EXECUTIVE DEPARTMENT.

Appointment of Counsel to the Corporation.

EXECUTIVE DEPARTMENT—CITY HALL,
NEW YORK, August 9, 1875.

I, William H. Wickham, Mayor of the City of New York, by virtue of the power conferred upon me by chapter 300 of the Laws of 1874, being an act to amend chapter 335 of the Laws of 1873, entitled "An act to reorganize the local government of the City of New York," passed April 30, 1873, and the acts amendatory thereof, do hereby appoint

WILLIAM C. WHITNEY

to be Counsel to the Corporation and head of the Law Department of the City of New York, in the place of E. Delafield Smith, removed, and for the unexpired term of said E. Delafield Smith, which terminates on the 3d day of December, 1876.

WM. H. WICKHAM, Mayor.

The Governor to the Mayor.

STATE OF NEW YORK—EXECUTIVE CHAMBER,
ALBANY, August 6, 1875.

To the Hon. WILLIAM H. WICKHAM,

Mayor of the City of New York:

SIR—At the time the proceedings for the removal of E. Delafield Smith, Counsel to the Corporation of the City of New York, matured, in the submission to me of all the papers which either party deemed necessary to a full hearing of the case, the bill under which the suits growing out of municipal frauds were transferred to the Attorney General was well advanced towards its passage, and soon after it became a law.

So far as any urgency resulted from the connection of this case with those suits, that element disappeared; and in no other respect were the interests of good government in immediate jeopardy. In the meantime the absorbing demands of measures of canal reform, and the pressure of legislative business superseded all less urgent matters; and in accordance with the usual practice of the Executive office, this case, with similar ones from other parts of the State, and with a mass of kindred business, was deferred until after the close of the legislative session, and after the action on the bills and appropriations left at the adjournment.

I have now examined the voluminous papers submitted, and have carefully considered the facts and evidence which they present with the aid of such other light as is within my power.

I am of the opinion that acts are established which amount to "causes" of the nature contemplated by law, and which would, at least be sufficient to induce a private client to change his counsel.

It seems to me quite clear, that a rule at least as stringent as would govern a private client ought to be applied for the protection of a great community besieged by many millions of unjust or fraudulent claims, which are prosecuted with the energy of private interest, and which are always able to obtain great advantages over the public, in a contest of professional talent, skill, zeal, activity, and persistence.

I have therefore executed a certificate of approval, which is herewith transmitted.

I have the honor to be

your obedient servant,

SAMUEL J. TILDEN.

Certificate of the Approval of the Governor of the Removal of E. Delafield Smith.

STATE OF NEW YORK—EXECUTIVE CHAMBER,
ALBANY, August 6, 1875.

Whereas, The Mayor of the City of New York has removed E. Delafield Smith from the office of Counsel to the Corporation and head of the Law Department of the City of New York, after allowing him an opportunity to be heard, as required by law, and the said Mayor has submitted to me his reasons for such removal; now, therefore:

It is ordered, that the removal of the said Counsel to the Corporation be and is hereby approved.

SAMUEL J. TILDEN.

The Mayor to E. Delafield Smith.

EXECUTIVE DEPARTMENT—CITY HALL,
NEW YORK, August 9, 1875.

Hon. E. DELAFIELD SMITH:

SIR—I enclose for your information a copy of a communication by me just received from the Governor, dated and written on the 6th inst., and approving your removal from office as Counsel to the Corporation and head of the Law Department.

Very respectfully,

WM. H. WICKHAM, Mayor.

DEPARTMENT OF HEALTH.

HEALTH DEPARTMENT,
No. 301 MOTT STREET,
NEW YORK, July 16, 1875.

AT A MEETING OF THE BOARD OF HEALTH of the Health Department, of the City of New York, held at its office, on the 10th day of July, 1875, the following resolutions were adopted:

Resolved, That section 29 of the Sanitary Code be and is hereby amended to read as follows: Sec. 29. That no meat, fish, birds or fowl, fruit or vegetables, nor any milk, not being then healthy, fresh, sound, wholesome, and safe for human food, nor any meat or fish that died by disease or accident, shall be brought within said city, or offered or held for sale in any public or private market, as such food, anywhere in said city.

Resolved, That section 34 of the Sanitary Code be and is hereby amended to read as follows: Sec. 34. That no decayed or unwholesome fruit or vegetables shall knowingly be brought into said city to be consumed or offered for sale for human food, nor shall any such articles be kept or stored therein.

Resolved, That section 37 of the Sanitary Code be and is hereby amended as follows: Sec. 37. That no meat, fish, fruit, vegetables, or milk, or unwholesome liquid, shall knowingly be bought, sold, held, offered for sale, labeled, or any representation made in respect thereof, under a false name or quality, or as being what the same is not, as respects wholesomeness, soundness, or safety for food or drink.

Resolved, That section 38 of the Sanitary Code be and is hereby amended to read as follows: Sec. 38. That every person, being the owner, lessee, or occupant of any room, stall, or place where any meat, fish, fruit, or vegetables, designed or held for human food, shall be stored or kept, or shall be held or offered for sale, shall put and keep such room, stall, and place, and its appurtenances, in a cleanly and wholesome condition; and every person having charge, or interested, or engaged, whether as principal or agent, in the care, or in respect to the custody or sale of any meat, fish, fruit, birds, fowl, or vegetables, designed for human food, shall put and preserve the same in a cleanly and wholesome condition, and shall not allow the same, or any part thereof, to be poisoned, infected, or rendered unsafe or unwholesome for human food.

Resolved, That section 40 of the Sanitary Code be and is hereby amended to read as follows: Sec. 40. That it shall be the duty of every person knowing of any fish, meat, fowl, birds, fruit, or vegetables being bought, sold, or offered, or held for sale as food for human beings, or being in any market, public or private, in said city, and not being sound, healthy, or wholesome for such food, to forthwith report such facts, and the particulars relating thereto, to this Department, or to one of its officers or inspectors.

Resolved, That section 42 of the Sanitary Code be and is hereby amended to read as follows: Sec. 42. That upon any cattle, meat, birds, fowl, fish, fruit, or vegetables being found by any inspector, or other officer of this Department, in a condition which is, in his opinion, unwholesome and unfit for use as human food, or in a condition of a weight or quality in this code condemned or forbidden, he shall cause the same to be examined by two reputable persons, reasonably competent to judge in respect thereto, whom he may conveniently find; and if both said persons disagree with him in opinion in respect thereto, he shall take no action, and give no order, relative to the same, till he has been instructed by the Sanitary Superintendent; and if one or both of said persons agree with him in respect to said articles, then such inspector or officer may forbid the same being offered or exposed for sale, or being sold, for human food, till the owner or party in charge or other proper person has obtained the consent of the Sanitary Superintendent, of this Board, to their being so offered, used, or sold. And if both such persons agree with him in opinion, he may order the same to be removed; and thereupon, or if this Board shall have approved the judgment of said inspector, it shall be the duty of the owner and party in charge to speedily remove such article from any market, street, or public place, and not to sell or dispose, or offer to sell or dispose thereof for the purpose of human food. And in default of such removal, and also in case of disobedience to such order, and also in all cases where, in his opinion, such articles, by reason of their being in a decayed or offensive condition, would, if allowed longer to remain, be dangerous to health, the same (as this Board may provide) may be caused to be removed by any inspector, police officer, or officer of this Department, to some suitable place, at the expense of the party who should have removed the same, and the owner and party in interest must take notice thereof.

SCHOOL FOR NURSES.

THE COMMISSIONERS OF PUBLIC CHARITIES and Correction purpose opening a School for Nurses, at Charity Hospital, on the first day of August next. It is their design to offer to worthy young women, between the ages of twenty and thirty-five, the opportunity to acquire proficiency in a pursuit, which is at once honorable, useful, and remunerative, by educating them in the profession of Nursing. Every effort will be made to elevate the occupation, by a course of careful instruction from competent teachers, and by considerate and generous treatment of the pupils. The course of training will occupy two years, and will embrace lectures upon nursing, food, ventilation, midwifery, and all subjects connected with nursing.

The lectures will be given by Physicians connected with the Hospital, and will include a course of twelve lectures upon each subject every six months, and frequent instruction at the bedside.

At the expiration of two years the Nurses will be examined by a Committee of Physicians, and those who are competent and qualified will receive a diploma, signed by the Commissioners of Charities and Correction and the Examining Committee.

Applications, stating name in full, age, and names of Clergyman and Family Physician, should be addressed to
