## JURORS.

### NOTICE IN RELATION TO JURORS FOR STATE COURTS

**OFFICE OF THE COMMISSIONER OF JURORS,**  
NEW COUNTY COURT-HOUSE,  
NEW YORK, June 1, 1877.  
**APPLICATIONS FOR EXEMPTIONS WILL BE**  
heard here, from 9 to 4 daily, from all persons hitherto liable or recently serving who have become exempt, and all needed information will be given.  
Those who have not answered as to their liability, or proved permanent exemption, will receive a "jury enrollment notice," requiring them to appear before me this year. Whether liable or not, such notices must be answered (in person, if possible, and at this office only) under severe penalties. If exempt, the party must bring proof of exemption; if liable, he must also answer in person, giving full and correct name, residence, etc., etc. No attention paid to letters.  
Persons "enrolled" as liable must serve when called or pay their fines. No mere excuse will be allowed or interference permitted. The fines, received from those who, for business or other reasons, are unable to serve at the time selected, pay the expenses of this office, and if unpaid will be entered as judgments upon the property of the delinquents.  
All good citizens will aid the course of justice, and secure reliable and respectable juries, and equalize their duty by serving promptly when summoned, allowing their clerks or subordinates to serve, reporting to me any attempt at bribery or evasion, and suggesting names for enrollment.

Persons between sixty and seventy years of age, summer absentees, persons temporarily ill, and United States and District Court jurors are not exempt.  
Every man must attend to his own notice. It is a misdemeanor to give any jury paper to another to answer. It is also punishable by fine or imprisonment to give or receive any present or bribe, directly or indirectly, in relation to a jury service, or to withhold any paper or make any false statement, and every case will be fully prosecuted.

THOMAS DUNLAP, Commissioner,  
County Court-house (Chambers street entrance)

The Engineer's estimate of the work to be done and by which the bids will be tested, is as follows:

- 200 cubic yards of excavation.
- 23,000 cubic yards of filling.
- 116,000 square feet of pavement, bridge or crossing stones, and flag-stones of sidewalks, taken up, removed, piled, and preserved.

- 12 receiving-basins to be raised and one new head-stone to be furnished, requiring 15,000 bricks.

These quantities are considered as approximate, and are not to be held as entitling the contractor to any claim for extra time in the completion of the work, or to any other claim for damages, if the quantity of work between the points stated should prove to be greater than here estimated; and the Department of Public Parks expressly reserves the right of increasing or diminishing the said quantities, as in its opinion may be necessary.

4. For curb and gutter stones taken up, removed, piled, and preserved, per lineal foot.

These prices, together with those fixed in the contract, are to cover the whole cost of the work.

The time required for completion, which will be tested at the rate of \$4 per day, must also be stated.

No proposal will be received which contains prices for other items than those above mentioned, or which does not contain prices for all of said items.

No proposal will be considered unless accompanied by the consent, in writing, of two responsible householders or freeholders of the City of New York, their respective places of business or residence being named, to the effect that they will become bound as sureties in the sum of five thousand dollars for the faithful performance of the contract, should it be awarded upon that proposal.
