COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund, at a Meeting Held in Room 16, City Hall, at 10 o'clock A. M., on Thursday, August 5, 1915.

Present—George McAneny, Acting Mayor; Alexander Brough, Deputy and Acting Comptroller; Henry Bruere, Chamberlain; Henry H. Curran, Acting President, Board of Aldermen; and Frederick H. Stevenson, Chairman, Finance Committee, Board of Aldermen.

Dock Department—Lease of Ferry Franchise from City Island to Great Neck, L. I.

In the Matter of the Request of the Twin City Ferry Company for the Rescindment of the Action Taken in Authorizing the Lease of a Franchise for a Ferry from City Island to Great Neck, Long Island, to Wilbur F. Steele.

Considered at the last meeting and laid over in order that the views of the President of the Borough of The Bronx might be obtained.

President Mathewson, of the Borough of The Bronx, stated that he had looked into the matter very carefully and could see no objection whatever to the establishment of a ferry between the points mentioned and believed that the establishment of such

a ferry would be for the best interests of the City. He believed, however, that the resolution authorizing the lease should be amended so as to embody the following:

"The lessee at all times to furnish and provide, maintain, keep and navigate such and so many good and substantial steam ferryboat or boats as shall be necessary for the operation of said ferry for vehicular and passenger traffic of all kinds customarily carried on ferryboats, the number of daily trips to be such as the Commissioner of Docks may approve at the expiration of one year from the commencement of operation, with the right to appeal to the Commissioners of the Sinking Fund; provided, that during that one year at least ten round trips per day for at least five months in the year be made. The lease to contain provisions as to when operation should be commenced and forfeiture if not complied with by May, 1916, and that no assignment of the lease shall be made without consent; that the lessee shall furnish a bond to commence operation, etc."

Discussion followed.
On motion of the Deputy Comptroller the application of the Twin City Ferry Company for a rescindment of the action taken in authorizing the lease was denied. The Chamberlain moved for a reconsideration of the resolution authorizing the lease. Motion carried.

On motion, the matter was referred back to the Commissioner of Docks, with instructions to confer with Deputy Comptroller Brough and recommend an amendment to the resolution authorizing the lease by incorporating the suggestions of President Mathewson.

A request was then made for further hearing.
Mr. F. W. Weeks, president of the Twin City Ferry Company; Mr. Wilbur F. Steele, the proposed lessee; representatives of the City Island Board of Trade, and representatives from Great Neck, Long Island, were heard in regard to the matter.

Discussion followed.
On motion, the hearing was adjourned, to be continued at ten o'clock in the forenoon, on Thursday, August 12th, 1915.

Proceedings of the Commissioners of the Sinking Fund, at a Meeting Held in Room 16, City Hall, at 10 o'clock A. M., on Thursday, August 12, 1915.

Present—George McAneny, Acting Mayor; Alexander Brough, Deputy and Acting Comptroller; Henry Bruere, Chamberlain, and Frederick H. Stevenson, Chairman Finance Committee, Board of Aldermen.

Dock Department—Lease of Ferry Franchise from City Island to Great Neck, L. I.

In the matter of the protest of the Twin City Ferry Co., against the leasing of this ferry, considered at the last two meetings and further hearing laid over to this meeting.

The Deputy and Acting Comptroller reported that he made a personal investigation of the matter, and could see no objection to the ferry.

Mr. F. W. Weeks, Mr. Wilbur F. Steele, President Connolly of the Borough of Queens, and representatives of taxpayers and civic organizations were again heard.

Discussion followed.
The following communication was received from the Commissioner of Docks as requested at the last meeting:

Pier A, North River, August 5, 1915.

Hon. JOHN PURROY MITCHEL, Mayor, Chairman of the Commissioners of the Sinking Fund:

Dear Sir—At a meeting of the Commissioners of the Sinking Fund, held June 23, 1915, preambles and resolutions were adopted approving of and authorizing a lease to Wilbur F. Steele of a franchise to operate a ferry from and to a point at or near the foot of Main Street, City Island, Borough of The Bronx, to and from a point in the vicinity of Steamboat Dock, in the Town of North Hempstead, County of Nassau, and State of New York.

Certain modifications have been suggested in the resolutions, which have been accepted by Wilbur F. Steele, the proposed Lessee, and I therefore beg to recommend that the aforesaid preambles and resolutions of the Commissioners of the Sinking Fund be amended in the following particulars, viz:

Strike out:

"The time table shall be fixed by the Lessee so as to provide ample facilities for the accommodation of passengers and vehicles desiring to cross the waters between the above mentioned points."

And insert in lieu thereof, the following:

"The number of daily trips to be made between said points shall be such as the Commissioner of Docks, with the approval of the Commissioners of the Sinking Fund, may prescribe at the expiration of one year from the commencement of operation of the said ferry; provided, however, at least ten (10) round trips daily shall be made for not less than five (5) months of the year for the first year of the lease and until the number of trips shall be prescribed by the Commissioner of Docks, with the approval of the Commissioners of the Sinking Fund, as herein provided."

Strike out:

"The lease to be for a term of two (2) years from July 1, 1915, with the privilege of renewal for a further term of ten years."

Insert in lieu thereof:

"The lease to be for a term of two (2) years from the date of the commencement of the operation of the ferry, with privilege of renewal for a further term of ten (10) years."

"And in case the operation of the ferry in accordance with the provisions of the lease is not commenced on or before May 1, 1916, the lease shall be void and of no force or effect."

Strike out:

"The Lessee at his own proper cost and expense shall and will at all times during the said term, find, furnish and provide good and sufficient ferry boats licensed and approved by the Federal Government for the operation of said ferry."

Insert in lieu thereof:

"The Lessee shall at all times during the continuance of the lease furnish and provide, maintain, keep and navigate such, and so many good and substantial steam ferry boat or boats as shall be necessary for the operation of said ferry for vehicular and passenger traffic customarily carried on ferry boats."

Insert:

"The Lessee shall not, during the said term, transfer, assign or set over, let or underlet, or in any manner convey the lease or any part thereof, or any estate or interest therein, or any part thereof, without license or consent of the Commissioner of Docks."

Insert:

"The Lessee shall furnish a bond in a sum to be agreed upon by the Comptroller and the Commissioner of Docks, with surety or sureties, to be approved by the Comptroller, that he will commence the operation of the ferry in accordance with the provisions of the lease on or before May 1, 1916, and that he will faithfully perform all the covenants and conditions of the lease during the continuance thereof."

Very respectfully,

CHARLES J. FARLEY, Deputy and Acting Commissioner.

The following resolution was offered for adoption:

Resolved, That the resolution adopted by this Board at meeting held June 23, 1915, approving of and authorizing a lease by the Commissioner of Docks to Wilbur F. Steele of a franchise to operate a ferry from a point at or near the foot of Main Street, City Island, Borough of The Bronx, to a point in the vicinity of Steamboat Dock, in the Town of North Hempstead, County of Nassau, State of New York, be and the same is hereby amended in the following particulars, viz:

And insert in lieu thereof the following words:

"The number of daily trips to be made between said points shall be such as the Commissioner of Docks, with the approval of the Commissioners of the Sinking Fund, may prescribe at the expiration of one year from the commencement of operation of the said ferry, provided, however, at least ten (10) round trips daily

shall be made for not less than five (5) months of the year for the first year of the lease and until the number of trips shall be prescribed by the Commissioner of Docks with the approval of the Commissioners of the Sinking Fund as herein provided."

Strike out the words:

"The lease to be for a term of two (2) years from July 1, 1915, with the privilege of renewal for a further term of ten (10) years."

Insert the words:

"The lessee shall not during the said term, transfer, assign or set over, let or underlet, or in any manner convey the lease or any part thereof, or any estate or interest therein, or any part thereof, without license or consent of the Commissioner of Docks."

Insert the words:

"The lessee shall deposit with the Comptroller of the City of New York the sum of \$2,500 as security, or at the option of the Comptroller give a bond satisfactory to him that he will commence the operation of the said ferry in accordance with the terms and conditions of the said lease on or before the first day of May, 1916, and that he will faithfully perform all the terms, covenants and conditions of the said lease during the said term, and in default thereof the said sum so deposited as security shall revert to and become the property of the City of New York."

"In the event that by the action of the courts or by the legally constituted authorities of Nassau County the lessee is prevented from carrying out the terms of the lease, then and in that event the Sinking Fund Commissioners may direct the return of the security deposited or waive the conditions of the bond given by said lessee."

Which resolution was unanimously adopted.

NOTICE TO BIDDERS AT SALES OF OLD
BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereto and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area, shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from the demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at any point than two feet below the curb opposite that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all

house sewer connections to the main sewer in the street and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Finance with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furnishings, plaster, chimneys, protecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam holes, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That, while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.
