## COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund at a Meeting held at the Mayor's Office at 11.30 o'clock A.M. on Wednesday, November 15, 1893.

Present—Thomas F. Gilroy, Mayor; Theodore W. Myers, Comptroller; Joseph J. O'Donohue, Chamberlain, and Nicholas T. Brown, Chairman Committee on Finance, Board of Aldermen.

The reading of the minutes of the meetings held September 29, 1893, and October 10, 1893, was dispensed with.

The Comptroller presented the following report and resolution for payment of rent of premises on the block between One Hundred and Nineteenth and One Hundred and Twentieth streets, St. Nicholas and Eighth avenues, under lease from Mrs. Martha M. Huyler:

FINANCE DEPARTMENT—COMPTROLLER'S OFFICE,  
November 15, 1893.

To the Commissioners of the Sinking Fund:

GENTLEMEN—I presented to this Board, on December 2, 1892, a communication from the Commissioner of Public Works, dated September 20, 1892, requesting the renewal of the lease of the premises occupied by the Department of Public Works, on the block bounded by One Hundred and Nineteenth and One Hundred and Twentieth streets, St. Nicholas and Eighth avenues.

The matter having been referred to me, I reported to the Commissioners of the Sinking Fund, under date of March 30, 1893, that the best interests of the City made it desirable to secure a

renewal of the lease, which expired May 1, 1893, on the same terms as was then paid, namely, four thousand dollars per annum.

At a meeting of the Commissioners of the Sinking Fund, held March 30, 1893, the Comptroller was authorized and directed to execute such a lease, when prepared and approved by the Counsel to the Corporation.

This lease has been prepared, but the owner of the property, Mrs. Martha M. Huyler, died before being able to execute it. The Department of Public Works has been in quiet and peaceable possession of the premises, and it is desirable that they should continue their occupation. Rent to the amount of one thousand dollars, for the first quarter, became due and payable August 1, 1893; and rent to the amount of one thousand dollars, for the second quarter, became due and payable on November 1, 1893.

I offer resolutions authorizing the payment of this rent to the proper representatives of the estate of Martha M. Huyler, deceased.

Respectfully,

THEO. W. MYERS, Comptroller.

Whereas, The Commissioners of the Sinking Fund, by resolution adopted March 30, 1893, requested the Counsel to the Corporation to prepare a lease to the City from Mrs. Martha M. Huyler of the block of ground bounded by One Hundred and Nineteenth and One Hundred and Twentieth streets and the Eighth and St. Nicholas avenues, and the buildings erected thereon, for the use of the Department of Public Works, for the term of three years from May 1, 1893, at a yearly rental of four thousand dollars (\$4,000), payable quarterly, upon the same covenants and conditions as in the then existing lease; and authorized and directed the Comptroller to execute such lease, when prepared and approved by the Counsel to the Corporation; and

Whereas, Such lease has been prepared and approved by the Counsel to the Corporation; and

Whereas, The said Martha M. Huyler has died, without executing such lease; and

Whereas, The Commissioners of the Sinking Fund, deeming the rent mentioned in said lease fair and reasonable, and that it is for the interest of the City that the Department of Public Works should continue in their present occupation of the said premises; and

Whereas, Of the rental mentioned in the said lease, one thousand dollars (\$1,000) became due and payable on August 1, 1893, and one thousand dollars (\$1,000) became due and payable on November 1, 1893.

Resolved, That the Comptroller be authorized to pay to the executors or the proper representatives of the estate of the late Martha M. Huyler one thousand dollars (\$1,000), for the occupation of the said premises from May 1, 1893, to August 1, 1893, and one thousand dollars (\$1,000), for the occupation of the said premises from August 1, 1893, to November 1, 1893.

The report was accepted and the resolution unanimously adopted.

The Comptroller presented the following report and resolutions to cancel present lease and to authorize the sale at public auction of lease of Corporation property No. 18 Tenth avenue:

FINANCE DEPARTMENT—COMPTROLLER'S OFFICE,  
November 15, 1893.

To the Commissioners of the Sinking Fund:

GENTLEMEN—At a meeting of the Commissioners of the Sinking Fund, held May 23, 1893, a resolution was passed, authorizing the Comptroller to take measures to sell at public auction a lease of the premises known as No. 18 Tenth avenue, for a term of four years and nine months from August 1, 1893, at an upset price of three thousand two hundred and fifty dollars, upon the condition that the lessee should make repairs to the building at an expenditure of from five thousand to six thousand dollars, to the satisfaction of the Comptroller.

This action was taken in pursuance of an offer of Mrs. A. Roon, the lessee of the property, to expend that amount of money on repairs, conditioned upon a renewal of her lease, expiring May 1, 1894. As this lease was for a period of ten years, and it was not deemed for the interests of the City to sell leases so long before their termination, the new lease authorized was to terminate five years after May 1, 1893.

Mrs. Roon now refuses to bind herself to expend so large an amount as five thousand or six thousand dollars in repairs, if she is obliged to take a lease for so short a period as five years. In view of the fact that the Engineer of the Finance Department has found these premises to be in a very dilapidated condition, the building as shown by the report, being an inferior, cheap structure, and the expenditure of five or six thousand dollars being necessary to put the property in a condition to bring even the rental now paid for it, and in view of the fact that the present lease of the premises is for a period of ten years, I recommend that the Comptroller be authorized to sell the lease thereof, subject to the same conditions heretofore imposed by the Commissioners of the Sinking Fund, but for a term of nine years and six months from November 1, 1893, and submit a resolution accordingly.

Respectfully,

THEO. W. MYERS, Comptroller.

Resolved, That the Commissioners of the Sinking Fund approve of the surrender to the City and the cancellation thereof of the existing lease from the City to James Roon, for ten years from May 1, 1884, of the premises known as No. 18 Tenth avenue, and now held by his legal representative, his widow, Mrs. Anastasia Roon, the present occupant; and further

Resolved, That the Comptroller be and hereby is authorized to take measures to sell at public auction the lease of said property known as No. 18 Tenth avenue, for the term of nine years and six months from November 1, 1893, the upset price or yearly rental thereof being hereby appraised and fixed at the sum of Three thousand two hundred and fifty dollars (\$3,250); upon the condition that the lessee shall make all necessary repairs to the building, at an expenditure of from five thousand to six thousand dollars (\$5,000 to \$6,000), to the satisfaction of the Comptroller, both as to the amount expended within six thousand dollars (\$6,000) and the nature of the alterations and repairs made and to be made by the lessee.

The report was accepted and the resolutions unanimously adopted.

The Comptroller presented the following report on application of Robert McCafferty in the matter of the purchase at corporation sale of certain lots in the Nineteenth Ward:

FINANCE DEPARTMENT—COMPTROLLER'S OFFICE,  
November 15, 1893.

To the Commissioners of the Sinking Fund:

GENTLEMEN—At a public sale of real estate belonging to the corporation of the City of New York, held June 15, 1893, Mr. Robert McCafferty became the purchaser of two lots in the Nineteenth Ward, designated as Ward Nos. 35 and 36 in Block No. 466. Under the terms and conditions of sale, it was provided that purchasers should be required to pay 10 per cent. of the purchase money and the auctioneer's fee on each lot, at the time and place of sale; 30 per cent. upon the delivery of the deeds, within thirty days from the date of sale; while the balance might remain on bond and mortgage for five years. The deed to this property was ready for delivery August 8, 1893, at which date Mr. McCafferty was notified by a letter addressed to his counsel, Hon. John H. V. Arnold.

On October 2, 1893, Mr. McCafferty offered to pay the entire balance of the purchase money; but legal interest was demanded from August 8, 1893, the date when the deed was ready, up to October 2, 1893, the date of payment. Mr. McCafferty paid this interest, amounting to \$211.20, under protest, leaving a certified check, for that amount, with the Comptroller, with the understanding that the matter should be passed upon by the Commissioners of the Sinking Fund. I hereby present the request of Mr. McCafferty for a return of the certified check for \$211.20 to the Commissioner of the Sinking Fund for such action as in their judgment may seem proper.

Respectfully,

THEO. W. MYERS, Comptroller.

Which was laid over.

To the Commissioners of the Sinking Fund:

GENTLEMEN—I present herewith a resolution adopted by the Board of Armory Commissioners on October 9, 1893, requesting a lease of the first floor of the premises Nos. 828 and 830 Seventh avenue, from month to month, for a period not exceeding six months, commencing at the termination of the present lease, on November 1, 1893, at one hundred and eighty-three dollars and thirty-three cents (\$183.33) per month, to be used as a temporary armory for the Second Battery, N. G. S. N. Y.; the said lease to terminate at any time, on thirty days' notice from the owner.

THEO. W. MYERS, Comptroller.

Resolved, That the Counsel to the Corporation be and hereby is requested to prepare a lease from November 1, 1893, to the City, from W. H. Gray and Mary J. NEW YORK, October 18, 1893.

Hon. THOMAS F. GILROY, Chairman Commissioners of the Sinking Fund:

DEAR SIR—I have the honor to present herewith for the consideration and action of your Board, a communication received from the architects for the new Criminal Court Building in relation to alterations and additions in the rooms of the building, recommended and called for by the judges of the Court of General Sessions, the judges of the Court of Special Sessions, the Board of Police Justices, the committee from the District Attorney's Office, and the New York Society for the Prevention of Cruelty to Children. Mr. James W. Very respectfully,  
MICHAEL T. DALY, Commissioner of Public Works.

NEW YORK, October 13, 1893.

Hon. MICHAEL T. DALY, Commissioner of Public Works, New York City:

DEAR SIR—In the matter of the New Criminal Court Building, now nearing completion, I desire to inform you that the following alterations and additions have been suggested, and are hereby recommended by the several committees and heads of departments.

First—The Honorable Judges of General Sessions recommend that the two jury rooms on the Elm street side, second court-room floor, be fitted for two private judges' rooms, and that the present jury-rooms on the same floor, on the Franklin and White street sides of the building, be divided into two rooms each.

That the private stairs now leading from the records-room to the balcony be continued up to the second court-room floor, and that the records-room and office of the chief clerk be fitted up with metal files, counters, desks and cabinets; also that each judges' room be provided with a metal cabinet file for the safe keeping of private papers.

Second—The Honorable Judges of Special Sessions recommend that the chief clerk's office be connected with the first mezzanine story above, by means of a private iron staircase, that the clerks' office be fitted with proper files, counters, desks, etc., and that additional railings be placed in the court-room for children who are required as witnesses.

Third—The Honorable Police Justices recommend that the height and width of the platform on which the Judges' bench stands be changed. That waiting cells for prisoners, constructed of iron, be erected in the basement, directly under the police court; also, that a room for the police officer be constructed in the basement, with a special stair and railings, so that prisoners can be taken from the waiting cells directly into the court-room without passing through the main corridors and stairs of the building, and that lockers for the police officers and file cases for court papers be constructed in the court-room and officers' room, together with suitable desks, tables and other furniture.

Fourth—The Honorable Judges of both General and Special Sessions recommend that water-closets and sinks be placed in the waiting pens.

Fifth—The New York Society for the Prevention of Cruelty to Children desire that the room allotted to them be divided into two rooms, one for boys and one for girls, with toilet rooms for same.

Sixth—The Committee from the District Attorney's office recommend that the subdivision of the main office be somewhat changed from the present plan.

Seventh—The matter of uniformity, architectural and artistic effect in furnishing a building of such importance should be carefully considered. The desks, files, tables, chairs, carpets, draperies, window shades, awnings, clocks, court-room settees and other furniture should harmonize. The matter of decorations, frescoing, etc., is of great importance.

The above items, to the best of my knowledge, are all that are now required to finish and complete the building, and, in order that no delay may be caused in the finishing, I ask that I receive instructions to prepare plans and specifications for the above work, and suggestions or such part or parts of same as the proper authorities may see fit to approve.

I am, yours faithfully,

NEW YORK, November 2, 1893.

Hon. THEODORE W. MYERS, Comptroller :

DEAR SIR—For your information, as a member of the Board of Sinking Fund Commissioners, I have the honor to transmit herewith a copy of a communication received from the architects for the New Criminal Court Building, supplementary to their communication transmitted to the Board with my letter of 18th ultimo, regarding alterations, additions and furniture immediately required in that building, with an estimate of the cost of the same.

I beg to call your attention to the fact that early action on the part of the Sinking Fund Commissioners in this matter is necessary to place the building in condition for occupancy.

Very respectfully,

MICHAEL T. DALY, Commissioner of Public Works.  
No. 1267 BROADWAY, NEW YORK,  
November 1, 1893.

Hon. MICHAEL T. DALY, Commissioner of Public Works :

DEAR SIR—In supplement to my letter to you of October 13th ultimo, regarding certain changes and additions required and recommended to be made in the New Criminal Court Building, I respectfully submit the following :

The changes and improvements recommended or requested by the Judges of the Court of General Sessions are estimated to cost \$16,100.

The changes recommended and requested by the Judges of the Court of Special Sessions are estimated to cost \$3,000.

The changes requested by the Police Justices are estimated to cost \$7,600.

The additions of water-closets and sinks in the waiting-pens, called for by the Judges of the General and Special Sessions, are estimated to cost \$2,500.

The changes in the room allotted to the New York Society for the Prevention of Cruelty to Children, calling for a subdivision of the room, and the provision of toilet rooms, are estimated to cost \$1,000.

The changes requested by a committee from the District Attorney's office in regard to the subdivision of the main office is estimated at \$3,000.

The desks, files, tables, chairs, carpets, draperies, window shades, and other furniture which should be provided for to harmonize with the architectural and ornamental character of the building, and the uses for which it is destined, are estimated to cost \$77,500.

The total estimate of the expenditure under these heads is \$110,700.

It does not include desks, chairs, files, book cases, lounges, tables, paper racks, directory boards and signs, special call bells and speaking tubes, and other miscellaneous furniture and appliances throughout the building, in special offices.

The items called for in the foregoing estimate and my letter of the 15th ultimo are those of which I now have knowledge as to their immediate necessity.

Additional expenditure will have to be provided for to completely furnish the building for its ultimate uses, but at the present time it is impossible to give any approximate estimate of the cost except as to the items included in this estimate.

Respectfully, yours,

JAMES W. WILSON,

Of Thom, Wilson & Schaarschmidt, Associate Architects, New Criminal Court Building.

M., Thursday, December 14, 1893, at which time and place they will be publicly opened by the head of said Department and read.

No estimate will be received or considered after the hour named.

For information as to the amount and kind of work to be done, bidders are referred to the specifications and drawings, which form part of these proposals.

The form of the agreement, showing the manner of payment for the work, with the specifications and forms of proposals may be obtained and the plans may be seen at the office of the Department.

Bidders must write out the amount of their estimate in addition to inserting the same in figures.

The work is to be completed and delivered within the time specified in the contract.

The damages to be paid by the contractor for each day that the contract may be unfulfilled after the time specified for the completion thereof shall have expired are fixed and liquidated at ten (10) dollars.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any person making an estimate for the work shall present the same in a sealed envelope to said Board, at said office, on or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

The Fire Department reserves the right to decline any and all bids or estimates if deemed to be for the public interest. No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested it shall distinctly state that fact; that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as sureties for its faithful performance in the sum of one thousand and five hundred (\$1,500) dollars; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York before the award is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by either a certified check upon one of the banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of seventy-five (75) dollars. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it, and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid the amount of the deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained at Room 3, No. 31 Chambers street.

DEPARTMENT OF PUBLIC WORKS,  
COMMISSIONER'S OFFICE,  
ROOM 3, NO. 31 CHAMBERS STREET,  
NEW YORK, December 2, 1893.

#### TO CONTRACTORS.

ESTIMATES FOR FURNISHING ILLUMINATING GAS FOR LIGHTING THE PUBLIC MARKETS, ARMORIES, BUILDINGS AND OFFICES OF THE CITY OF NEW YORK, FOR THE PERIOD FROM JANUARY 1, 1894, TO DECEMBER 31, 1894, BOTH DAYS INCLUSIVE.

ESTIMATES FOR FURNISHING ILLUMINATING GAS for lighting the Public Markets, Armories, Buildings and Offices of the City of New York, or any of them, for the period from January 1, 1894, to December 31, 1894, both days inclusive, will be received by the Commissioner of Public Works of the City of New York at his office, until 12 o'clock, of Monday, December 18, 1893, at which time and place the estimates received will be publicly opened.

Any person making an estimate for the above-mentioned supplies shall furnish the same in a sealed envelope at said office, at or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation and a statement of the work to which it relates.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, they shall distinctly state the fact; also that it is made without any connection with any other person making any estimate for the same purpose; and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimates must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true; and where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if he or they shall omit or refuse to execute the same, they will pay to the Corporation of the City of New York any difference between the sum to which he or they would be entitled upon its completion, and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; that he has offered himself as a surety in good faith and with an intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York.

The gas shall have an illuminating power of not less than eighteen candles when tested at a distance of not less than one mile from the place of manufacture, on the improved form of the Bunsen Photometer, by a Sugg-Lethely 12-horse argand burner, calculated on a consumption of five cubic feet of gas per hour. The regular daily tests, however, will be made with a burner that will obtain from the gas the greatest amount of light, and practicable for use by the consumer, and consuming at the rate of five cubic feet of gas per hour. The testing candle shall be of sperm of six to the pound, and consuming, as near as possible, one hundred and twenty grains of spermatic per hour, and no candle shall be used for testing which consumes less than one hundred and four grains or more than one hundred and twenty-six grains of spermatic per hour. And as regards purity, the gas shall be free within limits not injurious to the public health, from ammonia, sulphureted hydrogen, and other sulphur and noxious compounds.

Bidders are required to state in their estimates the several markets, armories, buildings and offices to which they propose to supply gas, and the illuminating power of the gas they propose to furnish.

Bidders are also required to state one definite and distinct price for each thousand cubic feet of gas furnished (whether the quantity be more or less) to each or any of the following public markets, armories, buildings and offices of the city, and this price must be written out in full, and also inserted in figures.

The amount of security required is \$20,000, but the same may be reduced at the option of the Mayor, Aldermen and Commonality of the City of New York, if an award for a portion is made warranting a less amount of security.

The award of the contract, if awarded, will be made as soon as practicable after the opening of the bids.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department to whom has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

The right is reserved, when an estimate is made containing bids for supplying gas to one or more of the markets, armories, buildings, offices, etc., as aforesaid, to accept from such estimate or bid so much thereof as may be the lowest in respect to each particular market, armory, building or office as aforesaid, and to reject the remainder of such estimate or bid which may not be the lowest as aforesaid. The contract for lighting any particular market, armory, building, office, etc., will be awarded, if awarded, to the lowest bidder on the lighting of each particular market, armory, building, office, etc.

Bidders are informed that no deviation from the specifications will be allowed, unless a written permission shall have been previously obtained from the Commissioner of Public Works.

The right is also reserved to discontinue the lighting of any of the public markets, armories, buildings, offices, etc., to which gas shall be furnished, if at any time gas should not be required in any such public market, armory, building or office.

The right to decline all estimates is reserved, if deemed for the interest of the Corporation, by the Commissioner of Public Works, and no estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

If the estimate of any bidder shall include any market, armory, building or office, situated on any street in which the gas mains of such bidder are not laid at the time of the making of the bid, and a contract for furnishing gas to said market, armory, building or office shall be awarded to any such bidder, then, in that case, thirty days from the date of the execution of such contract shall be allowed to such bidder for the laying of the gas mains of such bidder in said street, providing such bidder shall have a franchise or grant from the

Mayor, Aldermen and Commonality of the City of New York, authorizing the laying of gas mains in such street.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained at Room 3, No. 31 Chambers street.

MICHAEL T. DALY,  
Commissioner of Public Works.

DEPARTMENT OF PUBLIC WORKS,  
COMMISSIONER'S OFFICE,  
NO. 31 CHAMBERS STREET,  
NEW YORK.

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS.

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonality containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets, shall be in need of repairs, pavement or repavement, the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act:

When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance, direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

MICHAEL T. DALY,  
Commissioner of Public Works

## BOARD OF CITY RECORD.

OFFICE OF THE CITY RECORD,  
No. 2 CITY HALL,  
NEW YORK, November 29, 1893.

PROPOSALS TO FURNISH THE COURTS AND DEPARTMENTS OF THE GOVERNMENT OF THE CITY OF NEW YORK WITH BLANK, PRINTED OR LITHOGRAPHED BOOKS, DOCKETS, LIBERS, BINDING COVERS, BINDING, ETC., FOR 1894.

TO BOOKBINDERS AND STATIONERS.

SEALED ESTIMATES FOR SUPPLYING THE City Government with Blank, Printed or Lithographed Books, Dockets, Libers, etc., will be received at this office until 12 o'clock M. of Thursday, the 14th day of December, 1893, at or about which time said estimates will be publicly opened and read at a meeting of the Board of City Record, to be held in the Mayor's Office.

Each person making an estimate shall inclose it in a sealed envelope, indorsed "Estimate for furnishing Blank Books, etc.," and with his name and the date of its presentation.

Each estimate shall state the name and place of residence of the person making it; if there is more than one such person, their names and residences must be given; and if only one person is interested in the estimate it must distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making it that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the preliminary security required, and in the proposals stated, over and above all his debts of every nature and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York after the award is made and prior to the signing of the contract.

The amount of security required upon the execution of the contract will be in each case fifty per cent. of the estimated cost of the articles awarded to each contractor; the amount of preliminary security to be given until each award, and in which the sureties shall justify, shall be One Thousand Dollars.

Should the person to whom the contract may be awarded, neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his bid or proposal, and that the adequacy and sufficiency of the security offered has been approved by the Comptroller, or if he accept but do not execute the contract and give the proper security, he shall be considered as having abandoned it and as in default to the Corporation, and the contract will be reawarded and relet, as provided by law.

No estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter as surety or otherwise, upon any obligation to the Corporation, and no estimate will be accepted from, or a contract awarded to, any person not having at the time of making his estimate full, suitable and sufficient facilities for performing the work specified in his estimate.

No estimate will be received or considered unless accompanied by either a certified check upon one of the National or State Banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of fifty per centum of the amount of the preliminary security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the Supervisor of the City Record, who has charge of the estimate-box; and no estimate can be deposited in said box until such check or money has been examined by said Supervisor and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the undersigned city officers to reject any or all bids which may be deemed prejudicial to the public interests.

A contract will be made with the lowest bidder for the books required by any court or department, or for any item in the specifications involving an expenditure of more than five hundred dollars.

The making and delivery of all the books must be completed within ninety days from the execution of the contract unless delayed by the courts, departments, or

bureaus. They must be made and delivered in the order to be prescribed by the Supervisor of the City Record, to the end that the immediate needs of the Departments shall be supplied. Such of them as are indicated with asterisks in the specifications must be delivered on or before January 2, 1894.

For particulars of the quantities of books required resort must be had to the specifications on file in the Department of Public Works, or to be procured from the Supervisor of the City Record.

The Libers are to be sewed in sections of four sheets, lined inside and outside with linen. The head-bands are to be made on the book. All parchment used is to be covered with linen. The binding is to be of real Russia, with extra back, and the finish antique and gold. The Libers are to have round cornered brass shoes, as per samples in the Register's and Surrogate's offices. Crane's parchment deed paper No. 44 must be used.

Samples of such of the books as are not described herein, or in the specifications, are to be seen in the several courts and departments, and the new books must be made in accordance with those samples, unless the latter are inferior in the quality of paper and binding to those provided for in the specifications.

Stenographers' books are not to be paged or indexed; but special attention must be paid to the paper called for, as some stenographers use pens and others pencils.

By order of,  
THOMAS F. GILROY,  
Mayor;  
WILLIAM H. CLARK,  
Counsel to the Corporation;  
MAURICE F. HOLAHAN,  
Acting and Deputy Commissioner of Public Works.  
W. J. K. KENNY,  
Supervisor of the City Record.
