

2023-12-21

To: Health and Mental Hygiene, Department of (DOHMH)

From: Municipal Library Staff

The New York City Charter, Chapter 49, Section 1133, requires that agencies submit to the Department of Records and Information Services (DORIS) all reports, documents, studies and publications required by local law, executive order, or mayoral directive to be published, issued, or transmitted to the City Council or Mayor, within 10 business days of their publication. For any report that is not received within 10 business days of the publication date, DORIS is required to email the agency to request the report, and to provide the text of that email in place of the report in the Government Publications Portal.

Consistent with these requirements, DORIS hereby requests the transmission of the report shown below, which DORIS has not received as of 2023-12-21. Please submit this report to the Government Publications Portal. If you have questions, please contact staff at the Municipal Library at munilib@records.nyc.gov.

Required Report Type: Report on Study of Diabetes-related Health Problems in the Previous 6 Months

Report Description: Report including 1. The number of diabetes-related lower-extremity (including foot and toe) amputations, the rate of such amputations per 100,000 adults, and the rate of such amputations per 1,000 adults with diabetes; 2. The prevalence of depression among adults with diabetes; 3. The number of new and cumulative cases of treated diabetes-related end stage renal disease and the rate per 1,000 adults with diabetes; 4. Data on A1C test results, including adults with diabetes with A1Cs of 9 or more from the New York city A1C registry; and 5. The number of adults with diabetes and the proportion of such number to the general population.

Reporting Frequency: Every 6 Months

Report Due Date: 2023-12-01
