PUBLIC SERVICE COMMISSION—FIRST DISTRICT.

No. 154 NASSAU ST., NEW YORK CITY.

Weekly Calendar of Hearings.

The following hearings will be held during the remainder of the week commencing Monday, August 29, 1910:

Friday, September 2, 1910—2:30 p. m.—Room 305—Case No. 1255—Long Island Railroad Company—"Safety precautions at Fairview Avenue and eleven other grade crossings."—Commissioner Bassett.

COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund, at a Meeting Held in Room 16, City Hall, at 11.30 o'clock a. m., on Friday, August 26, 1910.

Present—John Purroy Mitchel, Acting Mayor; Douglas Mathewson, Deputy and Acting Comptroller; Charles H. Hyde, Chamberlain, and Francis P. Bent, Acting President, Board of Aldermen.

The Deputy and Acting Comptroller presented the following report relative to a lease of premises Nos. 70 to 74 Lafayette st., Borough of Manhattan, for use of the Board of Coroners:

August 23, 1910.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—Hon. Isaac Franklin Russell, Chief Justice of the Court of Special Sessions, First Division, in a communication under date of July 19, 1910, addressed to the Hon. William A. Prendergast, Comptroller, states that in conformity with the provisions of chapter 659 of the Laws of 1910—"An Act in Relation to the Inferior Courts of Criminal Jurisdiction of The City of New York," it will be absolutely necessary for the Court to be in active operation by the 1st of September next.

The letter also states that anticipating a meeting of the Commissioners of the Sinking Fund in the near future, he respectfully asks that steps be taken to provide accommodations for the use of said Court. He understands that the Coroners, who occupy the ground floor of the Criminal Courts Building, are willing to change their quarters if suitable accommodations are provided for them.

Complying with said request, and in view of the urgency for the establishment of said Court, communication was had with the Board of Coroners, and, under date of July 22, 1910, Israel F. Feinberg, President of the Board of Coroners, in a communication, stated that he had found a building situated at 114 W. 72d st. which he thought would be very convenient for the use of the Board of Coroners because of its being adjacent to most of the City hospitals and also because of the nearness of the elevated and subway stations, enabling them to reach all points with the least possible delay. Said premises were investigated by the Bureau of Real Estate and found to consist of the three upper floors of the four-story brick and stone building, with dimensions 25 by 60 feet, in a reconstructed building, with elevator service.

The rental asked for the premises in question—to wit, \$6,500 per annum—was considered excessive, and no further action was taken looking towards the leasing of these premises.

In the meantime, however, negotiations were pending for the renting of rooms situated on the third, fourth and seventh floors of the premises Nos. 70 to 74 Lafayette st., northwest corner of Franklin and Lafayette sts., all of which floors contain approximately 4,350 square feet of floor space. The Board of Coroners was asked to look over these premises and notify us if they would be suitable for their needs, and, under date of August 9, 1910, a communication was received, addressed to the Commissioners of the Sinking Fund, stating that they had that day examined the premises Nos. 70 to 74 Lafayette st. and found that the three upper floors would be well suited for the purposes required by the Board of Coroners, with such alterations as they may deem necessary for their particular purposes.

The third floor is to consist of one room to be used as a main office for the general transaction of business; another room to be used as a store room for property; also another room for the Property Clerk and Telephone Operator. The fourth floor to be divided into four rooms for the use of the Coroners. The seventh floor to consist of a large court room, a room for jury purposes and a room for the

use of the Stenographers of the Court. Each of the above floors contains approximately 1,450 square feet of floor space, making in all 4,350 square feet, at the rate of \$1.20 a square foot, or a total rental of \$5,220 per annum.

These floors were originally held at \$6,000 per annum, but after considerable negotiation, they were reduced to \$5,220 per annum, as above stated.

The nearest approach to a building of like character is the Merchants' Association Building at 66 Lafayette st., in which a rental of \$1.25 and up a square foot is asked.

The lessor agrees to pay taxes, furnish water, light, heat, elevator and janitor service; to remove and replace partitions on said floors as per blue print on file in the Bureau of Real Estate. Also to remove and replace wash basins, change steam heating apparatus and electric wiring where required by the Board of Coroners, and to allow one room to be occupied the full twenty-four hours of each day during the entire year.

In view of the above, and the rent being reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund authorize the execution of a lease of the third, fourth and seventh floors in the Ahrens Building, Nos. 70 to 74 Lafayette st., Borough of Manhattan, for a period of three years from October 1, 1910, with the privilege of renewal for an additional two years upon the same terms and conditions, at an annual rental of \$5,220, payable quarterly; the lessor to pay taxes, furnish light, heat, water, elevator and janitor service; to remove and replace partitions on said floors as per blue print on file in the Bureau of Real Estate; also to remove and replace wash basins, change steam heating apparatus and electric wiring where required by the Board of Coroners and to allow one room to be occupied the full twenty-four hours of each day during the entire year; provided Bureau of Buildings shall certify premises proper for purposes for which required, i. e., court room and public offices. Lessor, Mrs. Josephine Ahrens. Respectfully,

DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

The question was raised as to whether it would not be more advisable to authorize a lease for a period of two years instead of three, as recommended in the report.

Discussion of the matter followed.

The following resolution was then offered for adoption:

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City, from Mrs. Josephine H. Ahrens, of the third, fourth and seventh floors in the Ahrens Building, 70 to 74 Lafayette st., Borough of Manhattan, for use of the Board of Coroners of the Borough of Manhattan, for a period of two years, from October 1, 1910, with the privilege of renewal for a period of two years upon the same terms and conditions, at an annual rental of five thousand two hundred and twenty dollars (\$5,220), payable quarterly, the lessor to pay taxes, furnish light, heat, water, elevator and janitor service; to remove and replace partitions on said floors, as per blue print on file in the Bureau of Real Estate of the Department of Finance; also to remove and replace wash basins, change steamheating apparatus and electric wiring where required by the Board of Coroners, and to allow one room to be occupied the full twenty-four hours of each day during the entire year; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter, provided the Bureau of Buildings shall certify that the premises are proper for the purposes for which required, i. e., court room and public offices. Which resolution was unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to an amendment to resolution authorizing a lease of rooms in the Hirschman Building, on Anable st., Long Island City, Borough of Queens, for use of the Law Department (Bureau of Street Openings):

August 25, 1910.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—The Commissioners of the Sinking Fund, under date of June 29, 1910, adopted a resolution authorizing a lease to the City from Stuard Hirschman of 3,873 square feet of space in the rear portion of the sixth floor of the Hirschman Building, located on the southerly side of Anable st., 150 feet east of Jackson ave., Long Island City, Borough of Queens, for use of the Law Department (Bureau of Street Openings), for a term of five years from July 1, 1910, with the privilege of renewal for an additional term of five years upon the same terms and conditions, at an annual rental of \$2,904.75, payable quarterly. Said leases have been drawn by the Corporation Counsel, as required by the Charter, for the purpose of submitting the same to Mr. Hirschman for his signature.

There are one or two clauses in the lease which were left out of the report and resolution, and which Mr. Hirschman insists should be included before signing the same. I see no reason why the same should not be inserted.

I therefore respectfully recommend that the resolution adopted June 29, 1910, authorizing said lease, be amended by inserting three additional paragraphs, as follows:

That no alterations or additions or improvements shall be made by the City upon that part occupied by the City without the written consent of the owner.

That in case of any damage or injury occurring to the glass in that part of the building occupied by the City, or damage or injury to said premises so occupied, of any nature or kind whatsoever, said damage or injury being caused by the carelessness, negligence or improper conduct on the part of the City, its agent or employees, the City shall cause the said damage or injury to be repaired as speedily as possible, at its own cost and expense.

The owner shall not be liable, in case the City shall sustain any damage or injury to its personal property by carelessness, negligence or improper conduct on the part of its, the City's, employees, or agents, or on the part of any other tenant, by reason of the breakage, leakage or obstruction of the Croton water or soil pipes, or other leakage in or about said building, except that which would be caused from the defects in the roof of said building, but the said owner shall cause the said damage or injury to be repaired as speedily as possible at his own cost and expense.

Respectfully, DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Resolved, That the resolution adopted by this Board at meeting held April 27, 1910, and amended by resolution adopted June 29, 1910, authorizing a lease from Stuard Hirschman, of 3,873 square feet of space in the rear portion of the sixth floor of the Hirschman Building, located on the southerly side of Anable st., 150 feet east of Jackson ave., Long Island City, Borough of Queens, for use of the Law Department (Bureau of Street Openings), for a term of five years from July 1, 1910, with the privilege of renewal for an additional five years, upon the same terms and conditions, at an annual rental of two thousand nine hundred and four dollars and seventy-five cents (\$2,904.75), payable quarterly; the lease to contain a clause giving the City the right to cancel the same in the event of the erection of a Borough Hall in the Borough of Queens; said clause to state that if the Borough Hall to be erected in the Borough of Queens is ready for occupancy at any time during the renewal period of said lease, then upon ninety days' notice after said Borough Hall is ready for occupancy said lease shall be canceled and become void.

—be and the same is hereby amended, by adding thereto three additional paragraphs as follows:

That no alterations or additions or improvements shall be made by the City upon that part occupied by the City without the written consent of the owner.

That in case of any damage or injury occurring to the glass in that part of the building occupied by the City, or damage or injury to said premises so occupied, of any nature or kind whatsoever, said damage or injury being caused by the carelessness, negligence or improper conduct on the part of the City, its agents or employees, the City shall cause the said damage or injury to be repaired as speedily as possible, at its own cost and expense.

The owner shall not be liable, in case the City shall sustain any damage or injury to its personal property by carelessness, negligence or improper conduct on the part

of its, the City's, employees or agents, or on the part of any other tenant by reason of the breakage, leakage or obstruction of the Croton water or soil pipes, or other leakage in or about said building, except that which would be caused from the defects in the roof of said building, but the said owner shall cause the said damage or injury to be repaired as speedily as possible, at his own cost and expense.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to an amendment to resolution authorizing a lease of premises on the north side of the Boulevard, about 75 feet west of Henry st., Rockaway Beach, Borough of Queens, for use of the Fire Department.

August 25, 1910.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—On June 29, 1910, the Commissioners of the Sinking Fund adopted a resolution authorizing a renewal of the lease to the City of premises on the north side of the Boulevard, about 75 feet west of Henry st., Rockaway Beach, Borough of Queens, for use of the Fire Department, for a period of one year from September 1, 1910, at an annual rental of \$750, payable quarterly, the lessor to pay taxes and make outside repairs, the City to make inside repairs and pay for heat, light, water and janitor service.

This resolution, as adopted, is in accordance with the original lease, but the lessor, the Seaside Hose and Engine Co. No. 1, refuse to execute the renewal with the covenant therein contained requiring them to make outside repairs, and have notified the City to that effect.

I therefore respectfully recommend that the resolution above mentioned be amended so as to read, the lessor to pay taxes, the City to make inside and outside repairs, and pay for heat, light, water and janitor service; otherwise upon the same terms and conditions as contained in the existing lease. Lessor, the Seaside Hose and Engine Co. No. 1. Respectfully,

DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Resolved, That the resolution adopted by this Board at meeting held June 29, 1910, authorizing a renewal of the lease to the City, of premises on the northerly side of

the Boulevard, about 75 feet west of Henry st., Rockaway Beach, Borough of Queens, for use of the Fire Department, be and the same is hereby amended to read as follows:

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to an amendment to resolution authorizing a lease of premises at 191 Broadway, Borough of Brooklyn, for use of the Police Department:

August 23, 1910.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—On June 29, 1910, the Commissioners of the Sinking Fund adopted a resolution authorizing the Comptroller to execute a renewal of the lease to the City of the basement, stor floor and second floor of the premises 191 Broadway, Borough of Brooklyn, for use of the Police Department, for a period of one year from October 1, 1910, at an annual rental of \$2,400, payable quarterly, the owner to pay the regular water rates for the building and taxes and keep the outside of the building in repair, the City to pay for extra water used in the premises occupied, make interior alterations as may be required and furnish heat, light and janitor service; lessor, James R. Sparrow.

I have since been informed that James R. Sparrow died last October, and the interest of the above property is now vested in Susie E. Sparrow, Carrie B. Sparrow, Edwin A. Sparrow and J. Everett Sparrow, executors and trustees under the will of James R. Sparrow.

I therefore respectfully recommend that the resolution above mentioned be amended by striking out the words, lessor, James R. Sparrow, and adding in place thereof the words, lessors, Susie E. Sparrow, Carrie B. Sparrow, Edwin A. Sparrow and J. Everett Sparrow, executors and trustees under the will of James R. Sparrow. Respectfully,

DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Resolved, That the resolution adopted by this Board at meeting held June 29, 1910, authorizing a renewal of the lease to the City from James R. Sparrow, of the basement, stor floor and second floor of premises 191 Broadway, Borough of Brooklyn, for use of the Police Department, be and the same is hereby amended by striking out "James R. Sparrow" as the name of the lessor and substituting in place thereof "Susie E. Sparrow, Carrie B. Sparrow, Edwin A. Sparrow and J. Everett Sparrow, executors and trustees under the will of James R. Sparrow."

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to an amendment to resolution authorizing a lease of premises 58 W. 11th st., Borough of Manhattan, for use of the Trustees of Bellevue and Allied Hospitals, as a residence for the General Medical Superintendent:

August 23, 1910.

To the Commissioners of the Sinking Fund, City of New York:

Gentlemen—On June 29, 1910, the Commissioners of the Sinking Fund adopted a resolution authorizing a lease to the City from John B. Leavitt of premises 58 W. 11th st., Borough of Manhattan, for use of the Trustees of Bellevue and Allied Hospitals, as a residence for the General Medical Superintendent, for a term of twenty-five months, beginning September 1, 1910, and ending October 1, 1912, at an annual rental of \$2,160, payable quarterly, the owner to pay taxes and water rates. The owner of these premises is Clara White Leavitt, and the mention of John B. Leavitt as lessor was a mistake.

I therefore respectfully recommend that the resolution above mentioned be amended by striking out the words "lessor, John B. Leavitt," and inserting in place thereof the words "lessor, Clara White Leavitt." Respectfully,

DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Resolved, That the resolution adopted by this Board at meeting held June 29, 1910, authorizing a lease to the City from John B. Leavitt of the premises 58 W. 11th st., Borough of Manhattan, for use of the Trustees of Bellevue and Allied Hospitals as a residence for the General Medical Superintendent, be and the same is hereby amended by striking out John B. Leavitt as the name of the lessor, and substituting in place thereof "Clara White Leavitt."

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to an amendment to resolution authorizing a lease of rooms at 381 to 387 Fulton st., Borough of Brooklyn, for use of the President of the Borough of Brooklyn:

August 23, 1910.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On March 16, 1910, the Commissioners of the Sinking Fund adopted the following resolution:

"Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from Mary E. Campbell, Mary Campbell, Sadie Campbell, Susan Campbell Kiernan and Alice Campbell Good, of Rooms 8 and 9 in the New Park Building, 381 to 387 Fulton st., Borough of Brooklyn, for use of the President of the Borough of Brooklyn, for a period of two years from April 1, 1910, with the privilege of renewal for an additional two years upon the same terms and conditions, at an annual rental of seventeen hundred and twelve dollars and fifty cents (\$1,712.50), payable quarterly; the lessors to furnish heat, light, water and janitor service; and, the Commissioners of the Sinking Fund, deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same, when prepared and approved by the Corporation Counsel, as provided by sections 149 and 217 of the Greater New York Charter."

The Corporation Counsel, in conformity with this resolution, prepared a lease, which he forwarded to this office. When this lease was submitted to the lessors, it was returned by Adrian T. Kiernan, their attorney, with the following letter:

"New York, April 14, 1910.

"Hon. WILLIAM A. PRENDERGAST, Comptroller of The City of New York, 280 Broadway, New York City:

"Dear Sir—I return herewith copy of the proposed lease sent to us with regard to Rooms 8 and 9 in the New Park Building, 381 to 387 Fulton st., Brooklyn, which rooms the City was going to take. There are some things in the lease that I could not agree to.

"In the first place, you put in it a provision for repairs. This we did not agree to, nor is it in the resolution passed by the City.

"In the second place, you put in a provision by which we agree to furnish heat, light, water and janitor service. This we are willing to do, but it must be on the understanding that we are not liable for temporary interruption in the same.

"We also call your attention to a clause that we would require in the contract, because otherwise our insurance policies might be avoided, and that is that you shall not alter, change nor add to the electrical appliances in the building. You understand that our insurance policy contains a prohibition against the use of electricity unless the same is authorized by the Board of Fire Underwriters. If any change is made in the electrical system after the issuance of a permit for us to use electricity our policies would be void. Therefore we require from you a covenant that you will not alter, change nor add to the electrical appliances.

"If this lease in its present shape is satisfactory I wish you would notify me at once, so that I can have it signed by the different parties. As some of these parties are out of town, it will take me a day or so to get the papers properly signed.

"I beg to refer you to Mr. O'Malley, with whom Mr. Morris, of this office, had a conversation to-day. He is familiar with this subject. I am, very truly yours,

(Signed) "A. T. KIERNAN."

In a conversation with the Corporation Counsel's office, they state that they cannot insert the conditions requested unless authorized to do so by resolution of the Sinking Fund.

I therefore respectfully recommend that the Commissioners of the Sinking Fund amend the resolution adopted by them on the 16th of March, 1910, and quoted above, by adding thereto the following covenants: That the City will not alter, change nor add to the electrical appliances in the premises or in said building, without the written consent of the lessors, and that the provision in the resolution calling for the lessors to furnish heat, light and water, be amended by adding thereto that they shall not be liable for any temporary interruption due to necessity for repairs or other unavoidable cause, provided the landlords exercise all diligence in making such necessary repairs and in removing the cause of such interruption. Respectfully,

DOUGLAS MATHEWSON, Deputy and Acting Comptroller.

Resolved, That the resolution adopted by this Board at meeting held March 16, 1910, authorizing a lease to the City, from Mary E. Campbell, Mary Campbell, Susie Campbell, Susan Campbell Kiernan and Alice Campbell Good, of Rooms 8 and 9 in the new Park Building, 381 to 387 Fulton st., Borough of Brooklyn, for use of the President of the Borough of Brooklyn, for a period of two years from April 1, 1910, with the privilege of renewal for an additional two years, upon the same terms and conditions, at an annual rental of one thousand seven hundred and twelve dollars and fifty cents (\$1,712.50), payable quarterly; the lessors to furnish heat, light, water and janitor service.

—be and the same is hereby amended by adding thereto the following covenants:

"That the City will not alter, change nor add to the electrical appliances in the premises or in said building, without the written consent of the lessors, and that the provision in the resolution calling for the lessors to furnish heat, light and water, be amended by adding thereto that they shall not be liable for any temporary interruption due to necessity for repairs or other unavoidable cause, provided the landlords exercise all diligence in making such necessary repairs and in removing the cause of such interruption."

The report was accepted and the resolution unanimously adopted.

PROPOSED FORM OF CONTRACT.

This contract, made this day of 19 , by and between The City of New York (hereinafter called the City), party of the first part, by the Mayor of said City, acting for and in the name of said City, under and in pursuance of the authority of the Board of Estimate and Apportionment of said City (hereinafter called the Board), and the Merchants' Refrigerating Company (hereinafter called the Company), party of the second part, witnesseseth:

In consideration of the mutual covenants and agreements herein contained, the parties hereto do hereby covenant and agree, as follows:

Section 1. The City hereby grants to the Company, subject to the conditions and provisions hereinafter set forth, the right and privilege to construct, maintain and operate certain conduits with the necessary branches and extensions therefrom, leading directly into private property, for the sole purpose of supplying refrigeration to consumers, provided that no conduit be of a greater outside diameter than twelve (12) inches, including insulation or other covering; the same to be constructed and operated only beneath the surface of such of the streets, avenues and highways situate within the Borough of Manhattan, City of New York, as are included within the districts bounded and described as follows:

District Number 1.

Bounded on the north by the centre line of Beach street; on the west by the centre line of Hudson street; on the south by the centre line of Franklin street, and on the east by the centre line of Varick street.

District Number 2.

Bounded on the north by the centre line of Harrison street, between Greenwich and Washington streets; on the west by an irregular line formed by the centre lines of Washington street and Jay street, the westerly line of West street and the centre lines of Duane street, Washington street, Warren street and Greenwich street; on the south by the centre line of Murray street, between Greenwich street and West Broadway, and on the east by an irregular line formed by the centre line of West Broadway, the centre line of Hudson street, the centre line of Duane street, prolonged in a straight line to the centre line of Hudson street, and the centre line of Greenwich street.

Provided, however, that upon written application to the Board by the Company, the Board may, by resolution, extend the lines of either of the districts hereinabove described to all or any part of a district bounded and described as follows:

District Number 3.

Bounded on the north by the centre line of Hubert street; on the west by the centre line of West street; on the south by the centre line of Murray street; on the east by an irregular line formed by the centre lines of West Broadway, Franklin street, Varick street, Beach street and Hudson street.

All of which districts being more particularly shown—Districts Numbers 1 and 2 by full red lines, and District Number 3 by dashed red lines—on a map entitled:

"Map showing districts applied for by the Merchants' Refrigerating Company to accompany petition dated January 27, 1910, to the Board of Estimate and Apportionment, City of New York."—signed by Frank A. Horne, Secretary, a copy of which is hereto annexed and made a part of this contract.

Should either of the districts known as District Number 1 and District Number 2 be extended as hereinbefore provided, then the terms and conditions of this contract shall apply to such extended districts.

Sec. 2. The grant of this privilege is subject to the following conditions, which shall be complied with by the Company:

First—The said right to construct, maintain and operate said conduits shall be held and enjoyed by the Company for the term of fifteen (15) years from the date upon which this contract is signed by the Mayor, with the privilege of renewal of said contract for the further period of ten (10) years, upon a fair revaluation of such right and privilege.

If the Company shall determine to exercise its privilege of renewal it shall make application to the Board, or any authority which shall be authorized by law to act for the City in place of the Board. Such application shall be made at any time not earlier than two (2) years and not later than one (1) year before the expiration of the original term of this contract. The determination of the revaluation shall be submitted in writing by the Company and the Board, but in no case shall the annual rate of compensation to the City be fixed at a less amount than the sum required to be paid during the last year prior to the termination of the original term of this contract.

If the Company and the Board shall not reach such agreement on or before the day one (1) year before the expiration of the original term of this contract, then the annual rate of compensation for such succeeding ten (10) years shall be reasonable and either the City (by the Board) or the Company shall be bound upon request of the other to enter into a written agreement with each other fixing the rate of such compensation at such amount as shall be reasonable, but in no case shall the annual rate so fixed be less than the sum required to be paid for the last year prior to the termination of the original term of this contract and if the parties shall not forthwith agree upon what is reasonable, then the parties shall enter into a written agreement fixing such annual rate and at such amount as shall be determined by three disinterested freeholders selected in the following manner:

One disinterested freeholder shall be chosen by the Board; one disinterested freeholder shall be chosen by the Company; these two shall choose a third disinterested freeholder, and the three so chosen shall act as appraisers and shall make the revaluation aforesaid. Such appraisers shall be chosen at least six (6) months prior to the expiration of this original contract, and their report shall be filed with the Board within three (3) months after they are chosen. They shall act as appraisers and not as arbitrators. They may base their judgment upon their own experience and upon such information as they may obtain by inquiries and investigations, without the presence of either party. They shall have the right to examine any of the books of the Company and its officers under oath. The valuation so ascertained, fixed and determined shall be conclusive upon both parties, but no annual sum shall, in any event, be less than the sum required to be paid for the last year of this original contract. If in any case the annual rate shall not be fixed prior to the termination of the original term of this contract, then the Company shall pay the annual rate theretofore prevailing until the new rate shall be determined, and shall then make up to the City the amount of any excess of the annual rate then determined over the previous annual rate. The compensation and expenses of the said appraisers shall be borne jointly by

the City and the Company each paying one-half thereof.

Second—The Company shall pay to the City for the privilege hereby granted the following sums of money:

(a) The sum of two thousand dollars (\$2,000) in cash within one (1) month after the date on which this contract is signed by the Mayor, and before anything is done in exercise of the privilege hereby granted.

(b) During the first term of five years, an annual sum which shall in no case be less than eight hundred dollars (\$800), and which shall be equal to two (2) per cent. of its gross annual receipts, if such percentage shall exceed the sum of eight hundred dollars (\$800).

During the second term of five years, an annual sum which shall in no case be less than twelve hundred dollars (\$1,200), and which shall be equal to three (3) per cent. of its gross annual receipts, if such percentage shall exceed the sum of twelve hundred dollars (\$1,200).

During the third term of five years, an annual sum which shall in no case be less than five hundred dollars (\$500), and which shall be equal to three (3) per cent. of its gross annual receipts, if such percentage shall exceed the sum of five hundred dollars (\$500).

The gross receipts mentioned above shall be the total receipts from all business of furnishing refrigeration to consumers.

(c) An annual payment of twenty-five cents (\$0.25) for each linear foot of conduit constructed within the limits of any street, avenue or highway, excepting, however, such conduits as are constructed within the vault space or vault spaces of any building or buildings used or occupied exclusively by the Company for the purpose of its business.

An annual payment of two dollars (\$2) for each manhole constructed within the limits of any street, avenue or highway.

The annual charges shall commence from the date upon which this contract is signed by the Mayor.

All certificate charges as above shall be paid into the Treasury of the City on February 1 of each year and shall be for the amount due to December 31 next preceding. Provided that the first annual payment shall be only for that proportion of the first annual charge as the time between the date upon which this contract is signed by the Mayor and December 31 following shall bear to the whole of one year.

Whenever the percentage required to be paid shall exceed the minimum amount as above, then such sum over and above such minimum shall be paid on or before February 1 in each year for the year ending December 31 next preceding.

(d) Before any rights hereby conferred are exercised by the Company and within one (1) month from the date on which this contract is signed by the Mayor, the Company shall pay to the City the sum of two thousand five hundred dollars (\$2,500); said amount being due the City by reason of the unauthorized occupation of the streets by the Company or its predecessors.

Any and all payments to be made by the terms of this contract to the City by the Company shall not be considered in any manner in the nature of a tax, but such payments shall be made in addition to any and all taxes of whatsoever kind or description, now or hereafter required to be paid by any ordinance of the City, or resolution of the Board, or any law of the State of New York.

Third—The annual charges or payments shall continue throughout the whole term of this contract (whether original or renewal), notwithstanding any clause in any statute or in the charter of any other company providing for payments for refrigerating rights or franchises at a different rate, and no assignment, lease or sublease of the rights or privileges hereby granted (whether original or renewal), or of any part thereof, or of any of the streets and avenues mentioned herein, or of any part thereof, shall be valid or effectual for any purpose unless the said assignment, lease or sublease shall contain a covenant on the part of the assignee or lessee that the same is subject to all conditions of this contract, and that the assignee or lessee assumes and will be bound by all of said conditions, and especially said conditions as to payments, anything in any statute or in the charter of such assignee or lessee to the contrary notwithstanding, and that the said assignee or lessee waives any more favorable conditions created by such statute or its charter, and that it will not claim by reason thereof or otherwise exemption from liability to perform each and all of the conditions of this contract.

Fourth—Nothing in this contract shall be deemed to affect in any way the right of the City to grant to any individual, firm or other corporation a similar right or privilege upon the same or other terms and conditions, over the same streets and avenues, or within the districts hereinbefore described.

Fifth—The rights and privileges hereby granted shall not be assigned, either in whole or in part, or leased or sublet in any manner, nor shall the title thereto, or right, interest or property therein, pass to or vest in any other person or corporation whatsoever, either by the act of the Company or by operation of law, whether under the provisions of the statutes relating to the consolidation or merger of corporations or otherwise, without the consent of the City, acting by the Board, evidenced by an instrument under seal, anything herein contained to the contrary thereof in anywise notwithstanding, and the granting, giving or waiving of any one or more of such consents shall not render unnecessary any subsequent consent or consents.

Sixth—Upon the termination of this original contract, or if the same be renewed, then at the termination of the said renewal term, or upon the termination of the rights hereby granted for any cause, or upon the dissolution of the Company before such termination, the conduits and appurtenances of the Company constructed pursuant to this contract within the streets and avenues shall become the property of the City without cost, and the same may be used or disposed of by the City for any purpose whatsoever, or the same may be leased to any company or individual.

If, however, at the termination of this contract as above, the Board shall so order by resolution, the Company shall, upon thirty (30) days' notice from the Board, remove any and all of its conduits and appurtenances constructed pursuant to this contract and the said streets and avenues shall be restored to their original condition at the sole cost and expense of the Company.

Seventh—The grant of this privilege is subject to whatever right, title or interest the owners of abutting property or others may have in and to the streets and avenues in which the Company is hereby authorized to operate.

Eighth—All construction which shall be made under this grant shall be done in a manner solely upon the terms and conditions hereafter to be imposed by the President of the Borough of Manhattan and the Commissioner of Water Supply, Gas and Electricity, or their respective successors in authority. The said Company shall submit a working plan of construction to the said President and to the said Commissioner, which shall include and show in detail the method of construction of said conduit line, connections, manholes and other appurtenances and the mode of protection of all subsurface construction under the streets and

avenues in which the Company is hereby authorized to operate.

Ninth—Any alteration to the sewerage or drainage system, or to any other subsurface or to any surface structures in the streets, required on account of the construction or operation of the conduits of the Company, shall be made at the sole cost of the Company, and in such manner as the proper City officials may prescribe.

Tenth—It is agreed that the right hereby granted shall not be in preference or in hindrance to public work of the City, and should the said conduits in any way interfere with the construction of public works in the streets and avenues, whether the same is done by the City directly or by a contractor for the City, the Company shall, at its own expense, protect or move the conduits and appurtenances in the manner directed by the City officials having jurisdiction over such public work.

Eleventh—The Company shall bear the expense of keeping in repair for one year after it has been replaced, all pavement which may at any time be removed by said Company, either for the purpose of construction or for the repairing of the conduit line and its appurtenances.

Twelfth—The Company shall bear the expense of inspection which may be required by the President of the Borough of Manhattan and the Commissioner of Water Supply, Gas and Electricity, and of all work of construction.

Thirteenth—The Company shall cause a test to be made of the pipes to be contained within the conduits hereby authorized whenever required by and under the supervision of the Commissioner of Water Supply, Gas and Electricity. The conditions of such test shall be as follows:

(a) If the test be made in the foundry where the pipes are manufactured, such pipes shall be subjected to a pressure of three hundred (300) pounds per square inch.

(b) If the test be made in the field, of pipes in use or ready for use, such pipes shall be subjected to a pressure of two hundred (200) pounds per square inch.

A certificate showing that such a test has been made without injury to the pipes shall be executed by an officer of the Company, and indorsed by the Commissioner of Water Supply, Gas and Electricity, and filed with the Board.

Fourteenth—The Company shall not charge consumers more than the following rates:

Four (4) cents per month per cubic foot for boxes of not over 500 cubic feet.

Two (2) cents per month per cubic foot for boxes of over 500 cubic feet, but less than 1,500 cubic feet.

The Company shall not be required, however, to furnish refrigeration to applicants whose premises are located above the first floor of any building.

On the same date of each succeeding year, during the term of this contract, a supplementary map shall be furnished to the Board showing all conduits laid during the preceding year.

In case of any drafts made upon the security fund the Company shall, upon ten (10) days' notice in writing, pay to the City a sum sufficient to restore said security fund to the original amount of three thousand dollars (\$3,000), and in default thereof this contract shall be canceled and annulled at the option of the Board, acting in behalf of the City. Every such notice or direction to be served upon the Company shall be delivered at such office in the City as shall have been designated by the Company, or if no such office shall have been designated, or if such designation shall have for any reason become inoperative, shall be mailed in the City, postage prepaid, addressed to the Company at the City. Delivery or mailing of such notice or direction as and when above provided shall be equivalent to direct personal notice or direction, and shall be deemed to have been given at the time of delivery or mailing.

Twenty-fifth—The words "streets or avenues" and "streets and avenues," wherever used in this contract, shall be deemed to mean "streets, avenues, highways, parkways, driveways, concourses, boulevards, bridges, viaducts, tunnels, public places or any other property to which the City has title or over which the public has an easement," included in the districts hereinabove described, and under the surface of, or in which authority is hereby given to the Company to construct or maintain its conduits.

Twenty-sixth—If at any time the powers of the Board or any other of the authorities herein mentioned or intended to be mentioned shall be transferred by law to any other Board, authority, officer or officers, then and in such case such other Board, authority, officer or officers shall have all the powers, rights and duties herein reserved to or prescribed for the Board or other authorities, officer or officers.

Whereas, This Board has made inquiry as to the money value of the franchise or right applied for and proposed to be granted to the Staten Island Rapid Transit Railway Company and the adequacy of the compensation proposed to be paid therefor; now therefore it is

Resolved, That the following form of the resolution for the grant of the franchise or right applied for by the Staten Island Rapid Transit Railway Company containing the form of proposed contract for the grant of such franchise or right be hereby introduced and entered in the minutes of this Board as follows, to wit:

Resolved, That the Board of Estimate and Apportionment hereby grants to the Staten Island Rapid Transit Railway Company the franchise or right fully set out and described in the following form of proposed contract for the grant thereof embodying all the terms and conditions including the provisions as to rates, fares and charges upon and subject to the terms and conditions in said proposed form of contract contained and that the Mayor of The City of New York be and he hereby is authorized to execute and deliver such contract in the name and on behalf of The City of New York, as follows, to wit:

PROPOSED FORM OF CONTRACT.

This contract, made this day of 19 by and between The City of New York (hereinafter called the City), party of the first part, by the Mayor of said City, acting for and in the name of said City, under and in pursuance of the authority of the Board of Estimate and Apportionment of said City (hereinafter called the Board), and The Staten Island Rapid Transit Railway Company (hereinafter called the Company), party of the second part, witnesses:

In consideration of the mutual covenants and agreements herein contained, the parties hereto do hereby covenant and agree as follows:

Section 1. The City hereby grants to the Company, subject to the conditions and provisions hereinafter set forth, the right and privilege to construct, maintain and operate two (2) additional tracks, together with the necessary bridge or viaduct therefor over and across Western Avenue, Third Ward, Borough of Richmond, said tracks to be constructed immediately to the south of the present track of the Company crossing over and above such avenue, all as shown on a map entitled:

"Map Showing Proposed Tracks Over and Across Western Avenue in the Third Ward, Borough of Richmond, City of New York. To Accompany Petition of the Staten Island Rapid Transit Railway Co. To the Board of Estimate and Apportionment."

—signed by Geo. H. Campbell, Vice-President, and Wm. B. Redgrave, Division Engineer, attached to this contract and made a part hereof.

Sec. 2. The grant of this privilege is subject to the following conditions, which shall be complied with by the Company:

First—The said right to construct, maintain and operate said railroad tracks shall be held and enjoyed by the Company from the date on which this contract is signed by the Mayor to and until October 28, 1914, with the privilege of renewal of said contract for the further period of twenty-five (25) years, upon a fair revaluation of such right and privilege.

If the Company shall determine to exercise its privilege of renewal it shall make application to the Board, or any authority which shall be authorized by law to act for the City in place of the

Board. Such application shall be made at any time not earlier than two (2) years and not later than one (1) year before the expiration of the original term of this contract. The determination of the revaluation shall be sufficient if agreed to in writing by the Company and the Board, but in no case shall the annual rate of compensation to the City be fixed at a less amount than the sum required to be paid during the last year prior to the termination of the original term of this contract.

If the Company and the Board shall not reach such agreement on or before the day one (1) year before the expiration of the original term of this contract, then the annual rate of compensation for such succeeding twenty-five (25) years shall be reasonable, and either the City (by the Board) or the Company shall be bound upon request of the other to enter into a written agreement with each other fixing the rate of such compensation at such amount as shall be reasonable, but in no case shall the annual rate so fixed be less than the sum required to be paid for the last year prior to the termination of the original term of this contract, and if the parties shall not forthwith agree upon what is required, then the parties shall enter into a written agreement fixing such annual rate and at such amount as shall be determined by three disinterested freeholders selected in the following manner:

One disinterested freeholder shall be chosen by the Board; one disinterested freeholder shall be chosen by the Company; these two shall choose a third disinterested freeholder, and the three so chosen shall act as appraisers and shall make the revaluation aforesaid. Such appraisers shall be chosen at least six (6) months prior to the expiration of this original contract, and their report shall be filed with the Board within three (3) months after they are chosen. They may base their judgment upon their own experience and upon such information as they may obtain by inquiries and investigation, without the presence of either party. They shall have the right to examine any of the books of the Company and its officers under oath. The valuation so ascertained, fixed and determined, shall be conclusive upon both parties, but no annual sum shall, in any event, be less than the sum required to be paid for the last year of this original contract. If in any case the annual rate shall not be fixed prior to the termination of the original term of this contract, then the Company shall pay the annual rate theretofore prevailing until the new rate shall be determined, and shall then make up to the City the amount of any excess of the annual rate then determined over the previous annual rate. The compensation and expenses of the said appraisers shall be borne jointly by the City and the Company, each paying one-half thereof.

Second—The Company shall pay to the City for the privilege hereby granted the following sums of money:

(a) The sum of one hundred and fifty dollars (\$150) in cash within three (3) months after the date on which this contract is signed by the Mayor, and before anything is done in exercise of the privilege hereby granted.

(b) From the date on which this contract is signed by the Mayor until October 28, 1914, the annual sum of one hundred and fifty dollars (\$150).

(c) During the succeeding term of ten (10) years the annual sum of two hundred dollars (\$200).

(d) During the last term of ten (10) years the annual sum of three hundred dollars (\$300).

The annual charges shall commence from the date upon which this contract is signed by the Mayor.

All annual charges as above shall be paid into the Treasury of the City on November 1 of each year, and shall be for the amount due to September 30 next preceding. Provided that the first annual payment shall be only for that portion of the first annual charge as the time between the date upon which this contract is signed by the Mayor and September 30 following shall bear to the whole of one year.

Any and all payments to be made by the terms of this contract to the City by the Company, shall not be considered in any manner in the nature of a tax, but such payments shall be made in addition to any and all taxes of whatever kind or description, now or hereafter required to be paid by any ordinance of the City, or resolution of the Board, or any law of the State of New York.

Third—The annual charges or payments herein provided for shall continue throughout the whole term of this contract (whether original or renewal), notwithstanding any clause in any statute or in the charter of any railroad or railway company providing for payment for railroad or railway rights or franchises at a different rate, and no assignment, lease or sublease of the rights or privileges hereby granted, or of any part thereof, shall be valid or effectual for any purpose unless the said assignment, lease or sublease contain a covenant on the part of the assignee or lessee that the same is subject to all the conditions of this contract; and that the assignee or lessee assumes and will be bound by all of said conditions, especially said conditions as to payments, anything in any statute or in the charter of such assignee or lessee to the contrary notwithstanding, and that the said assignee or lessee waives any more favorable conditions created by such statute or its charter, and that it will not claim by reason thereof or otherwise exemption from liability to perform each and all of the conditions of this contract.

Fourth—The consent hereby given shall not be assigned, either in whole or in part, or leased or sublet in any manner, nor shall title, interest or property therein pass to or vest in any other person or corporation whatsoever, either by the acts of the said grantee, its successors or assigns, or by operation of law, without the consent in writing of the City, acting by the Board, or its successors in authority.

Fifth—Upon the termination of this contract, or if the same be renewed, then upon the termination of the said renewal term, or upon the termination of the rights hereby granted for any cause, or upon the dissolution of the Company before such termination, the tracks and equipment of the Company constructed pursuant to this contract within the street shall become the property of the City without cost, and the same may be used or disposed of by the City for any purpose whatsoever, or the same may be leased to the Company or any other company or individual.

If, however, at the termination of this contract, as above, the Board shall so order by resolution, the Company shall, upon thirty (30) days' notice from the Board, remove any and all of its tracks and other equipment constructed pursuant to this contract, and the said street shall be restored to its original condition at the sole cost and expense of the Company.

Sixth—The Company shall commence and complete the construction of the tracks and appurtenances herein authorized within three (3) years from the date upon which this contract is signed by the Mayor; otherwise the rights herein granted shall cease and determine.

Seventh—The Company shall pay the entire cost of the construction and maintenance of the tracks and bridge or viaduct herein authorized to

be constructed, and in addition shall pay the following:

(a) The cost of the protection of all surface and subsurface structures which shall be in any way disturbed by the construction of such tracks, and the bridge or viaduct.

(b) All changes in sewer or other subsurface structures made necessary by the construction of the said tracks and the bridge or viaduct, including the laying or relaying of pipes, conduits, sewers or other structures.

(c) The replacing or restoring the pavement in said street which may be disturbed during the construction of the tracks, and the bridge or viaduct.

(d) The inspection of all work during the construction or removal of the tracks, and the bridge or viaduct, as herein provided, which may be required by the President of the Borough of Richmond and the Commissioner of Water Supply, Gas and Electricity.

Eighth—Before the construction shall be begun the Company shall obtain permits to do the work from the President of the Borough of Richmond and from the Commissioner of Water Supply, Gas and Electricity. The Company shall perform all the duties which may be imposed upon it by these officials, as conditions of such permits, provided such conditions are not inconsistent with the provisions of this consent. The Company shall submit to these officials working plans, which shall include and show in detail the method of construction of said railroad tracks and the bridge or viaduct, and the mode of protection of changes in all subsurface structures required by the construction of the same.

Ninth—The bridge or viaduct to be constructed under this contract shall, subject to the approval of the President of the Borough of Richmond, be constructed in a single span from house-line to house-line, and there shall not be any supporting columns erected in the street. Such viaduct or bridge shall have a vertical clearance of not less than sixteen (16) feet above the centre of the street, and shall have drip pans placed under the same for the entire width of the street. The said tracks and bridge or viaduct shall be constructed, maintained and operated at the expense of the Company, subject to the supervision, control and inspection of the proper authorities of The City of New York who have jurisdiction over such matters under the Charter of the City or by this contract.

Tenth—The Company shall be liable for all damages to persons or property, including the street and subsurface structures therein, by reason of the construction and operation or maintenance of said railroad tracks and appurtenances, and it is a condition of this consent that The City of New York assumes no liability to either person or property on account of this consent.

Eleventh—Free and uninterrupted access to and passage over the street shall be maintained at all times, both during construction and thereafter, and no cars shall be allowed to stand upon said railroad tracks within the limits of said street.

Twelfth—This consent is granted on the further and express condition that all laws or ordinances now in force, or which may hereafter be adopted, shall be strictly complied with.

Thirteenth—This grant is upon the express condition that the Company, within thirty (30) days after the signing of this contract by the Mayor, and before anything is done in exercise of the rights hereby conferred, shall deposit with the Comptroller of the City the sum of five hundred dollars (\$500) either in money or securities, to be approved by him, which fund shall be security for the performance by the Company of all of the terms and conditions of this contract, especially those which relate to the payment of the annual charge for the privileges hereby granted, and the proper construction, maintenance and operation of the structures hereby authorized, and in case of default in the performance by the Company of such terms and conditions the City shall have the right to cause the work to be done and the materials to be furnished for the performance thereof after due notice, and shall collect the reasonable cost thereof from the said fund without legal proceedings; or after default in the payment of the annual charges, shall collect the same, with interest, from the said fund under ten (10) days' notice in writing to the Company; or in case of failure to keep the other terms and conditions of this contract, the Company shall pay a penalty of ten dollars (\$10) per day for each day of violation.

The procedure for the imposition and collection of the penalties in this contract shall be as follows:

The Board, on complaint made, shall give notice to the Company, directing its President or other officer to appear before the Board on a certain day not less than ten (10) days after the date of such notice, to show cause why the Company should not be penalized in accordance with the foregoing provision. If the Company fails to make an appearance, or, after a hearing, appears in the judgment of the Board to be in fault, said Board shall forthwith impose the prescribed penalty, and without legal procedure direct the Comptroller to withdraw the amount of such penalty from the security fund deposited with him. In case of any drafts made upon the security fund the Company shall, upon ten (10) days' notice in writing, pay to the City a sum sufficient to restore said security fund to its original amount of five hundred dollars (\$500), and in default thereof this contract shall be annulled at the option of the Board, acting on behalf of the City. No action or proceeding or right under this or any other provision of this contract shall affect any other legal rights, remedies or causes of action belonging to the City.

Fourteenth—In case of any violation, or breach or failure to comply with any of the provisions herein contained, this contract may be forfeited by a suit brought by the Corporation Counsel, on notice of ten (10) days to the Company, or at the option of the Board by resolution of said Board, which said resolution may contain a provision to the effect that the railroad tracks and other structures constructed and in use by virtue of this contract shall thereupon become the property of the City without proceedings at law or in equity. Provided, however, that such action by the Board shall not be taken until the Board shall give notice to the Company to appear before it on a certain day not less than ten (10) days after the date of such notice, to show cause why such resolution declaring the contract forfeited should not be adopted. In case the Company fails to appear, action may be taken by the Board forthwith.

Fifteenth—The words "notice" or "direction" wherever used in this contract, shall be deemed to mean a written notice or direction. Every such notice or direction to be served upon the Company shall be delivered at such office in the City as shall have been designated by the Company, or if no such office shall have been designated, or if such designation shall have for any reason become inoperative, shall be mailed in the City, postage prepaid, addressed to the Company at the City. Delivery or mailing of such notice or direction as and when above provided shall be equivalent to direct personal notice or direction, and shall be deemed to have been given at the time of delivery or mailing.

Sixteenth—The word "street," wherever used herein, shall be deemed to mean such streets, avenues, highways, driveways, concourses, boulevards or public places across and over which the Company is hereby granted the right to construct its tracks.

Sec. 3. Nothing in this contract shall be construed as in any way limiting the present or future jurisdiction of the Public Service Commissions under the Laws of the State of New York.

Sec. 4. Nothing in this contract contained shall be deemed to limit in any way the police power now vested or hereafter to be delegated or granted to the City by the State of New York.

Sec. 5. The Company promises, covenants and agrees to conform to and abide by and perform all the terms, conditions and requirements in this contract fixed and contained.

In witness whereof, the party of the first part, by its Mayor, thereunto duly authorized by the Board of Estimate and Apportionment of said City, has caused the corporate name of said City to be hereunto signed and the corporate seal of said City to be hereunto affixed; and the party of the second part, by its officers, thereunto duly authorized, has caused its corporate name to be hereunto signed and its corporate seal to be hereunto affixed, the day and year first above written.

PROPOSALS FOR BIDS AND ESTIMATES FOR THE CITY OF NEW YORK.

NOTICE TO CONTRACTORS.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or their name or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, or of a guaranty or surety company duly authorized by law to act as surety, and shall contain the matters set forth in the blank forms mentioned below.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inscribing the same in figures.

Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
