NEW YORK, WEDNESDAY, MARCH 17, 1875.

NUMBER 53C.

COMMISSIONERS OF THE SINKING FUND.

Abstract of the Proceedings of the Commissioners of the Sinking Fund, at the meeting held March 5, 1875.

Present—Hon. William H. Wickham, Mayor, Chairman; Hon. Andrew H. Green, Comptroller; J. Nelson Tappan, Esq., Chamberlain, and Magnus Gross, Esq., Chairman of the Finance Committee, Board of Aldermen.

The minutes of the last meeting were read and approved.

A communication was received from the Commissioners of Docks, acknowledging the receipt of a copy of the preamble and resolutions adopted at the last meeting, requesting the said Commissioners to furnish this Board with certain information relative to their expenditures and operations for the year 1874, stating that the information asked for would be furnished as soon as possible; and calling attention to their requisition of January 14, 1875, for the issue of bonds for the uses and purposes of the Department of Docks.

Which, on motion, was laid on the table.

The Chairman stated that this meeting was called for the special purpose of considering the requisition of the Commissioners of Docks, submitted to this Board at the last meeting, and referred to the Comptroller, for the issue of \$1,000,000 Dock Bonds, for the uses and purposes of the Dock Department.

In reply to the inquiry of the Chairman, the Comptroller stated that he had not prepared a resolution for the action of this Board, authorizing the issue of the amount of bonds asked for by the Commissioners of Docks, as he was opposed to the issue of so large an amount at this time, without further information as to its necessity.

After a general discussion of the subject, in which the Mayor, Comptroller, and Chairman of the Finance Committee of the Board of Aldermen participated, the Chairman of the Finance Committee of the Board of Aldermen submitted the following resolution, which was seconded by the Chamberlain, viz.:

Resolved, That the Comptroller, in accordance with subdivision 11 of section 6 of the Act, Chapter 574 of the Laws of 1871, be and hereby is directed to prepare and issue, from time to time, \$1,000,000, Dock Bonds of the City of New York, for the purpose of raising the moneys necessary to carry out the provisions of said Act relating to the Department of Docks, its powers and duties, being the amount of the requisition by the Commissioners of Docks, dated January 14, 1875.

The Comptroller moved to amend the resolution by substituting \$200,000 in lieu of \$1,000,000. The question was taken on the motion to amend and was not adopted; the Comptroller voting in the affirmative, and the Mayor, Chamberlain, and Chairman of the Finance Committee, Board of Aldermen, in the negative.

The Comptroller then moved to amend the resolution by making the amount \$300,000 in lieu of \$1,000,000, which was not adopted; the Commissioners voting as on the previous motion. The subject was further discussed, when, on the suggestion of the Comptroller, the resolution was modified by adding after the words from time to time the following: "as he may deem necessary to meet the requirements of the Dock Department;" and as thus modified was, on motion unanimously adopted, as follows, viz.:

Resolved, That the Comptroller, in accordance with subdivision 11 of section 6 of the act, chapter 574 of the Laws of 1871, be and is hereby directed to prepare and issue from time to time, as he may deem necessary to meet the requirements of the Dock Department, one million dollars Dock bonds of the City of New York, for the purpose of raising the moneys necessary to carry out the provisions of said act relating to the Department of Docks, its powers and duties, being the amount of requisition by the Commissioners of Docks, dated January 14, 1875.
