■ PUBLIC HEARINGS

Committee on Contracts Agenda

The Department of Education's (DOE) Chancellor's Committee on Contracts (COC) has been asked for approval to enter into contract negotiations with the following organization(s) for the services described below. Other organizations interested in providing these services to the DOE are invited to indicate their ability to do so in writing to Jay G. Miller at 65 Court Street, Room 1201, Brooklyn, NY, 11201. Responses should be received no later than 9:00 A.M., Thursday, May 17, 2012. Any COC approval will be contingent upon no expressions of interest in performing services by other parties.

Item for Consideration:

1. Teach for America

Service(s): The Office of Teacher Recruitment and Quality (TRQ) is seeking an agreement with Teach for America (TFA) to provide services for alternate route teachers. TFA recruits working professionals and outstanding college graduates of all majors to commit two years to teach in urban and rural public schools. In turn, these individuals receive training and professional development to become certified and eligible for employment in DOE schools. Since Fall 2001, the DOE has subsidized the university component of the TFA Certification program. In the Fall of 2012, TFA expects to place approximately 180 corps members to serve in some of New York City's most hard-to-staff public schools. TFA will provide another 200 corps members in 2013 as well as 2014. Further, the DOE pays \$4,500 to TFA per new teacher recruit for operating services associated with recruiting, selecting, training, and supporting TFA teachers plus \$2,000 in tuition subsidy.

Term: 9/1/12 – 8/31/17
Estimated Contract Cost Not-to-Exceed: \$3,430,000

2. Coro New York Leadership Center

Service(s): The Office of the Deputy Chancellor for Equity and Access is seeking an agreement with Coro New York Leadership Center (CORO) to provide a two year training program in leadership skills to approximately 40 10th and 11th grade NYC public high school students annually.

CORO, in partnership with the Mayor's Youth Leadership Council (MYLC) and the DOE, trains youths in leadership skills. These young people will make recommendations to the Mayor on matters that impact the lives of students who attend New York City Department of Education Public Schools. This program will allow students to work directly with the Mayor and city officials to offer input into NYC policymaking with the purpose of potentially sparking an interest in careers in government.

Coro Contribution: \$100,588 Tax Levy: \$322,752
Term: 7/1/12 – 6/30/14
Total Contract Cost Not-to-Exceed: \$433,340

3. American Reading Company

Service(s): The Office of School Programs and Partnerships is seeking an agreement with American Reading Company (ARC) to provide expertise in the development of informational text/non-fiction trade book and non-trade book for K-12 classroom selections and libraries.

ARC will research, develop, and propose ten Model Unit Text Collections and supporting materials in Science or Social Studies to align with the Common Core Learning Standards (CCLS). ARC will devise text collections and supporting instructional materials to allow schools to explore a new way of utilizing texts in the classroom. ARC will prepare and maintain reprint permission rights on behalf of the DOE for all selected texts not in the public domain. AGENCY RULES**CONSUMER AFFAIRS****■ NOTICE****NOTICE OF ADOPTION**

Notice of Adoption of a Proposed Rule Amendment regarding the ability of the Department of Consumer Affairs to invade the Home Improvement Business Trust Fund (the Fund) to satisfy a fine imposed on a contractor.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the Department of Consumer Affairs by Section 20-104(b) of Chapter 1, Title 20 of the Administrative Code of the City of New York and in accordance with the requirements of Section 1043 of the New York City Charter that the Department of Consumer Affairs promulgates and adopts a rule regarding the ability of the Department of Consumer Affairs to invade the Home Improvement Business Trust Fund (the Fund) to satisfy a fine imposed on a contractor.

This rule was proposed and published on March 9, 2012. The required public hearing was held on April 9, 2012.

This rule will take effect in 30 days.

Material being deleted is shown below in brackets and material being added is underlined.

Statement of Basis and Purpose

Section 20-104(b) of the Administrative Code of the City of New York authorizes the Commissioner to adopt such rules as are necessary and appropriate to carry out the powers and duties of the Department of Consumer Affairs.

The rule amendment clarifies that the Department may invade the Home Improvement Business Trust Fund (the Fund) to satisfy a fine imposed on a contractor after a hearing, whether or not restitution is awarded to the consumer. The Commissioner's Rules require home improvement contractors either to furnish a bond to the Department or to participate in the Home Improvement Business Trust Fund. One of the purposes for this requirement is to ensure the payment of fines owed to the Department for violation of applicable laws, regulations and rules governing the licensed activity.

The proposed change makes clear that the Department can invade the Fund to collect fines owed by a participating home improvement contractor just as the Department could invade a bond for that purpose. More specifically, the amendment modifies the language of subsection 2-224(c)(1) of the Rules of the City of New York to eliminate language in subsection 2-224(c)(1)(i) that appears to limit the invasion of the trust fund to cases where there has been an award of consumer damages.

This amendment furthers the intent of section 20-115 of the Administrative Code, which states that a bond may be required for any licensed activity, including the home improvement business, to ensure compliance with the laws, regulations and rules governing the licensed activity.

RULE

Section 1. Subparagraph (i) of paragraph 1 of subdivision (c) of section 2-224 of Title 6 of the Rules of the City of New York is amended to read as follows:

(i) the Department has conducted an administrative hearing that results in a decision [finding] that a home improvement contractor is in violation of a law, ordinance or regulation enforced by the Department[; and the department or a court of competent jurisdiction has rendered a decision, judgment

or an arbitration award against the contractor for damages suffered by a consumer arising out of a home improvement contract]; and

NOTICE OF ADOPTION

Notice of Adoption of a Proposed Rule Amendment regarding written examinations to be taken by applicants for home improvement contractor and salesperson licenses.

NOTICE IS HEREBY GIVEN PURSUANT TO THE AUTHORITY VESTED IN the Commissioner of the Department of Consumer Affairs by Section 20-104(b) of Chapter 1, Title 20 of the Administrative Code of the City of New York and in accordance with the requirements of Section 1043 of the New York City Charter that the Department of Consumer Affairs promulgates and adopts a rule regarding written examinations to be taken by applicants for home improvement contractor and salesperson licenses.

This rule was proposed and published on March 9, 2012. The required public hearing was held on April 9, 2012.

This rule will take effect in 30 days.

Material being deleted is shown below in brackets and material being added is underlined.

Statement of Basis and Purpose

Pursuant to Section 20-104 (a) of the New York City Administrative Code, which gives the Commissioner the power to collect a fee for all licenses, and Section 20-104(b) of the Code, which authorizes the Commissioner to adopt such rules as are necessary and appropriate to carry out the powers and duties of the Department, the Department proposes amendments to Section 2-226 of the Rules of the City of New York relating to written examinations for home improvement contractor or salesperson licenses.

All individuals who wish to engage in the construction, repair, remodeling or addition to any land or building used as a residence in New York City must obtain a Home Improvement Contractor license from DCA. Similarly, anyone who solicits, negotiates or offers to negotiate a home improvement contract with a property owner must also obtain a Home Improvement Salesperson license. In order to ensure that the contractor and/or salesperson have an understanding of their responsibilities under the law, DCA requires new applicants to pass an examination testing this knowledge. Existing licensees are not required to retake the examination unless their license has elapsed.

The amendments are as follows:

- Section 1(a) institutes a \$50 examination fee for individuals who seek to become a licensed Home Improvement Contractor or Home Improvement Salesperson. The proposed fee is meant to defray the cost to the Department of preparing and administering the examination in multiple languages.
- Section 1(b) limits the number of times an individual can retake the examination with each fee payment.
- Section 1(c) extends the amount of time in which a licensee is able to renew their license before being required to take the examination again.

RULE

Section 1. Section 2-226 of Title 6 of the Rules of the City of New York is amended to read as follows:

§2-226 Written Examination Required.

(a) Every person who applies for a license as a home improvement contractor or as a salesperson (as defined in §20-386(9) of the Administrative Code of the City of New York) [on or after April 30, 1993,] shall be required to pass an examination prior to being issued a home improvement contractor or salesperson license in accordance with §20-387 of the Administrative Code of the City of New York. Such examination shall test the knowledge of the applicant with respect to home improvement business practices, procedures and regulatory requirements and shall be offered [twice per month] regularly by the Department. The fee for taking the examination is \$50. The \$50 fee includes one subsequent retake in case the applicant fails the first examination.

(b) An applicant who fails a second examination will be required to pay a fee of \$50 for two additional opportunities to take the examination.

(c) An applicant for renewal of a license shall not be required to take an examination provided the application is submitted and payment of the license fee is made within [one (1) month] 59 days following the expiration of the term of the current license.

READER'S GUIDE

The City Record (CR) is published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in The City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Monday through Friday from 9:00 A.M. to 5:00 P.M., except on legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers, workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptroller's Office at www.comptroller.nyc.gov, and click on Prevailing Wage Schedules to view rates.

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION-RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$17 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. Registration for these lists is free of charge. To register for these lists, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application, which can be found online at www.nyc.gov/selltonyc. To request a paper copy of the application, or if you are uncertain whether you have already submitted an application, call the Vendor Enrollment Center at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services at 110 William Street, New York, NY 10038. Sessions are convened on the second Tuesday of each month from 10:00 A.M. to 12:00 P.M. For more information, and to register, call (212) 618-8845 or visit www.nyc.gov/html/sbs/nycbiz and click on Summary of Services, followed by Selling to Government.

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these entities directly at the addresses given in the Vendor Information Manual.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 9:30 A.M. to 5:00 P.M., except on legal holidays. For more information, contact the Mayor's Office of Contract Services at (212) 341-0933 or visit www.nyc.gov/mocs.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN-OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women-Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about this program, contact the Department of Small Business Services at (212) 513-6311 or visit www.nyc.gov/sbs and click on M/WBE Certification and Access.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in July.

The Rules may also be accessed on the City's website at www.nyc.gov/selltonyc

HOW TO READ CR PROCUREMENT NOTICES

Procurement notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section.

At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified unless a different one is given in the individual notice. In that event, the directions in the individual notice should be followed.

The following is a SAMPLE notice and an explanation of the notice format used by the CR.
