Passed April 2, 1883; three-fifths being present.

Section 1. The comptroller of the city of New York is hereby authorized and directed to pay to the Chatham National Bank of said city a sum of money equal to the sums paid by said bank to the mayor, aldermen, and commonalty of the city of New York, as and for taxes upon the value of its shares of stock, from and including the year one thousand eight hundred and seventy-one to and including the year one thousand eight hundred and seventy-nine, in excess of the amounts which said city was lawfully entitled to receive, which excessive payments arose from the failure of said mayor, aldermen, and commonalty to make the deduction from said taxes which should have been made pursuant to law because of the investment of certain of the capital of said bank in real estate.

Sec. 2. For the purpose of ascertaining the amount to be paid to said bank, the commissioners of taxes and assessments in said city shall, within twenty days after the passage of this act, cause a valuation of the building known as number one hundred and ninety-six Broadway, in said city, in which during said period a portion of the capital of said bank was invested, to be made, fixing the value of said building, separately from said lot, as it was in each year during said period. Upon fixing the value of said buildings* as aforesaid, said commissioners shall, within the time above limited, make and file in the office of said comptroller a certificate, in writing, stating the total amount of the tax which, according to the rates of taxation established in each year, from the year one thousand eight hundred and seventy-one to the year one thousand eight hundred and seventy-nine, both inclusive, should have been levied and imposed upon said building, separately from said lot, and the amount so stated by said commissioners shall be the amount to be paid to said bank, as hereinbefore provided.

Sec. 3. The comptroller of the city of New York is hereby authorized and directed to raise such sums of money as may be necessary to make all payments herein provided for, by the issue of revenue bonds in anticipation of the taxes of the year one thousand eight hundred and eighty-four, and said moneys so to be raised shall be applied to the making of the payment directed by this act. Such bonds shall bear interest at a rate not exceeding six per centum per annum.

Sec. 4. The board of estimate and apportionment of the city of New York is hereby authorized, directed, and required to cause to be included in the taxes to be so levied and raised in the city of New York for the year one thousand eight hundred and eighty-four, upon the property subject to taxation in the city and county of New York, an amount sufficient to pay the revenue bonds herein directed to be issued, with all interest due or to become due thereon.

Sec. 5. This act shall take effect immediately.

upon the following express conditions, which shall apply
to and become part of every estimate received.

1. Bidders must satisfy themselves by personal exami-

other means as they may prefer, as to the accuracy of the
foregoing statement, and shall not at any time after the
submission of an estimate dispute or complain of such
statement nor assert that there was any misunderstanding
in regard to the depth of the excavation to be made or

person is interested, it is requisite that the verification be
made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the con-

its being so awarded, become bound as his or their sure-
ties for its faithful performance; and that if said person or
persons shall omit or refuse to execute the contract, they
will pay to the Corporation of the City of New York any

HEALTH DEPARTMENT.

HEALTH DEPARTMENT—OFFICE OF THE SECRETARY
No. 301 MOTT STREET,
NEW YORK, April 18, 1883.

PROPOSALS FOR THE ERECTION OF
A BOILER HOUSE ON NORTH
BROTHERS' ISLAND, CITY AND
COUNTY OF NEW YORK.

PROPOSALS, SEALED AND INDORSED AS
herein required, will be received by the Commis-
sioners of the Health Department, at their office, No. 301
Mott street, until 2:30 o'clock P. M. of the 1st day of May,
1883, at which time they will be publicly opened and
read by said Commissioners for the erection of a Boiler
House on North Brothers' Island, City and County of
New York.

The proposals must be addressed to the Board of Health
of the Health Department of the City of New York, be
indorsed "Proposals for the erection of a Boiler-house
on North Brothers' Island, City and County of New
York," and must contain the name and address of the
party making the same.

Any bidder for this contract must be known to be en-
gaged in and well prepared for the business, and must
have satisfactory testimonials to that effect; and the per-
son or persons to whom the contract may be awarded
will be required to give security for the performance of
the contract by his or their bond, with two sufficient
sureties, in the penal amount of fifty (50) per cent. of
the estimated amount of the contract.

Bidders are required to submit their estimates upon
the following express conditions, which shall apply to and
become part of every estimate received:

1st. Bidders must satisfy themselves by personal ex-
amination of the location of the proposed work, and by
such other means as they may prefer, as to the accuracy
of the estimate, and shall not, at any time after the sub-
mission of an estimate, dispute or complain of the state-
ment of quantities, nor assert that there was any misun-
derstanding in regard to the nature or amount of the work
to be done.

2d. Bidders will be required to complete the entire
work to the satisfaction of the Health Department, and in
substantial accordance with the specifications of the con-
tract and the plans therein referred to. No extra com-
pensation beyond the amount payable for both classes
of work before mentioned, which shall be actually per-
formed, at the prices therefor to be specified by the low-
est bidder, shall be due or payable for the entire work.

Bidders will state in their estimates a price for the
whole of the work to be done, in conformity with the
approved form of contract and the specifications therein
set forth, by which price the bids will be tested. This
price is to cover all expenses of every kind involved in or
incident to the fulfillment of the contract, including any
claim that may arise through delay, from any cause, in
the performing of the work thereunder.

Bidders will distinctly write out, both in words and
in figures, the amount of their estimates for doing this
work.

The person or persons to whom the contract may be
awarded will be required to attend at this office with the
sureties offered by him or them, and execute the contract
within five days from the date of the service of a notice
to that effect; and in case of failure or neglect so to do,
he or they will be considered as having abandoned it, and
as in default to the Corporation, and the contract will be
re-advertised and relet, and so on until it be accepted and
executed.

Bidders are required to state in their proposals their
names and places of residence, the names of all persons
interested with them therein; and if no other person be so
interested, the estimate shall distinctly state the fact; also
that the estimate is made without any connection with any
other person making an estimate for the same work, and
that it is in all respects fair, and without collusion or
fraud; and also that no member of the Common Council,
head of a department, chief of a bureau, deputy thereof,
or clerk therein, or other officer of the Corporation, is
directly or indirectly interested therein, or in the supplies
or work to which it relates, or in any portion of the profits
thereof; which estimate must be verified by the oath, in
writing, of the party making the estimate, that the several
matters stated therein are in all respects true. Where
more than one person is interested, it is requisite that
the verification be made and subscribed by all the parties
interested.

Each estimate shall be accompanied by the consent, in
writing, of two householders or freeholders in the City of
New York, with their respective places of business or
residence, to the effect that if the contract be awarded to
the person or persons making the estimate, they will, on
its being so awarded, become bound as his or their sure-
ties for its faithful performance; and that if said person or
persons shall omit or refuse to execute the contract, they
will pay to the Corporation of the City of New York any
difference between the sum to which said person or per-
sons would be entitled on its completion, and that which
said Corporation or the Health Department may be
obliged to pay to the person to whom the contract may
be awarded at any subsequent letting; the amount in
each case to be calculated upon the estimated amount of

the work to be done by which the bids are tested; the
consent above mentioned shall be accompanied by the
oath or affirmation, in writing, of each of the persons
signing the same, that he is a householder or freeholder
in the City of New York, and is worth the amount of the
security required for the completion of the contract, over
and above all his debts of every nature, and over and
above his liabilities as bail, surety and otherwise; and
that he has offered himself as surety in good faith, and
with the intention to execute the bond required by law.
The adequacy and sufficiency of the security offered is to
be approved by the Comptroller of the City of New
York, after the award is made and prior to the signing of
the contract.

No estimate will be received or considered unless
accompanied by either a certified check upon one of the
National Banks of the City of New York, drawn to the
order of the Comptroller, or money to the amount of five
per centum of the amount of security required for the
faithful performance of the contract. Such check or
money must not be inclosed in the sealed envelope con-
taining the estimate, but must be handed to the officer or
clerk of the Department who has charge of the Estimate
Box, and no estimate can be deposited in said box until
such check or money has been examined by said officer
or clerk, and found to be correct. All such deposits,
except that of the successful bidder, will be returned by
the Comptroller to the persons making the same, within
three days after the contract is awarded. If the success-
ful bidder shall refuse or neglect within five days after
notice that the contract has been awarded to him to ex-
ecute the same, the amount of the deposit made by him
shall be forfeited to and retained by the City of New
York as liquidated damages for such neglect or refusal;
but, if he shall execute the contract within the time afore-
said, the amount of his deposit will be returned to him
by the Comptroller.

No estimate will be accepted from, or contract awarded
to, any person who is in arrears to the Corporation upon
debt or contract, or who is a defaulter, as surety or other-
wise, upon any obligation to the Corporation.

Bidders are requested, in making their bids or estimates,
to use the blank prepared for that purpose by the Depart-
ment, a copy of which, together with the form of the
agreement, including specifications, and showing the
manner of payment for the work, can be obtained upon
application therefor at the office of the Department.

The Department reserves the right to reject any or all
proposals not deemed beneficial to or for the public interest.

JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, Sept. 15, 1881.

APPLICATIONS FOR EXEMPTIONS WILL BE heard here, from 10 to 3 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.

Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.

Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines if unpaid will be entered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment. Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

GEORGE CAULFIELD,
Commissioner of Jurors,
Room 17, New County Court-house.

TO CONTRACTORS.

PROPOSALS FOR ESTIMATES.

ESTIMATES FOR THE FOLLOWING-NAMED FOR THE PLUMBING WORK AND MATERIALS FOR PAVILION AT ALMSHOUSE NOW IN COURSE OF ERECTION ON BLACKWELL'S ISLAND.

will be received by the Board of Commissioners at the head of the Department of Public Charities and Correction, at the office of said Department, No. 66 Third Avenue, in the City of New York, until 9.30 o'clock A.M., of Friday, May 4, 1883, at which place and time the bids will be publicly opened by the head of said Department and read. The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall furnish the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The amount of security required is Thirteen Hundred (\$1,300) dollars.

For information as to the amount and kind of work to be done, bidders are referred to the specifications, which are annexed to and form part of these proposals, and the plans, which can be seen at the office of said Department.

The work to be completed within 40 working days from the date of the commencement thereof.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified in the contract for the completion thereof shall have expired, are, by a clause in the contract, fixed and liquidated at twenty dollars per day.

Should the person or persons to whom the contract is awarded neglect or refuse to accept the contract for five days after written notice that the same has been awarded to him or their bid or estimate, or if, after acceptance, he or they should refuse or neglect to execute the contract and give proper security, for five days after notice that the contract is ready for execution, he or they will be considered as having abandoned it and the contract will be re-advertised and relet, and so on, until it be accepted and executed.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the

Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent in writing of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York, after the award is made, and prior to the signing of the contract.

Bidders will state the price for doing either of the works, by which the bids will be tested, and the amount of the work by which the bids are tested, in addition to inserting the same in figures.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimates, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Payment will be made by a requisition on the Comptroller, issued in the manner specified in the contract.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications, and showing the manner of payment for the work, will be furnished at the office of the Department.

TERMS AND CONDITIONS OF THE SALE.

The Department will make, either prior to the commencement of the term of lease, in each case, or as soon thereafter as practicable, such repairs to any of the above-named premises, in the judgment of the Commissioners, needing them, as they may consider necessary to place the premises in suitable condition for service during the terms for which leases are to be sold, except that no repairs will be made to any of the above-named premises where it shall be announced by the auctioneer, at the time of the sale, that they will not be repaired by the Department; but all the premises must be taken in the condition in which they may be on the date of commencement of said terms, respectively; and no claim that the property is not in suitable condition at the commencement of the lease, will be allowed by the Department; and all repairs and rebuilding required and necessary to any of the premises during its term of lease are to be done at the expense and cost of the lessee.

Purchasers will be allowed three months, from date of commencement of their leases, in which to notify the Department that dredging is required at the premises leased; and the Commissioners guarantee to do all possible dredging, as soon after being notified of the necessity thereof, as the work of the Department will permit, (except that no dredging will be done at any of the above-named premises where it shall be announced by the auctioneer, at the time of the sale, that they will not be dredged by the Department); but in no case will the Department dredge where a depth of ten feet at mean low water already exists, nor after that depth shall have been obtained by dredging. All dredging required at any of the above-named premises, of which the purchaser of the lease therefor shall neglect or omit to notify the Department during the first three months of the term of the lease, and all dredging necessary during the remainder of such term, is to be done at the expense and cost of the lessee.

No claim will be received or considered by the Department for loss of wharfage or otherwise, consequent upon any delay in doing the work of repairing or dredging, or consequent upon the premises being occupied for repairing or dredging purposes.

The upset price for each of the above-named premises will be fixed by the Department of Docks, and announced by the auctioneer at the time of the sale.

Each purchaser of a lease will be required, at the time of the sale, and in addition to the auctioneer's fees, to pay to the Department of Docks twenty-five per cent. of the amount of annual rent bid, as security for the execution of the lease, and which twenty-five per cent. will be applied to the payment of the rent first accruing under the lease, when executed, or will be forfeited, if the purchaser neglects or refuses to execute the lease and bond within five days after being duly notified that the lease is prepared and ready for signature. The Commissioners reserve the right to resell the leases bid off by those failing to comply with these terms; the party so failing to be liable to the Corporation for any deficiency which may result from such resale.

Lessees will be required to pay their rent quarterly, in advance, in compliance with a stipulation therefor in the form of lease adopted by the Department.

Two sureties, each a freeholder and householder in the City of New York, and to be approved by the Commissioners of Docks, will be required, under each lease, to enter into a bond, jointly with the lessee, in the sum of an amount double the annual rent, for the faithful performance of all the covenants of the lease; and each purchaser will be required to submit, at the time of the sale, the name and address of his proposed sureties.

Each purchaser will be required to agree that he will, upon being notified so to do, execute a lease prepared upon the printed form adopted by the Department, which can be seen upon application to the Secretary, at the office, 117 Duane street.

No person will be received as lessee or surety who is delinquent on any former lease from the Corporation; and no bid will be accepted from any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

WILLIAM LAIMBEER,
JACOB VANDERPOEL,
JOHN R. VOORHIS,
Commissioners of Docks.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy chief, or clerk therein, or other officer of the Corporation is directly or indirectly interested in the estimate or in the work to which it relates, or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-book, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired can be obtained at the office of the Water Purveyor, Room 1, No. 31 Chambers street.
