BOARD OF CITY RECORD.

MAYOR'S OFFICE, CITY HALL,
NEW YORK, June 18, 1891.

The Hons. Hugh J. Grant, Mayor; William H. Clark, Counsel to the Corporation, and Thomas F. Gilroy, Commissioner of Public Works, the officers designated by section 66 of the New York City Consolidation Act, met this day.

The minutes of the meeting of June 11 were read and approved.

The Supervisor of the City Record presented the following report:

OFFICE OF THE CITY RECORD, No. 2 CITY HALL,
NEW YORK, June 18, 1891.

To the Hons. the Mayor, Counsel to the Corporation and Commissioner of Public Works:

GENTLEMEN—I recommend that the requisitions laid before you to-day be approved. Only those of the County Clerk, Health Department and Commissioner of Street Improvements require comment. The County Clerk wants a new form of jury service return because of the Commissioner of Jurors insists that the old form does not provide for all the details required by law to be noted. The Health Department asks for the time extension blanks because, as I am informed, a great number of tenement-house owners have applied for delay, pending examinations to determine how the cellars of their buildings should be ceiled, the Department having been given discretion in the matter by chapter 39, Laws of 1891. The Commissioner of Street Improvements requires the books mentioned for the purpose of keeping certain records.

Respectfully submitted.

W. J. K. KENNY, Supervisor.

The requisitions laid before the Board were then acted on as the side-notes below indicate, the Supervisor being authorized, by a concurrent vote of the three officers, to procure by direct orders the goods on the requisitions allowed:

FIRE DEPARTMENT.

HEADQUARTERS FIRE DEPARTMENT,
157 AND 159 EAST SIXTY-SEVENTH STREET,
NEW YORK, June 27, 1891.

TO CONTRACTORS.

SEALED PROPOSALS FOR FURNISHING THE
materials and labor, and doing the work required
in repairing the floating engine "Zophar Mills"
Engine Co. No. 51, of this Department, will be received
by the Board of Commissioners at the head of the Fire
Department, at the office of said Department, Nos. 157
and 159 East Sixty-seventh street, in the City of New
York, until 10 o'clock A. M. Friday, July 10, 1891,
at which time and place they will be publicly opened by
the head of said Department and read.

No estimate will be received or considered after the
hour named.

For information as to the amount and kind of work to
be done, bidders are referred to the specifications, which
form part of these proposals.

The form of the agreement, with specifications, show-
ing the manner of payment for the work, may be seen,
and forms of proposals may be obtained at the office
of the Department.

Bidders will write out the amount of their estimate
in addition to inserting the same in figures.

The work is to be completed and delivered within
thirty (30) days after the execution of the contract.

The damages to be paid by the contractor for each
day that the contract may be unfulfilled after the time
specified for the completion thereof shall have expired
are fixed and liquidated at twenty (20) dollars.

The award of the contract will be made as soon as
practicable after the opening of the bids.

Any person making an estimate for the work shall
present the same in a sealed envelope to said Board, at
said office, on or before the day and hour above named,
which envelope shall be indorsed with the name or
names of the person or persons presenting the same,
the date of its presentation and a statement of the work
to which it relates.

The Fire Department reserves the right to decline
any and all bids or estimates if deemed to be for the
public interest. No bid or estimate will be accepted
from, or contract awarded to, any person who is in
arrears to the Corporation upon debt or contract, or
who is a defaulter, as surety or otherwise, upon any
obligation to the Corporation.

Each bid or estimate shall contain and state the name
and place of residence of each of the persons making the
same; the names of all persons interested with him or
them therein; and if no other person be so interested,
it shall distinctly state that fact; that it is made without

any connection with any other person making an estimate
for the same purpose, and is in all respects fair
and without collusion or fraud; and that no member of
the Common Council, head of a department, chief of a
bureau, deputy thereof or clerk therein, or other
officer of the Corporation, is directly or indirectly inter-
ested therein, or in the supplies or work to which it
relates, or in any portion of the profits thereof. The
bid or estimate must be verified by the oath, in writing,
of the party or parties making the estimate, that the
several matters stated therein are in all respects true.
Where more than one person is interested, it is requisite
that the verification be made and subscribed by all the
parties interested.

Each bid or estimate shall be accompanied by the con-
sent, in writing, of two householders or freeholders of
the City of New York, with their respective places of
business or residence, to the effect that if the contract be
awarded to the person making the estimate, they will, on
its being so awarded, become bound as sureties for its
faithful performance in the sum of one thousand (1,000)
dollars; and that if he shall omit or refuse to execute the
same, they will pay to the Corporation any difference
between the sum to which he would be entitled on
its completion and that which the Corporation
may be obliged to pay to the person or persons to
whom the contract may be awarded at any subsequent
letting; the amount in each case to be calculated upon
the estimated amount of the work by which the bids are
tested. The consent above mentioned shall be accom-
panied by the oath or affirmation, in writing, of each of
the persons signing the same, that he is a householder or
freeholder in the City of New York, and is worth the
amount of the security required for the completion of
this contract, over and above all his debts of every
nature, and over and above his liabilities as bail, surety
or otherwise; and that he has offered himself as a
surety in good faith and with the intention to execute the
bond required by law. The adequacy and sufficiency
of the security offered is to be approved by the
Comptroller of the City of New York before the award
is made and prior to the signing of the contract.

No estimate will be considered unless accompanied by
either a certified check upon one of the banks of the
City of New York, drawn to the order of the Comptroller,
or money to the amount of fifty (50) dollars. Such
check or money must not be inclosed in the sealed
envelope containing the estimate, but must be handed
to the officer or clerk of the Department who has charge
of the estimate-box, and no estimate can be deposited
in said box until such check or money has been exam-
ined by said officer or clerk and found to be correct.
All such deposits, except that of the successful bidder,
will be returned to the persons making the same within
three days after the contract is awarded. If the success-
ful bidder shall refuse or neglect, within five days after
notice that the contract has been awarded to him, to
execute the same, the amount of the deposit made by
him shall be forfeited and retained by the City of
New York, as liquidated damages for such neglect or
refusal, but if he shall execute the contract within the
time aforesaid, the amount of his deposit will be re-
turned to him.

Should the person or persons to whom the contract
may be awarded neglect or refuse to accept the contract
within five days after written notice that the same has
been awarded to his or their bid or proposal, or if he or
they accept but do not execute the contract and give the
proper security, he or they shall be considered as hav-
ing abandoned it, and as in default to the Corporation,
and the contract will be readvertised and relet as pro-
vided by law.

S. HOWLAND ROBBINS,
ANTHONY EICKHOFF,
Commissioners.

relates, or in any portion of the profits thereof. The bid
or estimate must be verified by the oath, in writing,
of the party or parties making the estimate that the
several matters stated therein are in all respects true.
Where more than one person is interested, it is requisite
that the verification be made and subscribed by all the
parties interested.

Each bid or estimate shall be accompanied by the con-

same, they will pay to the Corporation any difference
between the sum to which he would be entitled on its
completion, and that which the Corporation may be
obliged to pay to the person or persons to whom the con-
tract may be awarded at any subsequent letting; the
amount in each case to be calculated upon the estimated
amount of the work by which the bids are tested. The
consent above mentioned shall be accompanied by the

oath or affirmation, in writing, of each of the persons
signing the same, that he is a householder or free-
holder in the City of New York, and is worth the amount
of the security required for the completion of this con-

and that he has offered himself as surety in good faith
and with the intention to execute the bond required by
law. The adequacy and sufficiency of the security
offered is to be approved by the Comptroller of the City
of New York before the award is made and prior to the
signing of the contract.

No estimate will be considered unless accompanied
by either a certified check upon one of the banks of
the City of New York, drawn to the order of the
Comptroller, or money, to the amount of thirty-five (35)
dollars. Such check or money must not be inclosed in
the sealed envelope containing the estimate, but must be
handed to the officer or clerk of the Department who
has charge of the estimate-box, and no estimate can be
deposited in said box until such check or money has

correct. All such deposits, except that of the successful
bidder, will be returned to the persons making the same
within three days after the contract is awarded. If the
successful bidder shall refuse or neglect, within five
days after notice that the contract has been awarded to

No. 5. FOR REGULATING AND PAVING WITH GRANITE-BLOCK PAVEMENT, WITH CONCRETE FOUNDATION, THE CARRIAGEWAY OF WEST STREET, from Battery place to Gansevoort street (so far as the same is within the limits of grants of land under water).

No. 6. FOR REGULATING AND PAVING WITH GRANITE-BLOCK PAVEMENT, WITH CONCRETE FOUNDATION, THE CARRIAGEWAY OF WEST STREET, from Battery place to Gansevoort street (so far as the same is not within the limits of grants of land under water).

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested, it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation is directly or indirectly interested in the estimate, or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person to whom the contract shall be awarded at any subsequent letting; the amount to be calculated upon the estimated amount of the work by which the bids are tested.

The consent last above mentioned must be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of the contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety, or otherwise, and that he has offered himself as surety in good faith, with the intention to execute the bond required by law.

No estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of the City of New York, drawn to the order of the Comptroller, or money, to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of the deposit will be returned to him.

THE COMMISSIONER OF PUBLIC WORKS RESERVES THE RIGHT TO REJECT ALL BIDS RECEIVED FOR ANY PARTICULAR WORK IF HE DEEMS IT FOR THE BEST INTERESTS OF THE CITY.

NOTICE IS HEREBY GIVEN THAT THE annual Water Rates for 1891 are now due and payable at this office.

THOMAS F. GILROY,

DEPARTMENT OF PUBLIC WORKS,
COMMISSIONER'S OFFICE,
No. 31 CHAMBERS STREET,
NEW YORK, August 14, 1889.

TO OWNERS OF LANDS ORIGINALLY ACQUIRED BY WATER GRANTS.

ATTENTION IS CALLED TO THE RECENT act of the Legislature (chapter 449, Laws of 1889), which provides that whenever any streets or avenues in the city, described in any grant of land under water, from the Mayor, Aldermen and Commonalty containing covenants requiring the grantees and their successors to pave, repave, keep in repair or maintain such streets, shall be in need of repairs, pavement or repavement the Common Council may, by ordinance, require the same to be paved, repaved or repaired, and the expense thereof to be assessed on the property benefited; and whenever the owner of a lot so assessed shall have paid the assessment levied for such paving, repaving or repairing, such payment shall release and discharge such owner from any and every covenant and obligation as to paving, repaving and repairing, contained in the water grant under which the premises are held, and no further assessment shall be imposed on such lot for paving, repaving or repairing such street or avenue, unless it shall be petitioned for by a majority of the owners of the property (who shall also be the owners of a majority of the property in frontage) on the line of the proposed improvement.

The act further provides that the owner of any such lot may notify the Commissioner of Public Works, in writing, specifying the ward number and street number of the lot that he desires, for himself, his heirs and assigns, to be released from the obligation of such covenants and elects and agrees that said lot shall be

thereafter liable to be assessed as above provided, and thereupon the owner of such lot, his heirs and assigns shall thenceforth be relieved from any obligation to pave, repair, uphold or maintain said street, and the lot in respect of which such notice was given shall be liable to assessment accordingly.

The Commissioner of Public Works desires to give the following explanation of the operation of this act: When notice, as above described, is given to the Commissioner of Public Works, the owner of the lot or lots therein described, and his heirs and assigns, are forever released from all obligation under the grant in respect to paving, repaving or repairing the street in front of or adjacent to said lot or lots, except one assessment for such paving, repaving or repairs, as the Common Council may, by ordinance direct to be made thereafter.

No street or avenue within the limits of such grants can be paved, repaved or repaired until said work is authorized by ordinance of the Common Council, and when the owners of such lots desire their streets to be paved, repaved or repaired, they should state their desire and make their application to the Board of Aldermen and not to the Commissioner of Public Works, who has no authority in the matter until directed by ordinance of the Common Council to proceed with the pavement, repavement or repairs.

THOS. F. GILROY,
Commissioner of Public Works.

Each estimate must contain the name and place of residence of the person making the same, the names of all persons interested with him therein, and if no other person be so interested it shall distinctly state that fact. That it is made without any connection with any other person making an estimate for the same work, and is in all respects fair and without collusion or fraud. That no member of the Common Council, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested in the estimate or in the work to which it relates or in the profits thereof.

Each estimate must be verified by the oath, in writing, of the party making the same, that the several matters therein stated are true, and must be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, to the effect that if the contract is awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall refuse or neglect to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its comple-
