- such modifications are necessary to accommodate a first #story# used as #FRESH food store#;
- the proposed modifications do not impair the essential scale and character of the adjacent buildings and any adjacent historic resources; and
- the proposed modifications will not unduly obstruct access to light and air of adjacent properties.

The Commission may prescribe additional appropriate conditions and safeguards to minimize adverse effects on the character of the surrounding area.

**63-23****Special Transparency requirements**

For all #FRESH food store# space, the ground floor level #street wall# shall be glazed with materials which may include show windows, glazed transoms or glazed portions of doors. **63-26****Special Sign Regulations**

All permitted #signs# shall be subject to the provisions of the #sign# regulations of the underlying districts. In addition, a #FRESH food store# shall be required to provide signage pursuant to this Section.

The Department of City Planning shall develop a graphic image of the #FRESH food store# symbol, which shall be made available in an easily reproducible form on the Department of City Planning website. The image shall be reproduced with a dimension of at least 12 inches square in a #sign#, with a maximum dimension in one direction of 16 inches, that shall be mounted on a wall adjacent to and no more than five feet from the principal entrance of the #FRESH food store#. The #sign# shall be placed so that it is directly visible, without any obstruction, to customers entering the #FRESH food store#, and no more than five feet from the finished floor or adjoining grade or lower than three feet from the finished floor or adjoining grade. Such #sign# shall be fully opaque, non reflective and constructed of permanent, highly durable materials such as metal or stone, and shall also contain:

- Lettering at least one and one-half inches in height stating "FRESH" in bold type; and
- The statement "This store sells fresh food" in lettering at least one-half inch in height.

All lettering shall be in a clear, sans-serif, non-narrow font such as Arial, Helvetica, or Verdana, solid in color and shall highly contrast with the background color.

**63-30****Certification for a #FRESH Food Store#**

The Chairperson of the City Planning Commission may certify that a food store #use# is a #FRESH food store use# provided that:

- Drawings have been submitted to the Chairperson that clearly designate all #floor area# or #cellar# space #used# as a #FRESH food store#. Such drawings shall also show, in the form of an illustrative layout, that such designated space is designed and arranged to meet the #floor area#, or #cellar# space #used# for retail, requirements for food and non-food grocery products pursuant to Section 63-01;
- Drawings have been submitted to the Chairperson that clearly designate all #floor area# that will result from any permitted increase in #floor area# pursuant to Section 63-21, including the location of such #floor area#;
- Drawings have been submitted to the Chairperson, documenting the size, format, and location of the required #sign# pursuant to Section 63-26. Such drawings shall include detailed information about dimensions of the #sign#, lettering, color, and materials;
- A signed lease or written commitment from the prospective operator of #FRESH food store# has been provided in a form acceptable to the City, for occupancy of such space, and its operation as a #FRESH food store# space; and
- A legal commitment, in the form of a declaration of restrictions has been executed, in a form acceptable to the Chairperson, binding upon the owner and its successor and assigns, and providing for continued occupancy of all #floor area# or #cellar# space as a #FRESH food store use# that shall commence within
- a reasonable period following the issuance of Temporary Certificate of Occupancy for the #FRESH food store#, as set forth in the declaration of restrictions.

Such declaration of restrictions shall include provisions providing that there shall be no violation of the legal commitment for continued occupancy of the #floor area# or #cellar space# for use as a #FRESH food store# : (a) during any six (6) month period from the date such #floor area# or #cellar space# is vacated by the operator, provided that owner timely notifies the Department of City Planning of such vacancy in accordance with the requirements of the restrictive declaration; and (b) during any event of force majeure, as determined by the Chairperson.

The filing and recordation of the declaration of restrictions in the Borough Office of the Register of the City of New York, and receipt of a certified copy of such declaration, shall be a precondition to the issuance of any building permit, including any foundation or alteration permit, for any #development# or #enlargement# under this Chapter.

In granting the certification, the Chairperson of the City Planning Commission may specify that changes in design or #use# consistent with the definition of the #FRESH food store# in Section 63-01 would not warrant further certification pursuant to this Section.

**63-31****Requirements for Certificate of Occupancy**

No certificate of occupancy shall be issued for any portion of

the #development# or #enlargement# identified in the drawings submitted pursuant to paragraph (b) of Section 63-30 until a temporary certificate of occupancy has been issued for the #FRESH food store# space. No final certificate of occupancy shall be issued for any such portion of the #development# or #enlargement# identified in the drawings submitted pursuant to paragraph (b) of Section 63-30 until the #FRESH food store# space has been completed in accordance with the drawings submitted pursuant to paragraph (a) of Section 63-30 and a final certificate of occupancy has been issued for the #FRESH food store# space. The declaration of restrictions shall be noted on any temporary or final certificate of occupancy for the #building#.

**63-40 Certification for change of #use# of a #FRESH Food Store#**

A #FRESH food store# for which a certification has been issued pursuant to Section 63-30 may be changed to any #use# permitted by the underlying districts upon certification by the Chairperson of the City Planning Commission that such change of #use# would not create a new #non-compliance#, increase the degree of #non-compliance# of #buildings# on the #zoning lot#, or result in reduction in the number of required #accessory# off-street parking spaces under the applicable zoning district regulations.

**63-50 Authorization for Bulk and Parking modifications**

The City Planning Commission may, by authorization, permit modifications to the #bulk# and #accessory# off-street parking requirements of the applicable zoning districts, when a change of #use# of a #FRESH food store# for which a certification has been issued pursuant to Section 63-30 is requested, provided that such #use# is permitted by the underlying districts.

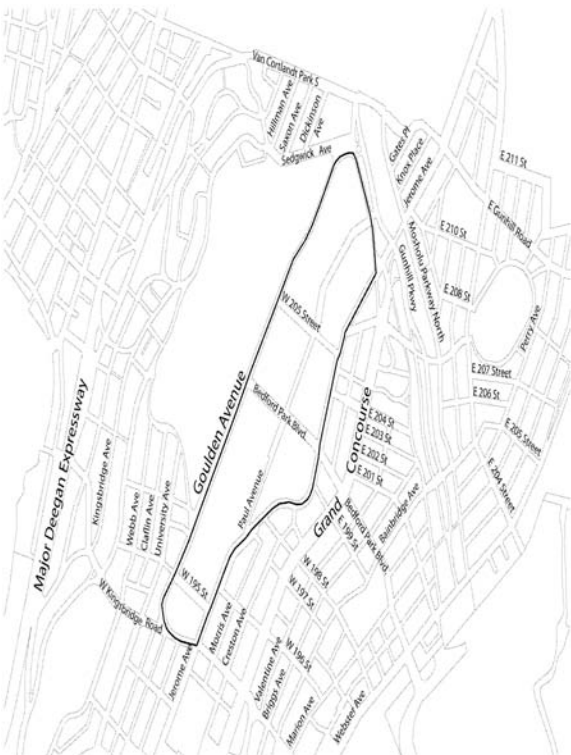

In order to grant such authorization, the Commission shall find that:

- (a) due to the prevalent market conditions at the time of the application, there is no reasonable possibility that the operation of a #FRESH food store use# will bring a reasonable return;
- (b) the applicant, the operator or a prior operator of such #FRESH food store# has not created, or contributed to, such unfavorable market conditions;
- (c) the applicant, the operator or a prior operator of such #FRESH food store# has undertaken commercially reasonable efforts to secure a new operator, and demonstrates to the City Planning Commission that such efforts have been unsuccessful;
- (d) any proposed #non-compliance# or increase in the degree of #non-compliance# will not be incompatible with or adversely affect adjacent #uses# including #uses# within the building; and
- (e) any reduction of required #accessory# off-street parking shall not create or contribute to serious traffic congestion and will not unduly inhibit surface traffic and pedestrian movement.

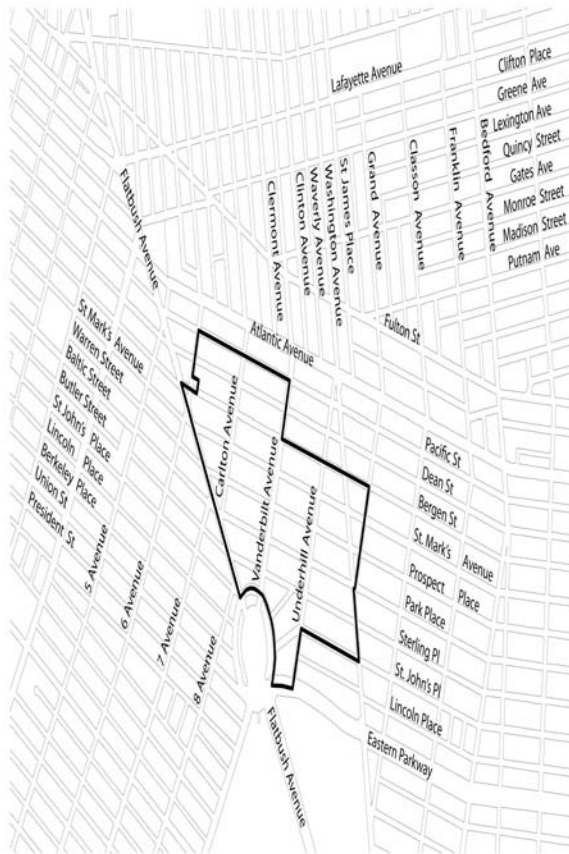

In issuing authorizations under this Section, the Commission may impose conditions and safeguards, to minimize adverse impacts on the character of the surrounding area.

NOTICE

NOTICE OF THE ESTABLISHMENT OF MOBILE FOOD VENDOR PERMIT WAITING LISTS BY THE NEW YORK CITY DEPARTMENT OF HEALTH AND MENTAL HYGIENE

On October 26, 2009, the Department of Health and Mental Hygiene (DOHMH) will establish, utilizing a random selection process, five (5) separate waiting lists for Green Cart permits, which are two-year, full-term mobile food vendor unit permits authorizing the holders thereof to sell only raw fresh fruits and vegetables within designated areas of each of the five boroughs of the City. A Green Cart permit waiting list will be created for each of the five boroughs (Bronx, Brooklyn, Manhattan, Queens and Staten Island).

in the selection process for the Green Cart permit waiting lists may be obtained via the internet at www.nyc.gov/greencarts, by calling 311, or in person at the New York City Department of Consumer Affairs Licensing Center, located at 42 Broadway, 5th Floor, New York, New York 10004, Monday through Friday from 9:00 A.M. to 5:00 P.M.

In order to be eligible for inclusion in the selection process to establish these waiting lists,

- the applicant must have a valid mobile food vendor license (ID badge) issued by the Department of Health and Mental Hygiene on or before Thursday, October 15, 2009, and
- the applicant must submit a completed waiting list application form by mail only to the address listed on the application form with a postmark dated on or before Thursday, October 15, 2009.

All eligible waiting list applications will secure a waiting list position.

In accordance with Local Law No. 9 of 2008, preference or priority for a waiting list position will be given to those applicants who are members of a "preference category" listed in Local Law No.9. This preference or priority will be established by the giving of additional points to those applicants who are:

- already on an existing DOHMH mobile food vending permit waiting list
● United States veterans
● disabled persons

Applicants who do not belong to a preference category will secure a waiting list position after those who belong to a preference category/priority group.

For each borough list, all applications will be randomly assigned a number on each waiting list. Preference category/Priority group applicants will be randomized separately and prioritized accordingly. If the applicant secures a waiting list position based upon a claim of being in one or more of the preference categories/priority groups mentioned above, the applicant will have to provide proof of such claim when the applicant is notified to apply for the Green Cart permit. If an applicant fails to do so, he or she will be disqualified from all Green Cart waiting lists.

Mobile Food Vendor License Applications: Application packages for a mobile food vendor operator's license (ID badge) may also be obtained via the internet at www.nyc.gov/greencarts, by calling 311, or in person at the New York City Department of Consumer Affairs Licensing Center, located at 42 Broadway, 5th Floor, New York, New York 10004, Monday through Friday from 9:00 A.M. to 5:00 P.M. Interested persons should allow at least twenty-five (25) business days to receive the necessary tax documentation and register for and pass the Department's "Mobile Food Vendor Food Protection Course", both of which are required prior to applying for a mobile food vending license.
