## Report upon the Seizure of Unwholesome Meat.

JANUARY 18, 1881.

I beg to submit the following report on a seizure of unwholesome meat by Officers of this Bureau since the last meeting of the Board.

On the 11th instant Officers Mooney and Kennedy were detailed to find an old bakery somewhere in Thirty-eighth street near Eleventh avenue, where objectionable meat was said to be prepared for making bologna sausages.

After a prolonged search they gained admission to a cellar at 520 Tenth avenue, where they found four men engaged by lamplight in boxing meat for sausages, and being in citizens' clothes they persuaded the workmen that they were purchasers. They learned that the name of the proprietor was Julius Meyer, of 454 West Thirty-fifth street, and that evening Meyer agreed to furnish Kennedy with 100 pounds per diem, at 5 cents per pound. He admitted that the price was rather high, but promised to supply only the very best. On the 12th instant the above named officers, reinforced by Roundsman Wisebaum with officers Acker and Weisburger and the official cart visited the cellar at 520 Tenth avenue and seized 81 quarters of cow beef and 8 baskets of boned beef, a total of 6,390 pounds, which were taken to the official dock, where they were afterwards inspected by Dr. A. Liautard and sent to Barren Island.

The officers, two of whom are old butchers and former meat inspectors, speak of this material as "the worst they ever saw." Dr. Liautard, in his report which is appended, says "it is scarcely fit for feeding animals." The officers describe the stench in the cellar as sickening. "You could smell it out on the sidewalk."

It was learned that the business had been going on at this place for about 12 days, the men working with locked doors, day and night, since Sunday last, the material having been received and sent out in the night, so that the neighbors did not know that the business was going on until it was unearthed by the officers.

Meyers says the animals were slaughtered in the country, and the officers agree that the beef was country killed. He has been held for trial by Judge Patterson in \$100 bail.

All of which is respectfully submitted.

WALTER De F. DAY, M.D., Sanitary Superintendent.

JOHN T. NAGLE, M. D., Deputy Register of Records.

DEPARTMENT OF PUBLIC PARKS,  
36 UNION SQUARE,  
NEW YORK, January 21, 1881.

**BIDS OR ESTIMATES FOR EACH OF THE**  
following named works, to wit:

1. For furnishing all the labor, tools, and materials, and  
doing all the mason and granite work.  
2. For furnishing all the labor, tools, and materials, and  
doing all the iron work to be done in the construction of  
fifteen parks in Fourth avenue, between Seventy-third  
street and Eighty-eighth street, in the City of New York,  
will be received by the Department of Public Parks,  
until nine and a half o'clock A. M., of Wednesday, the  
2d day of February, 1881, at which time and place the  
estimates received will be publicly opened by the head  
of said Department and read.

The person making any bid or estimate must furnish  
the same, enclosed in a sealed envelope, to the head of  
said Department of Public Parks, at its office, on or before  
the day and hour above mentioned.

The envelope must be endorsed with the name or  
names of the person or persons presenting the same, the  
date of its presentation and a statement of the work to  
which it relates.

For the nature and extent of the work, reference must  
be made to the specifications and drawings on file in the  
office of the Department.

Each bid or estimate shall contain and state the name  
and place of residence of each of the persons making the  
same; the names of all persons interested with him or them  
therein; and if no other person be so interested, it shall  
distinctly state that fact; that it is made without any  
connection with any other person making an estimate for  
the same purpose, and is in all respects fair and without  
collusion or fraud; and that no member of the Common  
Council, head of a Department, Chief of a Bureau,  
Deputy thereof or Clerk therein, or other officer of the  
Corporation, is directly or indirectly interested therein, or  
in the supplies or work to which it relates, or in any por-  
tion of the profits thereof. The bid or estimate must be  
verified by the oath, in writing, of the party or parties  
making the estimate, that the several matters stated there-  
in are in all respects true. Where more than one person  
is interested, it is requisite that the verification be made  
and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-  
sent, in writing, of two householders or freeholders in the  
City of New York, with their respective places of  
business or residence, to the effect that if the contract be  
awarded to the person making the estimate, they will, on  
its being so awarded, become bound as his sureties for its  
faithful performance; and that if he shall omit or refuse to  
execute the same, they will pay to the Corporation any  
difference between the sum to which he would be entitled  
on its completion and that which the Corporation may be  
obliged to pay to the person or persons to whom the con-  
tract may be awarded at any subsequent letting; the  
amount in each case to be calculated upon the estimated  
amount of the work by which the bids are tested. The  
consent above-mentioned shall be accompanied by the  
oath or affirmation, in writing, of each of the persons sign-  
ing the same, that he is a householder or freeholder in the  
City of New York, and is worth the amount of the security  
required for the completion of the contract over and  
above all his debts of every nature, and over and above  
his liabilities, as bail, surety, or otherwise; and that he  
has offered himself as a surety in good faith and with the  
intention to execute the bond required by section 27 of  
chapter 8 of the Revised Ordinances of the City of New  
York, if the contract shall be awarded to the person or  
persons for whom he consents to become surety. The  
adequacy and sufficiency of the security offered to be ap-  
proved by the Comptroller of the City of New York.

The amount in which security will be required for the  
performance of the several contracts is as follows:

For No. 1. Above-mentioned mason and granite  
work..... \$7,000 00  
For No. 2. Above-mentioned iron-work..... 2,000 00

Bidders must satisfy themselves by personal examina-  
tion of the location of the proposed work, and the plans  
and drawings, and by such other means as they may  
prefer as to the nature and extent of this work, and shall  
not at any time after the submission of an estimate assert  
that there was any misunderstanding in regard to the  
nature, or amount of work to be done.

Bidders will be required to complete the entire work to  
the satisfaction of the Department of Public Parks, and in  
substantial accordance with the specifications for the work  
and the plans therein referred to. No extra compensation  
beyond the amount to be bid or specified by the lowest  
bidder, shall be due and payable for the entire work.

The Department of Public Parks reserves the right to  
reject any or all the bids received in response to this ad-  
vertisement, if it should deem it for the interest of the  
city so to do, and to readvertise until satisfactory bids or  
proposals shall be received.

But the contracts, when awarded, will be awarded to the  
lowest bidders.

Blank forms for proposals and forms of contract, which  
the successful bidders will be required to execute, can be  
had at the office of the Secretary, and the plans can be  
seen, and information relative to them can be had, at the

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept to contract within forty-eight (48) hours after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.
