under the provisions of paragraph 6 of Rule XII. A letter was presented from the First Deputy and Acting Commissioner of the Tenement House Department, dated June 24, requesting authority to promote John H. McCollum from the position of Tabulator, at \$1,200 per annum, to that of Clerk, at \$1,500 per annum, his name being first on a promotion list for third grade Clerk. On motion, it was

Resolved, That Mr. Joseph Porchia be and he hereby is excepted from examination, pursuant to the provisions of paragraph 6 of Rule XII, to be employed as Italian Interpreter in the Municipal Court, First District, Borough of Manhattan, from time to time during the current year as his services may be required; provided, however, that his total compensation shall not exceed \$750.

A letter was presented from the Justices of the Municipal Court, City of New York, Borough of Brooklyn, dated June 23, calling the attention of the Commission to an opinion of the Corporation Counsel to the effect that Justice Rosenthal had not the power, under the law, to apply to the Commission for an eligible list from which to select and appoint a Stenographer for his court, for which purpose the Commission had furnished him a list under date of June 13, 1910, as the power of appointment to fill the vacancy in question resided in the Justices of the Municipal Court for the Borough of Brooklyn, or a majority of them, for which reason the appointing power should have made requisition for the list from which to make selection, and the list sent to Justice Rosenthal in answer to his individual request was a nullity in law. The Secretary stated that, in view of the opinion of the Corporation Counsel, he had revoked the certification to Justice Rosenthal and had certified to the Justices of the Municipal Court of The City of New York, Borough of Brooklyn, for the appointment. The action of the Secretary was approved and the papers were ordered filed.

On motion, it was

Resolved, That, in accordance with the provisions of paragraph 6 of Rule XII, Miss Grace Newkirk be and she hereby is excepted from examination, to be employed as a Stenographer in the Board of Water Supply, for the purpose of taking testimony of claimants against The City of New York for loss of wages, under chapter 724 of the Laws of 1905, beginning June 2, 1910; provided, that her total compensation shall not exceed \$750.

On motion, the reassignment of Miss Mary M. Naughton, Clerk in the Department of Education, was approved as of June 1, 1910, she having filed a doctor's certificate showing that her absence from April 1, 1910, had been due to illness.

After consideration of the matter, the reduction from Assistant Foreman to Laborer was approved.

Bemis, Deputy Commissioner, Department of Water Supply, Gas and Electricity, dated June 24, relative to the application of the Department for approval of the promotion of Max Blatt, from Transmittan to Assistant Engineer, which application had previously been denied by the Commission for the reason that there was a preferred list in existence for the latter position. The letter stated that at the time of the promotion of Messrs. John T. Metcalf and Maurice G. Huerstel, all the persons on the preferred list had been examined by the Chief Engineer, who reported that they had had no experience in connection with water works, and would, therefore, be of no service to the Department. After consideration of the matter, the promotion of Mr. Blatt from Transmittan to Assistant Engineer was approved.

#### PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

##### NOTICE TO CONTRACTORS.

##### GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
