THE CITY RECORD.

OFFICIAL JOURNAL.

Vor. XVI

NEW YORK, MONDAY, JUNE 11, 1888.

NUMBER 4,583.

APPROVED PAPERS

Approved Papers for the week ending June 9, 1888.

Whereas, The sum of five hundred dollars has been transferred from the appropriation entitled "Interest on Revenue Bonds, 1886 and 1887," for 1887, to the account of "City Contingencies," 1888, in response to a request from this Board to the Board of Estimate and Apporttonment to provide that sum to be applied in aid of the Grand Army of the Republic in paying the expenses incident to its celebration of Decoration Day, May 30, 1888, and that sum is now available for the purpose above specified; be it therefore

Resolved, That the said sum of five hundred dollars be and is hereby appropriated and set apart for the use of the Grand Army of the Republic to aid in defraying the expenses incident to its celebration of Decoration Day, May 30, 1888, and the Comptroller be and is hereby horized and directed to pay that amount to the Treasurer of the Memorial Committee of the Grand Army of the Republic, New York City, and charge the same to the account of "City Contingencies,"

Adopted by the Roard of Aldermen, May 20, 1888.

Adopted by the Board of Aldermen, May 29, 1888. Approved by the Mayor, June 4, 1888.

Resolved, That permission be and the same is hereby given to Charles D. Angelo to place and keep a stand for the sale of fruit and soda water inside the stoop-line, in front of No. 74 East Houston street, provided such stand shall not be an obstruction to the free use of the street by the public, nor exceed six feet long by four feet wide; such permission to continue only during the pleasure of the Common Council.

Resolved, That permission be and the same is hereby given to Sarah Bernstein to place and keep a stand for the sale of fruit and soda water, inside the stoop-line, in front of No. 169 Hester street, provided such stand shall not be an obstruction to the free use of the street by the public, nor exceed six feet long by four feet wide; such permission to continue only during the pleasure of the Common Council. exceed six feet Ion Common Council.

Adopted by the Board of Aldermen, May 22, 1888. Approved by the Mayor, June 6, 1888.

Resolved, That permission be and the same is hereby given to M. Stern to place and keep a stand for the sale of fruit and soda water, inside the stoop-line, in front of No. 238 Division street, provided such stand shall not be an obstruction to the free use of the street by the public, nor exceed six feet long by four feet wide; such permission to continue only during the pleasure of the Common Connell.

Adopted by the Board of Aldermen, May 29, 1888. Approved by the Mayor, June 6, 1888.

Resolved, That permission be and the same is hereby given to John Biggini to place and keep a stand for the sale of fruit on the sidewalk, inside the stoop-line, in front of northwest corner of Eighth avenue and Twenty-second street, provided such stand shall not be an obstruction to the free use of the street by the public, nor exceed six feet long by four wide; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, May 29, 1888. Approved by the Mayor, June 6, 1888.

Resolved, That permission be and the same is hereby given to E.G. Barton to place and keep an ornamental hanging lamp in front of premises on southwest corner of Fourteenth street and Third avenue; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, May 29, 1888. Approved by the Mayor, June 6, 1888.

Resolved, That permission be and the same is hereby given to Heywood Brothers & Co. to connect premises Nos. 195 and 198 Canal street by a one and one-half inch iron-pipe enclosed in a three inch pipe undermeath the surface of the street, for the purpose of conveying steam for heating and running elevator, provided the said Heywood Brothers & Co. shall stipulate with the Commissioner of Public Works to save the City harmless from any loss or damage that may occur during the progress or subsequent to the completion of the work of laying said pipe to any water-pipes, gas-pipes or sewer or from any other cause, the work to be done at their own expense, under the direction and to the satisfaction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, May 29, 1888. Approved by the Mayor, June 6, 1888.

Resolved, That permission be and the same is hereby given to David Stevenson to connect his premises, southwest corner of Tenth avenue and Fortieth street, by a twelve-inch iron pipe, with the waters of the Hudson river, at the foot of Fortieth street, for the purpose of supplying salt water, to be used on said premises, for cleansing purposes and in case of fire, provided the said David Stevenson shall stipulate with the Commissioner of Public Works to save the city harmless from any loss or damage to any gas or water pipe, or sewer, or from any other cause that may occur during the progress or subsequent to the laying of such pipe that may be caused by the use of the privilege hereby given, the work to be done at his own expense, under the direction and to the satisfaction of the Commissioner of Public Works; such permission to continue only during the pleasure of the Common Council.

Adopted by the Board of Aldermen, May 29, 1888. Approved by the Mayor, June 6, 1888.

Resolved, That the resolution adopted by the Board of Aldermen February 28, 1888, and approved by the Mayor March 5, 1888, reading as follows:

"Resolved, That, pursuant to the provisions of section 321 of the New York City Consolidation Act of 1882, the Commissioner of Public Works be and he is hereby authorized and directed to repawe—

AQUEDUCT COMMISSION.

Minutes of Adjourned Stated Meeting of the Aqueduct Commissioners, held at their office, No. 209 Stewart Building, on Monday, May 28, 1888, at 3 o'clock P. M.

Minutes of Adjusted Stated Meeting of the Aqueduct Commissioners, setal at their office, No. 209

Stewart Building, on Monday, May 28, 1888, at 3 o'clock P. M.

Present—Commissioners Spencer, the Commissioner of Public Works, and Commissioners Baldwin, Barnes, Ridgway and Fish; also Chief Engineer Church, Deputy Chief Engineer Rice and Consulting Engineer Ficley.

The minutes of the stated meeting of May 23, 1888, were read and approved.

The Committee of Finance and Audit, to whom were referred the bids received for deepening and finishing Shaft No. 24, etc., of the New Croton Aqueduct, report that they have examined the same, and find that the checks received for security deposits, amounting to \$16,000, were correct; and the amount so received has been transmitted to the Comproller, and the receipt therefor is on file with the Commissioners.

The bids were found correct as to their formality, and the sureties proposed by the bidders appear to be sufficient.

The report of the Committee was approved, and, on motion of Commissioner Barnes, the further consideration of the subject was postponed until Monday next, June 4, 1888, at 3 o'clock P. M., in order to allow the Engineers to examine further into the subject and report.

The Committee on Construction recommended the adoption of the following persons are hereby appointed as Axemen on the New Aqueduct, their pay to commence from the date of their assignment to active duty by the Chief Engineer:

Edward J. Rosche.

Richard Murray.

P. E. Boer.

Adopted.

Also recommended the adoption of the following resolution:

Resolved, That upon the requisition of the Chief Engineer, Julian Wood and Oscar W. Vander Bosch be and they are hereby appointed Inspectors of Masonry, their pay to commence from the date of their assignment to active duty by the Chief Engineer.

Also reported in favor of granting Edward F. Playle, Assistant Engineer, a leave of absence of six weeks without pay; and, also of allowing Frank N. Speyer, Transtuman, a leave of absence for one month with

The Committee on Real Estate presented the following report for the consideration of the Aqueduct Commissioners:

Resolved, That on the recommendation of the Committee on Real Estate, room No. 208 is hereby set apart and assigned to the use of the President, and room No. 210 to the Committee on Real Estate, and the Secretary of said Committee is directed to make the desired change, and to open communication by doors between rooms 204, 208 and 210, and to report estimates of the

expense thereof to the Committee on Finance and Audit that an appropriation may be provided to meet the same.

expense thereof to the Committee on Finance and Audit that an appropriation may be provided to meet the same.

On motion of Commissioner Spencer, the resolution was adopted.

Commissioner Barnes presented the following resolution and moved its adoption:
Resolved, That the President of this Commission be and he is hereby authorized and directed to prepare as soon as practicable a general review and report of the work of the Commission for and during the years 1887 and 1888, which shall be a continuation or the second volume of his review and report heretofore published, bearing date of January 1, 1887; said review and report shall contain and include the history of all important action and proceedings of the Aqueduct Commissioners during said period as the same appear from their records, and also the plans and work of construction of the New Aqueduct, and its dams, reservoirs, gate-houses and appurtenances during said years 1887 and 1888, as also such plans and projects that are under consideration, but of fully perfected and adopted at the close of the year 1888, and the Secretary and Chief Engineer are hereby directed to report to the President all such statistical information and details as he shall require from time to time for said report.

Resolved, That the President is hereby authorized and directed to negotiate a contract for the publication of said review and report substantially in form and style like the report already published, of which this is a supplementary, and with the approval of the Commission and he shall superintend and direct the publication thereof in all its details; but before he shall cause the said report and review so made by him to be published, he shall submit proofs of the same to an Executive Council of this Commission for its consideration and receive its approval of the Same before publication.

Adopted.

The Commission then adjourned, to meet on Monday next, June 4, 1888, at a c'clock P. M.

Adopted.

The Commission then adjourned, to meet on Monday next, June 4, 1888, at 3 o'clock P. M.

THOMAS W. BYRNES, Mayor's Marshal,

MAYOR'S OFFICE, NEW YORK, May 31, 1888.

MAYOR'S OFFICE, New York, May 31, 1888.
Whereas, It is provided in and by section 12 of chapter 718 of the Laws of 1887, entitled "An Act to provide for the recording and indexing of conveyances and instruments relating to land in the City of New York according to limited areas," as amended by chapter 321 of the Laws of 1888, that if it shall be determined by the Mayor of said city and the Register of the City and County of New York that said act cannot go into operation at the time designated therefor by the said Mayor, under the provisions of the first-mentioned act, by reason of the non-completion of the mapor indices referred to in said act, or for any other reason, thereupon the said Mayor, by notice published in the CITY RECORD in said City of New York for thirty days prior to the expiration of the extended time designated by said Mayor, may further extend the time for said act to go into operation and for the books, maps and indices in said act referred to to be completed to a date not later than the first day of July, 1880, and that said act upon such publication shall thereupon go into operation in said Register's Office at the time so to be designated by said Mayor; and Whereas, The said Mayor and Register have determined that said act cannot go into operation at the extended time designated by said Mayor therefor, by reason of the non-completion of said map and indices, and for other reasons;

Now, therefore, I, Abram S. Hewitt, Mayor of the City of New York, do hereby give notice that I have extended and do hereby extend the time for said act to go into operation, and for said maps and indices to be completed, to the first day of July, 1889, which is hereby designated by me as the date upon which the said act shall go into operation in said Register's Office.

ABRAM S. HEWITT,

Mayor.

MAYOR'S OFFICE,

NEW YORK, February 10, 1888.

I, Abram S. Hewitt, Mayor of the City of New York, pursuant to the provisions of chapter 10 of the Laws of 1888, do hereby designate the Sun, Herald, Times, World, Star, Tribune, Journal, Press, Evening Post, Commercial Advertiser, Graphic, Telegram, Evening Sun, Evening World, Mail and Express, Staats Zeitung, New Yorker Zeitung and Daily News as the newspapers in which the advertisements provided for in said act may be printed.

(Signed), ABRAM S. HEWITT, Mayor.

CIVIL SERVICE SUPERVISORY AND EXAMINING BOARDS.

CITY OF NEW YORK—CIVIL SERVICE
SUPERVISORY AND EXAMINING BOARDS,
SECRETARY'S OFFICE,
ROOM 11, CITY HALL,
NEW YORK, June 3, 1887.

NEW YORK, June 3, 1887. J THOMAS COSTIGAN, Esq., Supervisor City Record:
DEAR SIR—The following amendment to Regulation 16 of the New York City Civil Service Regulations has been made: If the appointing officer shall notify the Sec-retary of more than one vacancy at any one time, the Secretary shall certify to the appointing of-

ficer for appointment, the names of as many persons as there are vacancies to be filled, with the addition of two names for the first vacancy and one name for every two vacancies in addition to the first.

Yours respectfully,

LEE PHILLIPS,

Secretary and Executive Officer.

CITY OF NEW YORK—CIVIL SERVICE
SUPERVISORY AND EXAMINING BOARDS,
SECRETARY'S OFFICE,
ROOM 11, CITY HALL,
NEW YORK, May 31, 1887.

NEW YORK, May 31, 1887. THOMAS COSTIGAN, Esq., Supervisor:

DEAR SIR—The following resolution was passed by the Supervisory Board at their meeting, held May 27, 1887:

"Resolved, That in view of the inadequate space in the Secretary's office and in order to enable him more readily to discharge the business of the same, the Secretary is authorized to arrange the business of the office so that the same shall be open for personal interviews with applicants and the public during a part of the day only."

Only Pursuant to the above action, I hereby designate the two hours between 2 and 4 o'clock matternoom as the time for which the offices shall be open for personal interviews with applicants and the public.

Very respectfully,

LEE PHILLIPS,

Secretary and Executive Officer.

CITY COURT-TRIAL TERM. PART I.

In view of the alterations going on in the old City Hall, the April term of Part I. of the City Court will be heid in room known as Part III. of the Superior Court in the New Court-house.

By order of the Court.

MICHAEL T. DALY,

Clerk.

DEPARTMENT OF DOCKS.

DEPARTMENT OF DOCKS, PIER "A," NORTH RIVER.

TO CONTRACTORS.

(No. 276.)

PROPOSALS FOR ESTIMATES FOR PREPARING FOR AND BUILDING A CRIB-BULKHEAD, FROM WEST SEVENTY-FIFTH STREET TO WEST SEVENTY-SEVENTH STREET, NORTH RIVER.

RIVER.

PSTIMATES FOR PREPARING FOR AND building a crib-buildhead, from West Seventy-fifth street to West Seventy-seventh street, North river, will be received by the Board of Commissioners at the head of the Department of Docks, at the office of said Department, on Pier "A." foot of Battery place, North river, in the City of New York, until 12 o'clock M. of WEDNESDAY, JUNE 20, 1888, at which time and place the estimates will be publicly opened by the head of said Department. The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall turnish the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The bidder of the contract of the contract in the sum of Thirteen Housand Seven Hundred Dollars.

The Engineer's estimate of the nature, quantities and extent of the work is as follows:

CLASS I.

CLASS I.

Dredging for the site of the crib-bulkhead and in the slip in front of it, about 32,000 cubic yards.

CLASS II.

Crib-bulkhead and wooden box-drain complete, contining about the following quantities:

About 496/5ce cubic feet, more or corring posts and backing logs, and measured from the under side of the backing logs.

Wooden box-drain complete, containing about the following quantities:

lowing quantities:

Feet, B. M.,
measured un
work.

(a.) Yellow Pine Timber, 6" x 12" 3,410
" " " " " 120
" " " " 120
" " " " 120
" " " 4" x 12" 9,152
" " 4" x 14" 4,400
" " 4" x 10" 2,730

(b) 2" Spruce Plank, about 3,584 feet, B. M., measured in the work.

(c) 3(" x 14", 52" x 12", 15" x 20" and Dock Spikes, about 756 pounds.

(d) Plies to be driven, about 566 whost 250 (C. 135" Wrought-iron Screw-bolts, 450 pounds.

(f) Cast-iron Washers, about 350 feet in length, to bring up, in diving, according to the requirements of the specifications.

as to 45 feet in length, to bring up, in driving, according to the requirements of the specifications.

3. Marrials for Painting and Oiling or Tarring.

4. Labort productions of the production of the product of the p

done, a.

2d. Bidders will be required to complete the entire work to the satisfaction of the Department of Docks, and in substantial accordance with the specifications of the contract and the plans therein referred to. No extra compensation beyond the amount payable for each class of the work before mentioned, which shall be actually performed, at the prices therefor, to be specified by the lowest bidder, shall be due or payable for the

The work to be done under this contract is to be commenced within five days after the date of the contract and all the work contracted for is to be fully completed and all the work contracted for is to be fully completed and all the work contracted for is to be fully completed and all the days to the fulfillment thereof has expired, are, by a clause in the fourtract, determined, fixed and liquidated at Fitty Dollars per day.

All the material excavated is to be removed by the contract, and disposited in all respects according to law, and any material dedged, and not so deposited, shall not be paid for.

Budders will state in their estimates a price for the whole of the work to be done in each cas in conformity with the approved form of agreement and the specifications theren set forth, by which price the bids will be retained to the fulfillment of the contract, including any claim that may arise through delay from any cause, in the performing of the work to make the contract, including any claim that may arise through delay from any cause, in the performing of the work thereunder. The award of the contract, if awarded, will be made to the bidder who is the lowest for doing the whole of the work comprised in the two classes, and whose estimates is regular in all respects.

The person or persons to whom the contract may be awarded will be required to attend at this office with the survoites offered by him or them, and execute the contract within five days from the date of the service of a notice that the survoite offered by him or them, and execute the contract will be readvertised and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their manes and places of residence; the names of all persons the contract will be accepted and relet, and so on until it be accepted and executed.

Bidders are required to state in their estimates their manes and places of residence; the names of all persons with any other person making an estimate for the same work, and that it i

and sufficiency of the security effered will be subject to approval by the Comproller of the City of New York after the award is made and prior to the signing of the contract.

date of its presentation, and a statement of the work to which it relates.

The bidder to whom the award is made shall give security for the faithful performance of the contract, in the manner prescribed and required by ordinance, in the sum of Nme Hundred Dollars.

The Engineer's estimate of the nature, quantities and extent of the work, is as follows:

Crib-bulkhead, containing about the following quantities:

ies:
About 8,850 cubic feet of Cribwork, complete, including Fenders, Mooring posts, Backing-logs, Flooring, Facing Timbers, Longitudinal Logs, Crossties, Vertical Sheathing Chocks, Fastenings and
Stone Filing within the cribwork, but excluding
the cip-rap on the flooring in rear of the cribwork,
and measured from the top of the foundation caps
of the cribwork to the under side of the backinglogs.

2. Yellow Pine Timber, 12" x 12"2,976 feet.

Note—The above quantity of timber may be in lengths of 36 feet and less, to meet the requirements of the specifications, and is exclusive of waste.

CLASS II.

Rip-rap stone furnished and put in place on the flooring in rear of the crubwork and in the embankments in rear of the foundation piles and of the close row of piles at the inner end of the new cribwork, including stone and labor necessary for dry rubble retaining walls on each side of streat at the inner end of the close rows of piles—about 170 cubic yards.

N.B.—As the above-mentioned quantities, though about 170 cubic yards.

Are approximate only, bidders are required to submit their estimates upon the following express conditions, which shall apply to and become part of every estimate received:

1 st. Bidders must satisfy themselves, by personal examination of the location of the proposed work, and by such other means as they may prefer, as to the look, as the proposed work, and by such other means as they may prefer, as to the not, at any time after the submission of an estimate, dispute or complain of the above statement of quantities, nor assert that there was my misunderstanding in regard to the nature or amount of the work to be done.

2d. Bidders will be required to complete the entire work, to the satisfaction of the Department of Docks, of the work to be fore-ment one, which shall be actually performed, at the prices therefor, to be specified by the lowest bidder, shall be due or payable for the entire work.

The work to be done under the contract is to be com-

performed a second of the contract is to be commenced within five days after the date of the contract, and all the work to be done under the contract is to be commenced within five days after the date of the contract, and all the work contracted for is to be fully completed on or before the 3d day of September, 1888, or within as many days thereafter as the premises may be occupied by the Department of Docks in placing a wooden sewer-box under the new crib-foundation, and the damages to be paid by the contractor for each day that the contract, days contract, determined, fixed and liquidated at Fifty Dollars are day.

er day.

All the material excavated is to be removed by the ontractor, and deposited in all respects according to

adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York, after the award is made and prior to the signing of the contract.

Received or considered unless accompanied by either a certified cheek upon one of the State or National Banks of the City of New York, drawn to the order of the Comptroller, or meney to the amount of five per centum of the amount of security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer of check and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but it he shall execute the contract within the time aforesaid, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but it he shall execute the contract within the time aforesaid, the amount of the deposit made by him shall be forfeited to affect the contract within the time aforesaid, the smouth of the deposit of the contract of the City of New York, as the contract of the City of the contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation, upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation of the City of Bidders are requested, in making their bids or estimates, to use the blank propagation to the Corporation of the City of Bidders are requested, in making their bids or estimates, to use the blank propagation of the Corporation of the City of Bidders are requested, in making their bids or estimates, to

deemed for the interest of the Corporation of New York.

New York, November 10, 1886.

NOTICE TO CROTON WATER CONSUMERS.

NUMEROUS APPLICATIONS HAVE BEEN made to this Department by citizens claiming reductions or rebates on bills for water supplied through meters, on the alleged ground of leakage caused by dejective plumbing and worn-out service pipes, or by willful waste of water by tenants allowing the faucets to be turned on in full force in water-closets, sinks, etc., without the knowledge or consent of the owners of the premises.

out the knowledge or consent of the owners of the premturn object of the use of water-meters is to enable
this Department to detect and check the useless and unwarrantable waste of an element so valuable and essential
to the health and comfort of all the citizens, and this object can only be accomplished by enforcing payment for
the water wasted.

It is a supple through the water wasted.

Notice is therefore holds the owner of the premises responsible for the amount of water used or wasted.

Notice is therefore are the supple through
the water wasted in the supple through
the water wasted.

Notice is therefore are the supple through
the water wasted in the supple through
the water wasted.

Notice is therefore are to all householders that, in all
turther applications for reduction of water rents, no
allowance will be made on account of waste of water
occurring through leaks to a dear by tennate peace
pants of buildings, though such leakage or waste mayhave o-curred without the knowledge or consent of the
owners of the buildings.

House-owners are further notified that whenever their
remises become vacant, and are likely to remain vacant,
they must notify this Department in writing, and that
unless this requirement is compiled with no deductions in
examples and the supplement of the complete of the operation of one
year.
