DEPARTMENT OF DOCKS.

At a special meeting of the Board of Docks, held November 20, 1882.

Present—The full Board.

The Board proceeded to the consideration of the matter respecting the obstruction of the piers and bulkheads with ice bridges, scales, etc., having appointed this day to give a hearing, at the request of several parties engaged in the ice business, for that purpose. The following gentlemen were present:

Robert Scott, Thirty-fourth street, North river.

James Tilley, Fifteenth street, North river.

A. M. Earle, Consumers' Ice Company, Horatio street, North river.

M. F. Winch and William Kemp, New York City Ice Company, Canal street, North river.

John Clark, Ridgewood Ice Company, Rutgers street, East river.

E. A. Smith, Knickerbocker Ice Company.

D. Dunham, Glasco Ice Company, Fourteenth and Fifteenth streets, North river.

Charles A. Stadler, Brewers' Ice Company, Sixty-third street, East river.

John Mulford, Mutual Benefit Ice Company, Sixteenth street, North river.

Ransom Parker, Sr., West Eleventh street, North river.

Frank E. Bean, Seventeenth street, North river.

Wm. M. Montgomery, Fortieth street, North river.

And were heard in reference to the matter. It was stated by them that there was not, at the present time, sufficient accommodation for the transaction of their business, the amount of ice annually brought to this city, all by water transportation, being about two and a half million tons, and that it was necessary to enlarge the facilities now allowed them by giving them more room instead of limiting them to their present accommodations; that the most of the dealers occupied the berths at the ice bridges all the year around, and that, therefore, the ice bridges were no obstruction to any other business, and were absolutely necessary to facilitate the handling of ice.

A written statement was also presented by Mr. E. A. Smith, the representative of the Knickerbocker Ice Company, and read by him in reference to the subject, and requesting that the order to remove be rescinded, and that additional dock facilities be granted to that company.

Which was laid over for consideration.

The further hearing of the matter was postponed until December 4, proximo, at 1 o'clock P. M., when the parties interested were requested to present to the Board plans for some improved method to be substituted in place of the present permanent ice bridges, which are considered by the Board to be structures unauthorized by law and constitute permanent obstructions on the piers and bulkheads, which must be removed.

On motion, the following resolution was unanimously adopted:

Resolved, That the time specified in the resolution, heretofore adopted on October 25 ult., in which to remove ice bridges, scales, and other structures in use by parties engaged in the ice business, be and the same is hereby extended for the period of thirty days additional thereto.

Commissioner Voorhis offered the following resolution, which was unanimously adopted:

Resolved, That the Union Ferry Company of Brooklyn be and hereby is granted permission to rebuild or repair the platform bridges and ferry racks required for the ferry at the foot of Wall street, between Piers 15 and 16, East river, and to erect and maintain a new ferry-house between said piers. The northerly half of said ferry-house is to be placed or located about one hundred and eighty feet distant from the northerly line of South street, and to extend over the waters of the East river in a southerly direction about eighty-five feet, and to be in width in its easterly and westerly directions parallel with South street about one hundred and ten feet, and in its elevation and design and construction to be as per plans submitted by said ferry company, which are hereby approved by the Board; said ferry-house platform, etc., to be built upon piles, and so constructed as to facilitate and admit of the easy dredging and cleaning of all of said slip under and adjacent to the ferry-house platform bridges and racks hereby authorized to be constructed or maintained; provided, that the said platform, bridges, racks and ferry-house shall not be used or permitted to be used for any other purpose than for ferry purposes; and provided, that nothing hereinbefore contained shall be construed as altering or modifying the contract contained in the lease of said ferry to said company by the Mayor, Commonalty, or Aldermen of the City of New York, dated the 25th day of April, 1881; and also provided, that the said ferry company file in this Department, within five days after notice hereof, an agreement in writing to build, on or before the first day of May, 1884, and maintain a good and sufficient crib-work construction between said Piers 15 and 16, East river, parallel with South street, and one hundred and eighty feet distant from the northerly line of said street, returning said crib-work in a northerly direction adjoining the easterly line of Pier 15 and the westerly line of Pier 16 to the existing bulkhead, and filling in the intermediate space between said crib-work construction and the existing bulkhead, which will constitute the approach to said ferry, with good, clean, solid earth filling, deposited in and retained in such a manner as not to filter or sift through the crib-work into the water of the East river adjoining, the said filling to be properly paved with granite-block pavement, and suitable crosswalks leading to the ferry-house for pedestrians; and all the herein-mentioned and described work to be done under the direction and supervision of the Engineer-in-Chief of this Department, it being understood that the proper authorities will duly change the sewer openings.

On motion, the Board adjourned.

LAYING FLOORING AND DOING OTHER WORK
IN THE ALTERATION OF FULTON MAR-
KET.

Each estimate must contain the name and place of resi-
dence of the person making the same, the names of all persons
interested with him therein, and if no other person
be so interested, it shall distinctly state that fact.
That it is made without any connection with any other
person making an estimate for the same work, and is in
all respects fair and without collusion or fraud. That no
member of the Common Council, head of a department,
chief of a bureau, deputy thereof, or clerk therein, or
other officer of the Corporation is directly or indirectly
interested in the estimate or in the work to which it re-
lates or in the profits thereof.

Each estimate must be verified by the oath, in writing,
of the party making the same, that the several matters
therein stated are true, and must be accompanied by the
consent, in writing, of two householders or freeholders in
the City of New York, to the effect that if the contract is
awarded to the person making the estimate, they will,
upon its being so awarded, become bound as his sureties
for its faithful performance; and that if he shall refuse or
neglect to execute the same, they will pay to the Corpora-
tion any difference between the sum to which he would
be entitled upon its completion, and that which the Cor-
poration may be obliged to pay to the person to whom
the contract shall be awarded at any subsequent letting;
the amount to be calculated upon the estimated amount
of the work by which the bids are tested.

The consent last above mentioned must be accompanied

tract, over and above all his debts of every nature, and
over and above his liabilities as bail, surety, or otherwise,
and that he has offered himself as surety in good faith,
with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by
either a certified check upon one of the national banks of
the City of New York, drawn to the order of the Compt-
roller, or money, to the amount of five per centum of the
amount of the security required for the faithful perform-
ance of the contract. Such check or money must not be
inclosed in the sealed envelope containing the estimate,
but must be handed to the officer or clerk of the
Department who has charge of the estimate box, and no
estimate can be deposited in said box until such check or
money has been examined by said officer or
clerk and found to be correct. All such deposits, except
that of the successful bidder, will be returned to the per-
sons making the same within three days after the contract
is awarded. If the successful bidder shall neglect or
refuse, within five days after notice that the contract
has been awarded to him, to execute the same, the amount
of the deposit made by him shall be forfeited to and re-
tained by the City of New York, as liquidated damages
for such neglect or refusal; but if he shall execute
the contract within the time aforesaid, the amount

JURORS.

NOTICE

IN RELATION TO JURORS FOR STATE
COURTS.

OFFICE OF THE COMMISSIONER OF JURORS,
NEW COUNTY COURT-HOUSE,
NEW YORK, Sept. 15, 1881.

APPLICATIONS FOR EXEMPTIONS WILL BE
heard here, from 10 to 3 daily, from all persons
hitherto liable or recently serving who have become ex-
empt, and all needed information will be given.

Those who have not answered as to their liability, or
proved permanent exemption, will receive a "jury enroll-
ment notice," requiring them to appear before me this
year. Whether liable or not, such notices must be an-
swered (in person, if possible, and at this office only) under
severe penalties. If exempt, the party must bring proof
of exemption; if liable, he must also answer in person,
giving full and correct name, residence, etc., etc. No
attention paid to letters.

Persons "enrolled" as liable must serve when called
or pay their fines. No mere excuse will be allowed or
interference permitted. The fines if unpaid will be entered
as judgments upon the property of the delinquents.

All good citizens will aid the course of justice, and
secure reliable and respectable juries, and equalize their
duty by serving promptly when summoned, allowing their
clerks or subordinates to serve, reporting to me any attempt
at bribery or evasion, and suggesting names for enrollment.
Persons between sixty and seventy years of age, summer
absentees, persons temporarily ill, and United States and
District Court jurors are not exempt.

Every man must attend to his own notice. It is a mis-
demeanor to give any jury paper to another to answer.
It is also punishable by fine or imprisonment to give or
receive any present or bribe, directly or indirectly, in re-
lation to a jury service, or to withhold any paper or make
any false statement, and every case will be fully prosec-
uted.

N. B.—As the above-mentioned quantities, though
stated with as much accuracy as is possible, in advance,
are approximate only, bidders are required to submit their
estimates upon the following express conditions, which
shall apply to and become part of every estimate received:

(1.) Bidders must satisfy themselves, by personal ex-
amination of the location of the proposed work, and by
such other means as they may prefer, as to the accuracy
of the foregoing Engineer's estimate, and shall not, at any
time after the submission of an estimate, dispute or
complain of the above statement of quantities, nor assert
that there was any misunderstanding in regard to the
nature or amount of the work to be done.

(2.) Bidders will be required to complete the entire
work contracted for to the satisfaction of the Depart-
ment of Docks, and in substantial accordance with the
specifications of the contract. No extra compensation
beyond the amount payable for the work before men-
tioned, which shall be actually performed at the price
thereof, or to be specified by the lowest bidder, shall be
due or payable for the entire work.

The bidder to whom the award is made shall give
security for the faithful performance of his contract, in
the manner prescribed and required by ordinance, in the
sum of Three Thousand Dollars.

The work to be done under the contract is to be com-
menced within five days after the date of the contract,
and all the work to be done under the contract is to
be fully completed on or before the 15th day of February,
1883, and the damages to be paid by the contractor for
each day that the contract, or any part thereof, may be
unfulfilled after the time fixed for the fulfillment thereof
has expired, Sundays and holidays not to be excepted,
are, by a clause in the contract, fixed and liquidated at
Fifty Dollars per day.

All the old material taken from the said pier and
bulkhead to be removed under the contract, will be
relinquished to the contractor, and bidders must estimate
the value of such material when considering the price
for which they will do the work under the contract.

Bidders will state in their estimates a price for the whole
of the work to be done, in conformity with the ap-
proved form of agreement and the specifications therein
set forth, by which price the bids will be tested. This price
is to cover all expenses of every kind involved in or inci-
dental to the fulfillment of the contract, including any
claim that may arise through delay, from any cause, in
the performing of the work thereunder.

Bidders will distinctly write out, both in words and in
figures, the amount of their estimates for doing this work.

The person or persons to whom the contract may be
awarded will be required to attend at this office with the
sureties offered by him or them, and execute the contract
within five days from the date of the service of a notice to
that effect; and in case of failure or neglect so to do, he or
they will be considered as having abandoned it, and as
in default to the Corporation; and the contract will be re-
advertised and relet, and so on until it be accepted and
executed.

Bidders are required to state in their estimates their
names and places of residence; the names of all persons
interested with them therein; and if no other person be so
interested, the estimate shall distinctly state that fact; also
that the estimate is made without any connection with any
other person making an estimate for the same work, and
that it is in all respects fair and without collusion or fraud;
and also that no member of the Common Council, Head
of a Department, Chief of a Bureau, Deputy thereof, or
Clerk therein, or other officer of the Corporation, is
directly or indirectly interested therein, or in the sup-
plies or work to which it relates, or in any portion of the
profits thereof; which estimate must be verified by the
oath, in writing, of the party making the estimate, that
the several matters stated therein are in all respects true.
Where more than one person is interested, it is requisite
that the verification be made and subscribed by all
the parties interested.

Each estimate shall be accompanied by the consent, in
writing, of two householders or freeholders in the City
of New York, with their respective places of business or
residence, to the effect that if the contract be awarded to
the person or persons making the estimate, they will, on
its being so awarded, become bound as his or their sureties
for its faithful performance; and that if said person or
persons shall omit or refuse to execute the contract, they will
pay to the Corporation of the City of New York any differ-
ence between the sum to which said person or persons
would be entitled on its completion, and that which the
said Corporation may be obliged to pay to the person
to whom the contract may be awarded at any subsequent
letting; the amount in each case to be calculated upon
the estimated amount of the work to be done by which
the bids are tested. The consent above mentioned
shall be accompanied by the oath or affirmation, in writing,
of each of the persons signing the same, that he is a
householder or freeholder in the City of New York, and is
worth the amount of the security required for the completion
of the contract, over and above all his debts of every nature,
and over and above his liabilities as bail, surety, and
otherwise; and that he has offered himself as surety in
good faith, and with the intention to execute the
bond required by law. The adequacy and sufficiency
of the security offered will be subject to the approval of the
Comptroller of the City of New York, after the award is
made and prior to the signing of the contract.

No estimate will be received or considered unless accom-
panied by either a certified check upon one of the national
banks of the City of New York, drawn to the order of the
Comptroller, or money, to the amount of five per centum
of the amount of security required for the faithful
performance of the contract. Such check or money must
not be inclosed in the sealed envelope containing the esti-
mate, but must be handed to the officer or clerk of the
Department who has charge of the Estimate-box, and no
estimate can be deposited in said box until such check or
money has been examined by said officer or clerk and found
to be correct. All such deposits, except that of the suc-
cessful bidder, will be returned by the Comptroller to the
persons making the same within three days after the con-
tract is awarded. If the successful bidder shall refuse or
neglect, within five days after notice that the contract has
been awarded to him, to execute the same, the amount of
the deposit made by him shall be forfeited to and retained
by the City of New York as liquidated damages for such
neglect or refusal; but if he shall execute the contract
within the time aforesaid, the amount of his deposit will be
returned to him by the Comptroller.

Bidders are informed that no deviation from the speci-
fications will be allowed unless under the written instruc-
tions of the Engineer-in-Chief.

No estimate will be accepted from, or contract awarded
to, any person who is in arrears to the Corporation, upon
debt or contract, or who is a defaulter, as surety or other-
wise, upon any obligation to the Corporation.

No proposal will be considered unless accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective holders of business or residence, to the effect that, if the contract be awarded under that proposal, they will, on its being so awarded, become bound as sureties in the estimated amount of fifteen hundred dollars for its faithful performance, which consent must be verified by the justification of each of the persons signing the same for double the amount of surety required. The sufficiency of such security to be approved by the Comptroller.

No bid or estimate will be received or considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

The Department of Public Charities and Correction reserves the right to decline any and all proposals, if deemed to be for the public interest, and to accept an offer for the whole bid or for any single article included in the proposal, and no proposal will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Blank forms of proposals and specifications, which are to be strictly complied with, can be obtained on application at the office of the Department, and all information furnished.

—or any part thereof, will be received at the office of the Department of Public Charities and Correction, in the City of New York, until 9.30 o'clock A. M., of Friday, December 8, 1882. The person or persons making any bid or estimate shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Dry Goods, and Sundries," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the head of said Department and read.

The Department of Public Charities and Correction reserves the right to decline any and all bids or estimates if deemed to be for the public interest, and to accept any bid or estimate as a whole, or for any one or more articles included therein. No bid or estimate will be accepted from, or a contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.
Delivery will be required to be made from time to time, at such times and in such quantities as may be directed by the said Department.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty (50) per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof or Clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested,

it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that, if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities, as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 8 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the national banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York, as liquidated damages for such neglect or refusal; but, if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the prices for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.
