Assistant Alderman Healy, chairman of the special committee having the matter of the Fireless Engine Company in charge, stated that a majority of the Committee having met and considered the subject, they agreed to report in favor of giving the permission asked for, the report was handed to one of the committee, but he refused to sign or return the paper to the chairman of the committee.

The Chairman asked the member from the Sixth District to inform the Board what member he had reference to.

Assistant Alderman Healy replied that it was the member from the Second (Assistant Alderman Murphy), and he moved that the Chairman be requested to ask the member from the Second to hand the report to the Clerk that the same may be read.

Which was carried.

Assistant Alderman Murphy declined to accede to the request, and as his reason for so doing said that he had not had time to read the report.

The Chairman pro tem. then stated that the member from the Second is held in contempt, and that the Clerk is directed not to call the name of Assistant Alderman Murphy until he has purged himself from such contempt.
