#### 74.74 Large-scale General Development

#### 74-742 **Ownership**

Except as otherwise provided in this Section, any #large-scale general development# for which application is made for a special permit in accordance with the provisions of Section 74-74 (Large- scale General Development) shall be on a tract of land which at the time of application is all under the control of the applicant(s) as the owner(s) or holder(s) of a written option to purchase. The subject line of your Bid Submission Email must include the solicitation number and the name of the submitting vendor (e.g. B5954 – Enter Company Name). Please attach the completed Request for Bids and the Bid Blank documents to the Bid Submission Email as separate files. Please name the bid blank attachment "Bid Blank" and the completed Request for Bids attachment "RFB."

If the files accompanying your bid submission are too large to be transmitted as email attachments, please include in the first line of your Bid Submission Email a link to a Microsoft OneDrive folder containing all of your bid-related documents. Please note that if you are using OneDrive, do not attach any documents to the Bid Submission Email. Further, please include a separate folder within your OneDrive folder which includes the separate bid blank file. Please name this folder and the bid blank file "Bid Blank." The name of your OneDrive folder must match the subject line of your bid submission, and your OneDrive folder must not contain any files unrelated to the Bid Submission.

#### **Guidance for first-time Microsoft One-Drive Users:**

Microsoft OneDrive ("OneDrive") is a file hosting and synchronization service operated by Microsoft as part of its web version of Microsoft Office. OneDrive allows users to grant access to files which are too large to transmit via electronic mail to other users. If you do not have Office 365, please take the following steps to gain access to a free version of OneDrive so that you can upload those bid submission documents which are too large to transmit via electronic mail:

- 1. Conduct an internet search for "Microsoft OneDrive;"
- 2. Navigate to the official Microsoft website and sign up for a free account;
- 3. Once you have created a folder for the solicitation whose name matches the subject line of your Bid Submission Email, upload the documents relevant to your bid submission in this folder.
- 4. Create a share link for this folder;
- 5. Be sure to check your share settings so that anyone receiving the link that you create will be able to open the link and access the files. If your share link permissions are restricted (e.g. to only your organization in Office 365), the DOE will not be able to view your solicitation documents. It is your responsibility to ensure that the link(s) you provide allows the DOE to view, download and/or open your documents; and
- 6. Include the link which you have created as the first line of your Bid Submission Email.

## For hard copy (paper) bid submissions, please follow the below instructions:

Further to prior instructions regarding submissions of bids. In addition to electronic submission via email, Bidders may choose to hand deliver their bid packages to NYC DOE at any time prior to the Bid Due Date/Time. If you plan to submit a paper bid, you must provide notice by e-mailing DCPSubmissions@schools.nyc.gov, including "Paper Submission Request for Solicitation # B5954 in the subject line, at least three (3) business days in advance of the anticipated date and time and place you or your agent plan to arrive at 65 Court Street, Brooklyn, NY 11201, Rm 1201 to drop off your bid. Bidders should include in their notification e-mail the name of the person who will be delivering the bid or advise that the Bid Package will be arriving by messenger. Bidders who fail to provide advance notification of intent to hand-deliver a bid risk not having anyone to receive the bid.

The Bid opening will be conducted virtually via Microsoft Teams on <u>Tuesday</u>, <u>December 16th</u>, 2025, at 11:00 A.M. Bidders who have submitted their Bid Submission Email by the Bid Submission Deadline will receive a reply to their Bid Submission Email with a link to be able to view a livestream of the Bid opening online. #### Statement of Basis and Purpose

The Department of Homeless Services ("DHS" or the "Department") provides temporary emergency shelter to homeless New York City residents in accordance with State and local law. DHS implements regulations and court orders with the goal of moving shelter residents into permanent housing in the community as quickly as possible. DHS's Street Homeless Solutions ("SHS") provides a range of services to help individuals experiencing street homelessness transition into transitional or permanent housing and address behavioral health, substance use, and other issues along the way.

DHS contracts with not-for-profit providers to operate outreach teams, drop-in centers, and low-barrier transitional housing sites, including stabilization beds and safe havens. Outreach teams operate across all five boroughs, 24 hours a day, seven days a week, 365 days a year. These teams engage individuals experiencing unsheltered homelessness and connect people who are unsheltered to dedicated services and resources, including low-barrier transitional housing programs, which can be a first step toward permanent housing.

SHS manages contracts for nine drop-in centers, two welcome centers, 29 safe havens, and 12 stabilization bed sites. Together, the welcome centers, safe havens and stabilization sites provide approximately 4,000 overnight beds dedicated to New Yorkers experiencing street homelessness. In addition, SHS manages six street outreach programs with multiple teams operating throughout the city.

Drop-In Centers are publicly accessible specialized facilities that operate 24/7 and provide hot meals, showers, laundry facilities, clothing, medical care referrals, recreational space, employment referrals, and other social services to homeless individuals and families. Staff assist individuals with accessing and coordinating sleeping arrangements at other DHS low-barrier transitional housing sites or shelters.

Low-barrier transitional housing, such as stabilization bed and safe haven sites offer a less restrictive alternative to traditional shelter for those living outdoors for extended periods. These sites offer temporary sleeping accommodations, food and social services and are operated exclusively by not-for-profit providers; DHS does not directly operate any safe haven sites. Outreach teams coordinate with SHS's Joint Command Center ("JCC") to make referrals for entry.

Stabilization Beds are transitional housing placements with flexible requirements and light touch case management. These low-barrier environments without curfews are intended to serve individuals with significant periods of street homelessness and limited case management needs. When a client is referred to the JCC, the JCC will check the StreetSmart and CARES record for such client and confer with the referring entity. If the records or the referring entity indicate a need for more significant case management, the client will not be referred to a stabilization bed and may instead be referred to a safe haven.

Safe Havens are transitional housing resource placements that also feature flexible program requirements but offer more robust case management services. They are intended to serve individuals with significant periods of street homelessness and high clinical needs.

The goal of each low-barrier transitional housing program is to bring people off the streets into a supportive setting focused on helping them transition to permanent housing.

DHS proposes to amend Title 31 of the Rules of the City of New York by adding a new Chapter 6 establishing criteria for placement of unsheltered homeless adults into low-barrier transitional housing. Placement into a low-barrier transitional housing program does not replace or diminish the right to shelter in New York City. Rather, it offers a low-threshold option for individuals seeking temporary shelter who are unable or unwilling to enter the traditional shelter system.

The Department's authority for this proposed rule is found in sections 389, 612, and 1043 of the Charter.

New material is underlined. [Deleted material is in brackets.] Asterisks (\*\*\*) indicate unamended text. "Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of the Department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Title 31 of the Rules of the City of New York is amended by adding a new chapter 6 to read as follows:

#### Chapter 6: Placement Process for DHS Low-Barrier Transitional Housing

§6-01 Definitions.

For the purposes of this chapter, the following terms have the following meanings:

- a) "CARES" means Client Assistance Re-Housing Enterprise
  System, the shelter case management system used by the
  New York City Department of Homeless Services.
- b) "Client" means any person seeking services through the SHS or who has been offered assistance by outreach workers contracted by DHS.
- c) "DHS" means the New York City Department of Homeless Services.
- d) "DHS-administered facility" means a city-administered facility managed directly by DHS or by a provider under contract or similar agreement with DHS.
- e) "Drop-in center" means a DHS-administered facility open twenty-four hours a day, seven days a week that provides single adults with basic necessities, such as hot meals, washroom and laundry facilities, clothing, medical care, recreational space, employment referrals and/or housing placement services, but not an overnight bed.
- f) "Intake facility" means a DHS administered facility open twenty-four hours a day, seven days a week to accept and process applications for Temporary Housing Assistance.
- g) "Intermittent Shelter Stays" means repeatedly entering and leaving a city-shelter, over at least a six month period, with no stay lasting more than seven consecutive days.
- h) "Joint Command Center" or "JCC" is a unit within DHS'
  Street Homeless Solutions that coordinates with homeless
  advocate organizations, community groups, other city
  agencies and entities tasked with safely engaging individuals
  experiencing unsheltered homelessness.
- i) "Low-Barrier Placement" means DHS-administered facilities that provide shelter and on-site services such as temporary sleeping accommodations, food and social services, for unsheltered individuals with minimal barriers, eligibility criteria, or requirements for entry. Safe Havens and Stabilization beds are examples of low-barrier placements.
- j) "Proof of Street Homelessness" means documentation, including, but not limited to, case management, medical records, written statements from social service providers or interested parties submitted on a client's behalf confirming that their nighttime residence is in a place that is not meant for human habitation. Such documentation may be submitted by a social service provider, outreach provider, medical facility, or other interested party, depending on the specific facts and circumstances of an individual client's case, who can vouch for the duration of time a client has experienced street homeless; if documentation is unavailable, proof of street homelessness can also be demonstrated through at least three engagements with an outreach team within thirty days.
- k) "Safe Haven" means a DHS-administered facility that provides immediate alternative temporary housing for street homeless individuals. Safe Havens are low-barrier placements facilities intended to serve individuals who have experienced significant street homelessness or have significant clinical needs.
- "Significant clinical needs" means a physical health, mental health or substance use issue which substantially impairs a person's ability to function in daily life.
- m) "Stabilization beds" means DHS-administered facilities that provide temporary low-threshold placement options for individuals experiencing street homelessness. Individuals in stabilization beds may work with outreach teams and shelter staff to locate longer-term housing.
- n) "Street homeless" means an individual whose nighttime residence is a place not meant for human habitation, such as a car, subway station, abandoned building, park, or sidewalk.

- o)  $\frac{\text{"Street Homeless Solutions" or "SHS" is a Unit within DHS}}{\text{that oversees the JCC}}.$
- p) <u>"Street Smart" is the DHS street homeless case management</u> system.

§6-02 Process for Low-Barrier Placement.

- (a) The Joint Command Center will use the following criteria to determine whether placing an individual experiencing street homelessness in a low-barrier placement is appropriate:
  - i. There is no eligibility criteria for services provided by drop-in centers.
  - ii. If a client has at least six-months of either (i) documented street homelessness as reflected in StreetSmart, or (ii) documented intermittent shelter stays as reflected in CARES, and does not have documented significant clinical needs as reflected in StreetSmart or CARES, the JCC will refer such client to a Stabilization Bed.
  - iii. If a client has less than six months of (i) documented street homelessness as reflected in StreetSmart and (ii) documented intermittent shelter stays as reflected in CARES, and does not have documented significant clinical needs as reflected in StreetSmart or CARES, the JCC will refer such client to Intake.
  - iv. If a client has at least six months of (i) documented street homelessness as reflected in StreetSmart, or (ii) documented intermittent shelter stays in CARES, and has documented significant clinical needs as reflected in StreetSmart or CARES, the JCC will refer such client to a Safe Haven. If such client is already assigned to a mental health shelter, the JCC will consult a DHS manager.
  - v. If a client has less than six months of (i)
    documented street homelessness as reflected in
    StreetSmart, or (ii) documented intermittent
    shelter stays as reflected in CARES, and has
    documented significant clinical needs as reflected in
    StreetSmart or CARES, the JCC will consult with
    a manager within the JCC or with the Program
    Administrator overseeing outreach.
- (b) In each case, the JCC will review the list of available beds and work with the Outreach Team to identify an appropriate placement for each client.
- (c) Managerial or higher-level titled staff will review each case where a low-barrier placement was not provided.
- (d) Assistant Commissioner titles and higher may grant exceptions to this policy based on the totality of the circumstances and considering factors including but not limited to:
  - Proof of street homelessness;
  - ii. Indicators of significant mental health, physical health or substance use issues; and
  - Documentation from a partner city agency corroborating six months of street homelessness and/or significant clinical needs not captured in Street Smart or CARES.
- (e) Outreach teams will provide street homeless individuals with information about the appropriate DHS Intake site if a low-barrier placement is not provided or declined.
- (f) The JCC may set aside up to five percent of available beds, subject to availability, for clients not known to outreach teams who are referred by non-city agencies or non-city contracted entities that do not have access to StreetSmart or CARES.

#### Statement of Basis and Purpose of Proposed Rule

In 2019, New York City enacted Local Law 199 requiring the establishment of a new program for the collection of commercial waste. The program, known as the Commercial Waste Zones (CWZ) program, is a safe, efficient, and competitive collection system designed to provide high-quality service to New York City businesses while advancing the City's waste diversion and sustainability goals. Pursuant to Local Law 199, codified in Title 16-B of the New York City Administrative Code, the geographic area of New York City has been divided into 20 CWZs. Pursuant to a request for proposals process, three private carters providing commercial waste collection services were selected by the Department to serve businesses within each CWZ, and five carters were selected to provide citywide containerized commercial waste collection services to businesses that use dumpsters and compactors. The selected carters are referred to as "awardees." The resulting contracts with the awardees include standards for pricing, customer service, safety, environmental health, and requirements to promote the City's commitment to recycling and sustainability.

Local Law 199 requires the Department to issue rules setting forth an implementation start date and a final implementation date for each CWZ established. See Ad. Code § 16-1002(e)(3). Different implementation start and end dates may be established for different CWZs. The Department previously set the implementation start and end dates for the first five CWZs: Queens Central, Bronx East, Bronx West, Queens Northeast, and Brooklyn South. This rule sets the implementation start date and final implementation date for the next two zones: Queens West and Lower Manhattan. Subsequent rules will set the implementation dates for the remaining 13 zones.

DSNY's authority for these rules is found in Section 753 and Section 1043(g) of the New York City Charter and Title 16-B of the New York City Administrative Code.

New material is underlined. [Deleted material is in brackets.]

"Shall" and "must" denote mandatory requirements and may be used interchangeably in the rules of this department, unless otherwise specified or unless the context clearly indicates otherwise.

Section 1. Subdivision b of section 20-02 of Title 16 of the Rules of the City of New York is amended to read as follows:

(b) Awardees for one or more of the commercial waste zones set forth in subdivision (a) of this section and for citywide containerized service are authorized to commence service in the awarded zones on the following implementation start and final implementation dates:

Zone name	Implementation start date	Final implementation date
Queens Central	September 3, 2024	January 2, 2025
Bronx East	October 1, 2025	November 30, 2025
Bronx West	October 1, 2025	November 30, 2025
Queens Northeast	January 1, 2026	February 28, 2026

#### DETERMINATION AND FINDINGS BY THE CITY OF NEW YORK PURSUANT TO SECTION 204 OF THE NEW YORK STATE EMINENT DOMAIN PROCEDURE LAW

Whereas, the New York City Department of Design and Construction ("DDC"), on behalf of the New York City Department of Environmental Protection ("DEP"), and the City of New York ("City"), has proposed the acquisition of unlotted streetbed properties for sewer installation and roadway improvements along Bridge Street between Minnieford Avenue and City Island Avenue (Capital Project No. SEX200400) in the Borough of The Bronx (the "Project"); and

Whereas, the New York State Eminent Domain Procedure Law ("EDPL") sets forth uniform procedures for condemnations by municipalities throughout the State of New York, which also governs this acquisition; and

Whereas, pursuant to the EDPL, the City is required to hold a public hearing to inform the public of the proposed acquisition, including the impact on the unlotted streetbed properties listed below, and to review the public use to be served by the Project, including the impact on the environment and residents: and

Whereas, on July 24, 2025, the City held a public hearing pursuant to EDPL Section 201 in connection with the proposed public project, in the Borough of The Bronx (with an option to attend virtually). Having given due consideration to the complete hearing record, which includes, amongst other things, all documents submitted and all public comments received, the City makes the following determination and findings concerning the herein described proposed acquisition and Project:

- 1. The public use and benefit of this Project is for sewer installation and roadway reconstruction on Bridge Street in the Borough of The Bronx.
- 2. The properties proposed to be acquired are within the acquisition limits shown on Damage and Acquisition Map No. 15526, dated March 05, 2019, last revised January 16, 2024 ("the acquisition area") as follows:
  - Bridge Street Between Minnieford Avenue & City Island Avenue

The unlotted streetbed properties proposed to be acquired include the following locations, as shown on the Tax Map of the City of New York for the Borough of The Bronx:

BLOCK #:	ADJACENT LOT#:
5636	38, 39, 40, 41, 42, 43, 158, 163, 167

The City selected these locations based on a need for sewer installation and roadway improvements on Bridge Street. The City has determined that there are no potential alternative locations for the Project.

An environmental assessment of the proposed property acquisition location was conducted in accordance with the requirements of the State Environmental Quality Review Act (SEQRA) and the New York City Environmental Quality Review process. The New York City Department of Environmental Protection, as lead agency, determined

that the proposed Project would have no potential significant adverse impact on quality of the environment, and issued a Negative Declaration (CEQR No. 11DEP006X) on February 6, 2015.

Comments were received both during and after the public hearing relating to: (a) traffic mitigation, safety and the potential impact of the proposed project on the surrounding utilities, commercial operations, residents, and neighborhood; (b) Project scope, impact and effects of construction, including potential disruptions to property access and parking; (c) City's communication regarding the condemnation process, Project scope and construction; (d) compensation. The record of the hearing remained open for written comments until 5:00 P.M. on July 31, 2025. All comments have been reviewed, incorporated into the record, and given full consideration by the City.

#### **DETERMINATION:**

Based upon due consideration of the record and the foregoing findings, it is determined that the City of New York should exercise its power of eminent domain to acquire the above-described properties in order to promote and permit the purposes of the Project to be achieved.
