HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York ("PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at <http://www.nyc.gov/html/hhsaccelerator/html/roadmap/roadmap.shtml>. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)
 Department for the Aging (DFTA)
 Department of Consumer Affairs (DCA)
 Department of Corrections (DOC)
 Department of Health and Mental Hygiene (DOHMH)

 Department of Probation (DOP)
 Department of Small Business Services (SBS)
 Department of Youth and Community Development (DYCD)

Statement of Basis and Purpose of Proposed Rule

DEP is proposing new rules, to be found at Title 15 of the Rules of the City of New York (“RCNY”) Chapter 43, to establish penalties for violations of Title 24, Chapter 1 of the New York City Administrative Code, also known as the Air Pollution Control Code (“Air Code”), as amended by Local Law 38 of 2015 (“LL 38”). The proposed rules are authorized by Section 1043 of the Charter of the City of New York and sections 24-105 and 24-178 of the Administrative Code.

LL 38, which takes effect on May 6, 2016, amends Title 24 of the Administrative Code by adding a new Table of Civil Penalties, replacing the existing table, which is found in Section 24-178(b)(5) (i), and simplifies the existing table by establishing four categories of violations, with minimum penalties of \$200, \$400, \$800 and \$1600, respectively. The existing table has a wider range of penalties and requires frequent references to accompanying schedules that have been eliminated from the new table.

The existing Air Code Penalty Schedule is incorporated into the rules of the Office of Administrative Trials and Hearings/Environmental Control Board (“OATH/ECB”) published at 48 RCNY 3-102. Because the penalties in the existing Air Code Penalty Schedule do not, in many cases, fall within the range of penalties established by LL 38, a new Air Code Penalty Schedule is being proposed. The new penalty schedule

would take effect on May 6, 2016, the same date as LL 38 becomes effective. It would apply as provided by proposed rules of OATH/ECB, which would also repeal the existing penalty schedule, effective the same day.

New text is underlined.

The text of the proposed rule follows:

Section 1. Title 15 of the Rules of the City of New York is amended by adding a new Chapter 43 to read as follows:

Chapter 43. Air Code Penalty Schedule

§43-01 General

1. Unless otherwise indicated, all citations are to the New York City Administrative Code.
2. Sections marked with an asterisk (*) indicate that the conduct or activity is subject to an aggravated penalty for excess profit, equal to twice the amount of money saved by respondent as a result of its failure to comply. When an aggravated penalty is sought, it will be indicated on the face of the summons and no stipulation will be offered. The respondent will be required to appear.
3. “Stipulation” is abbreviated as “Stip.”
4. “N/A” means not applicable.
5. Except in connection with violations of Section 24-163, a second offense means a violation of any section of the Air Code by the same respondent within two years of the prior violation, at the same premises (if premises-related), and involving the same equipment. In connection with violations of Section 24-163, a second or third or subsequent offense is a violation by the same respondent within two years of the prior violation(s) and involving the same equipment, where the prior violation(s) was for a violation of Section 24-163.
6. “(Mitigation: 0¹)” A zero penalty may be imposed for a first offense following a respondent’s timely submission to DEP (within 45 days of the return date indicated on the Notice of Violation) of acceptable certification of compliance and admission of liability.

§43-02 Air Code Penalty Schedule

When a respondent is found in violation of any of the following provisions of the New York City Administrative Code, Rules of the City of New York, or New York Codes, Rules and Regulations, any civil penalties recommended by a Hearing Officer under 48 RCNY §3-57(a) and/or any default penalties imposed under 48 RCNY §3-81(a) in accordance with §1049-a(d)(1)(d) of the Charter, and/or any civil penalties imposed for admissions of violation(s) under 48 RCNY §3-32 or late admissions under 48 RCNY §3-81(b), will be imposed in accordance with the following penalty schedule:
