AGENCY RULES

TAXI AND LIMOUSINE COMMISSION

NOTICE

Notice of Opportunity to Participate in a Pilot Program to Test Livery Stands at Select Locations

The New York City Taxi and Limousine Commission ("TLC") invites interested parties to submit a request to participate in a pilot program to pilot livery stands at select locations throughout the five boroughs of New York.

The Livery Stands Pilot Program will designate livery stands at privately owned locations throughout the five boroughs. The pilot program, which will be one year in duration, will allow owners or operators of private property at locations within shopping centers, Business Improvement Districts, and other well-trafficked locations to contract with livery bases to provide transportation services on-site via a "satellite base." This pilot program will test the use of licensed livery vehicles and livery stands to enhance service to passengers, providing for more prompt, efficient, accountable and reliable dispatched service from satellite base locations. Please note, participation in a TLC pilot program in no way guarantees Commission approval for the proposer's livery stand after conclusion of the pilot program.

On May 28, 2009, the Commission voted to approve this pilot program without limit to the number of participants; it is anticipated that there will be multiple locations citywide, with a tentative goal of at least two stands in each borough. In order for your proposal to be considered for participation in this pilot program, your proposal should include the requirements listed in the *Business Requirements* or Section (A), *Proposal Content Requirements* or Section (B) and please carefully read the Evaluation Guidelines or Section (C), and MOU requirements for reporting performance and success of *Program Section* (**D**) of this document.

SECTION A

Business Plan Requirements for Pilot Proposal

- Applicants must include a representative or be the owner(s) of private property (or must be a partner, contractor, licensee, permitee, tenant or subtenant that has the express consent, legal authority and approval of all property owners); for example, a representative of a Business Improvement District (BID) that partners with a shopping mall owner. The applicants may be in any legally recognized and authorized organizational form - e.g., not-forprofit, for-profit, publicly or privately held companies, sole proprietorships, partnerships, Limited Liability Companies, etc.
- Applicants must be capable of executing a contract with a TLC-licensed FHV base that will agree to (2)offer dispatch service at a location other than the base location on file with the TLC. Applicants must submit a base name and letter of commitment from said base signed by an officer of the base for which a partnership is desired. TLC will grant approval to one or more bases at each selected location to provide all livery dispatch services contracted via a dispatcher program. Only vehicles affiliated with the partner base may be dispatched from the stand.

Additional required information that should be included in the Business Plan proposal:

- Names of partners (if any) in the business;
- (2) (3) Contact information of the business;
- Insurance information for the business and for the location of the proposed FHV stand; The number of base employees expected to provide
- (4) dispatching service at the selected location; The number of vehicles expected to be on-call at the
- (5) selected location;
- The approximate number of rides expected per hour for weekdays and weekends, separately; (6)
- (7)Proposed hours of operation;
- How the applicant intends to display fare information for common destinations from the (8)selected location and how fees will be conveyed to the passenger as per the "FHV Passenger Bill of
- How the dispatch records will be maintained and (9)recorded.

PLEASE NOTE — No base will be permitted to participate that does not have:

- Current base markings on all licensed affiliated
- Active, licensed status with TLC, including no (2)active suspensions or outstanding fines at the time of selection.

SECTION B **Proposal Content Requirements**

- (a) Applicants should provide a brief narrative and description of the location and businesses in the area where proposed services are to be provided. The narrative should include demonstration of a need for livery services at the proposed location; for example, the lack of availability of alternative modes of transportation, such as medallion taxis and appropriate mass transit and/or the presence of significant utilization of livery vehicles.
- Applicants must propose a specific, fixed location for the livery stand. The location should be a well-trafficked, easily accessible spot. Please include an aerial or other appropriate map showing the exact location. TLC may accept or reject proposed locations in its sole discretion, and applications without a proposed location that is acceptable to TLC will be considered incomplete.
- (c) Applicants must describe in detail how they plan to provide "dispatched" transportation services at the proposed location. This should include hours of operation, on-site dispatch staffing levels, and on-site non-staffed dispatching methods (e.g., courtesy telephones, etc.). Since all rides require dispatch, TLC will look more favorably upon programs that offer staffed dispatching during all hours of the facility's operation.
- (d) Applicants must demonstrate the capability to provide sufficient off-street vehicle space to allow for orderly dispatching.
- (e) Applicants must provide a signage plan that will direct people to the stand and clearly explain the services provided and hours of operation.
- (f) Applicants must provide a fare chart for common destinations from the dispatch location. This fare chart will remain in effect for the duration of the pilot and must be available for viewing at the stand.

SECTION C **TLC Evaluation Assessment Guidelines**

TLC criteria for evaluation of proposals to determine proposal merit. Proposals should address the following items:

- - Estimated volume of usage:
 (a) Number of vehicles to be dispatched; (a) (b) Number of passengers estimated to be
 - (c)
 - Measures of anticipated peak usage times and dates.
- (2)Proposed location:
 - Neighborhood location and communities
 - (b) Businesses in the area; local attractions;
 - Other available forms of public transportation in the area
- Proposed property owner/operator and partnership: (a) Proof of business commitment between a (3)
 - base and a proposer; (b)
 - Proposed benefits for passengers; Proposed means to curb illegal for-hire (c) vehicle activity;
 - Proposed congestion mitigation plan; Cost to the passenger vs. alternate (d)
 - methods of transportation; (f) Proposed advertising of services and way
 - Physical elements of livery stand (g)
 - proposal, including but not limited to, booth (kiosk), street sign, courtesy phone, waiting area/shelter, seating, etc.

SECTION D MOU requirements for reporting performance and

success of program.

Each pilot program participant should submit to the Chairperson a report on the first six (6) months of performance based on evaluation criteria called for in the MOU. READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers. workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates.

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign** Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at http://nyc.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
