The Committee on Public Works, to whom was referred the annexed petition to light the square at the junction of Bowery, Third and Fourth avenues, with electric lights, respectfully

REPORT:

That an examination of the subject has satisfied your Committee that a proper regard for the safety and convenience of our citizens having occasion to traverse the public place referred to demands that the prayer of the petitioners should be granted. The square is now lighted in the night-time with a single gas lamp, which only tends to make "darkness visible," and, as a consequence, the vicinity has become a resort for evil-disposed persons, who annoy and insult reputable persons in traversing the square after dark. Your Committee therefore respectfully offer for your adoption the accompanying resolution.

Resolved, That the Commissioners for lighting the City, viz.: His Honor the Mayor, the Comptroller, and the Commissioner of Public Works, be and are hereby requested to cause the square at the junction of Bowery, Third and Fourth avenues, to be lighted with electric lights.

Concurrent Resolutions

Proposing amendments to article seven of the Constitution and providing for the abolition of tolls on the canals and the maintenance thereof by taxation.

Resolved, (if the Senate concur), That section third of article seven of the Constitution be amended so as to read as follows:

§ 3. The first and second sections of this article having been fully complied with, no tolls shall hereafter be imposed on persons or property transported on the canals, but all boats navigating the canals, and the owners and masters thereof, shall be subject to such laws and regulations as have been or may hereafter be enacted, concerning the navigation of the canals. The Legislature shall annually, by equitable taxes, make provision for the expenses of the superintendence and repairs of the canals. The canal debt contracted under the section hereby amended, which on the 1st day of October, eighteen hundred and eighty, amounted to eight million nine hundred and eighty-two thousand two hundred dollars, shall continue to be known as the "canal debt, under article 7, section 3 of the Constitution;" and the sinking fund applicable to the payment thereof, together with the contributions to be made thereto, shall continue to be known as the "canal debt sinking fund." And the principal and interest of said debt shall be met as provided in the fifth section of this article. All contracts for work or materials on any canals shall be made with the person who shall offer to do or provide the same at the lowest price, with adequate security for their performance. No extra compensation shall be made to any contractor, but if, from any unforeseen cause, the terms of any contract shall prove to be unjust and oppressive, the Canal Board may, upon the application of the contractor, cancel such contract.

Resolved (if the Senate concur), That section 5 of article 7 of the Constitution be amended so as to read as follows:

§ 5. There shall annually be imposed and levied a tax which shall be sufficient to pay the interest and extinguish the principal of the canal debt mentioned in the third section of this article, as the same shall become due and payable, and the proceeds of such tax shall, in each fiscal year, be appropriated and set apart for the sinking fund constituted for the payment of the principal and the interest of the aforesaid debt. But the Legislature may in its discretion impose for the fiscal year, beginning on the first day of October, eighteen hundred and eighty-three, a State tax on each dollar of the valuation of the property in this State which may by law then be subject to taxation, sufficient with the accumulations of the sinking fund applicable thereto, to pay in full both the principal and interest of the canal debt before mentioned, and the proceeds of such tax shall be appropriated and set apart for the sinking fund constituted for the payment of the principal and the interest of said debt. In the event of such action by the Legislature, then the Legislature shall, under the law directing the assessment and levy of such tax, make such provision for the retirement of the canal debt as it shall deem equitable and just to the creditors of the State.

Resolved (if the Senate concur), That section six of article seven of the Constitution be amended so as to read as follows:

§ 6. The Legislature shall not sell, lease or otherwise dispose of the Erie Canal, the Oswego Canal, the Champlain Canal, the Cayuga and Seneca Canal, or the Black River Canal, but they shall remain the property of the State and under its management forever. All funds that may be derived from any lease, sale or other disposition of any canal shall be applied in payment of the canal debt mentioned in the third section of this article.

Resolved (if the Senate concur), That the foregoing amendments, having been referred by the last Legislature of this State to the present Legislature, and having been published for three months previous to the time of the last general election of Senators, in conformity with section one of article thirteen of the Constitution, are hereby submitted to the people for their action at the next general election of this State.

The foregoing resolutions were duly passed. By order of the Senate.

Proposing an amendment to article six of the Constitution, relative to election of additional Justices of the Supreme Court.

Whereas, At the last session of the Legislature, the following amendment was proposed in Senate and Assembly, viz.:

Resolved (if the Assembly concur), That the sixth article of the Constitution be amended by adding thereto the following section:

§ 28. The Legislature, at the first session thereof after the adoption of this amendment, shall provide for organizing in the Supreme Court not more than five general terms thereof; and for the election of the general election next after the adoption of this amendment by the electors of the judicial districts mentioned in this section, respectively, of not more than two Justices of the Supreme Court, in addition to the Justices of that court now in office in the first, fifth, seventh and eighth,

and not more than one Justice of that court in the second, third, fourth and sixth judicial district. The Justices so elected shall be invested with their offices on the first Monday of June next after their election.

And Whereas, The said proposed amendment was agreed to by a majority of the members elected to each of the two Houses of the said Legislature entered in their journals, with the ayes and nays taken thereon, and referred to the Legislature to be chosen at the then next general election of Senators;

And whereas, Such election has taken place and said proposed amendment was duly published for three months previous to the time of making such choice, in pursuance of the provisions of section 1 of article 13 of the Constitution; therefore

Resolved (if the Assembly concur), That the foregoing amendment be submitted to the people of the State of New York at the next general election.

SHERIFF'S OFFICE, COUNTY COURT HOUSE,
CITY AND COUNTY OF NEW YORK, July 31, 1882.

I certify the above to be a true copy of the Election notice received by me this day from the Secretary of State.

PETER BOWE,
Sheriff of the City and County of New York.

Which was ordered on file.

The President laid before the Board the following communication from the Counsel to the Corporation:

LAW DEPARTMENT,
OFFICE OF THE COUNSEL TO THE CORPORATION,
NEW YORK, August 14, 1882.

To the Honorable the Board of Aldermen:

GENTLEMEN—I observe, by the CITY RECORD of July 5, 1882, that the Board of Aldermen is reported as acting as a Board of Supervisors, on that day, in the receipt of the assessment rolls from the Commissioners of Taxes and Assessments, and of the final estimate for 1882, from the Comptroller. I take the liberty, therefore, of calling your attention to the fact that there is no such office in the City of New York as that of Supervisor, and that there is no Board of Supervisors, and that the Board of Aldermen, in the performance of any duties devolved upon them by law, can no longer lawfully act as a Board of Supervisors, but must perform all such duties as a Board of Aldermen.

At the time the act consolidating the City and County of New York was passed, in 1874, there were certain duties imposed upon Boards of Supervisors by the Constitution of the State, and it was, therefore, impossible, at that time, to abolish the Board of Supervisors in this County. The powers and duties, however, previously devolved upon the Board of Supervisors, in this County, were transferred to the Board of Aldermen, so far as it was possible to do so, though it was provided, in a supplementary and explanatory act (chapter 305), that nothing in the act consolidating the City and County should be construed to affect the election and appointment of county officers whose election and appointment were provided for by the Constitution, the apportionment of Members of Assembly, or any other purpose for which the City and County of New York was recognized in the Constitution. The Constitutional difficulty, about transferring all the powers of the Board of Supervisors to the Board of Aldermen was, however, afterwards removed by an amendment of the Constitution, which took effect January 1, 1875, and which was as follows:

"There shall be in the several counties, except in cities whose boundaries are the same as those of the county, a Board of Supervisors, to be composed of such numbers and elected in such manner and for such period as is or may be provided by law. In any such city, the duties and powers of the Board of Supervisors may be devolved upon the Common Council or Board of Aldermen thereof."

After the adoption of this amendment to the Constitution, the question whether the office of Supervisor and the Board of Supervisors still existed in the City and County of New York, came before the Court of Appeals, in the case of Billings vs. The Mayor, 68, N. Y., 413. Mr. Billings was an Alderman and claimed salary from the city for his services as supervisor. One of the grounds of the defence was that there was no such office as supervisor, nor was there any Board of Supervisors, and this defence was sustained by the unanimous judgment of the Court of Appeals. The opinion was written by Judge Rapallo, who, after referring to the provisions of chapter 304 of the act of 1874, consolidating the City and County of New York, said:

"The object of this act, as is well known, and is apparent from its whole context, was to abolish, as far as the constitution permitted, a separate county organization and the function of the Board of Supervisors, and to vest all the functions of that body in the Board of Aldermen as such. But inasmuch as by the constitution some duties were expressly required to be performed by Boards of Supervisors as such (Constitution, 1846, Article 3, Section 5), the exception was made so as to enable the Board of Aldermen to act as a Board of Supervisors in the cases where action as supervisors was required by the constitution, and consequently could not be devolved by the Legislature upon the Board of Aldermen. The act, therefore, devolved upon the Board of Aldermen, as such, all the powers and duties formerly appertaining to the Supervisors, excepting only such as the legislature could not authorize to be performed by any other body than the Board of Supervisors. So far and so long only as required by the constitution were any powers and functions left in any body acting as a Board of Supervisors.

"By the amendment of the Constitution, which took effect January 1, 1875, Section 22, Article 3, all restraint of this description was removed. The County of New York was no longer required to have a Board of Supervisors, and in that City and County all the powers and duties of the Board of Supervisors were rendered capable of being devolved upon the Board of Aldermen. After this amendment took effect, therefore, there remained no case to which the exception contained in the act of 1874 was applicable. There was no case in which action could not 'under any power conferred by that act or otherwise, be taken in any other manner,' than by a Board of Supervisors. When there remained no case in which action in any other manner could not be authorized, that act operated to totally abolish all the functions of Supervisors as such, and there was no case in which the Board of Aldermen were required to, or could, act as a Board of Supervisors. The functions of the office having been abolished, the office itself ceased to exist, and consequently no one could be entitled to claim the salary, even if one had been attached to it."

It does not admit of question, therefore, that under this decision the Board of Aldermen in this city can no longer, under any circumstances or at any time, act as a Board of Supervisors. Whatever acts are performed must be done by the Board of Aldermen as such, not by the Board of Alder-

men as a Board of Supervisors. In meeting, therefore, on the first Monday of July to receive the assessment rolls and the final estimate from the Finance Department, and in hereafter passing an ordinance levying a tax; in canvassing the votes after election, and in the performance of every other official act, the Board should meet as a Board of Aldermen, and perform such acts as a Board of Aldermen, and not as a Board of Supervisors.

I am, gentlemen,

Yours respectfully,

W. C. WHITNEY,

Counsel to the Corporation.

MESSAGES FROM HIS HONOR THE MAYOR.

The President laid before the Board the following message from his Honor the Mayor :
MAYOR'S OFFICE, NEW YORK, September 5, 1882.

To the Honorable the Board of Aldermen :

I herewith transmit for your consideration a letter received from Mrs. C. F. Pond relative to the manufacture and sale of toy pistols.

W. R. GRACE, Mayor.

NEWPORT, R. I., July 28, 1882.

To his Honor Mayor GRACE :

DEAR SIR—I have not the pleasure of your acquaintance, and yet I feel you will pardon me for thus seeming to intrude upon you when you know my object in doing so.

I have just heard from a dear friend, who is passing through the agony of watching by the side of a beautiful boy, who was injured by a toy pistol on the 4th of July, in constant dread of lock-jaw, symptoms of that fearful disease having already appeared. Oh, my dear sir, I write to beg of you that an ordinance may be passed forbidding the manufacture and sale of these deadly weapons in New York. I see that Boston and Baltimore have already done this. From every part of our land we hear the cry of distress. Eight cases of fatal lock-jaw are reported in Massachusetts, twelve in Chicago. Oh, let us try to save some of our children in the great City of New York!

With great respect, I remain yours,

Mrs. C. F. POND.

P. S.—Please not to mention my name if you kindly decide to notice this request.
Which was referred to the Committee on Law Department.

The President laid before the Board the following message from his Honor the Mayor :
MAYOR'S OFFICE, NEW YORK, August 4, 1882.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 25, 1882, giving permission to the owner of the property on the southeast corner of Fifth avenue and Forty-second street to erect two bay-windows seven stories high and extending five feet from the building-line; for the reason that they are objectionable incumbrances, and as appears from the dimensions an unwarrantable occupation of public property for private purposes.

W. R. GRACE, Mayor.

Resolved, That permission be and the same is hereby given to the owner of the property on the southeast corner of Fifth avenue and Forty-second street to erect bay-windows on the Forty-second street side of the proposed new building on that site, as follows, viz.: One bay-window to commence at a point distant ten (10) feet easterly from the easterly side or line of Fifth avenue, to be seven stories high; and one to commence at a point distant sixty-one (61) feet easterly from the easterly side or line of Fifth avenue, to be seven stories high; both to project from the line of East Forty-second street, as shown in the annexed diagram, filed with this resolution; the consent of property owners adjoining having been obtained; the work to be done at said owner's expense, under the direction of the Commissioners of the Fire Department; such permission to continue during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :
MAYOR'S OFFICE, NEW YORK, September 5, 1882.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 25, 1882, directing that Sixteenth street be paved from Sixth to Ninth avenues with Belgian pavement, for the reason that as this street is already paved with cobble pavement it cannot be done under an ordinance, but must be repaved under chapter 476, Laws of 1875.

W. R. GRACE, Mayor.

Resolved, That Sixteenth street, from Sixth to Ninth avenue, be paved with Belgian pavement, and that at the several intersecting streets and avenues crosswalks be laid, under the direction of the Commissioner of Public Works; and that the accompanying ordinance therefor be adopted.
Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :
MAYOR'S OFFICE, NEW YORK, September 5, 1882.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 25, 1882, giving permission to Lewisohn Brothers to extend vaults in front of premises Nos. 121 and 123 Greene street, for the reason that Greene street is very narrow and the extension of these vaults would imperil the sewer and water pipes.

W. R. GRACE, Mayor.

Resolved, That permission be and the same is hereby given to Lewisohn Brothers to extend the vaults in front of Nos. 121 and 123 Greene street a distance of five feet beyond the curb-line, upon payment of the usual fee, provided the work be done in a durable and substantial manner and that the said Lewisohn Brothers stipulate with the Commissioner of Public Works to save the city harmless from any loss or damage that may occur during the progress or subsequent to the completion of the work, the work done at their own expense, under the direction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :
MAYOR'S OFFICE, NEW YORK, September 5, 1882.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 25, 1882, directing that street-lamps be erected, etc., on Seventy-second street, between Madison and Fourth avenues, etc., for the reason that the street mentioned in the resolution has already its full number of lamps and are all in their regular and proper places.

W. R. GRACE, Mayor.

Resolved, That lamp-posts be erected and street-lamps of the Boulevard pattern lighted, at the following-named places: Southeast corner of Madison avenue and Seventy-second street; south

side of Seventy-second street, 200 feet east of Madison avenue; southwest corner of Fourth avenue and Seventy-second street; north side of Seventy-second street, 100 feet east of Madison avenue; north side of Seventy-second street, 300 feet east of Madison avenue, under the direction of the Commissioner of Public Works.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, September 5, 1882.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 25, 1882, directing that One Hundred and Fifty-ninth street be regulated, graded, etc., from St. Nicholas avenue to the Boulevard, for the reason that no ordinance is necessary, as the Counsel to the Corporation has given his opinion that the grading, etc., of all streets north of One Hundred and Fifty-fifth street is under the exclusive direction and control of the Commissioner of Public Works.

W. R. GRACE, Mayor.

Resolved, That One Hundred and Fifty-ninth street, from the west curb of St. Nicholas avenue to the east curb of the Boulevard, be regulated and graded, the curb and gutter stones be set, and the sidewalks flagged a space four feet wide through the centre thereof; under the direction of the Commissioner of Public Works; and that the accompanying ordinance therefor be adopted.

Which was laid over, ordered to be printed in the minutes, and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 25, 1882, directing that the intersections of Eighty-second street and Ninth and Tenth avenues be paved with granite blocks, for the reason that a resolution is now before the Committee on Streets, etc., to pave Eighty-second street, from Ninth avenue to the Boulevard, including the intersection of Ninth and Tenth avenues.

W. R. GRACE, Mayor.

Resolved, That the intersections of Eighty-second street and Ninth and Tenth avenues, extending to a line five feet east of and parallel with the east curb and five feet west of and parallel with the west curb of Ninth and Tenth avenues respectively, and to a line five feet north of and parallel with the north curb and five feet south of and parallel with the south curb of Eighty-second street, be paved with granite-block pavement; also that crosswalks of two courses of blue stone be laid across the avenues adjoining the limits of the above-described pavement, under the direction of the Commissioner of Public Works; and that the accompanying ordinance therefor be adopted.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

The President laid before the Board the following message from his Honor the Mayor :

MAYOR'S OFFICE, NEW YORK, September 5, 1882.

To the Honorable the Board of Aldermen :

I return, without my approval, the resolution of the Board of Aldermen, adopted July 25, 1882, giving permission to George Miller to erect a covered stand in front of his premises on Dey street, corner of Greenwich street, for the reason that the structure, mentioned in the resolution, is to be a booth—not a stand, and would be a very objectionable obstruction.

W. R. GRACE, Mayor.

Resolved, That permission be and the same is hereby given to George Miller to erect a covered stand in front of his premises on Dey street, corner of Greenwich street, the said stand to be eight feet long, five feet high, and to be within the stoop-line; such permission to continue only during the pleasure of the Common Council.

Which was laid over, ordered to be printed in the minutes and published in full in the CITY RECORD.

Resolved, That permission be and the same is hereby given to J. A. Bluxome to erect a show-window and entrance to second story on his building on Twenty-first street, corner of Sixth avenue, according to diagram annexed, the work done at his own expense, under the direction of the Commissioners of the Fire Department; such permission to continue only during the pleasure of the Common Council.

Whereas, The inhabitants of Harlem, a law-abiding and dutiful people, are again being damaged seriously in the enjoyment of their property, and the health of themselves and families endangered by the Street Cleaning Department, under Commissioner James S. Coleman, in filling, with sweepings and refuse, certain and divers streets between Ninety-seventh and One Hundred and Second street, east of First avenue, in this city, some of which have not as yet been opened, according to law, and none of which have received the authority and sanction of this Common Council for the regulating and grading; therefore

Resolved, That his Honor William R. Grace, Mayor of the City of New York, be respectfully requested to inform this Board by whose sanction the Street Cleaning Department, under Commissioner James S. Coleman, are regulating and filling in One Hundred and First street, east of First avenue, with street refuse, and usurping the functions of this Common Council and other departments of the city government.

Adopted by the Board of Aldermen July 3, 1882.

Received from his Honor the Mayor July 25, 1882, without his approval or objections thereto; therefore, as provided in section 11, chapter 335, Laws of 1873, the same became adopted.

The person or persons to whom the contract may be awarded will be required to give security, for the performance of the contract, in the manner prescribed by law, in the sum of twenty thousand dollars.

Each estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, and herein stated, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

No estimate will be received or considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

No estimate for a sum in excess of sixty thousand dollars can be considered.

Plans may be examined and specifications and blank estimates may be obtained by application to the undersigned, at his office in the Central Department.

By order of the Board,
S. C. HAWLEY,
Chief Clerk.

Delivery will be required to be made from time to time, at such times and in such quantities as may be directed by the said Department.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect, that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above

all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, it the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the prices for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

NEW YORK, April 22, 1882.

RULES AND REGULATIONS ESTABLISHED for the government and proper care of piers, bulkheads, slips, and other wharf property, under the provisions of subdivision 7 of section 6 of chapter 574 of the Laws of 1871, by the Board of the Department of Docks, and published, to take effect on and after

MAY 1, 1882.

The said subdivision 7, among other things, provides as follows:

"The violation of or disobedience to any rule, regulation, or order of said Board shall be a misdemeanor, punishable by a fine not exceeding five hundred dollars, or by imprisonment not exceeding thirty days, or by both such fine and imprisonment, on complaint of said Board."

And every person guilty of a violation of or disobedience to any of the following rules or regulations, in addition to the penalties thereby fixed and imposed, to be recovered in civil actions, is liable to be prosecuted for a misdemeanor and to be punished by such fine and imprisonment, or by both.

No. 1.—No piles shall be driven, nor shall any platform be erected, nor shall any filling-in of any kind be made on any part of the water-front of the city, without a written permit therefor being first had and obtained from the Board, under a penalty of two hundred and fifty dollars, for every such offense, to be recovered from the owner, lessee, or occupant of any pier or bulkhead, or of any water-front property or right, who shall cause or permit any such work to be done upon his premises before such permit therefor has been obtained, and under the further penalty of fifty dollars for each and every day which shall elapse before any piles so driven, or platform so erected, or material so filled-in, without such permit being first obtained, shall be removed, after the expiration of the time which may be allowed for such removal, by a notice served upon such owner, lessee, or occupant, by the Corporation Wharfing for the district, to be also recovered from such owner, lessee, or occupant.

No. 2.—No shed, building, office, tally-house, or other structure shall be erected, nor shall any derrick, hoisting-mast, coal-hopper, sign, or advertising device, or other erection or obstruction of any kind be placed or maintained upon any pier, bulkhead, or other wharf structure, nor upon any reclaimed land, without a written permit therefor being first had and obtained from the Board; and if the owner, lessee, or occupant of any such premises, or the owner, lessee, or agent, of any such structure, erections, or obstructions, shall fail to comply with a notice served by the Corporation Wharfing for the district to remove any such structure, erection, or obstruction, after the expiration of the time allowed by such notice for the removal, such owner, lessee, occupant or agent, shall forfeit and pay a penalty of twenty-five dollars per day for each and every day, which shall elapse before any such structure, erection or obstruction, shall be removed, after the expiration of the time for the removal thereof specified in said notice.

No. 3.—No cargo shall be discharged from any vessel upon any bulkhead or wharf structure, at which such vessel is being unladen, after service by the Corporation Wharfing for the district, upon the owner, consignee, master, or other officer, or stevedore, of such vessel, of a notice that such bulkhead or structure will be endangered by the placing of additional cargo thereon, under a penalty of two hundred and fifty dollars for every such offense, and a further penalty equal in amount to the damages of every description which shall be caused by the further discharging of cargo upon such bulkhead or wharf structure, after the service of the said notice, both of such penalties to be recovered from such owner, consignee, master or other officer or stevedore, severally and respectively.

No. 4.—All goods, merchandise, and materials of every kind, landed or placed on any pier, bulkhead, or other wharf structure, or upon reclaimed land, must be removed therefrom without unnecessary delay, and within twenty-four hours after the Corporation Wharfing for the district shall have served upon the owner, shipper, or consignee, of such cargo, a notice to remove the same, under a penalty of fifty dollars per day for each and every day, during which any part of said cargo shall remain upon such pier, bulkhead, structure, or land, after the expiration of the said twenty-four hours, to be re-

covered from such owner, shipper, or consignee, severally and respectively.

No. 5.—All goods, merchandise and materials of every kind encumbering any pier, bulkhead or other wharf structure, or reclaimed land, after the time designated for the removal thereof shall have expired, will be liable to be removed by the Board to any warehouse or yard, at the sole risk and expense of the owner of any such property, and all expense incurred for such removal and storage or otherwise, shall be and become a lien thereon, and such goods, merchandise and materials will not be delivered to the owner until the expense of such removal and storage has been paid.

No. 6.—No person shall construct or maintain any engine-house, tally-house, or other small structure, under a permit of the Board, on any unshedded pier, or other wharf structure, unless the same be placed on wheels so as to admit of easy removal thereupon when required, and to prevent the accumulation of dirt or refuse thereunder, under a penalty of twenty-five dollars per day for each and every day which may elapse before the discontinuance of such offense.

No. 7.—No vessel of any kind shall be loaded or discharged by horse power, nor shall stones or similar cargo be discharged from any vessel, upon any pier, bulkhead or other wharf structure, unless proper plank-ing be provided to protect the surface of such pier, bulkhead or other wharf structure from injury consequent upon the travel of the horse, or the throwing of the stones or similar cargo thereupon, under a penalty of five dollars a day for each horse so employed, and of twenty-five dollars for each offense of discharging such stones or like cargo, upon such pier, bulkhead, or other wharf structure, to be recovered from the owner, consignee, master or stevedore of any such vessel, severally and respectively; and if such penalty be recovered for using horses, or discharging stones or similar cargo, upon wharf property belonging to the Corporation, under lease, it shall be paid to the lessee thereof, but if such penalty be recovered for using horses, or discharging stones or similar cargo, upon wharf property not owned by the Corporation, it shall be paid to the owner thereof.

No. 8.—No sand shall be discharged from any vessel unless canvas or similar material be extended from the vessel's side to the bulkhead or wharf structure at which such vessel is being unladen, to prevent the falling of the sand into the water, and if the surface of any such wharf structure is not sufficiently tight to prevent the sand dumped thereon from going through into the water, then no sand shall be discharged thereon from any vessel, unless canvas or similar material be first laid thereon to receive the sand, under a penalty of twenty-five dollars for each offense, to be recovered from the owner, consignee, master or stevedore of any such vessel, severally and respectively; and if such penalty be recovered on account of sand discharged upon wharf property belonging to the Corporation, under lease, it shall be paid to the lessee thereof, but if such penalty be recovered on account of sand discharged upon wharf property not owned by the Corporation, it shall be paid to the owner thereof.

No. 9.—The owners, lessees and occupants of every pier, wharf and bulkhead in the City of New York shall keep the same in good repair, and the slips adjacent thereto properly dredged; and whenever, in the judgment of the Board, it shall be necessary so to do, written notices, signed by the President or Secretary of said Board, shall be served upon the owners, lessees or occupants, or collector of wharfage of any such pier, wharf or bulkhead, or the slip adjoining the same, on or in which repairs or dredging are required by said Board, specifying the nature and extent of the repairs or dredging so required, and the time within which such repairs must be made, or such dredging done; and in case the owners, lessees or occupants so notified, fail to comply with the terms and requirements of such notice, they shall forfeit and pay a penalty of fifty dollars per day for every day which shall elapse before they comply with such notice.

No. 10.—No ashes, refuse, offal, fruit, vegetables or any other substances, shall be thrown into the waters surrounding or adjacent to any pier or bulkhead, or any other part of the water-front of the city, under a penalty of twenty-five dollars for every such offense, to be recovered from the owner, lessee, or occupant, severally and respectively, of any pier, bulkhead, wharf structure, or other property, from which any such substance shall be thrown, or from the person actually throwing the same; or if any such substance be thrown from any vessel lying in waters within the jurisdiction of the Department, whether berthed or not, then such penalty to be recovered from the owner, consignee, or master of such vessel, severally and respectively.

No. 11.—No snow or ice shall be dumped into the waters adjacent to the water-front of the city, except from the piers, bulkheads and other places designated from time to time, by the Board, for such dumping, under a penalty of twenty-five dollars for each offense, to be recovered from the owner, lessee or occupant of any pier, bulkhead or other wharf property, from which any such snow and ice shall be dumped, or from the person actually dumping the same, severally and respectively.

No. 12.—All lumber, brick, or other material in bulk discharged on any bulkhead not shedded, shall be at once removed, or, if not so removed, shall be placed at least twenty feet from the edge of the bulkhead, pending removal, under a penalty of fifty dollars per day, for each and every day such lumber, brick or other material shall remain on the bulkhead, to be recovered from the owner or consignee of such lumber, brick or other material, or from the person placing, or causing the same to be placed, on such bulkhead, severally and respectively.

No. 13.—The charges for wharfage and dockage of all vessels admitted to any of the piers or bulkheads constructed under the new plans adopted by the Department, shall be at the same rates as are now, or shall hereafter be, fixed and established by laws of this State, until otherwise ordered by the Board.

No. 14.—The term "Board," when used in the foregoing rules and regulations, shall be taken to mean "The Board of the Department of Docks of the City of New York," and the term "Corporation," when so used, shall be taken to mean "The Mayor, Aldermen and Commonalty of the City of New York."
