JURORS.  
 NOTICE  
 IN RELATION TO JURORS FOR STATE  
 COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,  
 ROOM 127, STEWART BUILDING,  
 CHAMBERS STREET PUBLIC BUILDING,  
 NEW YORK, June 1, 1886.

APPLICATIONS FOR EXEMPTIONS WILL BE  
 heard here, from 10 to 3 daily, from all persons  
 hitherto liable or recently serving who have become  
 exempt, and all needed information will be given.

Those who have not answered their liability, or  
 proved permanent exemption, will receive a "jury en-  
 rollment notice," requiring them to appear before me  
 this year. Whether liable or not, such notices must be  
 answered (in person, if possible, and at this office only)  
 under severe penalties. If exempt, the party must bring  
 proof of exemption; if liable, he must also answer in  
 person, giving full and correct name, residence, etc. etc.  
 No attention paid to letters.

Persons "enrolled" as liable must serve when called  
 or pay their fines. No mere excuse will be allowed or  
 interference permitted. The fines if unpaid will be en-  
 tered as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and  
 secure reliable and respectable jurors, and equalize their  
 duty by serving promptly when summoned, allowing  
 their clerks or subordinates to serve, reporting to me any  
 attempt at bribery or evasion, and suggesting names for  
 enrollment. Persons between sixty and seventy years of  
 age, summer absentees, persons temporarily ill, and  
 United States and District Court jurors are not exempt.

Every man must attend to his own notice. It is a mis-  
 demenor to give any jury paper to another to answer.  
 It is also punishable by fine or imprisonment to give or  
 receive any present or bribe, directly or indirectly, in  
 relation to a jury service, or to withhold any paper or  
 make any false statement, and every case will be fully  
 prosecuted.

CHARLES REILLY,  
 Commissioner of Jurors.

DEPARTMENT OF PUBLIC WORKS.

TO CONTRACTORS.

PROPOSALS FOR ESTIMATES FOR FURNISHING, LIGHTING AND MAINTAINING ELECTRIC-LIGHTS ON THE STREETS, AVENUES, PIERS, PARKS AND PUBLIC PLACES OF THE CITY OF NEW YORK, FOR THE PERIOD OF ONE YEAR, COMMENCING ON MAY 1, 1887, AND ENDING ON APRIL 30, 1888, BOTH DAYS INCLUSIVE.

ESTIMATES FOR THE ABOVE WILL BE RE-  
 ceived at the office of the Commissioner of Public  
 Works, No. 31 Chambers street, in the City of New York,  
 until 12 o'clock M. of TUESDAY, APRIL 26, 1887,  
 at which place and time they will be publicly opened by  
 said Commissioner and read.

Any person making an estimate for the above shall fur-  
 nish the same in a sealed envelope, indorsed "Estimate  
 for furnishing the illuminating material for, and lighting  
 and extinguishing, cleaning, repairing, and maintaining  
 the public lamps," and also with the name of the person  
 making the same, and the date of its presentation.

Bidders are required to state in their estimates their names  
 and places of residence; the names of all persons interested  
 with them therein, and, if no other person be so inter-  
 ested, they shall distinctly state the fact; also, that it is  
 made without any connection with any other person making  
 any estimate for the same supplies and work; and that it is  
 in all respects fair, and without collusion or fraud; and,  
 also, that no member of the Common Council, head of a  
 Department, Chief of a Bureau, Deputy, or Clerk there-  
 in, or other officer of the Corporation of the City, or  
 indirectly interested therein, or in the supplies or work to  
 which it relates, or in any portion of the profits thereof;  
 which estimate must be verified by the oath, in writing, of  
 the party making the same, that the several matters  
 stated therein are in all respects true. Where more than  
 one person is interested, it is requisite that the verification  
 be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in  
 writing, of two householders or freeholders of the City of  
 New York, with their respective places of business or  
 residence, to the effect that if the contract be awarded to  
 the person or persons making the bid or estimate, they  
 will, on its being so awarded, become bound as his or  
 their sureties for its faithful performance; and that if he or  
 they shall omit or refuse to execute the same, they will pay  
 to the Corporation any difference between the sum to  
 which he or they would be entitled upon its completion,  
 and that which the Corporation may be obliged to pay to  
 the person to whom the contract may be awarded at any  
 subsequent letting; the amount in each case to be calcu-  
 lated upon the estimated amount of the work by which  
 the bids are tested. The consent above mentioned shall  
 be accompanied by the oath or affirmation, in writing, of  
 each of the persons signing the same, that he is a house-  
 holder or freeholder in the City of New York, and is worth  
 the amount of security required for the completion of the  
 contract, and stated in the proposals, over and above all  
 his debts of every nature, and over and above his liabilities  
 as bail, surety, and otherwise; with an intention to execute  
 the bond required by law.

Bidders are required to state in their estimates the  
 district or several streets, avenues, piers, parks and places,  
 or parts of streets, avenues, piers, parks and places, which  
 they propose to perform the requirements herein contained,  
 and also the illuminating or candle-power of the light they  
 propose to furnish, when tested at a distance of not less  
 than one mile from the place of manufacture.
