GENERAL CONDITIONS OF BIDDING.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it

shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose; and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the Coal by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract.

The form of the contract, including specifications, and showing the manner of payment, will be furnished at the office of the Department, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.

Where more than one person is interested, it is requisite that the VERIFICATION be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the Fresh Fish, etc., by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same, within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, from time to time, as the Commissioners may determine.

The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Department, and bidders are especially cautioned to examine each and all of its provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.

Delivery will be required to be made from time to time and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the ESTIMATED amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise; and that he has offered himself as a surety in good faith, and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered is to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must NOT be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept, but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioners may determine.

The form of the contract, including specifications, showing the manner of payment, will be furnished at the office of the Department; and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities and Correction will insist upon its absolute enforcement in every particular.

Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such

deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited and retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid the amount of the deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

Blank forms of bid or estimate, the proper envelopes in which to inclose the same, the specifications and agreements, and any further information desired, can be obtained at Room 5, No. 31 Chambers street.

MAURICE F. HOLAHAN,
Deputy and Acting Commissioner of Public Works.

DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE,
ROOM 6, NO. 31 CHAMBERS STREET,
NEW YORK, December 2, 1893.

TO CONTRACTORS.

ESTIMATES FOR FURNISHING ILLUMINATING GAS FOR LIGHTING THE PUBLIC MARKETS, ARMORIES, BUILDINGS AND OFFICES OF THE CITY OF NEW YORK, FOR THE PERIOD FROM JANUARY 1, 1894, TO DECEMBER 31, 1894, BOTH DAYS INCLUSIVE.

ESTIMATES FOR FURNISHING ILLUMINATING gas for lighting the Public Markets, Armories, Buildings and Offices of the City of New York, or any of them, for the period from January 1, 1894, to December 31, 1894, both days inclusive, will be received by the Commissioner of Public Works of the City of New York, at his office, until 12 o'clock M. of Monday, December 18, 1893, at which time and place the estimates received will be publicly opened.

Any person making an estimate for the above-mentioned supplies shall furnish the same in a sealed envelope at said office, at or before the day and hour above named, which envelope shall be indorsed with the name or names of the person or persons presenting the same, the date of its presentation, and a statement of the work to which it relates.

Bidders are required to state in their estimates their names and places of residence; the names of all persons interested with them therein; and if no other person be so interested, they shall distinctly state the fact; also that it is made without any connection with any other person making any estimate for the same purpose; and that it is in all respects fair and without collusion or fraud; and also that no member of the Common Council, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof; which estimates must be verified by the oath, in writing, of the party making the estimate, that the several matters stated therein are in all respects true; where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each estimate shall be accompanied by the consent, in writing, of two householders or freeholders of the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person or persons making the bid, they will, on its being so awarded, become bound as his or their sureties for its faithful performance; and that if he or they shall omit or refuse to execute the same, they will pay to the Corporation of the City of New York any difference between the sum to which he or they would be entitled upon its completion, and that which said Corporation may be obliged to pay to the person to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested.

The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of security required for the completion of the contract and stated in the proposals, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; that he has offered himself as a surety in good faith and with an intention to execute the bond required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of the City of New York.

The gas shall have an illuminating power of not less than eighteen candles when tested at a distance of not less than one mile from the place of manufacture, on the improved form of the Bunsen Photometer, by a Sugg-Lethey 15-hole argand burner, calculated on a consumption of five cubic feet of gas per hour. The regular daily tests, however, will be made with a burner that will obtain from the gas the greatest amount of light, and practicable for use by the consumer, and consuming at the rate of five cubic feet of gas per hour. The testing candle shall be of sperm of six to the pound, and consuming, as near as possible, one hundred and twenty grains of spermaceti per hour, and no candle shall be used for testing which consumes less than one hundred and four grains or more than one hundred and twenty-six grains of spermaceti per hour. And as regards purity, the gas shall be free, within limits not injurious to the public health, from ammonia, sulphureted hydrogen, and other sulphur and noxious compounds.

Bidders are required to state in their estimates the several markets, armories, buildings and offices to which they propose to supply gas, and the illuminating power of the gas they propose to furnish.

Bidders are also required to state one definite and distinct price for each thousand cubic feet of gas furnished (whether the quantity be more or less) to each or any of the following public markets, armories, buildings and offices of the city, and this price must be written out in full, and also inserted in figures.

A protest signed by Samuel Gompers, accompanied by fifteen affidavits and one unsworn statement, against the canvass of Inspectors' returns from the Ninth Senate District in the City and County of New York, on the ground of fraud and other irregularities not appearing upon the face of the returns.

3. A protest signed by Antonio C. Astarita against awarding a certificate of election to the office of Civil Justice of the Second Judicial District to Herman Bolte, on the ground of fraud and other error not appearing upon the face of the returns.

4. A protest signed by Charles LaMaida against awarding a certificate of election as Assemblyman from the Eighth Assembly District in the City and County of New York to Thomas J. O'Donnell, on the ground that the said Thomas T. O'Donnell was, within one hundred days previous to the last election, an officer under the City Government of the City of New York.

5. A protest signed by Seth Wilks against the canvass of the vote for Member of Assembly in the Fifteenth Assembly District in the City and County of New York, on the ground of fraud and other error not appearing upon the face of the returns.

6. A protest signed by Robert Miller against awarding a certificate of election to Patrick F. Trainor as Member of Assembly from the Seventeenth Assembly District in the City and County of New York, on the ground that the said Patrick F. Trainor was, within one hundred days previous to the last election, an officer under the City Government of the City of New York.

7. A protest signed by Edward R. Duffy against awarding a certificate of election to Patrick J. Kerrigan as a Member of the Assembly from the Nineteenth Assembly District in the City and County of New York, on the ground that the said Patrick J. Kerrigan was, within one hundred days previous to the last election, an officer under the City Government of the City of New York.

The functions of the Board of County Canvassers are purely ministerial and not judicial, its duties being to "finally canvass, declare and certify the result of every election hereafter held in the City and County of New York." (1882, chap. 410, section 1902.)

The Laws of 1892, chapter 680, section 131, provide that "as soon as an original or certified copy of such statement of the result of the canvass of the votes cast at such election in every election district in the County shall be produced before such Board, the Board shall, from such original statements and certified copies, proceed to canvass the votes cast in such County."

The Laws of 1892, chapter 680, section 132, provide that, "If upon proceeding to canvass such votes, it shall clearly appear to any County Board of Canvassers that certain matters are omitted from any such statement or copy, which should have been inserted, or that any merely clerical mistake exist therein, they shall cause such statement or copy to be sent by one of their number, whom they shall depute for that purpose, to the Inspectors or other Canvassers whose names are subscribed thereto, for correction, and the member so deputed shall immediately give notice to such Inspectors or Canvassers, who shall forthwith meet and make such correction as the facts of the case require; but such Inspectors or Canvassers shall not change or alter any decision before made by them, but shall only cause their canvass to be correctly stated."

It is therefore evident that the Board of County Canvassers has no legal authority to go behind the returns for the purpose of considering any alleged fraud committed at the polls, or any inaccuracy or error not appearing upon the face of the returns, or to inquire into the eligibility of candidates for office.

Protest No. 1, signed by Wm. E. Demarest, is based upon various legal grounds, of which the Board of County Canvassers cannot legally take cognizance.

Protests Nos. 2 and 3, signed respectively by Samuel Gompers and Antonio C. Astarita, are based upon alleged fraud, intimidation, inaccuracies and errors not appearing upon the face of the returns. The Board of County Canvassers, therefore, has no legal authority to consider them.

Protest No. 4, signed by Charles LaMaida, is based upon the ground of ineligibility of a candidate. The Board of County Canvassers, therefore, has no legal authority to consider it.

Protest No. 5, signed by Seth Wilks, is based upon the ground of fraud and errors not appearing upon the face of the returns. The Board of County Canvassers, therefore, has no legal authority to consider it.

Protests Nos. 6 and 7 are based upon the ground of ineligibility of candidates. The Board of County Canvassers, therefore, has no legal authority to consider them.

Your Committee, therefore, has the honor to respectfully report the following resolution for adoption:

Resolved, That the protests of William E. Demarest, Samuel Gompers, Antonio C. Astarita, Charles LaMaida, Seth Wilks, Robert Miller and Edward R. Duffy, be received and placed on file with the Clerk of this Board, and that no further action be taken by this Board in reference thereto.

Twenty-fourth Assembly District, Sixth Election District.

Twenty-fourth Assembly District, Thirty-fifth Election District.

There were referred to your Committee on Corrected Returns the following petitions for the correction of returns:

1. A petition signed by A. R. Conkling for the correction of the returns in the Ninth and Twentieth Election Districts of the First Assembly District, on the ground that they are false and incorrect.

2. A petition signed by A. R. Conkling for the correction of the returns in the Twelfth, Fifteenth, Eighteenth, Nineteenth, Twenty-first, Twenty-second, Twenty-third, Thirty-second, Thirty-sixth, Forty-first and Forty-second Election Districts of the Second Assembly District, on the ground of fraud and error not appearing upon the face of the returns.

The functions of the Board of County Canvassers are purely ministerial and in no sense judicial.

The Laws of 1892, chapter 680, section 132, provide that, "If upon proceeding to canvass such votes, it shall clearly appear to any County Board of Canvassers that certain matters are omitted from any such statement or copy, which should have been inserted, or that any merely clerical mistake exist therein, they shall cause such statement or copy to be sent by one of their number, whom they shall depute for that purpose, to the Inspectors or other Canvassers whose names are subscribed thereto, for correction, and the member so deputed shall immediately give notice to such Inspectors or Canvassers who shall forthwith meet and make such correction as the facts of the case require; but such Inspectors or Canvassers shall not change or alter any decision before made by them, but shall only cause their canvass to be correctly stated."

It is therefore evident that the Board of County Canvassers has no legal authority to go behind the face of the returns. In the election districts above mentioned, no matters are omitted from the returns which should have been inserted, nor do any merely clerical errors appear upon the face of the returns.

Your committee is therefore of the opinion that the Board of County Canvassers cannot legally grant the petitions referred to your Committee for the correction of returns, and therefore respectfully reports for adoption the following resolutions:

MONDAY, November 27, 1893.

President McClellan in the chair.

Roll was called, and a quorum was present, consisting of the President, Vice-President, Aldermen Brown, Burke, Donovan, Gecks, Lantry, Long, McGuire, Martin, Morgan, Muh, Oakley, O'Brien, Owens, Prague, Rinn, Rogers, Ryder, Saul, S. W. Smith, Tait and Wund.

The Chairman of the Committee on Protests presented the report of said Committee, the original of which is hereto annexed.

Said report was unanimously approved.

To the Board of County Canvassers:

GENTLEMEN—Your Committee on Protests has the honor to report as follows:

Your Committee on Protests met in Room 13, City Hall, at 10 o'clock A. M., November 23, 1893.

There were referred to your Committee on Protests the following protests, to wit:

1. A statement signed by William E. Demarest, protesting against the canvass of the vote polled in the City and County of New York at the late election held November 7, 1893, by the Board of County Canvassers, on various legal grounds.

2. A protest signed by Samuel Gompers, accompanied by fifteen affidavits and one unsworn statement, against the canvass of the Inspector's returns from the Ninth Senate District in the City and County of New York, on the ground of fraud and other irregularities not appearing upon the face of the returns.

3. A protest signed by Antonio C. Astarita against awarding a certificate of election to the office of Civil Justice of the Second Judicial District to Herman Bolte, on the ground of fraud and other error not appearing upon the face of the returns.

4. A protest signed by Charles LaMaida against awarding a certificate of election as Assemblyman from the Eighth Assembly District in the City and County of New York to Thomas J. O'Donnell, on the ground that the said Thomas J. O'Donnell was, within one hundred days previous to the last election, an officer under the City Government of the City of New York.

5. A protest signed by Seth Wilks against the canvass of the vote for Member of Assembly in the Fifteenth Assembly District in the City and County of New York, on the ground of fraud and other error not appearing upon the face of the returns.

6. A protest signed by Robert Miller against awarding a certificate of election to Patrick F. Trainor as Member of Assembly from the Seventeenth Assembly District in the City and County of New York, on the ground that the said Patrick F. Trainor was, within one hundred days previous to the last election, an officer under the City Government of the City of New York.

7. A protest signed by Edward R. Duffy against awarding a certificate of election to Patrick J. Kerrigan as a Member of the Assembly from the Nineteenth Assembly District in the City and County of New York, on the ground that the said Patrick J. Kerrigan was, within one hundred days previous to the last election, an officer under the City Government of the City of New York.

The functions of the Board of County Canvassers are purely ministerial and not judicial, its duties being to "finally canvass, declare and certify the result of every election hereafter held in the City and County of New York." (1882, chap. 410, section 1902.)

The Laws of 1892, chapter 680, section 131, provides that, "as soon as an original or certified copy of such statement of the result of the canvass of the votes cast at such election in every election district in the County shall be produced before such Board, the Board shall from such original statements and certified copies proceed to canvass the votes cast in such County."

The Laws of 1892, chapter 680, section 132, provide that, "If upon proceeding of certified such votes, it shall clearly appear to any County Board of Canvassers that certain matters are omitted from any such statement or copy, which should have been inserted, or that any merely clerical mistake exist therein, they shall cause such statement or copy to be sent by one of their number, whom they shall depute for that purpose, to the Inspectors or other Canvassers whose names are subscribed thereto, for correction, and the member so deputed shall immediately give notice to such Inspectors or Canvassers, who shall forthwith meet and make such correction as the facts of the case require; but such Inspectors or Canvassers shall not change or alter any decision before made by them, but shall only cause their canvass to be correctly stated."

It is therefore evident that the Board of County Canvassers has no legal authority to go behind the returns for the purpose of considering any alleged fraud committed at the polls, or any inaccuracy or error not appearing upon the face of the returns, or to inquire into the eligibility of candidates for office.

Protest No. 1, signed by Wm. E. Demarest, is based upon various legal grounds, of which the Board of County Canvassers cannot legally take cognizance.

Protests Nos. 2 and 3, signed respectively by Samuel Gompers and Antonio C. Astarita, are based upon alleged fraud, intimidation, inaccuracies and errors not appearing upon the face of the returns. The Board of County Canvassers, therefore, has no legal authority to consider them.

Protest No. 4, signed by Charles LaMaida, is based upon the ground of ineligibility of a candidate. The Board of County Canvassers, therefore, has no legal authority to consider it.

Protest No. 5, signed by Seth Wilks, is based upon the ground of fraud and errors not appearing upon the face of the returns. The Board of County Canvassers, therefore, has no legal authority to consider it.

Protests Nos. 6 and 7 are based upon the ground of ineligibility of candidates. The Board of County Canvassers, therefore, has no legal authority to consider them.

Your Committee, therefore, has the honor to respectfully report the following resolution for adoption:

Resolved, That the protests of Wm. E. Demarest, Samuel Gompers, Antonio C. Astarita, Charles LaMaida, Seth Wilks, Robert Miller and Edward R. Duffy be received and placed on file with the Clerk of this Board, and that no further action be taken by this Board in reference thereto.

Respectfully submitted,

Twenty-fourth Assembly District, Sixth Election District.
Twenty-fourth Assembly District, First Election District.
Twenty-fourth Assembly District, Sixteenth Election District.
Twenty-fourth Assembly District, Thirty-fifth Election District.

There were referred to your Committee on Corrected Returns the following petitions for the correction of returns:

1. A petition signed by A. R. Conkling for the correction of the returns in the Ninth and Twentieth Election Districts of the First Assembly District, on the ground that they are false and incorrect.

2. A petition signed by A. R. Conkling for the correction of the returns in the Twelfth, Fifteenth, Eighteenth, Nineteenth, Twenty-first, Twenty-second, Twenty-third, Thirty-second, Thirty-sixth, Forty-first and Forty-second Election Districts of the Second Assembly District, on the ground of fraud and error not appearing upon the face of the returns.

3. A petition signed by Chas. H. Murray and Alfred R. Conkling for the correction of the returns in the several Election Districts of the Third Assembly District, on the grounds of fraud, intimidation, false personation, violence, illegality and errors not appearing upon the face of the returns.

4. A petition signed by Alfred R. Conkling, accompanied by seventeen affidavits and three unsworn statements, for the correction of the returns in the Eighth Election District of the Eighth Assembly District, on the ground that they are false and inaccurate.

The functions of the Board of County Canvassers are purely ministerial and in no sense judicial.

The Laws of 1892, chapter 680, section 132, provide that, "If, upon proceeding to canvass such votes, it shall clearly appear to any County Board of Canvassers that certain matters are omitted from any such statement or copy, which should have been inserted, or that any merely clerical mistake exist therein, they shall cause such statement or copy to be sent by one of their number, whom they shall depute for that purpose, to the Inspectors or other Canvassers whose names are subscribed thereto, for correction, and the member so deputed shall immediately give notice to such Inspectors or Canvassers, who shall forthwith meet and make such correction as the facts of the case require; but such Inspectors or Canvassers shall not change or alter any decision before made by them, but shall only cause their canvass to be correctly stated."

It is therefore evident that the Board of County Canvassers has no legal authority to go behind the face of the returns. In the Election Districts above-mentioned no matters are omitted from the returns which should have been inserted, nor do any merely clerical errors appear upon the face of the returns.

Your Committee is therefore of the opinion that the Board of County Canvassers cannot legally grant the petitions referred to your Committee for the Correction of Returns, and therefore respectfully reports for adoption the following resolutions:

Resolved, That the action of the Committee on Corrected Returns in correcting the returns in the

The reading of the official declaration having been completed, Alderman Noonan offered the following resolution:

Resolved, That the statement and declaration of the Board of County Canvassers, as read by the Secretary, be confirmed.

Which was decided in the affirmative by the following vote:

Affirmative—The President, Vice-President, Aldermen Brown, Burke, Donovan, Gecks, Keahon, Lantry, Long, McGuire, Martin, Morgan, Muh, Oakley, O'Brien, Owens, Parks, Prague, Rinn, Rogers, Ryder, Saul, Schott, S. W. Smith, Tait and Wund.

Negative—None.

Alderman Brown offered the following resolution:

Resolved, That a committee of three be appointed by the Chair to confer with the County Clerk, for the purpose of fixing the compensation of the Clerks and Attaches of the Board of County Canvassers, and that the Board take a recess for ten minutes.

Which was adopted.

The Chair announced as such committee, Aldermen Brown, Noonan and Gecks.

The Board then took a recess.

MONDAY, November 27, 1893.

President McClellan in the chair.

Roll was called, and a quorum was present, consisting of the President, Vice-President, Aldermen Brown, Burke, Donovan, Gecks, Keahon, Lantry, Long, McGuire, Martin, Muh, Oakley, O'Brien, Owens, Parks, Prague, Rinn, Rogers, Ryder, Saul, Schott, Tait and Wund.

Alderman Brown presented the report of the Committee which was appointed to fix the compensation of the Clerks and Attaches of the Board of Canvassers.

The Secretary proceeded to read the report of the Committee, as follows:

Alderman Brown offered the following resolution:

Resolved, That the foregoing list of Clerical Assistants be and is hereby approved, and the Comptroller is hereby directed to draw his warrant in favor of the persons therein named for the amounts set opposite their names respectively, and charge the amount to the appropriation for "Expenses of the Board of County Canvassers."

Alderman Rinn moved to amend the report of the Committee by allowing the Accountant \$500, the Tabulators \$75 each, and the balance of the amount to be divided equally among the attendants.

Alderman Brown contended that the Accountant was entitled to the amount reported by the Committee, for the able and efficient manner in which he performed his duties.

Alderman Saul moved that the report be referred back to the Committee for correction. Alderman Saul would allow the Accountant \$700, the Tabulators \$75 each, and the balance of the money appropriated to be divided equally among the Clerks and Attendants. He claimed that his Clerk was present most of the time, and saw no reason for him receiving a smaller allowance for his services than the other Clerks.

Alderman Rinn accepted Alderman Saul's amendment in allowing the Accountant \$700, and offered as a still further amendment that the Accountant receive \$700, the Tabulators \$75 each, the Sergeant-at-Arms and his Assistant \$50 each, and the balance to be divided equally among the Clerks and Attendants.

The question of the amendment was put to a vote with the following result:

Affirmative—Aldermen Burke, Donovan, Keahon, Lantry, Long, McGuire, Martin, Muh, Oakley, O'Brien, Owens, Parks, Prague, Rinn and Saul.

Negative—The President, Vice-President, Aldermen Brown, Gecks, Rogers, Ryder, Tait and Wund.

The report in its amended form read as follows:

John N. Outwater.....	\$700 00	Walter Byrnes.....	\$36 11

Alderman Wund offered the following resolution:

Which was adopted.

The minutes of the meeting were then read, and, on motion of Alderman Noonan, adopted.

There being no further business the Board of County Canvassers, on motion of Alderman O'Brien, adjourned sine die.

—the words, "under the direction and control of the Board of Electrical Control."

The motion was agreed to, and the minutes, so corrected, were approved.

Commissioner Moss submitted the following report, which was directed to be filed and spread on the minutes:

NEW YORK, December 6, 1893.

To the Honorable Commissioners Board of Electrical Control:

GENTLEMEN—Since the last meeting the following application for subway construction has been filed:

On Water street, from Pike to Market street, for the New York Heat, Light and Power Company.

And I recommend that the same be granted.

Respectfully yours,

THEO. MOSS, Secretary.

And the Board, on motion of his Honor the Mayor, adopted the following resolution:

Resolved, That the application of the New York Heat, Light and Power Company for the construction of a subway for the accommodation of its electrical conductors, dated December 6, 1893, be and is hereby granted.

Resolved, That the Consolidated Telegraph and Electrical Subway Company be and it is hereby authorized and directed to construct a subway for the accommodation of high-tension electrical conductors, on Water street from Pike to Market street;

Provided, however, that this resolution shall not take effect until the corporation and individuals making application for the construction of said subway shall have first furnished to said Consolidated Telegraph and Electrical Subway Company security for the occupation of said subway and the payment of rentals therefore in advance, as provided by chapter 263 of the Laws of 1892.

The following report of the Electrical Expert and accompanying communications were read:

NEW YORK, December 6, 1893.

Honorable Commissioners of the Board of Electrical Control:

GENTLEMEN—Concerning my report about the following pole lines which was referred back to me at the last meeting for further information, I have to report as follows:

The west side of Ninth avenue from Fourteenth to Fifty-ninth streets, formerly Western Union poles, now carrying Fire Department wires.

West side of Tenth avenue, Fourteenth to Thirty-seventh streets—Western Union pole line; Thirty-seventh to Fifty-ninth streets—Postal line.

East side of Avenue A, from Houston to Fifth streets—telephone line.

The Tenth avenue line will be removed by the Western Union Company and by the Postal Company in a short time—as soon as they can complete the work of transferring their wires, which is now in hand.

The Ninth Avenue line has been vacated by the Western Union Company since 1888, but they were unable to remove the poles on account of their carrying Fire wires, and they now feel that the poles should be removed by the Fire Department, as they have had the use of them during this period. I recommend that the Western Union Company be requested to remove these poles.

East side of Avenue A, from Houston to Fifth streets—The Telephone Company will remove this line soon.

I would report further, in connection with the line on Second avenue, from Houston street to the Harlem river, which, in accordance with my previous report, was ordered removed by the Secretary, that the Western Union Company removed their wires from this line in 1888, together with such poles as were not required by the Fire wires, but they were unable then to remove the rest of the poles on account of their carrying Fire wires, and now they think these poles should be removed by the Fire Department, for the same reason that applies to the Ninth avenue line. I recommend that the Western Union Company be requested to remove these poles.

Very respectfully

SCHUYLER S. WHEELER, Electrical Expert.

WESTERN UNION TELEGRAPH COMPANY,
SUPERINTENDENT'S OFFICE, NO. 195 BROADWAY,
NEW YORK, NOVEMBER 29, 1893.

THEODORE MOSS, Secretary, Board of Electrical Control, Nos. 1262 and 1264 Broadway, City:

DEAR SIR—I beg to acknowledge the receipt of your favor of the 27th instant, requesting the removal of this Company's pole line on Second avenue from Houston to One Hundred and Twenty-ninth street, pursuant to resolution passed by your Honorable Board on the 23d instant, and to say in reply thereto that this Company removed all the poles and wires on Second avenue, which it could control, during the year 1888.

It is true that, on portions of the avenue, notably between Houston and Thirty-third streets, between Fortieth and Fifty-fifth streets, and between One Hundred and Twenty-fifth and One Hundred and Twenty-eighth streets, certain of these poles were occupied by the wires of the Police and Fire Departments of the City of New York, and, for that reason, we were unable to remove the same.

I submit now that, after the lapse of four years, during which the poles have been kept up to accommodate the Fire Department, that Department, and not this company, should be required to remove them.

Very respectfully,
W. C. HUMSTONE, Superintendent.

WESTERN UNION TELEGRAPH COMPANY,
SUPERINTENDENT'S OFFICE, NO. 195 BROADWAY,
NEW YORK, NOVEMBER 29, 1893.

THEODORE MOSS, Secretary, Board of Electrical Control, No. 1262 and 1264 Broadway, City:

DEAR SIR—I have to report as follows respecting the verbal interview with Electrical Expert Wheeler of Monday last:

West side of Ninth avenue, from Fourteenth to Fifty-ninth streets—All Western Union wires were removed from this line in 1888, and the poles would have been taken down but for the fact that they were occupied by the wires of the Fire Department; which Department, having had the sole use of them for the past four or five years, should, it seems to me, be required to remove the poles.

West side of Tenth avenue, Fourteenth to Thirty-seventh street—Is now occupied by working wires of this company, which will be released as soon as the subway work now going on in the vicinity is completed, at which time the poles will be removed by this company.

Very truly yours,
W. C. HUMSTONE, Superintendent.

The report and accompanying letters were ordered to be filed and spread at length on the minutes, and the Board, after hearing Superintendent Humstone in opposition to the recommendation of the Electrical Expert, on motion of his Honor the Mayor, adopted the following resolution:

Resolved, That the recommendations of the Electrical Expert be adopted, and that the Western Union Telegraph Company be required to remove its poles on Second avenue, from Houston to One Hundred and Twenty-ninth street, and on Ninth avenue, from Fourteenth to Fifty-ninth street.

Commissioner Hess offered the following preambles and resolution:

Whereas, The Empire City Subway Company (Limited) by virtue of the laws of this State, and of the contract made in pursuance thereof between the Board of Electrical Control in and for the City of New York and said Empire City Subway Company (Limited), dated May 15, 1891, has the right to build, maintain and operate subways, conduits and ducts in the streets of the City of New York, for telegraph and telephone and all other electrical conductors; and by the terms of said contract and by law, this Board has agreed and is required "to use all lawful means within its power to compel all authorized persons or companies" using such conductors to place the same in the subways, conduits or ducts of said Empire City Subway Company (Limited), and to pay a fair rental for the space occupied therein; and

Whereas, The Third Avenue Railroad Company has constructed a subway or duct along the route of its railroad in certain of the streets of the City of New York, suitable for the reception of electrical conductors to be used for signaling purposes in connection with the operation of said railroad; and said last named company has applied to this Board for permission to lay such electrical conductors in said subway or duct, and use the same for such signaling purposes; and

Whereas, This Board has refused said application, upon the ground that it is not authorized by law to grant the same to said Third Avenue Railroad Company; and

Whereas, The said Third Avenue Railroad Company desires to be provided with subway facilities for its electrical conductors to be used as aforesaid for signaling purposes in connection with the operation of its railroad, and now proposes to sell the said subway or duct constructed by it to the said Empire City Subway Company (Limited), and the last named company is willing to purchase said subway or duct; and

Whereas, Such purchase of said subway or duct will make it possible to provide said Third Avenue Railroad Company at once and in a lawful manner with such subway facilities as are required by it for its said conductors; and therefore,

Resolved, That the proposed purchase by said Empire City Subway Company (Limited) of the said subway or duct constructed by the Third Avenue Railroad Company be and the same is hereby approved and authorized, it being, however, understood that the said subway or duct when so purchased shall be owned and operated by the said Empire City Subway Company (Limited), under and subject to the provisions of the said contract between said company and this Board, dated May 15, 1891, in the same manner as if said subway or duct had been constructed by said Empire City Subway Company (Limited). But no liability or responsibility whatever shall attach to this Board or to the City of New York on account of such purchase.

Which resolution was unanimously adopted.

The following opinion of the Counsel to the Corporation was read, ordered to be filed and printed at length in the minutes:

NEW YORK, December 4, 1893.

THEODORE MOSS, Esq., Secretary, Board of Electrical Control:

SIR—I have received your letter of 27th instant, enclosing copy of communication sent to your Board by Mr. Lee Phillips, Secretary and Executive Officer of the Municipal Civil Service Commission, in which you are requested to furnish to that Commission a list of the positions under your Board, with a view of the appropriate classification of the same under the Municipal Civil Service Rules.

Your letter communicates the resolution of the Board of Electrical Control requesting my opinion as to "whether the Board is under any Civil Service or not, and, if so, under what Civil Service, State or City."

A similar request was made to the Board of Electrical Control by the State Civil Service Commission in May, 1893, which was communicated to me, with the request of the Board of Electrical Control for my opinion as to whether that Board was bound by the Civil Service regulations of the State.

In answer to the last recited communication, I communicated to your Board an opinion dated June 23, 1893, in which the relation of your Board to the State Civil Service Commission was discussed, and the conclusion was expressed (concurring in the opinion given by the Hon. Morgan J. O'Brien, then Counsel to the Corporation) "that while your Board is subject to the Civil Service Act, it is a local Board appertaining to the Civil Service of the City, and not of the State."

The examination of the law which was made in that opinion, and the conclusion there pronounced, leads to the conclusion that your Board is subject to the Civil Service Act, and its employees to classification by the Municipal Civil Service Commission.

Such also was the decision of the Court of Appeals in the case of the People ex rel. Ryan vs. The Civil Service Commissioners, 17 Abbott's New Cases, 64; 103 New York Reports, 657, in which it was determined that the City Civil Service Commissioners had jurisdiction to classify and examine the appointees and employees of the New Aqueduct Commission.

I therefore advise you that your Board is subject to the Civil Service Act, and its employees to classification and examination by the Civil Service Supervisory and Examining Board of the City of New York.

I remain, very respectfully,
WM. H. CLARK, Counsel to the Corporation.

On motion of his Honor the Mayor, the following resolution was unanimously adopted: Resolved, That the Secretary of this Board be directed to communicate with the Civil Service Commission of the City, for the purpose of having the employees of this Board properly classified under the Civil Service law.

Whereupon the Board adjourned.
