JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE
COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, Sept. 15, 1881.

APPLICATIONS FOR EXEMPTIONS WILL BE
heard here, from 10 to 3 daily, from all persons
hitherto liable or recently serving who have become ex-
empt, and all needed information will be given.

Those who have not answered as to their liability, or
proved permanent exemption, will receive a "jury enroll-
ment notice," requiring them to appear before me this
year. Whether liable or not, such notices must be an-
swered (in person, if possible, and at this office only) under
severe penalties. If exempt, the party must bring proof
of exemption; if liable, he must also answer in person,
giving full and correct name, residence, etc., etc. No
attention paid to letters.

Persons "enrolled" as liable must serve when called
or pay their fines. No mere excuse will be allowed or
interference permitted. The fines if unpaid will be entered
as judgments upon the property of the delinquents.
All good citizens will aid the cause of justice, and
secure reliable and respectable juries, and equalize their
duty by serving promptly when summoned, allowing their
clerks or subordinates to serve, reporting to me any attempt
at bribery or evasion, and suggesting names for enrollment.
Persons between sixty and seventy years of age, summer
absentees, persons temporarily ill, and United States and
District Court jurors are not exempt.

Every man must attend to his own notice. It is a mis-
deemeanor to give any jury paper to another to answer.
It is also punishable by fine or imprisonment to give or
receive any present or bribe, directly or indirectly, in re-
lation to a jury service, or to withhold any paper or make
any false statement, and every case will be fully prose-
cuted.

fixtures belonging to the reservoir at Fifth avenue, For-
tieth and Forty-second streets, is postponed until Thurs-

the retaining wall, and flagging on top of the reservoir
and at the entrances.

Lot No. 3. Rubble and brick masonry in the reservoir
and retaining walls.

Lot No. 4. The greenhouse on the southerly side of the
reservoir, with contents and appurtenances and the plants,
vines, and shrubbery, surrounding the reservoir.

The materials and articles included in lots Nos. 1, 2,
and 3 will be deposited in the roadways of Fortieth and
Forty-second streets, within ten feet of the curb, by the
contractor for taking down the reservoir, and must be re-
moved by the purchasers as rapidly as they are deposited
by the contractor.

The greenhouse and other articles included in lot No.

after the sale, otherwise the purchaser shall forfeit the

The contract for taking down the reservoir will pro-
vide that there shall be as little injury to the materials
as practicable and consistent with the rapid removal of
the structure, and care will be taken to avoid such injury,
though no guarantee can be given as to the condition of
the materials when ready for removal.

The purchasers are required to deposit, at the time and
place of sale, in addition to the purchase money, the fol-
lowing sums in bankable funds as security for the pro-

On lot No. 2, the sum of one thousand dollars.
On lot No. 3, the sum of thirteen hundred dollars.

The purchase money and security deposit must be paid
in bankable funds at the time and place of sale, or the
articles will be resold.

Upon the completion of the removal of the materials by
the purchasers respectively, the sums deposited by them
as security for such removal shall be returned to them;
and in case of the failure of a purchaser to remove his
materials as required by the Department, so much of his
deposit as may not be needed by the Department to pay
the expense of such removal shall be returned to him
upon the completion of the removal.

The gates of the reservoir will be open from 8 A. M.
till 5 P. M., each day until the sale, for the accommodation
of persons desiring to examine the materials.

of presentation, to the head of said Department, at the
said office, on or before the day and hour above named,
at which time and place the bids or estimates received
will be publicly opened by the head of said Department
and read.

The Department of Public Charities and Correction re-
serves the right to decline any and all bids or estimates if
deemed to be for the public interest, and to accept any
bid or estimate as a whole, or for any one or more articles
included therein. No bid or estimate will be accepted
from, or a contract awarded to, any person who is in

is a defaulter, as surety or otherwise, upon any obligation
to the Corporation.

The award of the contract will be made as soon as prac-
ticable after the opening of the bids.

Delivery will be required to be made from time to time,

the said Department; but the entire quantity will be
required to be delivered on or before thirty (30) days
after the date of the contract.

Any bidder for this contract must be known to be en-
gaged in and well prepared for the business, and must

son or persons to whom the contract may be awarded will
be required to give security for the performance of the
contract by his or their bond, with two sufficient sureties,
in the penal amount of fifty (50) per cent. of the estimated
amount of the contract.

Each bid or estimate shall contain and state the name
and place of residence of each of the persons making the
same; the names of all persons interested with him or
them therein; and if no other person be so interested, it
shall distinctly state that fact; that it is made without any
connection with any other person making an estimate for the
same purpose, and is in all respects fair and without
collusion or fraud; and that no member of the Common
Council, Head of a Department, Chief of a Bureau, Deputy
thereof or Clerk therein, or other officer of the Corpora-
tion, is directly or indirectly interested therein, or in the
supplies or work to which it relates, or in any portion of
the profits thereof. The bid or estimate must be verified
by the oath, in writing, of the party or parties making the
estimate, that the several matters stated therein are in all
respects true. Where more than one person is interested,
it is requisite that the verification be made and subscribed
by all the parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders in the
City of New York, with their respective places of busi-
ness or residence, to the effect that if the contract be
awarded to the person making the estimate, they will, on
his or her being so awarded, become bound as his or her
faithful performance; and that if he shall omit or refuse to
execute the same, they shall pay to the Corporation any
difference between the sum to which he would be entitled
on its completion and that which the Corporation may be
obliged to pay to the person or persons to whom the con-
tract may be awarded at any subsequent letting; and the
amount in each case to be calculated upon the estimated
amount of the work by which the bids are tested. The
consent above mentioned shall be accompanied by the
oath or affirmation, in writing, of each of the persons sign-
ing the same that he is a householder or freeholder in the
City of New York, and is worth the amount of the security
required for the completion of this contract, over and
above all his debts of every nature, and over and above
his liabilities, as bail, surety, or otherwise; and that he
has offered himself as a surety in good faith and with the
intention to execute the bond required by section 27 of
chapter 8 of the Revised Ordinances of the City of New
York, if the contract shall be awarded to the person or
persons for whom he consents to become surety. The
adequacy and sufficiency of the security offered to be ap-
proved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accom-
panied by either a certified check upon one of the national
banks of the City of New York, drawn to the order of the
Comptroller, or money, to the amount of five per centum
of the amount of the security required for the faithful per-
formance of the contract. Such check or money must
not be inclosed in the sealed envelope containing the esti-
mate, but must be handed to the officer or clerk of the
Department who has charge of the Estimate-box, and no
estimate can be deposited in said box until such check or
money has been examined by said officer or clerk and
found to be correct. All such deposits, except that of
the successful bidder, will be returned to the persons
making the same within three days after the contract is
awarded. If the successful bidder shall refuse or neglect,
within five days after notice that the contract has been
awarded to him, to execute the same, the amount of the
deposit made by him shall be forfeited and retained by
the City of New York as liquidated damages for such
neglect or refusal; but, if he shall execute the contract
within the time aforesaid, the amount of his deposit will
be returned to him.

Should the person or persons to whom the contract may
be awarded neglect or refuse to accept the contract within
five days after written notice that the same has been
awarded to his or their bid or proposal, or if he or they
accept but do not execute the contract and give the
proper security, he or they shall be considered as hav-
ing abandoned it and as in default to the Corporation, and
the contract will be readvertised and relet as provided by
law.

The quality of the articles, supplies, goods, wares, and
merchandise must conform in every respect to the samples
of the same respectively at the office of the said Depart-
ment. Bidders are cautioned to examine the specifica-
tions for particulars of the articles, etc., required, before
making their estimates.

Bidders will state the price for each article, by which
the bids will be tested.

Bidders will write out the amount of their estimate, in
addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from
time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the speci-
fications will be allowed, unless under the written instruc-
tion of the Commissioners of Public Charities and Correc-
tion.

The Department of Public Charities and Correction
reserves the right to decline any and all bids or esti-
mates if deemed to be for the public interest, and to accept
any bid or estimate as a whole, or for any one or more
articles included therein. No bid or estimate will be ac-
cepted from, or a contract awarded to, any person who is
in arrears to the Corporation upon debt or contract, or
who is a defaulter, as surety or otherwise, upon any
obligation to the Corporation.

The form of the agreement, including specifications, and
showing the manner of payment, can be obtained at
the office of the Department.

N. B.—As the above-mentioned quantities, though

estimates upon the following express conditions, which
shall apply to and become part of every estimate received:
1st. Bidders must satisfy themselves, by personal ex-
amination of the location of the proposed work, and by
such other means as they may prefer, as to the accuracy
of the foregoing Engineer's estimate, and shall not, at any
time after the submission of an estimate, dispute or
complain of the above statement of quantities, nor assert
that there was any misunderstanding in regard to the
nature or amount of the work to be done.

2d. Bidders will be required to complete the entire
work to the satisfaction of the Department of Docks, and
in substantial accordance with the specifications of the
contract and the plans therein referred to. No extra
compensation, beyond the amount payable for both classes
of work before mentioned, which shall be actually per-
formed, at the prices therefor to be specified by the lowest
bidder, shall be due or payable for the entire work.

The work, on or about 100 feet of the shore end of
the new pier, is to be commenced within five days after
the date of a notification to be given by the Board of
Docks, that the dredging for the site of the outer portion
of the new pier has been completed; and the whole of the
work (except about 100 feet of the shore end of the pier,
which will not be constructed until the bulkhead wall in
the rear is built), is to be fully completed on or before the
1st day of April, 1882, or within as many days thereafter
as the site of the new pier may have been occupied,
after the day of the execution of the contract, by the De-
partment of Docks for the purpose of dredging for the
said outer portion of the new pier. And the said about
100 feet is to be completed within thirty days after notice
shall be given by said Department of Docks that work
on the said about 100 feet may be begun; and the dam-
ages to be paid by the contractor for each day that the
work or any part thereof may be uncompleted after the
time fixed for the completing thereof has expired, Sun-
days and holidays not to be excepted, are, by a clause in
the contract, fixed and liquidated at Fifty Dollars per day.

Bidders will state in their estimates a price for the
whole of the work to be done, in conformity with the
approved form of contract and the specifications therein
set forth; by which price the bids will be tested. This
price is to cover all expenses of every kind involved in or
incident to the fulfillment of the contract, including any
claim that may arise through delay from any cause, in
the performing of the work thereunder.

Bidders will distinctly write out, both in words and in
figures, the amount of their estimates for doing this work.
The person or persons to whom the contract may be
awarded will be required to attend at this office with the
sureties offered by him or them, and execute the contract
within five days from the date of the service of a notice to
that effect; and in case of failure or neglect so to do, he or
they will be considered as having abandoned it, and as
in default to the Corporation; and the contract will be re-
advertised and relet, and so on until it is accepted and
executed.

Bidders are required to state in their proposals their
names and places of residence; the names of all persons
interested with them therein; and if no other person be so
interested, the estimate shall distinctly state the fact; also
that the estimate is made without any connection with any
other person making an estimate for the same work, and
that it is in all respects fair, and without collusion or fraud;
and also that no member of the Common Council, Head
of a Department, Chief of a Bureau, Deputy thereof, or
Clerk therein, or other officer of the Corporation, is
directly or indirectly interested therein, or in the supplies
or work to which it relates, or in any portion of the profits
thereof; which estimate must be verified by the oath, in
writing, of the party making the estimate, that the several
matters stated therein are in all respects true. Where
more than one person is interested, it is requisite that the
verification be made and subscribed by all the parties
interested.

Each estimate shall be accompanied by the consent,
in writing, of two householders or freeholders of the
City of New York, with their respective places of busi-
ness or residence, to the effect that if the contract be
awarded to the person or persons making the estimate,
they will, on his or her being so awarded, become bound as
his or her faithful performance; and that if he shall omit or
refuse to execute the same, they shall pay to the Corporation
any difference between the sum to which he would be entitled
on its completion and that which the Corporation may be
obliged to pay to the person or persons to whom the con-
tract may be awarded at any subsequent letting; and the
amount in each case to be calculated upon the estimated
amount of the work to which the bids are tested. The con-
sent above mentioned shall be accompanied by the
oath or affirmation, in writing, of each of the persons sign-
ing the same that he is a householder or freeholder in the
City of New York, and is worth the amount of the security
required for the completion of this contract, over and above
all his debts of every nature, and over and above his liabil-
ities, as bail, surety, or otherwise; and that he has offered
himself as a surety in good faith, and with the intention
to execute the bond required by law. The adequacy and
sufficiency of the security offered is to be approved by the
Comptroller of the City of New York, after the award is
made and prior to the signing of the contract.

No estimate will be received or considered unless ac-
companied by either a certified check upon one of the
National Banks of the City of New York, drawn to the order
of the Comptroller, or money, to the amount of five per
centum of the amount of security required for the faithful
performance of the contract. Such check
or money must not be inclosed in the sealed envel-
ope containing the estimate, but must be handed to the
officer or clerk of the Department who has charge of the
estimate-box, and no estimate can be deposited in
said box until such check or money has been exam-
ined by said officer or clerk, and found to be correct.
All such deposits, except that of the successful bidder,
will be returned to the persons making the same within three
days after the contract is awarded. If the successful bidder
shall refuse or neglect, within five days after notice that the
contract has been awarded to him, to execute the same, the
amount of the deposit made by him shall be forfeited and
retained by the City of New York as liquidated damages for
such neglect or refusal; but if he shall execute the contract
within the time aforesaid, the amount of his deposit will
be returned to him by the Comptroller.

Bidders are informed that no deviation from the speci-
fications will be allowed, unless under the written instruc-
tions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded
to, any person who is in arrears to the Corporation, upon
debt or contract, or who is a defaulter, as surety or other-
wise, upon any obligation to the Corporation.

The right to decline all the estimates is reserved, if
deemed for the interest of the Corporation.

Bidders are requested, in making their bids or esti-
mates, to use the blank prepared for that purpose by the
Department, a copy of which, together with the form of
the agreement, including specifications, and showing the
manner of payment for the work, can be obtained upon
application therefor at the office of the Department.

NOTICE TO TAXPAYERS.

RELATING TO THE PAYMENT OF UNPAID TAXES, ASSESSMENTS, AND CROTON WATER RENTS.

THE COMPTROLLER OF THE CITY OF NEW YORK hereby gives notice to owners of real and personal estate in this city, that all unpaid taxes, assessments, and Croton water rents may now be paid with interest thereon at the rate of seven per cent. per annum, as provided by chapter 33 of the Laws of 1881, which is as follows:

CHAPTER 33.
AN ACT relative to the collection of taxes and assessments, and of arrears of taxes and assessments, and Croton water rents, in the City of New York.
(Passed March 16, 1881; three-fifths being present.)
The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. If any taxes of any year shall remain unpaid on the first day of November, after the assessment-rolls and the warrants to collect such taxes have been delivered to the Receiver of Taxes in the City of New York, it shall be the duty of said Receiver to give public notice, by advertisement for at least ten days in two of the daily newspapers, and in the CITY RECORD, printed and published in said city, respectively, that unless the same shall be paid to him at his office on or before the first day of December, in any such year, he will immediately thereafter proceed to collect such unpaid taxes, as provided in the following section of this act:

Section 2. If any such tax shall remain unpaid on the said first day of December, it shall be the duty of the said Receiver of Taxes in said city to charge, receive, and collect upon such tax so remaining unpaid on that day, in addition to the amount of such tax, one per centum per annum thereof; and to charge, receive, and collect upon such tax so remaining unpaid on the first day of January thereafter, interest upon the amount thereof at the rate of seven per centum per annum, to be calculated from the day on which said assessment-rolls and warrants shall have been delivered to the said Receiver of Taxes to the date of payment.

The same rate of interest shall be so charged and collected upon any tax levied in the year eighteen hundred and eighty, remaining unpaid at the date of the passage of this act.

Section 3. All existing provisions of law which impose a charge and require the collection of interest at the rate of twelve per centum per annum upon arrears of taxes on real and personal estate within the City of New York, upon arrears of assessments for local improvements and street openings in said city, and upon arrears of Croton water rents in said city, are hereby repealed; and in lieu of such charge of interest at the rate of twelve per centum per annum, there shall be charged and collected by the officer authorized to collect and receive any such arrears of taxes and assessments and Croton water rents, interest upon the amount thereof at the rate of seven per centum per annum, to be calculated for the same period as interest at the rate of twelve per centum per annum is now required by law to be calculated thereon. This provision shall apply to taxes, assessments, or Croton water rents remaining unpaid and due, for the non-payment of which the lands and tenements liable therefor shall be hereafter sold at public auction as now provided by law; provided, however, that nothing in this act shall be construed to affect the rights of purchasers at sales for taxes, assessments, or Croton water rents, heretofore made, or to authorize the redemption of lands and tenements from sales heretofore made for any lesser sums than the sums collectible for such redemption under the provisions of existing laws.

Section 4. It shall be the duty of the Comptroller of the City of New York to give public notice, by advertisement,

for at least ten days, in the CITY RECORD, printed and published in said city, immediately after the confirmation of any assessment for a local improvement or street opening in said city, that the same has been confirmed specifying the title of such assessment and the date of its confirmation by the Board of Revision and Correction of Assessments in proceedings for local improvements, and by the Supreme Court in proceedings for street openings, and also the date of entry in the record of titles of assessments kept in the Bureau for the Collection of Assessments, and of Arrears of Taxes and Assessments, and of Croton water rents, notifying all persons, owners of property affected by any such assessment, that, unless the amount assessed for benefit on any person or property shall be paid within sixty days after the date of said entry of any such assessment, interest shall thereafter be collected thereon as provided in the following section of this act, and all provisions of law or ordinance requiring any other or different notice of assessments and interest thereon are hereby repealed.

Section 5. If any such assessment shall remain unpaid for the period of sixty days after the date of entry thereof in the said record of titles of assessments, it shall be the duty of the officer authorized to collect and receive the amount of such assessment, to charge, collect, and receive legal interest thereon, at the rate of seven per centum per annum, to be calculated from the date of such entry to the date of payment.

Section 6. This act shall take effect immediately.
