1. Conduct an internet search for "Microsoft OneDrive;"
2. Navigate to the official Microsoft website and sign up for a free account;

5. Be sure to check your share settings so that anyone receiving the link that you create will be able to open the link and access the files. If your share link permissions are restricted (e.g. to only your organization in Office 365), the DOE will not be able to view your solicitation documents. It is your responsibility to ensure that the link(s) you provide allows the DOE to view, download and/or open your documents; and
6. Include the link which you have created as the first line of your RFP Submission Email.

For hard copy (paper) Proposal submissions, please follow the below instructions:

Further to prior instructions regarding submissions of Proposals. SUPPORTIVE HOUSING CONTRACTS - SCATTERED SITE AND CONGREGATE HOUSING - Negotiated Acquisition - PIN# 81625N0020 - Due 3-6-25 at 5:00 P.M.

The Department of Health and Mental Hygiene (DOHMH) intends to enter into Negotiated Acquisitions with the contractors listed below. It is not practical or advantageous to award a contract for these services by Competitive Sealed Bidding or Competitive Sealed Proposal due to the need for continuity of vital permanent affordable community-based (i.e., Scattered site) and Congregate housing with comprehensive supportive services for individuals and/or families in New York City. The current supportive housing contracts assist tenants by preventing homelessness, incarceration, and medical and psychiatric hospitalization. This is accomplished by helping tenants develop skills for independent living, positive social connections, parenting, obtaining benefits, developing vocational and educational skills, pursuing employment, creating linkages for health/mental healthcare, and, where possible, family reunification.

Proposed Term for Each Contract: 9 years (07/01/2025 – 06/30/2034)

Contractors:

1. Good Shepherd Services
2. The Neighborhood Coalition for Shelter, Inc.
3. Lower East Side Service Center, Inc.
4. Urban Pathways, Inc.

The DOHMH has determined that there is a limited pool of vendors capable of performing services for the Supportive Housing Services. The contractors listed above are currently the only providers that meet the necessary qualifications and criteria to perform these services. This notice is for informational purposes only.

INFORMATION SESSION: PRE-QUALIFIED LIST (PQL) FOR HEATING SERVICES

NYCHA is excited to introduce you to our Pre-Qualified list (PQL) for Heating Services.

These services include removal, installation, fabrication, repair, materials, supplies, and other services performed by the Heating trade across NYCHA developments City-wide. We are seeking experienced vendors to join our community and provide these in-demand services!

What is a Pre-Qualified list?

A PQL is a tool that NYCHA will use to primarily contract for Heating Services for its developments, streamlining the process for both vendors and NYCHA. NYCHA will publish Heating Services contracting opportunities, and the PQL will predominantly be used to procure Heating services. After pre-qualifying according to specific criteria, vendors can bid on Heating Services contracts released to the PQL.

All contractors interested in NYCHA's Heating Services PQL must follow two important steps:

1. Vendors can obtain a copy of the Heating Services Prequalification Application and prepare your response to the Request for Qualifications (RFQ) at: <https://www.nyc.gov/site/nycha/business/nycha-pql.page>. Vendors must prepare and submit applications to NYCHA's Heating Services PQL as follows, with information in the subject line "Heating Services Prequalification Application Submission (and company name applying)" to email address; NYCHA Pre-Qualified List PQL@nycha.nyc.gov to pre-qualify, vendors must meet the minimum requirements listed for experience, licensure, workforce capacity, and integrity. Applications will be evaluated by NYCHA on a rolling basis, but we recommend applying early to gain access to more PQL contracting opportunities!
2. Vendors who are admitted to the PQL can then bid for Heating Services solicitations at NYCHA. NYCHA will confirm PQL evaluation decisions with applicants via a letter of acceptance or a letter of rejection. Vendors must bid on each Heating Service contract award, as admission to the PQL does not guarantee contract award. To bid on a specific contract, NYCHA encourages vendors to apply a minimum of 15 days prior to the bid submission closing date to the PQL for a Heating Services contract to be considered for that solicitation.

GENERAL SCOPE OF WORK – SPECIFICATIONS

NYCHA is currently accepting applications for Heating Services Pre-Qualified List (PQL) program. NYCHA is seeking vendors who are skilled in the field of Heating Services to perform related work across NYCHA developments citywide and shall be performed in occupied and unoccupied apartments. The work shall consist of furnishing all labor, materials, equipment and all other incidental items necessary and required to perform the subject work.

Specific timeframes and additional specifications for each project will be outlined in solicitations. Additional licensing, experience and certification may be required.

An informational session will be hosted, Thursday, March 20, 2025, at 11:00 A.M., and will be conducted remotely via Microsoft Teams meetings. Attendance is strongly encouraged. To join the informational session, please follow the options below: Microsoft Teams meeting (Join on your computer, mobile app, or room device).

Statement of Basis and Purpose of Proposed Rule

The Office of Administrative Trials and Hearings (OATH) proposes to add a new section to subchapter F of Chapter 6 of title 48 of the Rules of the City of New York to establish a process by which the city sheriff may move to amend a judgment to designate a judgment debtor by the correct legal name. This proposed rule is necessary in order to implement New York City Administrative Code Section 7-551 (d) and provide the office of the city sheriff with a process to amend a judgment and correctly identify a judgment debtor when: (i) the judgment identifies the debtor solely by their address or (ii) the debtor's name is misspelled or contains errors.

OATH's authority for this rule is found in Section 7-551 (d) of the New York City Administrative Code and sections 1043, 1049, and 1049-a of the New York City Charter.

New text is underlined.

Section 1. Subchapter F of Chapter 6 of title 48 of the Rules of the City of New York is amended by adding a new section 6-29 to read as follows:

§ 6-29 Post Judgment Amendment of Records by the City Sheriff.

(a) The office of the city sheriff may move to correct the name of a judgment debtor in a judgment obtained in a proceeding brought pursuant to New York City Administrative Code Section 7-551 in circumstances where: (i) the name of a judgment debtor is misspelled or otherwise contains errors, or (ii) a judgment identifies a judgment debtor based entirely on the address or location at which a summons was issued pursuant to such section and the City Sheriff wishes to include the legal name of such judgment debtor, provided that this section shall not be interpreted to give the office of the City Sheriff the authority to substitute the name of one debtor for another.

(b) The city sheriff must file a written motion pursuant to subdivision a of this section with OATH. The movant must also file an affidavit setting forth the facts and evidence relied on and an affidavit of service, by certified or registered mail and regular mail, of the motion on the judgment debtor at the judgment debtor's last known address and at the address such judgment debtor's representative provided at a hearing held pursuant to New York City Administrative Code Section 7-551. Such motion must be served on the judgment debtor and any other party. The motion must set forth the date and time of the hearing in accordance with the direction of the Office of the Chief Clerk, provided that such date and time will not be sooner than ten days after the service of such motion on the judgment debtor. At such hearing, any party may appear, with or without an attorney, cross-examine

witnesses, present evidence and testify. If the judgment debtor does not appear at the hearing, the Hearing Officer may render a determination on the motion.

(c) If the Hearing Officer finds that the city sheriff has established, by a preponderance of evidence, (i) the correct legal name of the judgment debtor, (ii) that the judgment debtor is the party charged in the underlying summons and (iii) that service of the summons was properly made upon such judgment debtor, the Hearing Officer will grant such motion and issue a decision directing the amendment of the judgment to reflect the correct legal name of the judgment debtor and of all records relating to the proceedings commenced by the service of the summons or summonses, including the records of judgments filed with the civil court and in the office of the county clerk.

(d) The Hearing Officer's decision will be a final decision.

(e) An order correcting a judgment does not affect the duration of a judgment. The judgment will remain in full force and effect for eight years from the date that the judgment was originally entered.

(f) The City Sheriff may designate any agency to act on behalf of the City Sheriff in accordance with the provisions of subdivision d of section 42-04 of title 19 of the Rules of the City of New York.

EMERGENCY EXECUTIVE ORDER NO. 754

February 27, 2025

WHEREAS, it is of utmost importance to protect the health and safety of all persons in the custody of the Department of Correction (“DOC”), and of all officers and persons who work in the City of New York jails and who transport persons in custody to court and other facilities, and the public; and

WHEREAS, over 80 provisions in the various Court Orders entered in *Nunez v. City of New York*, 11 CV 5845 (SDNY), require DOC to consult with, and seek the approval of, the *Nunez* Monitor (“Monitor”) prior to implementing or amending policies on issues, including but not limited to, matters relating to security practices, the use of restraints, escorts, emergency lock-ins, de-escalation, confinement management of incarcerated individuals following serious acts of violence and subsequent housing strategies, and DOC may be held in contempt of court and sanctioned if it fails to appropriately consult with and obtain approval from the Monitor regarding policies in these areas; and

WHEREAS, as fully detailed in Emergency Executive Order 579 of 2024, DOC is already experiencing a significant staffing crisis, which poses a serious risk to the health, safety, and security of all people in custody and to DOC personnel; and

WHEREAS, attempting to comply with many of the provisions of Local Law 42 and the new BOC regulations, such as by transporting individuals to court without restraints, would require a massive increase in staff and other resources, which are not available; and

WHEREAS, even if DOC had such additional staffing and resources, that still would not obviate the direct threat to public

safety posed by certain provisions of Local Law 42, nor would it obviate the fact that the Monitor has yet to approve implementation of those provisions as required by the *Nunez* Orders, nor would it obviate the fact that additional time would be needed to safely implement those provisions of Local Law 42 eventually approved by the Monitor, because, as the Monitor has expressly cautioned, the safe implementation of any new requirement or reform in DOC facilities requires planning time to “evaluat[e] the operational impact, update[e] policies and procedures, updat[e] the physical plant, determin[e] the necessary staffing complement, develop[] training materials, and provid[e] training to thousands of staff, all of which must occur before the changes in practice actually go into effect” [11 CV 5845 (SDNY) Dkt No. 758-3 at p. 61]; and

WHEREAS, on July 27, 2024, I issued Emergency Executive Order No. 624, and declared a state of emergency to exist within the correction facilities operated by the DOC, and such declaration remains in effect; and

WHEREAS, additional reasons for requiring the measures continued in this Order are set forth in Emergency Executive Order No. 625, dated July 27, 2024, and Emergency Executive Order 682, dated October 30, 2024; and

NOW, THEREFORE, pursuant to the powers vested in me by the laws of the State of New York and the City of New York, including but not limited to the New York Executive Law, the New York City Charter and the Administrative Code of the City of New York, and the common law authority to protect the public in the event of an emergency:

Section 1. I hereby direct section 2 of Emergency Executive Order No. 751, dated February 22, 2025 is extended for five (5) days.

§ 2. This Emergency Executive Order shall take effect immediately and shall remain in effect for five (5) days unless it is terminated or modified at an earlier date.
