

## Finding Municipal Ethics Laws

Locating municipal ethics laws online can be difficult. Ordering hard copies can be slow and expensive. Following is a list of online sources of municipal laws, including ethics laws.

- Websites of individual municipalities  
<http://www.nysegov.com/citguide.cfm?context=citguide&content=munibyalpha>  
<http://www.wowworks.com/wowcity/nycities.htm>
- General Code  
<http://www.generalcode.com/webcode2.html#newy>
- Municipal Code  
<http://www.municode.com/Library/ClientListing.aspx?stateID=32>

The following websites do not contain codes of any New York State municipalities but do list municipal codes from other states.

- LexisNexis's free website  
<http://municipalcodes.lexisnexis.com/>
- American Legal Publishing  
<http://www.amlegal.com/library/>

Lexis and Westlaw have limited libraries of municipal codes. Westlaw's Municipal Materials library includes Cleveland and New York City.
