HHS ACCELERATOR PREQUALIFICATION

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York (“PPB Rules”), vendors must first complete and submit an electronic HHS Accelerator Prequalification Application using the City’s PASSPort system. The PASSPort system is a web-based system maintained by the City of New York for use by its Mayoral Agencies to manage procurement. Important business information collected in the Prequalification Application is required every three years. Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.

Prequalification applications will be reviewed to validate compliance with corporate filings and organizational capacity. Approved organizations will be eligible to compete and would submit electronic proposals through the PASSPort system. The PASSPort Public Portal, which lists all RFPs, including HHS RFPs that require HHS Accelerator Prequalification, may be viewed, at https://passport.cityofnewyork.us/page.aspx/en/rfp/request_browse_public

All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding. For additional information about HHS Accelerator Prequalification and PASSPort, including background materials, user guides and video tutorials, please visit <https://www.nyc.gov/site/mocs/hhsa/hhs-accelerator-guides.page>

The subject line of your Bid Submission Email must include the solicitation number and the name of the submitting vendor (e.g., B5762 – Enter Company Name). Please attach the completed Request for Bids and the Bid Blank documents to the Bid Submission Email as separate files. Please name the bid blank attachment "Bid Blank" and the completed Request for Bids attachment "RFB."

If the files accompanying your bid submission are too large to be transmitted as email attachments, please include in the first line of your Bid Submission Email a link to a Microsoft OneDrive folder containing all of your bid-related documents. Please note that if you are using OneDrive, do not attach any documents to the Bid Submission Email. Further, please include a separate folder within your OneDrive folder which includes the separate bid blank file. Please name this folder and the bid blank file "Bid Blank." The name of your OneDrive folder must match the subject line of your bid submission, and your OneDrive folder must not contain any files unrelated to the Bid Submission.

Guidance for first-time Microsoft One-Drive Users:

Microsoft OneDrive ("OneDrive") is a file hosting and synchronization service operated by Microsoft as part of its web version of Microsoft Office. OneDrive allows users to grant access to files which are too large to transmit via electronic mail to other users. If you do not have Office 365, please take the following steps to gain access to a free version of OneDrive so that you can upload those bid submission documents which are too large to transmit via electronic mail:

- 1. Conduct an internet search for "Microsoft OneDrive;" 2. Navigate to the official Microsoft website and sign up for a free account; 3. Once you have created a folder for the solicitation whose name matches the subject line of your Bid Submission Email, upload the documents relevant to your bid submission in this folder. 4. Create a share link for this folder; 5. Be sure to check your share settings so that anyone receiving the link that you create will be able to open the link and access the files. If your share link permissions are restricted (e.g. to only your organization in Office 365), the DOE will not be able to view your solicitation documents. It is your responsibility to ensure that the link(s) you provide allows the DOE to view, download and/or open your documents; and 6. Include the link which you have created as the first line of your Bid Submission Email.

For hard copy (paper) bid submissions, please follow the below instructions:

Further to prior instructions regarding submissions of bids. In addition to electronic submission via email, Bidders may choose to hand deliver their bid packages to NYC DOE at any time prior to the Bid Due Date/Time. NON PROFIT PERFORMANCE EVALUATIONS METRICS - M/WBE Noncompetitive Small Purchase - PIN# 26024W0035001 - AMT: \$193,000.00 - TO: Bennett Midland LLC, 245 West 29th Street, Floor 12A, New York, NY 10001-6208.

The City of New York administers billions of dollars in health and human services contracts yet lacks a cohesive method to gauge the impact of this investment. Performance measurement and reporting practices vary across agencies, often focusing on service-level metrics rather than outcomes. Nonprofit organizations frequently express frustration with complex reporting requirements. To address these challenges, the Deputy Mayor for Strategic Initiatives and the Mayor's Office for Nonprofit Services (MONS) seek proposals to develop a consistent performance measurement approach and reporting structure. The selected vendor will collaborate closely with the Deputy Mayor's office, MONS, and relevant agency staff. The vendor will engage in research activities including interviews with agency staff, City stakeholders, and nonprofit sector representatives. Findings will be synthesized and shared with a working group of agency staff for feedback. Subsequently, the vendor will facilitate working sessions to align performance measures with outcomes and design a standardized reporting tool.

Community Development Block Grant Program

Final Notice and Public Explanation of a Proposed Activity in a Federal Flood Risk Management Standard (FFRMS) Designated Floodplain

To: All Interested Agencies, Groups and Individuals

This is to give notice that the City of New York's Mayor's Office of Management and Budget (OMB) has conducted an evaluation as required by Executive Order 11988, in accordance with HUD regulations at 24 CFR 55.20 Subpart C Procedures for Making Determinations on Floodplain Management and Wetlands Protection. The activity is funded under the NYC Department of Housing Preservation and Development's (HPD) Demolition Program and under U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant (CDBG) grant #B-24-MC-0104.

The proposed project is located at 706 Ocean View Avenue, Brooklyn (Kings County), New York (Block 8677, Lot 5). The extent of the FFRMS floodplain was determined using a Climate Informed Science Approach (CISA).

The subject property is a 1,178-square-foot, multiple-dwelling, detached building with wood framing and masonry walls. This is a residential structure that includes two stories and a cellar. The building is vacant, open, and unguarded; the brick walls are heavily deteriorated with bulging and cracking indicating stress failure at those locations. At least two walls are structurally compromised, and their potential collapse poses a danger to the public adjacent property. The Supreme Court of the State of New York has found sufficient reason to order the building's demolition, which would include the removal of asbestos-containing materials (if applicable), demolition of the structure, removal of the foundation, grading the property, replacing the sidewalk, and the safe disposal of all debris in accordance with all NYC Department of Buildings rules and regulations.

The building sits on a 2,400-square-foot lot (approximately .06 acres), two structures in from the western corner of Brighton 7th Street and Ocean View Avenue. The surrounding community of Brighton Beach is a developed, mixed-use area situated in both a 100-year floodplain and a 500-year floodplain bounded approximately by Brighton Beach Avenue on the south, the Belt Parkway on the north, Ocean Parkway on the west, and the Sheepshead Bay on the east.

OMB has considered the following alternatives and mitigation measures to minimize adverse impacts and to restore and preserve natural and beneficial values: taking no action, fencing the property, sealing/stabilizing the building, erecting sidewalk sheds, and rehabilitating the property. The City does not have the legal authority to rehabilitate the property, and none of the remaining alternatives would alleviate the health and safety threat.

OMB has reevaluated the alternatives to demolishing this structure and has determined that it has no practicable alternative. Environmental files that document compliance with steps 3 through 6 of Executive Order 11988, will be provided for public inspection as noted in the last paragraph of this notice for receipt of comments.

There are three primary purposes for this notice. First, people who may be affected by activities in floodplains and those who have an interest in the protection of the natural environment should be given an opportunity to express their concerns and provide information about these areas. Second, an adequate public notice program can be an important public educational tool. The dissemination of information and request for public comment about floodplains can facilitate and enhance Federal efforts to reduce the risks and impacts associated with the occupancy and modification of these special areas. Third, as a matter of fairness, when the Federal government determines it will participate in actions taking place in floodplains, it must inform those who may be put at greater or continued risk.

Written comments must be received by OMB on or before December 17, 2024: CDBGComments@omb.nyc.gov or City of New York Mayor's Office of Management and Budget, Attention: Julie Freeman, Director of Community Development, 255 Greenwich Street, 8th Floor, New York, New York 10007.

A full description of the project may also be reviewed from 10:00am to 6:00 P.M. at the address provided and at www.nyc.gov/cdbgdr. Comments may also be submitted via email at CDBGComments@omb.nyc.gov.

EMERGENCY EXECUTIVE ORDER NO. 699

November 29, 2024

WHEREAS, on September 2, 2021, the federal monitor in the Nunez use-of-force class action stated that steps must be taken immediately to address the conditions in the New York City jails; and

WHEREAS, on June 14, 2022, the federal court in Nunez approved the Nunez Action Plan, which "represents a way to move forward with concrete measures now to address the ongoing crisis at Rikers Island"; and

WHEREAS, although there has been improvement in excessive staff absenteeism, extraordinarily high rates of attrition due to staff retirements and other departures continue to seriously affect the Department of Correction's (DOC's) staffing levels and create a serious risk to DOC's ability to carry out the safety and security measures required for the maintenance of sanitary conditions; and access to basic services, including showers, meals, visitation, religious services, commissary, and recreation; and

WHEREAS, this Order is given to prioritize compliance with the Nunez Action Plan and to address the effects of DOC's staffing levels, the conditions at DOC facilities, and health operations; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 140 of 2022, Emergency Executive Order No. 579 of 2024, and Emergency Executive Order 623 of 2024; and

WHEREAS, the state of emergency existing within DOC facilities, first declared in Emergency Executive Order No. 241, dated September 15, 2021, and extended by subsequent orders, remains in effect;

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct that section 2 of Emergency Executive Order No. 696, dated November 24, 2024, is extended for five (5) days.

§ 2. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.

EMERGENCY EXECUTIVE ORDER NO. 700

November 29, 2024

WHEREAS, it is of utmost importance to protect the health and safety of all persons in the custody of the Department of Correction ("DOC"), and of all officers and persons who work in the City of New York jails and who transport persons in custody to court and other facilities, and the public; and

WHEREAS, over 80 provisions in the various Court Orders entered in Nunez v. City of New York, 11 CV 5845 (SDNY), require DOC to consult with, and seek the approval of, the Nunez Monitor ("Monitor") prior to implementing or amending policies on issues, including but not limited to, matters relating to security practices, the use of restraints, escorts, emergency lock-ins, de-escalation, confinement management of incarcerated individuals following serious acts of violence and subsequent housing strategies, and DOC may be held in contempt of court and sanctioned if it fails to appropriately consult with and obtain approval from the Monitor regarding policies in these areas; and

WHEREAS, as fully detailed in Emergency Executive Order 579 of 2024, DOC is already experiencing a significant staffing crisis, which poses a serious risk to the health, safety, and security of all people in custody and to DOC personnel; and

WHEREAS, attempting to comply with many of the provisions of Local Law 42 and the new BOC regulations, such as by transporting individuals to court without restraints, would require a massive increase in staff and other resources, which are not available; and

WHEREAS, even if DOC had such additional staffing and resources, that still would not obviate the direct threat to public safety posed by certain provisions of Local Law 42, nor would it obviate the fact that the Monitor has yet to approve implementation of those provisions as required by the Nunez Orders, nor would it obviate the fact that additional time would be needed to safely implement those provisions of Local Law 42 eventually approved by the Monitor, because, as the Monitor has expressly cautioned, the safe implementation of any new requirement or reform in DOC facilities requires planning time to "evaluat[e] the operational impact, update[e] policies and procedures, updat[e] the physical plant, determin[e] the necessary staffing complement, develop[] training materials, and provid[e] training to thousands of staff, all of which must occur before the changes in practice actually go into effect" [11 CV 5845 (SDNY) Dkt No. 758-3 at p. 61]; and

WHEREAS, on July 27, 2024, I issued Emergency Executive Order No. 624, and declared a state of emergency to exist within the

correction facilities operated by the DOC, and such declaration remains in effect; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 625, dated July 27, 2024, and Emergency Executive Order 682, dated October 30, 2024; and

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct section 2 of Emergency Executive Order No. 697, dated November 24, 2024 is extended for five (5) days.

§ 2. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.
