COMMISSIONERS OF THE SINKING FUND OF THE CITY OF NEW YORK.

Proceedings of the Commissioners of the Sinking Fund, at a Meeting Held in Room 16, City Hall, at 12 O'clock M., on Thursday, October 22, 1914. (The meeting was originally called for Wednesday, October 21, 1914, and postponed to this day).

Present at Roll Call—John Purroy Mitchel, Mayor; Alexander Brough, Deputy and Acting Comptroller; Henry Bruere, Chamberlain; Henry H. Curran, Chairman,

Finance Committee, Board of Aldermen. The Acting President of the Board of Aldermen, O. Grant Esterbrook, arrived later. See note.

The meeting having been called for 11 o'clock in the forenoon and no quorum being present until noon, the Deputy and Acting Comptroller brought up for discussion the question of having some particular day set aside for the meetings of the Board, so that the members could arrange their affairs so they would not interfere with the meetings, and in this way avoid any loss of time to the members waiting for a quorum to arrive.

Discussion of the matter followed. The Chamberlain moved that the Board hold its meetings once a month, at 11 o'clock in the forenoon on the first Wednesday of each and every month, it being understood that the meetings would go on promptly at 11 o'clock, and in the event of a quorum not being present at the hour appointed the meeting would be postponed for one month. Motion carried.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a renewal of the lease to the City of premises at No. 57 Nostrand Avenue, Borough of Brooklyn, for use of the Board of Education:

October 20, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Assistant Secretary of the Board of Education in a communication to your Board under date of August 13, 1914, states that at a meeting of that Board held August 12, 1914, a resolution was adopted requesting your Board to adopt a resolution approving of and consenting to the execution by the Board of Education of a renewal of the lease of the store floor in the premises No. 57 Nostrand Avenue, Borough of Brooklyn, occupied as an annex to Public School 54, for a period of two years from July 1, 1914, with the privilege of renewal for an additional year, at an annual rental of \$450, and otherwise upon the same terms and conditions as contained in the existing lease.

The Comptroller in a communication to your Board under date of June 20, 1913, recommended a renewal of this lease for a period of one year from July 1, 1913, at a rental of \$450 a year, payable quarterly, and said report was approved and renewal authorized at a meeting of your Board held June 25, 1913.

Deeming the rent reasonable and just and it being the same as previously paid, and the City being a holdover tenant, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution approving of and consenting to the execution by the Board of Education of a renewal of the lease of the store premises at No. 57 Nostrand Avenue, Borough of Brooklyn, for a period of two years from July 1, 1914, with the privilege of renewal for an additional year upon the same terms and conditions, at an annual rental of \$450, payable quarterly, the lessor to pay taxes and water rates and make outside repairs, the lessee to furnish heat, light and janitor service and make such inside alterations and repairs as it may deem necessary, otherwise upon the same terms and conditions as contained in the existing lease. Lessor, Michael Mara.

Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution by the Board of Education of a renewal of the lease to the City of the store premises at No. 57 Nostrand Avenue, Borough of Brooklyn, for a period of two years from July 1, 1914, with the privilege of renewal for an additional year upon the same terms and conditions, at an annual rental of Four hundred and fifty dollars (\$450), payable quarterly; the lessor to pay taxes and water rates and make outside repairs; the lessee to furnish heat, light and janitor service and make such inside alterations and repairs as it may deem necessary, otherwise upon the same terms and conditions as contained in the existing lease; lessor, Michael Mara; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interest of the City that such lease be made.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a renewal of the lease to the City of premises at No. 511 East 149th Street, Bronx, for use of the Department of Health.

October 20th, 1914.

Gentlemen—The Secretary of the Department of Health in a communication to your Board under date of October 1, 1914, states that at a meeting of the Board of Health held September 29, 1914, a resolution was adopted requesting your Board to authorize a lease of the store on the first floor of the premises No. 511 East 149th Street, Borough of the Bronx, for use of the Department of Health as an Infant's Milk Station, for a period of three years from November 1, 1914, at a rental of \$540 per annum, payable quarterly.

The premises in question consist of a store about 19 feet by 33 feet in a six-story brick tenement and is located about 25 feet east of Brook Avenue and adjoins the present milk station at No. 513 East 149th Street, which has been found to be inadequate for the needs of that Department.

The Department of Health, in a communication to this Department under date of August 19, 1914, suggested the leasing of premises at No. 511 East 149th Street, at a rental of \$660 per annum, but after negotiation by the Division of Real Estate of this Department, the lessor has agreed to accept a rental of \$540 per annum and to cancel the present lease of the premises at 513 East 149th Street, to take effect October 31, 1914.

The rental of \$540 per annum for premises desired to be leased at 511 East 149th Street is at the rate of 86 cents a square foot, whereas, two of the stores in the same building are being rented at the rate of \$1.01 per square foot, one occupied as a tailor's store and the other is the milk station which it is proposed to move to 511 East 149th Street.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of store, average 19 feet by 33 feet, at No. 511 East 149th Street, Borough of the Bronx, for use of the Department of Health, for a period of three years from November 1, 1914, at an annual rental of \$540, payable quarterly, the lessor to overhaul and clean the plumbing fixtures and repair and replace all defective parts with new where necessary, and to remove sink from store in 513 East 149th Street and install same complete in store at 511 East 149th Street; also to repair and replace missing portions of baseboard and chair rail, repair wood floor and metal ceiling of store, wood covering over soil line at east of store; tiled floor of show windows and plastered walls of store where same are defective; have locks of entrance and water closet doors repaired if necessary and provide proper keys for same. Cause all signs, lettering and windowpane to be removed from the show windows and entrance door; remove defective glass and leave all glass of windows and doors clean and whole. Provide sufficient and suitable gas fixtures and give proper accommodations in cellar to store away material, if required. The lessor to pay taxes, the lessee to pay water rates of the demised premises, furnish light and janitor service and make such interior alterations and repairs as it may deem necessary, the lessor to furnish steam heat and hot water supply. The lease to contain a clause providing for the cancellation of the lease of the premises No. 513 East 149th Street, Borough of the Bronx, on October 31, 1914. Lessor, The 149th Street Realty Company, 227 West 116th Street, Borough of Manhattan. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Corporation Counsel be and is hereby requested to prepare a lease to the City from the 149th Street Realty Company of the store, average 19 feet by 33 feet, at No. 511 E. 149th Street, Borough of The Bronx, for use of the Department of Health, for a period of three years from November 1, 1914, at an annual rental of Five hundred and forty dollars (\$540), payable quarterly, the lessor to overhaul and clean the plumbing fixtures and repair and replace all defective parts with new where necessary, and to remove sink from store in 513 East 149th Street and instal same complete in store at 511 East 149th Street; also to repair and replace missing portions of baseboard and chair rail, repair wood floor and metal ceiling of store, wood covering over soil line at east of store, tiled floor of show windows and plastered walls of store where same are defective; have locks of entrance and water closet doors repaired if necessary and provide proper keys for same. The lessor to pay taxes, the lessee to pay water rates of the demised premises, furnish light and janitor service and make such interior alterations and repairs as it may deem necessary; the lessor to furnish steam heat and hot water supply. The lease to contain a clause providing for the cancellation of the lease of premises No. 513 East 149th Street on October 31, 1914; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for

the interest of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel as provided by sections 149 and 217 of the Greater New York Charter.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

To the Honorable the Commissioners of the Sinking Fund:

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the rental of premises located on the easterly side of Grand Avenue, 100 feet north of Park Street, Corona, Borough of Queens, occupied by the Fire Department:

October 20th, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—I am in receipt of a communication from the Fire Commissioner requesting the Sinking Fund Commission to enter into an agreement with the Pioneer Fire and Hook and Ladder Company No. 6, the owner of the premises occupied by the Fire Department at Grand Avenue, Corona, Borough of Queens, for a period of six months from September 1, 1914, to March 1, 1915.

The original lease of these premises was for a period of six months from September 1, 1913, at a rental at the rate of \$600 a year, payable quarterly, with the privilege to the City of remaining in possession on a month to month basis for a period of six months thereafter upon the same terms and conditions.

Subsequently a resolution was adopted authorizing the payment of the rent of these premises for a further period of six months from March 1, 1914, at the rate of \$50 per month, without the necessity of entering into a lease.

The Chairman of the Board of Trustees of Pioneer Fire and Hook and Ladder Company No. 6 states that they will execute a lease with the City on a month to month basis to March 1, 1915, at the same rental as heretofore, providing the City assumes the taxes imposed upon the premises during its occupation.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the Comptroller to pay rent to the Pioneer Fire and Hook and Ladder Company No. 6 for premises located on the easterly side of Grand Avenue, 100 feet north of Park Street, Corona, Borough of Queens, for use of the Fire Department, for a period not exceeding six months from September 1, 1914, at the rate of \$50 per month, payable monthly, without the necessity of entering into a lease therefor; the City to pay taxes.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease to the City of premises No. 405 Lexington Avenue, Borough of Manhattan, for use of the Mayor's Bureau of Weights and Measures:

October 17, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Commissioner of the Mayor's Bureau of Weights and Measures, in a communication to this Department under date of September 25, 1914, requests that a lease be secured of suitable rooms in the neighborhood of 42nd Street, Manhattan, for use of the Snow Division of his Bureau, for a period from November 1, 1914, to April 30, 1915. It is also requested that a building be selected where the elevators run all night and on Sundays, so that the employees of the Bureau may have access to the building at any hour of the day or night.

The premises at 405 Lexington Avenue, Manhattan, consisting of a room containing 665 square feet on the third floor, were suggested by the Division of Real Estate of this Department, and the Commissioner of the Bureau of Weights and Measures, in a communication to this Department under date of October 14, 1914, states that the premises are satisfactory.

The location is satisfactory, being close to the subway, the Third Avenue Elevated and several surface lines of cars. The rent of \$58.33 a month is at the rate of \$1.05 a square foot, which is the same as paid by the City for other space in this building.

The lessor supplies heat, light and janitor service and day and night elevator service.

The lessee shall not do, or permit anything to be done in said premises, nor bring or keep anything therein, which shall in any way increase the rate of fire insurance on said building or on the property kept therein. No illuminating oil or fluid shall be used or kept on the premises and no stove or other heating apparatus employed in the rooms, nor shall any shades be used other than those supplied by the lessor. The lessor to erect a partition seven feet in height for a private office, ten feet square in the southwest corner of Room No. 316. Lessor, William H. Reynolds, 405 Lexington Avenue, Borough of Manhattan. Respectfully,

ALEX. BROUGH, Deputy and Acting Comptroller.

No illuminating oil or fluid shall be used or kept on the premises and no stove or other heating apparatus employed in the rooms, nor shall any shades be used other than those supplied by the lessor. The lessor to erect a partition seven feet in height for a private office ten feet square in the southwest corner of Room No. 316; and the Commissioners of the Sinking Fund deeming the said rent fair and reasonable and that it would be for the interests of the City that such lease be made, the Comptroller be and is hereby authorized and directed to execute the same when prepared and approved by the Corporation Counsel as provided by sections 149 and 217 of the Greater New York Charter.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the rental of premises in the Park Row Building, 13 to 21 Park Row, occupied by the President of the Borough of Manhattan:

October 17, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The President of the Borough of Manhattan, in a communication to your Board under date of October 7, 1914, requests the Comptroller to pay the rent of Rooms 1623 to 1627 inclusive, in the Park Row Building, Borough of Manhattan, for use of the President of the Borough of Manhattan, for a period of seven months from June 1, 1914, to December 31, 1914, at the rate of \$132 a month, without the necessity of entering into a lease therefor.

The premises in question are used as a chemical laboratory, and the rooms to be assigned to them in the new Municipal Building have not as yet been determined upon, and the Borough President therefore asks for a continuance of the rooms now occupied in the Park Row Building until December 31, 1914.

Deeming the rent reasonable and just and it being the same as heretofore paid, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the Comptroller to pay to the Park Row Realty Company the sum of \$132 a month, for use of Rooms 1623 to 1627 inclusive, in the Park Row Building, Nos. 13-21 Park Row, Borough of Manhattan, for use of the President of the Borough of Manhattan, for a period from June 1, 1914, to December 31, 1914 (seven months), without the necessity of entering into a lease therefor.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the hiring by the President of the Borough of Manhattan, of space at the foot of 22d Street, Brooklyn, known as Rogers Basin, for the storage of free floating baths:

October 17, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The President of the Borough of Manhattan, in a communication to your Board under date of October 5, 1914, requests a renewal of the lease of the premises at the foot of 22d Street, Borough of Brooklyn, known as Rogers Basin, for the storage of free floating baths, at the rate of \$1 per day for each bath, said rent to be paid only for the actual number of days each of the said baths is so stored in Rogers Basin, said resolution to be effective from July 1, 1914, for a term of one year.

The free floating baths of the Borough of Manhattan have been berthed in Rogers Basin for the past seven winters at the rate of \$1 a day for each bath, the season usually being from October 1st to July 1st.

The period of storage to begin as of July 1, 1914, is explained by the fact that some of the baths may remain during the summer because of no available berths being found for them during the bathing season, and the rent of \$1 a day is only for the actual number of days that each bath is berthed in Rogers Basin.

The Comptroller in a communication to your Board under date of October 24, 1913, recommended the payment at the rate of \$1 a day for each bath for the winter berthing of 1913 and 1914, at a meeting of your Board held October 29, 1913.

Lessor, Dime Savings Bank of Brooklyn, DeKalb Avenue and Fulton Street, Borough of Brooklyn.

Resolved, That the Comptroller be and is hereby authorized to pay to the Dime Savings Bank of Brooklyn, rental for storage space at the foot of 22d Street, Borough of Brooklyn, known as Roger's Basin, for the storage of such of the Manhattan free floating baths as are stored by the President of the Borough of Manhattan from July 1, 1914, to July 1, 1915, at the rate of one dollar (\$1) a day for each bath, said rent to be paid only for the actual number of days each of said bath is so stored in Roger's Basin; the payment to be made upon a voucher prepared and certified to by the President of the Borough of Manhattan, without the necessity of entering into a lease.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The rental charged the City for use of the Grand Central Palace is \$200 a day for either day or evening use, which is the lowest rate charged to anyone, and is the rate that has been paid by the City on several previous occasions.

The rental and charges for electric lighting being the same as paid by the City on several previous occasions, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing the hiring by the Municipal Civil Service Commission of the main floor of the Grand Central Palace, Lexington Avenue, 46th and 47th Streets, Borough of Manhattan, on September 28, 1914, from 7.30 a. m. to conclusion of examination, for the purpose of conducting an examination for the position of Second Grade Clerk, and authorize the Comptroller to pass a voucher in an amount not to exceed \$200 for the rental of said premises for one day, and an additional charge of \$22.50 an hour for electric light for each and every hour so used. This also includes the furnishing of fifteen hundred tables and chairs for use during the examination; and be it further

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to a lease to the City, of premises No. 21 Herriman Avenue, Jamaica, Borough of Queens, for use of the County Clerk of Queens County:

October 20, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Clerk of the County of Queens in a communication to your Board under date of August 27, 1914, states that owing to the alteration and reconstruction of the building at No. 362 Fulton Street, Jamaica, in which his office is located, he has found it impracticable to use the bindery situated in the cellar of said building, and requests that a lease be secured of a book binding plant located at 21 Herriman Avenue, Jamaica, for use of his office, at a rental of \$25 a month.

The premises consist of a store floor 20 feet by 50 feet, located about one block from the present office, and will include the privilege of using the machinery, light, heat and power. There is no other similar plant for rent in this immediate neighborhood with which a fair comparison may be made.

Deeming the rent reasonable and just, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution authorizing a lease of the store floor premises located at 21 Herriman Avenue, Jamaica, Borough of Queens, for use of the Clerk of the County of Queens, for a period not exceeding eight months from August 1, 1914, on a month to month basis, at a monthly rental of \$25, payable quarterly, the lessor to pay taxes and water rates and allow the lessee the privilege of using the machinery, light, heat and power, and also to make inside and outside repairs. The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to sale at public auction, of the stands, partitions and ice boxes and all waste material in the building known as Fulton Market:

October 16, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—At a meeting held October 7, 1914, a resolution was adopted by the Commissioners of the Sinking Fund directing the Comptroller to derive such revenue as might be had from the property bounded by Fulton Street, South Street, Beekman Street, and Front Street, in the Borough of Manhattan, formerly known as "Fulton Market," until the final disposition of said building is determined by the Committee on Vacant Property.

In moving from the market some of the former standholders abandoned stands, partitions, ice-boxes, etc., which leave the market in a dangerous condition.

It will be very difficult to secure a tenant for the entire building except upon a long term lease, but if these obstructions were removed from the interior of the building it would be possible to rent space fronting on at least the South Street and Front Street sides for store purposes, and have the necessary partitions erected by such tenants as may be secured.

I therefore request that the Commissioners of the Sinking Fund, pursuant to the authority vested in them by Section 1553 of the Revised Charter, adopt a resolution authorizing the sale of said abandoned material, and such a resolution is herewith transmitted.

Yours respectfully, ALEX. BROUGH, Deputy and Acting Comptroller. Whereas, The Comptroller has been directed to obtain such revenue as may be had from the building formerly known as "Fulton Market" until its final disposition is determined by the Committee on Vacant Property, and

Whereas, To obtain the best results in renting the property it is necessary that the interior of the building should be cleared of all waste material, it is therefore

Resolved, That the Commissioners of the Sinking Fund, by virtue of the powers vested in them by law, hereby, authorize and order the sale at public auction or by sealed bids, at the highest marketable prices, of the stands, partitions, ice boxes and all waste material now in the building formerly known as "Fulton Market," situated on the block bounded by Fulton Street, South Street, Beekman Street and Front Street, in the Borough of Manhattan, upon the terms and conditions for the sale of buildings, etc., as authorized by the Commissioners of the Sinking Fund at a meeting held October 4, 1910.

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to a renewal of lease of premises at the northeast corner of Forest Avenue and 166th Street, Borough of The Bronx, for use of the Board of Education:

October 20, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—The Assistant Secretary of the Board of Education in a communication to your Board under date of August 13, 1914, states that at a meeting of that Board held August 12, 1914, a resolution was adopted requesting your Board to adopt a resolution approving of and consenting to the execution by the Board of Education of a renewal of the lease of the lecture room and the room adjacent thereto on the first floor of the Forest Avenue Congregational Church, northeasterly corner of Forest Avenue and 166th Street, Borough of The Bronx, as an annex to Public School 23, for a period of two years from July 1, 1914, at an annual rental of \$800, and otherwise upon the same terms and conditions as contained in the existing lease.

The Comptroller in a communication to your Board under date of February 20, 1913, recommended the execution of this lease for a period from April 1, 1913, to July 1, 1914, at a rental of \$800 a year, payable quarterly, and said report was approved and lease authorized at a meeting of your Board held February 26, 1913.

Deeming the rent reasonable and just, and it being the same as previously paid, and the City being a holdover tenant, I respectfully recommend that the Commissioners of the Sinking Fund adopt a resolution approving of and consenting to the execution by the Board of Education of a renewal of the lease of the lecture room and room adjacent thereto on the first floor of the Forest Avenue Congregational Church, northeasterly corner of Forest Avenue and 166th Street, Borough of The Bronx, for use as an annex to Public School 23, for a period of two years from July 1, 1914, with the privilege of renewal for one or two years thereafter on the same terms and conditions, at an annual rental of \$800, payable quarterly, the lessor to furnish heat, light, water and janitor service and make outside repairs during the term of the lease, the lessee to make such inside alterations and repairs during occupancy as it may deem necessary, otherwise upon the same terms and conditions as contained in the existing lease. Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund hereby approve of and consent to the execution, by the Board of Education, of a renewal of the lease to the City, of the lecture room and the room adjacent thereto on the first floor of the Forest Avenue Congregational Church, northeasterly corner of Forest Avenue and 166th Street, Borough of The Bronx, for use as an annex to Public School 23, for a period of two years from July 1, 1914, with the privilege of renewal for one or two years thereafter on the same terms and conditions, at an annual rental of eight hundred dollars (\$800), payable quarterly; the lessor to furnish heat, light, water and janitor service and make outside repairs during the term of the lease; the lessee to make such inside alterations and repairs as it may deem necessary, otherwise upon the same terms and conditions as contained in the existing lease; lessor, the Forest Avenue Congregational Church of Morrisania; the Commissioners of the Sinking Fund deeming the said rent fair and reasonable, and that it would be for the interests of the City that such lease be made.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to the apportioning of the consideration paid in the matter of the conveyance authorized to the Kingsbridge Realty Company and Manuel J. Brazil, of certain property on West 194th Street, Borough of The Bronx (brought up by unanimous consent):

October 22, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On June 25, 1914, the Commissioners of the Sinking Fund authorized a conveyance to the Kingsbridge Realty Company and Manuel J. Brazil of that portion of West 194th Street, Borough of The Bronx, between the westerly line of Bailey

Avenue as now laid out, and the tracks of the New York and Putnam Railroad Company, which was discontinued and closed by resolution of the Board of Estimate and Apportionment adopted February 23, 1911, in consideration of the sum of \$250.

It was proposed to apply the sum of \$219.51 for the payment of the assessments in this proceeding.

I therefore respectfully recommend that the Commissioners of the Sinking Fund authorize the Comptroller to apply the sum of \$219.51 towards the payment of the assessments levied in the proceeding for the opening of West 194th Street, Borough of The Bronx, between Bailey Avenue and the tracks of the New York and Putnam Railroad Company, and that the remainder be turned in to the fund known as "City Treasury, Special and Trust Account, Sale of City Property."

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Whereas, The Commissioners of the Sinking Fund, by resolution adopted June 25, 1914, authorized a conveyance to the Kingsbridge Realty Company and Manuel J. Brazill, of that portion of West 194th Street, Borough of The Bronx, between the westerly line of Bailey Avenue, as now laid out, and the tracks of the New York and Putnam Railroad Company, which was discontinued and closed by resolution of the Board of Estimate and Apportionment adopted February 23, 1911, in consideration of the sum of two hundred and fifty dollars (\$250); and,

Whereas, It is proposed to apply the sum of two hundred and nineteen dollars and fifty-one cents (\$219.51) for the payment of the assessments in this proceeding; therefore, be it

Resolved, That the Comptroller be and is hereby authorized to apply the sum of two hundred and nineteen dollars and fifty-one cents (\$219.51) toward the payment of assessments levied in the proceeding for the opening of West 194th Street, Borough of The Bronx, between Bailey Avenue and the tracks of the New York and Putnam Railroad Company, and that the remainder be turned into the fund known as "City Treasury, Special and Trust Account, Sale of City Property."

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to an amendment to section 68 of the Code of Ordinances which provides for the keeping by the Comptroller of a journal of the proceedings of the Commissioners of the Sinking Fund (brought up by unanimous consent):

October 21, 1914.

To the Commissioners of the Sinking Fund:

Gentlemen—Section 68 of Article 3 of Chapter 4 of Part 1 of the Code of Ordinances of The City of New York relating to the Commissioners of the Sinking Fund of The City of New York, reads as follows:

"Sec. 68. It shall be the duty of the Comptroller to keep a correct journal of the proceedings of the said Board of Commissioners, to be verified by any four of them, himself being one, and once in each year, or oftener if required, to render unto the Board of Aldermen a full and detailed report of the proceedings of the said Board of Commissioners."

There does not appear to be any good reason why these minutes should be signed by the individual members of the Commission, and at the suggestion of the Chamberlain the Secretary requested the Corporation Counsel to advise the Board in regard to the matter.

In an opinion dated October 20, 1914, the Corporation Counsel advises as follows:

"Section 68, Article 3, Chapter 4, Part 1 of the Code of Ordinances was enacted prior to Section 170 of Chapter 410, Laws of 1882 (Section 204 of the Charter), the act creating the present Board of Commissioners of the Sinking Fund. Said Section 204, however, provides that the said Board shall have 'all the powers and duties now assigned, designated and reposed by law or ordinance in the Commissioners of the Sinking Fund * * * except as otherwise provided.'" As there appears to be no other provision of law respecting the keeping of records of the proceedings of the said Board, I am of the opinion that said Section 68 of the Ordinances remains in full force and effect. It follows that an amendment is necessary in order to effectuate a change in the method of keeping the record of proceedings of the said Board of Commissioners of the Sinking Fund.

I therefore recommend the adoption of the attached resolution authorizing and directing the Secretary to prepare and transmit to the Board of Aldermen a form of Ordinance which will obviate the necessity of the journal in question being signed by the members of this Board.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Secretary be and is hereby authorized and directed to prepare and transmit to the Board of Aldermen a form of ordinance which will amend Section 68 of Article 3 of Chapter 4, of Part 1, of the Code of Ordinances of The City of New York, relating to the Commissioners of the Sinking Fund of The City of New York, by eliminating the requirement that the proceedings shall be verified by any four of the members, and by substituting in place thereof a requirement that the said proceedings shall be authenticated by the Secretary of the Commission.

The report was accepted, and the resolution adopted, all the members present voting in the affirmative.

Note—At this point the Acting President of the Board of Aldermen arrived, and the following matters on the calendar requiring a unanimous vote and held pending his arrival were then considered:

The following petition was received from James Lefferts and Robert Lefferts, executors, for a release of the City's interest in certain property at the corner of Flatbush Avenue and Washington Avenue, Borough of Brooklyn:

In the matter of the petition of James Lefferts and Robert Lefferts, as surviving executors of the Last Will and Testament of John Lefferts, deceased, to obtain from The City of New York certain land in the bed of the Old Flatbush Plank Road, in the Borough of Brooklyn, City of New York.

To the Honorable Sinking Fund Commissioners of The City of New York:

The petition of James Lefferts and Robert Lefferts, as surviving executors of the Last Will and Testament of John Lefferts, deceased, respectfully shows:

1. That your petitioners reside as follows: James Lefferts at 69 Lincoln Road, Borough of Brooklyn, City of New York, and Robert Lefferts at East Moriches, Suffolk County, Long Island.

2. That John Lefferts, late of the Town of Flatbush, County of Kings, died on the 18th day of April, 1893, seized in fee and in possession of the following described premises, to wit:

All that certain lot, piece or parcel of land, situate in the Borough of Borough of Brooklyn, County of Kings, City and State of New York, and more particularly bounded and described as follows, to wit:

Beginning at the corner formed by the intersection of the easterly side of Flatbush Avenue with the westerly side of Washington Avenue; running thence northwardly along the westerly side of Washington Avenue one hundred and fifty-six and sixty-five one-hundredths (156.65) feet to the southerly side of Lefferts Avenue; thence westwardly along the southerly side of Lefferts Avenue sixty-six and fifty-eight one-hundredths (66.58) feet to the easterly side of Flatbush Avenue; and thence south-easterly along the easterly side of Flatbush Avenue one hundred and seventy and twenty-three one-hundredths feet (170.23) to the point or place of beginning.

3. That the said John Lefferts left a last will and testament, which was duly admitted to probate by the Surrogate of the County of Kings wherein and whereby he devised the said premises to his seven children and appointed your petitioners the executors of said last will and testament and gave to your petitioners an absolute power of sale thereof.

4. That your petitioners have recently been advised that The City of New York has some interest in the aforesaid premises and that such interest constitutes a cloud upon the title to the heirs of said John Lefferts.

5. That the said premises are partly in the bed of the road formerly known as the Flatbush Plank Road. The history of this road is fully set forth in the opinion of the Court of Appeals in the case of Dunham vs. Williams, 37 N. Y. 251, from which it appears that it was originally a Dutch Road; that in 1809 a law was passed authorizing the conversion of the highway into a turnpike and that the road was regularly condemned by the Turnpike Company and damages were assessed in favor of the corporate authorities of the Town of Flatbush, the claimant in fee of the roadbed. Whether or not the Turnpike Company, to the rights of which the Flatbush Plank Road Company succeeded, took the fee or merely an easement has never been decided by the courts so far as your petitioners are aware, nor does the question

appear to be material upon this application for reasons which will hereafter appear.

6. By Chapter 161 of the Laws of 1889 a board was constituted to be known as the Street and Sewer Commissioners of the Town of Flatbush, and the first part of Section 2 of said act provided as follows:

"Such commissioners are authorized for and in the name of said town to purchase all the rights, franchises and property on or within the lines of Flatbush Avenue in said town, as laid out on the town survey map of said town, of the Flatbush Plank Road Company, for a reasonable sum, not exceeding ten thousand dollars, to be paid by such commissioners, and to cause the amount agreed to be paid on such purchase to be paid therefor in the manner and from moneys to be raised, as hereinafter provided; and said company is hereby authorized by its board of directors, upon the consent in writing of its stockholders owning two-thirds of its capital stock, to sell and convey to said town its property and franchises aforesaid. After such purchase shall be made, such commissioners shall have power to alter and change the lines of Flatbush Avenue in said town, as laid down on said map, in such a way as not to change or affect the general course and direction of said avenue by changing either the easterly or westerly boundary of the same as laid down on said map, or both said boundaries, and strengthen said avenue by changing any curves or turns in the same. And they may purchase or acquire, as hereinafter provided, any land required for such change, or abandon any land now in said avenue; in case any land owned in fee by said town is abandoned as herein provided, it shall be sold by such commissioners and the proceeds applied to the fund raised from Flatbush Avenue bonds; but in all cases the owners of the land adjacent to the land so abandoned shall in the first instance have the right to purchase the same at a price, in the judgment of the commissioners, not exceeding the rate paid for land in the purchase from said plank road company. And in case either of the boundaries of said avenue are changed, the streets as laid down on said map now intersecting or meeting said Flatbush Avenue shall be extended in the same general course and direction as they now run to said Flatbush Avenue, as changed or altered as is herein provided. And such commissioners shall make and file a map showing the lines of Flatbush Avenue as changed or altered as herein provided, and also showing and fixing the lines of intersecting or connecting streets to such avenue; and such map shall be the map of Flatbush Avenue in said town."

7. Pursuant to said Act said Commissioners did purchase from the Flatbush Plank Road Company the land within the lines of Flatbush Avenue for the sum of ten thousand dollars (\$10,000) and the same was conveyed by the Flatbush Plank Road Company to the Town of Flatbush by deed dated August 22, 1889, and recorded in the office of the Register of the County of Kings in Liber 1909 of conveyances, page 190.

The said Commissioners thereafter did change the lines of Flatbush Avenue in the Town of Flatbush, and on the 9th day of January, 1890, filed a map showing the lines of Flatbush Avenue as changed and altered and abandoned the premises sought to be released by this petition and described as follows:

Commencing at the corner formed by the intersection of the southerly side of Lefferts Avenue with the easterly side of Flatbush Avenue; running thence south-easterly along the easterly side of Flatbush Avenue one hundred and seventy and twenty-three one-hundredths (170.23) feet to the corner formed by the intersection of the easterly side of Flatbush Avenue with the westerly side of Washington Avenue; thence northwardly along the westerly side of Washington Avenue forty-six and sixteen one-hundredths (46.16) feet; thence in a northwesterly direction one hundred and nineteen and ninety-five one-hundredths (119.95) feet to a point in the southerly side of Lefferts Avenue, distant nineteen and ninety-three one-hundredths (19.93) feet easterly from the point of beginning; and thence westwardly along the southerly side of Lefferts Avenue nineteen and ninety-three one-hundredths (19.93) feet to the point or place of beginning.

8. That at the time the said premises were so abandoned the said John Lefferts was the owner in fee and in possession of the land adjacent to that so abandoned and that the same had been conveyed to him by Hannah Nelson, Georgianna Nelson, Mary E. Carter and Eliza J. Garnin by deed, dated August 13, 1885, and recorded in the office of the Register of the County of Kings in Liber 1623 of conveyances, page 88 on August 14, 1885, and that the same was never sold by him nor his heirs, but that the heirs of the said John Lefferts still are the owners in fee and in possession thereof.

9. That the premises so abandoned and hereinbefore described were never sold by the Street and Sewer Commissioners of the Town of Flatbush, as directed in said act, nor were they ever sold by the City of Brooklyn, nor by the City of New York, nor did the said John Lefferts, nor your petitioners, know that the title to the said premises so abandoned had been conveyed to the Town of Flatbush, but the said John Lefferts believed, and your petitioners have always believed, that the title to the said premises so abandoned had been conveyed to said John Lefferts by reason of the fact that the Flatbush Plank Road Company by deed, dated December 27th, 1889, and recorded in the office of the Register of the County of Kings in Liber 1936 of conveyances at page 12 conveyed to the owners of land adjacent to the land lying in Flatbush Avenue so abandoned all its rights and property in the land so abandoned.

10. That immediately after the said premises had been abandoned, as hereinbefore set forth, and during the year 1891, the said John Lefferts took possession thereof and enclosed the same with a fence and he and his heirs continuously maintained the said fence for over twenty (20) years and such possession has been continuous, open, notorious and adverse during the said time and that neither the Town of Flatbush, the City of Brooklyn, nor the City of New York, nor any person has ever asserted any ownership or claim of ownership to any part of said premises.

11. That said John Lefferts and your petitioners have acted in good faith in this matter and have from time to time duly paid the taxes and assessments upon the said premises and your petitioners are advised by counsel and verily believe that the City of New York has but a technical claim in the premises by reason of the fact that by the provisions of section 2 of Chapter 161 of the Laws of 1889 the said John Lefferts and your petitioners, as his successors, have the right to purchase the said land at a price not exceeding the rate paid for land in the purchase from said Flatbush Plank Road Company, and further, by virtue of the fact that neither the Town of Flatbush, nor the City of Brooklyn, nor the City of New York have ever disputed the possession of your petitioners and their predecessor and that their possession thereof has been continuous, open, notorious and adverse for over twenty (20) years and that their adverse ownership has ripened into the title to the fee and that the Town of Flatbush and the City of Brooklyn and the City of New York have all imposed taxes and assessments upon your petitioners and their predecessor, which taxes and assessments have been fully paid.

12. That attached hereto and forming a part of this petition and marked A is a survey of the premises owned by your petitioners and made by John Middleton, Civil Engineer and City Surveyor, showing thereon the premises owned by your petitioners and also the premises sought to be released by this petition and all angles, distances, etc., as required by the rules of your Honorable Board.

13. Your petitioners further show that at the time the lines of Flatbush Avenue were altered and changed, as hereinbefore set forth, the said John Lefferts was the owner of a triangle lying to the south of the land hereinbefore described, bounded on the west by the east line of the Flatbush Plank Road, on the north by the south side of Lincoln Road and on the east by the west side of the traveled way to Bedford Road; that said triangle measured on the west side one hundred and twelve (112) feet five (5) inches, on the north side thirty-nine (39) feet eight (8) inches and on the east side one hundred and eight (108) feet ten and one-half (10½) inches.

14. That at the time the Street and Sewer Commissioners of the Town of Flatbush altered and changed the lines of Flatbush a portion of the said triangle was taken within the new lines of Flatbush Avenue and such portion was conveyed to the Town of Flatbush by your petitioners by deed, dated March 20th, 1894, and recorded in the office of the Register of the County of Kings in Liber 2233 of conveyances, page 39. The parcel so conveyed is described in the deed as follows:

Commencing at a point where the westerly side of the old Bedford Road intersects the easterly side of Flatbush Avenue, as straightened and widened by the Commissioners of Streets and Sewers of the Town of Flatbush, and runs thence north-west along the easterly side of Flatbush Avenue fifty-five (55) feet five (5) inches to the intersection of the easterly side of Flatbush Avenue with the easterly side of the Plank Road; thence southerly along the easterly side of the Plank Road eighty-six (86) feet to the intersection of the easterly side of the Plank Road with the westerly side of Bedford Road, and thence northeasterly along the westerly side of Bedford Road thirty-eight (38) feet to the point or place of beginning.

15. The remaining portion of said triangle was taken by the Town of Flatbush

That the grantees waive any and all claim for damages arising out of the closing of the street or avenue.

That the grantees are the owners of the land fronting on the section of the street or avenue to be conveyed.

That before the delivery of the deed, the grantees pay whatever taxes and assessments are liens against the premises to be conveyed by the City. Respectfully,
ALEX. BROUGH, Deputy and Acting Comptroller.

Whereas, James Lefferts and Robert Lefferts, executors of the last will and testament of John Lefferts, deceased, in a petition addressed to the Commissioners of the Sinking Fund, request a release of the City's interest in certain premises at the corner of Flatbush Avenue and Washington Avenue, in the Borough of Brooklyn.

Resolved, That the Commissioners of the Sinking Fund hereby determine that the land described as follows is not needed for any public use:

All that certain piece or parcel of land situate, lying and being in the Borough of Brooklyn, City of New York bounded and described as follows:

Commencing at the corner formed by the intersection of the southerly side of Lefferts Avenue with the easterly side of Flatbush Avenue; running thence southeasterly along the easterly side of Flatbush Avenue 170.23 feet to the corner formed by the intersection of the easterly side of Flatbush Avenue with the westerly side of Washington Avenue; thence northwardly along the westerly side of Washington Avenue 46.16 feet; thence in a northwesterly direction 119.95 feet to a point in the southerly side of Lefferts Avenue, distant 19.93 feet easterly from the point of beginning, and thence westwardly along the southerly side of Lefferts Avenue 19.93 feet to the point or place of beginning.

—and be it further

Resolved, That, pursuant to section 205 of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund hereby authorize a release to James Lefferts, 69 Lincoln Road, Borough of Brooklyn, and Robert Lefferts, East Moriches, Suffolk County, Long Island, as surviving executors under the last will and testament of John Lefferts, deceased, of the City's interest in all that piece or parcel of land situate, lying and being in the Borough of Brooklyn, City of New York, as hereinabove in this resolution bounded and described, in consideration of the sum of forty-three dollars and twenty-six cents (\$43.26), plus the additional charge of twelve dollars and fifty cents (\$12.50) for the preparation of the necessary papers. The release to contain the following terms and conditions:

That the grantees waive any and all claim for damages arising out of the closing of the street or avenue.

That the grantees are the owners of the land fronting on the section of the street or avenue to be conveyed.

That, before the delivery of the deed, the grantees pay whatever taxes and assessments are liens against the premises to be conveyed by the City.

The report was accepted and the resolution unanimously adopted.

The Deputy and Acting Comptroller presented the following report and offered the following resolutions relative to conveyances to the Estates Development Company, Jackson Estate Improvement Company and Sound Heights Corporation, of certain lands formerly contained in Throggs Neck Boulevard:

October 20, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On October 31, 1912, the Board of Estimate and Apportionment adopted a resolution decreasing the width of Throggs Neck Boulevard, between Shore Drive and Layton Avenue and decreasing the width of Layton Avenue (formerly Throggs Neck Boulevard), between Throggs Neck Boulevard and Eastern Boulevard, and Shore Drive, between Throggs Neck Boulevard and the Angle Point, about 300 feet west of Pennyfield Avenue, Borough of The Bronx.

Originally there was a proceeding for the opening of Throggs neck Boulevard, from Eastern Boulevard to Shore Drive. This boulevard as projected, was to be 150 feet in width. Title vested in the same on or about July 30, 1910. The Commissioners in the proceeding made their report, but before the same was presented to the Supreme Court for confirmation, the property owners affected by the said proceeding and The City of New York made an agreement whereby the property owners were to waive all awards made in said proceeding and accept the nominal award of \$1 for each damage parcel.

The Estates Development Company and the Jackson Estate Improvement Company, two of the large owners of property in the vicinity of Throggs Neck Boulevard, were to pay all of the expenses of the proceeding as part of the agreement. The City was to reduce the width of Throggs Neck Boulevard from 150 to 100 feet, the excess 50 feet to be returned to the owners abutting on said boulevard without cost to them.

The Estates Development Company, the Jackson Estate Improvement Company and the Sound Heights Corporation have waived all awards made to them in the proceeding above mentioned to open Throggs Neck Boulevard, and have accepted nominal awards, as have all the other owners along the lines of improvement to whom awards were made. In cases where the waiver was not made by individual owners, the Estates Development Company purchased the award, took an assignment thereof and waived said award on its own behalf, taking a nominal award of \$1 in each instance.

The Estates Development Company and the Jackson Estate Improvement Company have agreed to pay the entire expenses of the proceeding to open Throggs Neck Boulevard, all of the assessment being levied against their properties.

I therefore respectfully recommend that the Commissioners of the Sinking Fund adopt resolutions authorizing conveyances of the interest of the City in and to certain properties situate, lying and being in the Borough of The Bronx, City of New York, as follows:

To be Conveyed to Estates Development Company. Parcel I.

Beginning at a point on the westerly side of Hollywood Avenue 160.807 feet northerly from the northwesterly corner of Otis Avenue and Hollywood Avenue; and running thence northerly along said westerly line of Hollywood Avenue 39.193 feet to the intersection of said westerly side of Hollywood Avenue with the southerly side of Eastern Boulevard as shown on the final map of The City of New York, section 56; thence westerly along the southerly line of Eastern Boulevard 49.707 feet; thence running in a southeasterly direction (38° 15' 20") 63.30 feet to the westerly side of Hollywood Avenue, at the point or place of beginning.

The same being a triangular piece of property which was acquired by The City of New York and is now being returned to the Estates Development Company.

Parcel II.

Beginning at a point on the easterly side of Hollywood Avenue 113.497 feet northerly from the northeast corner of Otis and Hollywood Avenue, and running thence northerly along said easterly side of Hollywood Avenue 63.673 feet to its intersection with the southerly line of the Throggs Neck Boulevard as shown on the final map of The City of New York, section 56; thence easterly along the southerly side of Throggs Neck Boulevard as shown on the above mentioned map 261.915 feet; thence southerly on a line at right angles to the northerly side of Otis Avenue 15 feet to its intersection with said northerly side of Otis Avenue; thence westerly along the northerly side of Otis Avenue 61.728 feet to the original southerly side of Throggs Neck Boulevard as shown on a map or plan showing the location and laying out of the grades of the streets within the area bounded by Fort Schuyler Road, Eastern Boulevard, Waterbury Avenue, Long Island Sound, Fort Schuyler Reservation and East River, in the 24th Ward, Borough of The Bronx, City of New York, dated December 19, 1907, approved by the Board of Estimate and Apportionment June 5, 1908; thence northwesterly along said southerly side of Throggs Neck Boulevard as shown on last mentioned map 183.305 feet to the point or place of beginning.

The same being a strip of land acquired by The City of New York and being now returned to the Estates Development Company.

Parcel III.

Gentlemen—Congregation Beth Hamedrash Hagadol has presented to you a petition for the cancellation of certain water charges affecting premises in the Borough of Manhattan, designated on the official tax map as Section 2, Block 351, Lot 37.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might hereafter become, a lien against any real estate owned by any corporation entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the Tax Law, which was the actual owner of such real estate and entitled to such exemption during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about May 1, 1885; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now is and has always been exempt from local taxation, under said provision of the Tax Law, during the periods when the liens hereinafter set forth accrued. Said premises are used as a synagogue.

It appears from an examination of the Assessment Rolls that said property has been exempt from local taxation for the year 1895 and since, and the assessed valuation for the year 1914 is \$100,000.

It further appears from the records of the Bureau for the Collection of Assess-

ments and Arrears that the following water charges were levied against said property and are now open and unpaid on the records of the Department, namely:

Water Charges.

1900, Section 2, Block 351, Lot 37.....	\$52 70
1901, Section 2, Block 351, Lot 37.....	52 70
1905, Section 2, Block 351, Lot 37.....	57 50
1906, Section 2, Block 351, Lot 37.....	57 50

The records of the Divisions of Awards and Real Estate of this Department show no awards paid or payable to petitioner and no lease to The City of New York affecting the property hereinbefore described.

The total amount involved as principal in the above water charges is \$220.40. The property affected by these water charges is located in the Borough of Manhattan, easterly side of Norfolk St., south of Broome St.

The President, Benson Meltsner, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be \$4,950, and the expenditures for all objects \$7,190, leaving a deficit of \$2,240.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said water charges, above mentioned, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would therefore certify my approval of the application of the Congregation Beth Hamedrash Hagadol, pursuant to the provisions of such section of the Charter, and recommend that the liens, above set forth, be cancelled upon the payment of \$10.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That, upon payment of the sum of ten dollars (\$10), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of section 221A of the Charter, to cancel the following water charges levied against property owned by the Congregation Beth Hamedrash Hagadol, in the Borough of Manhattan; provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale:

Water Charges.

1900, Section 2, Block 351, Lot 37.....	\$52 70
1901, Section 2, Block 351, Lot 37.....	52 70

Gentlemen—St. Andrew's English Evangelical Lutheran Church has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Brooklyn, designated on the official tax map as Section 11, Block 3281, Lot 36.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might hereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the Tax Law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about June 1, 1909; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provision of the Tax Law, during the periods when the liens hereinafter set forth accrued. Said premises are used for church purposes.

It appears from an examination of the Assessment Rolls that the property has been exempt from local taxation for 1911 and since, and the assessed valuation for the year 1914 is \$7,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

The records of the Divisions of Awards and Real Estate of this Department show no awards paid or payable to petitioner and no lease to The City of New York affecting the property hereinbefore described.

The total amount involved as principal in the above assessments is \$170.59. The property affected by these assessments is located in the Borough of Brooklyn, 28th Ward, southwest corner St. Nicholas Avenue and Harman Street.

The Rev. Orlando S. Yerger, Pastor, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be \$2,064.73, and the expenditures for all objects \$2,346.47, leaving a deficit of \$281.74.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessment, above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would therefore certify my approval of the application of St. Andrew's English Evangelical Lutheran Church, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of \$10.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to petition of the Fourth Unitarian Congregational Church of Brooklyn for the cancellation of certain assessments:

July 30, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—Fourth Unitarian Congregational Church of Brooklyn has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Brooklyn, designated on the official tax map as Section 16, Block 5123, Lot 47.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City

approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote, cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton Water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about April 22, 1901; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used for religious and educational purposes.

It appears from an examination of the Assessment Rolls that the property has been exempt from local taxation for the year 1907, and since; taxes for the years 1904 to 1906, inclusive, cancelled by Comptroller's order dated October 3, 1912, and the assessed valuation for the year 1914 is \$30,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears, that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

Assessments.

Installment Assessment 29th Ward, Flatbush Ave. Improvement under Chapter 161, Laws of 1889, and Chapter 356, Laws of 1894 (assessment confirmed October 5, 1903):

Sewers, 10th Ave., from 77th to 62nd St.; from 10th to 6th Ave., etc., etc. (confirmed and entered April 2, 1908):

No. 15344, Section 16, Block 5123, Lot 47..... 239 40

Although, as appears from the records, the taxes on the above lot for the years 1902 and 1903 were paid, W. Frank Fiero, one of the trustees of the petitioning corporation, has presented an affidavit to the effect that when the property was acquired in 1901, it was acquired for religious and educational purposes; that although the church edifice was not built until 1907, the property was never rented, and no revenue was derived therefrom during the period from 1901 to 1907; and that the taxes thereon for 1902 and 1903, referred to above, were paid inadvertently. It would appear, therefore, notwithstanding the payment of such taxes, that the property was actually entitled to exemption from taxation from and including the year 1902, to the present time.

The installment assessments for the "29th Ward, Flatbush Ave. Improvement," above set forth, levied pursuant to chapter 161, Laws of 1889, and Chapter 356, Laws of 1894, were payable in ten annual installments, each installment a lien only as levied, the first installment having been levied in 1903. It would appear, therefore, that the property was acquired by the petitioner prior to the date when such installment assessments accrued, and also prior to the date when the first installment became a lien.

Petitioner has included in its application the 1904 and 1905 installments of the "Assessment for sewers, 29th Ward," levied pursuant to chapter 161, Laws of 1889, and chapter 356, Laws of 1894. Such installment assessments were payable in ten annual installments, each installment a lien only as levied, the first installment thereof having been levied in the year 1896, and the last installment in 1905.

I refuse to certify my approval, however, so far as respects cancellation of said 1904 and 1905 installments of the assessments in question, for the reason that the property was not acquired until some years after the levying of the first installment thereof, the petitioner had due notice of the existence of such assessment, and presumably the same was an element affecting the value of the property when it was purchased; and furthermore, that at the time petitioner acquired the property, the charges sought to be cancelled had accrued, although not liens.

The records of the Divisions of Awards and Real Estate of this Department show no awards paid or payable to petitioner, and no lease to The City of New York, affecting the property hereinbefore described.

The total amount involved as principal in the above assessments is \$400.97. The property affected by these assessments is located in the Borough of Brooklyn, 29th Ward, northeast corner of Beverly Road and East 19th Street.

W. Frank Fiero, Trustee, in response to a request, has submitted a financial statement for the year ending March 1, 1912, showing the total receipts from all sources to be \$4,454.67, and the expenditures for all objects, \$4,328.68, leaving a balance of \$125.99.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when the assessments hereinbefore recommended for cancellation accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, except as to the installment assessments which I have refused to certify for cancellation, and I would, therefore, certify my approval of the application of the Fourth Unitarian Congregational Church of Brooklyn to the extent I have herein indicated as proper, pursuant to the provisions of such section of the Charter, and recommend that the liens, above set forth, as the ones which may properly be cancelled, be cancelled upon the payment of \$10, provided that at the time of such payment, said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That, upon payment of the sum of ten dollars (\$10), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments, levied and assessed against property owned by The Fourth Unitarian Congregational Church of Brooklyn; provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale:

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to petition of the First German New Church Society of Brooklyn for the cancellation of certain assessments:

April 24, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—First German New Church Society of Brooklyn has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Brooklyn, designated on the official tax map as section 11, block 3392, lot 13.

This application is made, pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might hereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about May 2, 1914; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now is and has always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used exclusively for religious worship.

It appears from an examination of the Assessment Rolls that said property has been exempt from local taxation for the year 1907, and since, and the assessed valuation for the year 1914 is \$18,800.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

Assessment.

"Paving and laying sidewalks, Jefferson Avenue, between Knickerbocker and Irving Avenues" (entered February 9, 1909):

No. 3, Section 11, Block 3392, Lot 13..... \$295 08

The records of the Divisions of Awards and Real Estate of this Department show no awards paid or payable to petitioner and no lease to The City of New York, affecting the property hereinbefore described.

The total amount involved as principal in the above assessments is \$295.08. The property affected by these assessments is located in the Borough of Brooklyn, 28th Ward, easterly side of Jefferson Avenue, between Knickerbocker and Irving Avenues.

The Treasurer, John F. Seekamp, in response to a request, has submitted a financial statement for the year ending December 31, 1911, showing the total receipts from all sources to be \$278.49 and the expenditures for all objects \$216.94, leaving a balance of \$61.55.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessment, above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of the First German New Church Society of Brooklyn, pursuant to the provisions of such section of the Charter, and recommend that the lien, above set forth, be cancelled upon the payment of \$10.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That, upon payment of the sum of ten dollars (\$10), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments, levied and assessed against property owned by the First German New Church Society of Brooklyn; provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale:

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to petition of the Trustees of the Estate Belonging to the Diocese of Long Island (Church of the Holy Cross) for the cancellation of certain assessments:

March 20, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:

Gentlemen—Trustees of the Estate Belonging to the Diocese of Long Island (Church of the Holy Cross), has presented to you a petition for the cancellation of certain assessments for public improvements, affecting premises in the Borough of Brooklyn, designated on the official tax map as Section 11, Block 3271, Lot 30.

This application is made, pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about April 1, 1897; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now is and has always been exempt from local taxation, under said provision of the tax law, to the extent hereinafter set forth during the periods when the liens hereinafter set forth accrued. Said premises are used for public worship, religious instruction and parsonage purposes.

It appears from an examination of the Assessment Rolls that said lot was wholly exempt from local taxation for the year 1911, and has been partially exempt under said provision of the tax law for the year 1912 and since, and the total valuation for the year 1914 is \$23,600 divided as follows: Church, \$20,600; parsonage, \$3,000; church wholly exempt and parsonage assessed, subject to the yearly parsonage allowance of \$2,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements was levied against said property and is now open and unpaid on the records of the Department, namely:

Assessment.

"Sewer in Scott Avenue, etc." (entered September 26, 1911):

Section 11, Block 3271, Lot 30..... \$444 00

As hereinbefore appears, the Department of Taxes and Assessments has fixed the value of that portion of the lot used for church purposes at \$20,600, and the value of that part used as a parsonage at \$3,000, without making a physical apportionment of the lot on the tax maps.

Although the Commissioners of the Sinking Fund have no power, under section

221A of the Charter, to cancel the foregoing assessment so far as it affects the part of the lot used as a parsonage, by reason of the fact that such part is not entitled to exemption from local taxation under Article 1, Section 4, Subdivision 7, of the Tax Law, nevertheless, they have the power to cancel the proportionate part of such assessment against the part of the lot used for church purposes, such proportionate part to be determined by the relative valuations placed on the church and the parsonage, respectively, by the Department of Taxes and Assessments. The valuation placed on the part used as a church (\$20,600) is approximately 87 per cent. of the total assessed valuation (\$23,600), and that on the parsonage (\$3,000), 13 per cent. The Commissioners therefore could cancel 87 per cent. of the aforesaid assessment, or \$386.28 thereof, upon the payment of a nominal sum.

As to the remainder of said assessment, viz.: \$57.72, found to be against the part of the lot used as a parsonage, as aforesaid, I refuse to certify my approval of the application.

The total amount involved as principal in the above assessment is \$444. The property affected by this assessment is located in the Borough of Brooklyn, 28th Ward, southwesterly side of St. Nicholas Avenue, between Stanhope and Himrod Streets.

The records of the Division of Awards and Real Estate of this Department show no awards paid or payable to petitioner and no lease to The City of New York, affecting the property hereinbefore described.

The Rev. Charles Henry Webb, Archdeacon, in response to a request, has submitted a financial statement for the year, ending May 1, 1912, showing the total receipts from all sources to be \$2,275.72 and the expenditures for all objects, \$2,243.41, leaving a balance of \$32.31.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation to the extent hereinbefore set forth during the time when said assessment, above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of Section 221A of the Greater New York Charter, except as to the proportionate part of such lien which I have refused to certify for cancellation, and I would, therefore, certify my approval of the application of the Trustees of the Estate Belonging to the Diocese of Long Island (Church of the Holy Cross), pursuant to the provisions of such section of the Charter, and recommend that the lien, above set forth, the face of which is \$444 be cancelled to the extent of \$386.28, upon the payment of the sum of \$10, together with the balance of such assessment, with accrued interest, provided that payment be made within sixty days from the date of the passage of the resolution authorizing such payment.

Respectfully, ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments to the extent of three hundred and eighty-six dollars and twenty-eight cents (\$386.28), levied and assessed against property owned by the Trustees of the Estate belonging to the Diocese of Long Island (Church of the Holy Cross), in the Borough of Brooklyn; provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale:

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to petition of All Saints Church for the cancellation of certain assessments:

July 30, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York: Gentlemen—All Saints Church has presented to you a petition for the cancellation of certain assessments for public improvements and water charges, affecting premises in the Borough of Manhattan, designated on the official tax map as Section 1, Block 267, Lot 75.

This application is made pursuant to the provisions of Section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, sub-division seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton Water rents, from which it seeks relief, accrued and became liens thereupon.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to petition of the Salem Swedish Methodist Episcopal Church for the cancellation of certain assessments:

October 16, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:
Gentlemen—Salem Swedish Methodist Episcopal Church has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Brooklyn, designated on the official tax map as Section 16, Block 5167, Lot 72.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton Water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about December 15, 1911; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used for religious purposes, a church building being in course of construction thereon.

It appears from an examination of the Assessment Rolls that the property has been exempt from local taxation for the year 1913, and since, and the assessed valuation for the year 1914 is \$1,800 (vacant).

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

<i>Assessments.</i>	
Regulating, Grading, Curbing and Laying Sidewalk on E. 23d Street, between Canarsie Lane and Avenue D (entered Dec. 26, 1911):	
No. 50, Sec. 16, Block 5167, Lot 72.....	\$3 45
Regulating, Grading, Curbing and Laying Sidewalks on E. 23d Street, from Clarendon Rd. to Beverly Rd. (entered May 21, 1912):	
No. 55, Sec. 16, Block 5167, Lot 72.....	53 90
Sewer Canarsie Lane, from Flatbush Avenue to Bedford Avenue (entered Feb. 17, 1914):	
No. 6, Sec. 16, Block 5167, Lot 72.....	\$141 70

Although the first two assessments above set forth accrued and became liens in the years 1911 and 1912 respectively, prior to the year when the property was first marked "exempt" on the records of the Department of Taxes and Assessments (1913), still the same having been acquired on December 15, 1911, its ownership, use and occupation was such as to create an exemption prior to the dates when said two assessments accrued and became liens thereon.

Petitioner has included in its application the 1912 installment of the 29th Ward-Flatbush Avenue Improvement assessment, under Chapter 161, Laws of 1889 and Chapter 356, Laws of 1894; also the 1912 and 1913 installments of the assessment for Opening and Improving of Bedford Avenue from Eastern Parkway to Flatbush Avenue, under Chapter 764, Laws of 1900, etc. The first installment of each of said assessments was confirmed and entered and became a lien some years prior to the date of acquisition of the property by the petitioner, and both of such installment assessments accrued, therefore, before the property was owned by petitioner and before it became entitled to exemption from local taxation. Inasmuch, therefore, as the property was not owned by the petitioning corporation, nor entitled to exemption from local taxation during the time that such installment assessment accrued, as required by said section of the charter, I must refuse to certify my approval of the application so far as respects such installment assessments.

The records of this Department show no awards paid or payable to petitioner and no lease to The City of New York, affecting the property hereinbefore described. The total amount involved as principal in the above assessments is \$199.05. The property affected by these assessments is located in the Borough of Brooklyn, 29th Ward, East of East 23d Street, between Beverly and Clarendon Roads.

Mr. Carl Peterson, Treasurer, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources (including balance of \$726.35 from preceding year) to be \$2,631.48, and the expenditures for all objects (including \$1,984.50 expended in the construction of church building), \$2,629.95, leaving a balance of \$1.53.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessments, above mentioned, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of Salem Swedish Methodist Episcopal Church, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of \$10, provided that at the time of such payment, said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of ten dollars (\$10), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments levied and assessed against property owned by The Salem Swedish Methodist Episcopal Church, in the Borough of Brooklyn, provided that at the time of such payment, said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to petition of the Brooklyn Home for Consumptives for the cancellation of certain assessments:

October 16, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York:
Gentlemen—Brooklyn Home for Consumptives has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of Brooklyn, designated on the official tax map as Section 5, Block 1250, Lot 25.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about the year 1886; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are used as a home for consumptives, where they may receive medical treatment, nursing and good, nutritious food.

It appears from an examination of the Assessment Rolls that the property has been exempt from local taxation for the year 1893, and since, and the assessed valuation for the year 1914 is \$100,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

<i>Assessments.</i>	
Grading and Paving Kingston Avenue, from Fulton to Douglas Streets (entered Sept. 13, 1893):	
Section 5, Block 1250, Lot 25.....	\$805 78

No. 64, Section 5, Block 1250, Lot 25.....	\$279 95
The records of this Department show no awards paid or payable to petitioner and no lease to The City of New York, affecting the property hereinbefore described.	
The total amount involved as principal in the above assessments is \$1,085.73. The property affected by these assessments is located in the Borough of Brooklyn, westerly side of Kingston Avenue, from Sterling Place to St. Johns Place.	
Mary W. Reynolds, Treasurer, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be \$54,137.95, and the expenditures for all objects, \$44,784.52, leaving a balance of \$9,343.43.	
Such statement, however, contains the following:	
"The item of Donations and Contributions, \$13,928.95, includes a donation by Mrs. Jamieson for the endowment of the Arbuckle room, amounting to \$10,000. This donation is therefore not applicable to current expenses. Deducting the amount of this donation from the grand total of income and also deducting the item 'Old Bank Account \$142.90,' which does not represent income received in the year 1913, but an old account carried in the name of a former president which was unknown to the present treasurer until the year 1913, when it was carried into her books, the grand total of income applicable to current expenses is \$43,995.05, which is \$789.47 less than the total expenses for the year.	
Total Income as above stated.....	\$54,137 95
Less donation for Arbuckle ward.....	\$10,000 00
Less old bank account.....	142 90
	10,142 90

Current receipts applicable to meet current expenses..... \$43,995 05"

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessments, above mentioned, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of Brooklyn Home for Consumptives, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of \$10, provided that at the time of such payment, said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of ten dollars (\$10), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments levied and assessed against property owned by the Brooklyn Home for Consumptives, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

The total amount involved as principal in the above assessments and water charges is \$23,299.10. The property affected by these assessments is located in the Borough of Manhattan, Washington Square East, Waverly Place and East Washington Place; Borough of The Bronx, Sedgwick Avenue, East 180th to East 181st Streets.

Mr. Frank A. Fall, Bursar, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be \$481,336.09, and the expenditures for all objects \$540,893.78, leaving a deficit of \$59,557.69.

In a communication dated September 30, 1914, accompanying such statement, Mr. Fall states in part as follows:

"The continually increasing aggregate of annual deficits is reflected in our outstanding call loans, which now stand at the formidable figure of \$185,000. The rate on these loans was increased on September 15th from five to six per cent. "Our building on Washington Square is mortgaged for \$550,000 at four per cent. Our properties at University Heights and at First Avenue and Twenty-sixth Street are free from mortgage debt."

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessments and water charges, above mentioned, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would therefore certify my approval of the application of The New York University, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of \$10, provided that at the time of such pay-

ment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of ten dollars (\$10), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments and water charges, levied and assessed against property owned by the New York University, Boroughs of Manhattan and The Bronx, provided that at the time of such payment, said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to petition of the Manhattan College for the cancellation of certain assessments:

The Deputy and Acting Comptroller explained the reasons why the Comptroller refused to certify his approval of the assessments and water charges on the Manhattan property. Discussion followed.

October 29th, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York: Gentlemen—Manhattan College has presented to you a petition for the cancellation of certain assessments for public improvements affecting premises in the Borough of The Bronx, designated on the official tax map as Section 13, Block 3415, Lots 710 and 862.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about February 8, 1902; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provisions of the tax law, during the periods when the liens hereinafter set forth accrued. Said premises are now vacant, but the erection thereon of buildings and improvements for the corporate purposes of the petitioner is in good faith contemplated, as shown by the affidavit of William Dwyer, President of the Board of Trustees, sworn to October 20, 1914.

It appears from an examination of the Assessment Rolls that the property has been exempt from local taxation for the year 1908, and since, and the assessed valuation for the year 1914 is as follows: Lot 710, \$62,500; Lot 862, \$90,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements were levied against said property and are now open and unpaid on the records of the Department, namely:

Assessments.	
Sewer and Appurtenances in Broadway, from City Line to Riverdale Ave. (Confirmed and entered March 23, 1908):

No. 13, Block 3415, Lot 710.....	444 00
No. 9, Block 3415, Lot 710.....	2,674 70
The petitioner has included in its application certain unpaid assessments and water charges against the property known as Lots 1, 65 and 116, Block 1986, Section 7, Borough of Manhattan, but as it has come to my knowledge that such property is on the market for sale at the present time, and has been for sale for some time past, I refuse to certify my approval of the application so far as respects the cancellation of such assessments and water charges, for the reason that the cancellation thereof would be contrary to the spirit and intent of said section 221A of the Charter.	
The records of this Department show the following award paid to the petitioner, viz.:	
Manhattan College of The City of New York. In re Broadway, Between 122nd Street and 135th Street (Rapid Transit) 2nd Report.	
Manhattan, B Warrant No. 9283, in Favor of Above Party.

Award	\$16,464 00
Interest from January 25, 1901, to July 10, 1905.....	4,404 12
Paid, August 10, 1905.....	\$20,868 12

The foregoing award did not affect the property included in this application, but was paid for the acquiring of an easement for rapid transit purposes through other property owned by the petitioner located in the Borough of Manhattan.

The records of this Department show further that prior to the payment of such award, open charges against the property affected thereby, amounting in the aggregate to \$1,426.42, were paid by the petitioner.

The total amount involved as principal in the above assessments is \$12,852.35. The property affected by these assessments is located in the Borough of The Bronx, between West 242nd and West 244th Streets, near Waldo Avenue.

The records of the Division of Real Estate of this Department show no lease to The City of New York affecting any of the property hereinbefore described.

Mr. William Dwyer (Reverend Brother Gerardus), in response to a request, has submitted a financial statement for the year ending August 1, 1913, showing the total receipts from all sources to be (including balance of \$1,789.18 from last fiscal year), \$44,599.21, and the expenditures for all objects, \$42,143.79; leaving a balance of \$2,455.42.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question, i. e., the property located in the Borough of The Bronx, and entitled to have the same exempted from taxation during the time when said assessments, above mentioned, accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, except as to the charges against the property located in the Borough of Manhattan, which I have refused to certify for cancellation, and I would, therefore, certify my approval of the application of Manhattan College, to the extent I have herein indicated as proper, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, as the ones which may properly be cancelled, be cancelled upon the payment of \$10, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of Ten Dollars (\$10), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments levied and assessed against property owned by the Manhattan College in the Borough of The Bronx; provided that at the time of such payment, said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about January 29, 1903; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provisions of the tax law, during the periods when the liens hereinafter set forth accrued. The foregoing instalments for the years 1912 to 1914, inclusive, of the assessment for street improvements in the former Town of New Utrecht, under Chapter 582, Laws of 1893, were to be liens only as levied. The first instalment of such assessment was levied in 1904. The property, therefore, was owned by the petitioner and entitled to exemption from local taxation, as required by said section of the Charter, during the time such assessment accrued and the instalments thereof became liens thereon.

It appears further from such statement that of the \$80,781.51 classified above as receipts, \$51,000 thereof was money borrowed on bond and mortgage, and that of the \$70,365.94 classified as expenditures, \$58,425.41 thereof was expended in the construction of a chapel building and in payment of notes due on account thereof, and for furniture for such building.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessments above mentioned accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of Female Institution of the Visitation, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth be cancelled upon the payment of \$10, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the Tax Law, which was the actual owner of such real estate and entitled to such exemption during the time when the taxes, assessments or Croton water rents from which it seeks relief accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same prior to 1909; that it has owned the above described premises continuously since said date and is still the owner thereof, and that the same now are and have always been exempt from local taxation under said provision of the Tax Law, during the periods when the liens hereinafter set forth accrued. Said premises are used as a church and parish hall.

It appears from an examination of the assessment rolls that the property has been exempt from local taxation for 1908 to 1911, inclusive; not exempt for 1912 and 1913, and exempt for 1914; and the assessed valuation for the year 1914 is \$3,200.

No. 1, Section 1, Block 38, Lot 43, Ward 2 66 12

The total amount involved as principal in the above assessments is \$1,252.90. The property affected by these assessments is located in the Borough of Brooklyn, Grove to Linden Streets, and Queens Borough line; Borough of Queens, Linden Avenue to St. Nicholas Avenue, and Brooklyn Borough line.

The records of this department show no awards paid or payable to petitioner and no lease to The City of New York affecting the property hereinbefore described.

The Rev. John C. York, rector, in response to a request, has submitted a financial statement for the last fiscal year, showing the total receipts from all sources to be \$36,279.28 and the expenditures for all objects \$43,534.28, leaving a deficit of \$7,255.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessments, above mentioned, accrued and became liens thereupon. I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of St. Brigid's Roman Catholic Church in the Borough of Brooklyn, in the City of New York, pursuant to the provisions of such section of the Charter, and recommend the liens, above set forth, be cancelled upon the payment of \$10, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of ten dollars (\$10), the Commissioners of the Sinking Fund by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221A of the Charter, to cancel the following assessments levied and assessed against property owned by St. Brigid's Roman Catholic Church, in the Borough of Brooklyn, in the City of New York, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to petition of the Federation of Galician and Bucovinean Jews of America for the cancellation of certain taxes:

April 8, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York: Gentlemen—Federation of Galician and Bucovinean Jews of America has presented to you a petition for the cancellation of certain taxes affecting premises in the Borough of Manhattan, designated on the official tax map as Section 2, Block 430, Lot 36.

This application is made pursuant to the provisions of Section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under Article 1, Section 4, Subdivision 7 of the Tax Law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton Water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about May 1, 1907, that it has owned the above described premises continuously since said date, and is still the owner thereof, and that the same now are exempt from local taxation, under said provision of the tax law, and have been exempt, as hereinbefore set forth. Said premises are used as a hospital and dispensary.

It appears from an examination of the Assessment Rolls that said property has been exempt from local taxation for the year 1910, and since; taxes for 1909 were remitted by Department of Taxes and Assessments; taxes for 1908 were cancelled by Comptroller's order; and the assessed valuation for the year 1914 is \$18,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following taxes were levied against said property, and are now open and unpaid on the records of the Department, namely:

Taxes.

1907, Section 2, Block 430, Lot 36 \$233 88

Although, as hereinbefore appears, said lot was not acquired by the petitioner until May 1, 1907, and, therefore, the taxes thereon for said year 1907 could not be cancelled by the Comptroller, for the reason that the property was not owned by the petitioner on the second Monday of January (the date when the taxable status of property was fixed) in said year of acquisition, nevertheless, the same was acquired prior to the date when the tax rate for said year was fixed by the Board of Aldermen, viz., July 23, 1907. The taxes for said year did not become a lien until the first Monday in October following the fixation of the tax rate. Treating the date when the tax rate was fixed as aforesaid as the date when the taxes for that year accrued, it would appear that the property in question was acquired prior to the date when the tax which is sought to be cancelled, accrued and became a lien thereon.

A fair adjustment of the matter, under the circumstances, in my opinion, would be to cancel such tax upon the payment by the petitioner of the principal thereof, thereby relieving it of the accrued interest. I would, therefore, recommend that such tax be cancelled upon the payment by petitioner of the sum of \$233.88.

The records of the Divisions of Awards and Real Estate of this Department show no awards paid or payable to petitioner and no lease to The City of New York affecting the property hereinbefore described.

The total amount involved as principal in the above taxes is \$233.88. The property affected by these taxes is located in the Borough of Manhattan, northerly side of East 2d street, west of Avenue A.

The petitioner, in response to a request, has submitted a financial statement for the year ended April 30, 1911, showing the total receipts from all sources to be \$39,989.31, and the expenditures for all objects \$38,218.55, leaving a balance of \$1,770.76.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question during the time when said tax above mentioned, accrued and became a lien thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of Section 221A of the Greater New York Charter, and I would, therefore, certify my approval of the application of Federation of Galician and Bucovinean Jews of America, pursuant to the provisions of such section of the Charter, and recommend that the lien, above set forth, be cancelled upon the payment of \$233.88, provided that payment be made within sixty days from the date of the resolution authorizing such payment. ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That, upon payment of the sum of two hundred and thirty-three dollars and eighty-eight cents (\$233.88) within sixty days from date, the Commissioners of the Sinking Fund, by unanimous vote; hereby authorize and direct the Comptroller, pursuant to the provisions of section 221A of the Charter, to cancel the following taxes levied against property owned by the Federation of Galician and Bucovinean Jews of America, in the Borough of Manhattan; provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale:

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to petition of the Baptist Church Extension Society of Brooklyn and Queens for the cancellation of certain assessments and water charges:

July 30th, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York: Gentlemen—Baptist Church Extension Society of Brooklyn and Queens has presented to you a petition for the cancellation of certain assessments for public improvements and water charges, affecting premises in the Boroughs of Brooklyn and Queens, designated on the official tax map as follows:

(1) Borough of Brooklyn, Sec. 13, Block 4166, Lot 5 (Euclid Ave. Baptist Church);

(2) Borough of Queens, Ward 2, Sec. 2, Block 147, Lot 1 (Wyckoff Ave. Baptist Church);

(3) Borough of Queens, Ward 2, Sec. 12, Block 65, Lot 1 (Elmhurst Baptist Church);

This application is made pursuant to the provisions of section 221A of the Greater New York Charter, which provides that the Commissioners of the Sinking Fund of The City of New York, upon the written certificate of the Comptroller of said City approving the same, may, in their discretion, and upon such terms as they may deem proper, by a unanimous vote cancel and annul all taxes, assessments and Croton water rents, and sales to said City of any and all of the same, which at the time said section became a law were, or might thereafter become, a lien against any real estate owned by any corporation, entitled to exemption of such real estate owned by it from local taxation under article one, section four, subdivision seven of the tax law, which was the actual owner of such real estate and entitled to such exemption, during the time when the taxes, assessments or Croton water rents, from which it seeks relief, accrued and became liens thereupon.

It appears from the petition submitted, which is duly verified, that the petitioner is a corporation incorporated under the Laws of the State of New York, and is the owner in fee simple of the above described premises, having acquired the same on or about (1) March 4, 1908; (2) September 9, 1908; (3) September 9, 1908; that it has owned the above described premises continuously since said dates and is still the owner thereof, and that the same now are and have always been exempt from local taxation, under said provision of the tax law, during the periods when the liens hereinbefore set forth accrued. Said premises are used as follows:

(1) As a Sunday school and a meeting place for the societies and organizations of the Euclid Ave. Baptist Church.

(2) and (3) As places of public worship.

It appears from an examination of the assessment rolls that the property has been exempt from local taxation for the year 1909 and since and the assessed valuation for the year 1914 is (1) \$2,500, (2) \$9,000, (3) \$20,000.

It further appears from the records of the Bureau for the Collection of Assessments and Arrears that the following assessments for local improvements and water charges were levied against said property and are now open and unpaid on the records of the Department, namely:

(1) Euclid Ave. Baptist Church.

No. 26, Sec. 12, Block 65, Lot 1, Ward 2 46 46

The records of this Department show an unpaid award, made to an unknown owner, amounting to \$905.92 (including principal and interest) in the proceeding for "Acquiring title to Wyckoff Ave., from Brooklyn Borough Line to Moffat St., Second Ward, Borough of Queens," confirmed May 7, 1913, entered August 16, 1913.

Said unpaid award affects the property known as Lot 1, Block 147, Sec. 2, Ward 2, Borough of Queens, included in this application, and known as the Wyckoff Ave. Baptist Church.

One of the assessments above set forth is the assessment for benefit in the same proceeding in which the foregoing award was made, and affects the same property. The amount of said assessment exceeds the amount of said unpaid award. In view of such fact I would recommend, as a condition to the cancellation of all of the assessments hereinbefore enumerated against the property known as the Wyckoff Ave. Baptist Church, including the assessment list last mentioned, that the petitioner be required to pay the amount of such unpaid award, viz., \$905.92; and I also recommend, as a condition to the cancellation of the open charges against the remaining two church properties (Euclid Ave. Baptist Church and Elmhurst Baptist Church), that the petitioner be required to pay \$10 in each case, making the total amount to be paid as a condition to the cancellation of all of the open charges included herein, the sum of \$925.92.

The records of this Department show no awards paid or payable to petitioner, affecting any of the property hereinbefore described, except the unpaid award above referred to, and no lease to The City of New York affecting said property.

The total amount involved as principal in the above assessments and water charges is \$1,743.35. The property affected by these assessments is located in the Boroughs of Brooklyn and Queens, as follows:

- (1) Euclid Ave. Baptist Church, from Hill St. to Conduit Ave., east of Euclid Ave., Borough of Brooklyn;
- (2) Wyckoff Ave. Baptist Church, southeast corner Wyckoff Ave. and Sommerfield St., Borough of Queens;
- (3) Elmhurst Baptist Church, northwest corner Whitney Ave. and Third St., Borough of Queens.

Mr. Henry E. Drake, Treasurer, in response to a request, has submitted a financial statement for the year ending November 8, 1911, showing the total receipts from all sources to be \$66,907.29, and the expenditures for all objects \$64,731.69, leaving a balance of \$2,175.60.

It appearing, therefore, that the petitioner was the actual owner of the real estate in question and entitled to have the same exempted from taxation during the time when said assessments and water charges above mentioned accrued and became liens thereupon, I am of the opinion that the petitioner has presented a proper case for relief to the Commissioners of the Sinking Fund of The City of New York, under the provisions of section 221A of the Greater New York Charter, and I would therefore certify my approval of the application of Baptist Church Extension Society of Brooklyn and Queens, pursuant to the provisions of such section of the Charter, and recommended the liens above set forth be cancelled upon the payment of \$925.92, provided that payment be made within sixty days from the date of the resolution authorizing such payment, and also provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected and that the same is not under contract of sale.

ALEX BROUGH, Deputy and Acting Comptroller.

Resolved, That upon payment of the sum of Nine hundred and twenty-five dollars and ninety-two cents (\$925.92), the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments and water charges levied and assessed against property owned by The Baptist Church Extension Society of Brooklyn and Queens, provided that at the time of such payment said corporation furnish proof by affidavit that it is the actual owner of the property affected, and that the same is not under contract of sale:

The Deputy and Acting Comptroller presented a report relative to petition of the Lutheran Hospital Association of New York and Vicinity for the cancellation of certain assessments.

At the request of a representative of the Hospital action thereon was laid over.

The Deputy and Acting Comptroller presented the following report and offered the following resolution relative to petition of the Home for Incurables for the cancellation of certain assessments:

October 16, 1914.

To the Honorable the Commissioners of the Sinking Fund of The City of New York: Gentlemen—Home for Incurables heretofore petitioned your honorable Commission, pursuant to section 221A of the Charter, for the cancellation of a certain assessment affecting premises in the Borough of Bronx, designated on the official tax map as Block 3064, Lot 1, said assessment being described as follows:

"Paving, etc., in Quarry Road from Third Avenue to Arthur Avenue, etc. (confirmed and entered April 30, 1912)..... \$10,119 04"

It appears that inadvertently, through an error made in the return of open charges against the above described property by the Collector of Assessments of Arrears, Borough of The Bronx, the following assessment appeared as open and unpaid against said property, in addition to the assessment above described, viz.:

"Opening the Triangle Area bounded by Lafontaine Avenue and the south side of Oak Tree Place (confirmed March 10, 1910, entered May 13, 1910)..... \$3,333 00"

The Comptroller, in considering said petition, found that the proportion of actually free work done by the petitioner, based upon figures covering a period of six years submitted by it, was 26.8 per cent., and the work paid for, 73.2 per cent., and accordingly recommended that the aggregate amount of the two assessments hereinbefore described, viz., \$13,452.04, be cancelled upon the payment by the petitioner of 73.2 per cent. thereof, or \$9,846.89.

Said petition was thereafter presented to you, together with the report of the Comptroller containing the recommendation above set forth, and on September 16, 1914, the following resolution was adopted by you, viz.:

"Resolved, That upon payment of the sum of nine thousand eight hundred and forty-six dollars and eighty-nine cents (\$9,846.89) within sixty days from date, the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessments levied and assessed against property owned by the Home for Incurables, in the Borough of The Bronx, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

Assessments.

Opening the Triangle Area bounded by Lafontaine Avenue and the south side of Oak Tree Place (confirmed March 10, 1910; entered May 13, 1910):

No. 1, Block 3064, Lot 1..... \$3,333 00
Paving, etc., in Quarry Road from Third Avenue to Arthur Avenue, etc. (confirmed and entered April 30, 1912):

No. 13, Block 3064, Lot 1..... \$10,119 04"

It now transpires that said assessment for "Opening the Triangle Area, etc." erroneously returned by said Collector as aforesaid as open and unpaid, had actually been paid by the petitioner and discharged of record on July 11, 1910, as appears from the records of said Collector of Assessments and Arrears, and therefore your Honorable Commission had no authority under said section of the charter to cancel and annul said assessment, as it was not then a lien against said property.

Instead, therefore, of recommending the cancellation of the two assessments above set forth, the principal of which aggregated \$13,452.04, upon the payment of 73.2 per cent. thereof, or \$9,846.89, the Comptroller's report should have recommended only the cancellation of the assessment included in the petition, the only assessment open and unpaid, the principal of which was \$10,119.04, upon payment of 73.2 per cent. thereof, or \$7,407.14; and the resolution adopted by you as aforesaid, following the recommendation of the Comptroller, should have provided for the payment by petitioner of the sum of \$7,407.14 instead of \$9,846.89, and should not have authorized the cancellation of said assessment for "Opening the Triangle Area, etc."

Upon the foregoing statement of facts, I am of the opinion that said resolution of September 16, 1914, should be rescinded, and recommend that a new resolution be adopted, changing the amount to be paid by petitioner from \$9,846.89 to \$7,407.14, and omitting from the schedule of assessments directed to be cancelled the assessment which has been paid as aforesaid, so that such resolution shall read as follows:

"Resolved, That upon payment of the sum of seven thousand four hundred and seven dollars and fourteen cents (\$7,407.14) within sixty days from date, the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessment levied and assessed against property owned by the Home for Incurables, in the Borough of The Bronx, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale.

Paving, etc., in Quarry Road from Third Avenue to Arthur Avenue, etc. (confirmed and entered April 30, 1912):

No. 13, Block 3064, Lot 1..... \$10,119 04"

Respectfully ALEX. BROUGH, Deputy and Acting Comptroller.

Resolved, That the resolution adopted by this Board at meeting held September 16, 1914, authorizing the cancellation of certain assessments for public improvements affecting premises owned by the Home for Incurables, upon payment of the sum of Nine thousand eight hundred and forty-six dollars and eighty-nine cents (\$9,846.89), within sixty days from date, be and the same is hereby rescinded.

Resolved, That, upon payment of the sum of Seven thousand four hundred and seven dollars and fourteen cents (\$7,407.14), within sixty days from date, the Commissioners of the Sinking Fund, by unanimous vote, hereby authorize and direct the Comptroller, pursuant to the provisions of Section 221-A of the Charter, to cancel the following assessment levied and assessed against property owned by the Home for Incurables, in the Borough of The Bronx, provided that at the time of such payment said corporation furnish proof, by affidavit, that it is the actual owner of the property affected, and that the same is not under contract of sale:

The Deputy and Acting Comptroller presented the following report and offered the following resolution, relative to an assignment of space at No. 49 Lafayette Street, Borough of Manhattan, to the Department of Correction (brought up by unanimous consent):

October 22, 1914.

To the Honorable the Commissioners of the Sinking Fund:

Gentlemen—On September 16, 1914, the Commissioners of the Sinking Fund adopted a resolution assigning to the Municipal Civil Service Commission, the ninth, tenth, eleventh and twelfth floors in the building No. 49 Lafayette Street, Borough of Manhattan, and to the Department of Licenses the first floor with the exception of that portion occupied by the Pass Bureau of the Department of Correction, and the fourth and fifth floors in the same building.

The Pass Bureau is desirous of obtaining quarters on a different floor, so as to make the same more suitable for their purposes. They are now occupying about 1,242 square feet of space on the first floor. It is proposed to give them about 1,500 square feet on the north end of the second floor, which additional space they will need for extra filing cases and card machines which will be installed after the first of the year.

I therefore respectfully recommend that the Commissioners of the Sinking Fund assign to the Department of Correction about 1,500 square feet of floor space at the north end of the second floor in the building No. 49 Lafayette Street, Borough of Manhattan, such assignment not to take effect, however, until December 1, 1914.

Resolved, That, pursuant to the provisions of Section 205 of the Greater New York Charter, as amended, the Commissioners of the Sinking Fund hereby assign to the Department of Correction, about 1,500 square feet of floor space at the north end of the second floor in the building No. 49 Lafayette Street, Borough of Manhattan—such assignment not to take effect, however, until December 1, 1914.

The report was accepted and the resolution unanimously adopted.

PUBLIC SERVICE COMMISSION.

Proposals.

INVITATION TO CONTRACTORS.

Part of the Broadway-Fourth Avenue Rapid Transit Railroad.

The Public Service Commission for the First District (hereinafter called the "Commission"), acting for and on behalf of The City of New York (hereinafter called the "City"), invites proposals to reconstruct a portion of Section No. 9-C1 of Route No. 9, a part of the Broadway-Fourth Avenue Rapid Transit Railroad.

The portion of Section No. 9-C1 to be reconstructed lies under Flatbush Avenue Extension between Willoughby Street and DeKalb Avenue in the Borough of Brooklyn. The railroad at this point has six tracks and the reconstruction is to provide for the installation of additional crossovers between these tracks.

The Contractor will not be required to provide or lay tracks, ties or ballast, but will be required to do certain station finish work.

The work under the contract will include the care and support of buildings, vaults, sewers, pipes, railroads and other surface, subsurface and overhead structures, the maintenance of traffic and the restoration of pavements and other surfaces.

The method of construction, unless otherwise permitted by the Commission, will be by trench excavation under cover.

The City has entered into a contract for the installation of tracks in the Railroad and the work of installation will be in progress at the time that the work of reconstruction is in progress. It will also be necessary for the New York Municipal Railway Corporation, its contractors or employees, to do work in the Railroad in connection with the equipment of the Railroad at the time that the work of reconstruction is in progress. The Contractor must conduct his work so as not to impede or interfere with such other work, as provided in the contract.

The Railroad may also be opened and operated for passenger traffic before the completion of the work of reconstruction. In such event the Contractor must conduct his work so as to avoid interference with the operation of the Railroad and injury to passengers, as provided in the contract; and payment for all additional expense, loss, risk and damage due to such opening and operating for traffic will be made by increasing by the percentage stipulated in Item X in the Schedule contained in the Contractor's Proposal, the prices as stipulated in said Schedule for the work performed after the date of such opening and operating for passenger traffic, except as provided in the contract. Each bidder shall state in said Item X in the Schedule contained in the form of Contractor's Proposal the percentage required on such prices in payment for the additional expense, loss, risk and damage in the event of such opening and operating for traffic.

For the purpose of comparing the bids only, and not for any other purpose, it will be assumed that the percentage so bid will be required to be paid on one-quarter (1/4) of the estimated amount of the work of reconstruction exclusive of Schedule Items 1, 2, 30, 76-H and 99-A and exclusive also of sixty per centum (60%) of the estimated amount for Schedule Items 19 and 20. If any bidder shall not desire any such increase in said prices on account of such opening and operating for traffic, he shall strike out said Item X in said Schedule contained in his Proposal.

Bidders must examine the form of contract and the specifications and contract drawings; must visit the location of the work and inform themselves of the conditions along the line of the work and make their own estimates of the facilities and difficulties attending the execution of the work.

A full description of the work and other requirements, provisions, details and specifications are given in the form of contract and in the contract drawings therein referred to. Copies of the forms of contract, bond and contractor's proposal and of the contract drawings may be inspected and purchased at the office of the Commission, No. 154 Nassau Street, Borough of Manhattan, New York City. The forms of contract, bond and contractor's proposal and the contract drawings are to be deemed a part of this Invitation.

Partial payments to the Contractor will be made as the work proceeds, as provided in the contract.

The Contractor must complete the work within seven (7) months from the delivery of the contract except the permanent restoration of street surface, which he must complete within eleven (11) months from the delivery of the contract.

At the time of the delivery of the contract the Contractor must furnish security to the City by depositing with the City securities in the sum of fifty thousand dollars (\$50,000). As further security ten per centum (10%) of the amounts certified from time to time to be due to the Contractor will be deducted.

Sealed bids or proposals will be received at the office of the Commission, No. 154 Nassau Street, Borough of Manhattan, City of New York, until the 1st day of December, 1914, at twelve fifteen (12.15) o'clock p. m., at which time and place, or at a later date to be fixed by the Commission, the proposals will be publicly opened.

Proposals must be in the form prescribed by the Commission.

A statement based upon the estimate of the Chief Engineer of the Commission of the quantities of the various classes of the work and of the nature and extent as near as practicable of the work is to be found in the Schedule in the form of contractor's proposal. The quantities given in such Schedule are approximate only, being given as a basis for the uniform comparison of bids, and no claim is to be made against the City on account of any excess or deficiency, absolute or relative, in the same, except as provided in the specifications and form of contract.

Every proposal must when submitted be enclosed in a sealed envelope endorsed "Proposal for Reconstructing Part of Rapid Transit Railroad—Route No. 9, Section No. 9-C1," and must be delivered to the Commission or its Secretary; and in the presence of the person submitting the proposal, it will be deposited in a sealed box in which all proposals will be deposited. No proposal will be received unless accompanied by a separate certified check for ten thousand dollars (\$10,000) payable to the order of the Comptroller of the City and drawn upon a national or state bank or trust company satisfactory to the Commission and having its principal office in New York City. Such check must not be enclosed in the envelope containing the proposal.

The Unit Prices must not be improperly balanced, and any bid which the Commission considers detrimental to the City's interests may be rejected.

No proposal, after it shall have been deposited

with the Commission, will be allowed to be withdrawn for any reason whatever.

The award of the contract will be made by the Commission as soon as practicable after the opening of the proposals.

Deposits made by bidders whose proposals are not accepted will be returned within three (3) days after the contract is executed and delivered and its provisions in respect of the bond or deposit are complied with, unless all proposals shall be rejected in which event such deposits will be returned within three (3) days after such rejection. The deposit of the successful bidder will be returned when the contract is executed and its provisions in respect of the bond or deposit are complied with.

The right to reject any and all bids is reserved. New York, November 10, 1914.

NOTICE TO BIDDERS AT SALES OF OLD BUILDINGS, ETC.

TERMS AND CONDITIONS UNDER WHICH BUILDINGS, ETC., WILL BE SOLD FOR REMOVAL FROM CITY PROPERTY.

THE BUILDINGS AND APPURTENANCES thereto will be sold to the highest bidder, who must pay cash or certified check, drawn to the order of the Comptroller of The City of New York, and must also give a certified check or cash in half the amount of the purchase price as security for the faithful performance of the terms and conditions of the sale. Where the amount of the purchase price does not equal or exceed the sum of \$50, the sum of \$50 shall be the amount of the security to be deposited. This security may at any time after the expiration of the contract period be applied by the City to the cost of completing any of the work required under the contract, but unfinished at the expiration of the contract period.

The purchaser shall not lease, occupy, cause or permit the building or buildings, etc., purchased by him to be used or occupied for any purpose other than that of their speedy removal, nor shall he collect any rental or other revenue for the use of either the land or the buildings, etc., situated thereon. The breach of either or any of these conditions shall forthwith void the sale and cause immediate forfeiture of the purchase money and the security deposited for the faithful performance of the conditions of the sale. The placing therein or permitting the occupancy of any such building by any tenant free, for rent or otherwise, excepting the necessary watchmen or the workmen engaged in the actual demolition thereof, shall of itself be a breach of the above conditions of sale.

The sale will be as of the condition of the property on date of delivery thereof to the purchaser. The City of New York will not be responsible for any change or loss which may occur in the condition of the buildings, or their appurtenances between the time of the sale thereof and the time of delivering possession to the purchaser, after being properly vacated of all tenants. The sale and delivery to purchaser will be made as nearly together as the circumstances of vacating the structures of their tenants will permit.

All the material of the buildings, sheds, walks, structures and cellars of whatsoever nature, with their exterior and interior fixtures, appurtenances and foundations of all kinds, except the exterior walls of the buildings and their foundations and the sidewalks and curb in front of said buildings, extending within the described area shall be torn down and removed from the premises. None of the dirt, debris or waste resulting from demolition shall be allowed to remain on the premises, except old mortar or plaster only, which may be left, but not higher at that point. The exterior walls and their foundations shall be taken down only to a plane whose elevation shall be the level of the curb in front of the building. Where there is no curb the elevation of the surrounding ground shall be considered curb level. All wells, cesspools, sinks, etc., existing on the property must be filled to the level of the surrounding ground with clean earth.

The purchaser at the sale shall also withdraw and remove all abandoned water taps and old service mains, and in place thereof cause to be inserted a brass plug in the main water pipe in the street, in compliance with the rules and regulations of the Department of Water Supply, Gas and Electricity, and furnish the Department of Finance with a certificate from the Department of Water Supply, Gas and Electricity that this has been performed.

The purchaser at the sale shall also remove all

house sewer connections to the main sewer in the street and the openings of the main sewer in street shall be properly closed in compliance with the directions of the Bureau of Sewers in the Borough in which the buildings are situated, and furnish the Department of Sewers with a certificate from the Bureau of Sewers that the work has been properly performed.

The permit for all opening in the street to be obtained by and at the expense of the purchaser of the building.

Failure to remove said buildings, appurtenances, or any part thereof, within thirty days from the day of possession will work forfeiture of ownership of such buildings, appurtenances, or portion as shall then be left standing, together with all moneys paid by said purchaser on account thereof at the time of the sale, and the bidder's assent to the above conditions being understood to be implied by the act of bidding, and The City of New York will, without notice to the purchaser, cause the same to be removed, and the cost and expense thereof charged against the security above mentioned.

The work of removal must be carried on in every respect in a thorough and workmanlike manner, and must be completed within thirty days from the day of possession, and the successful bidder will provide and furnish all materials of labor and machinery necessary thereto, and will place proper and sufficient guards and fences and warning signs by day and night for the prevention of accidents, and will indemnify and save harmless The City of New York, its officers, agents and servants, and each of them, against any and all suits and actions, claims and demands of every name and description brought against it, them or any of them, and against and from all damage and costs to which it, they or any of them be put by reason of injury to the person or property of another, resulting from negligence or carelessness in the performance of the work, or in guarding the same, or from any improper or defective materials or machinery, implements or appliances used in the removal of said buildings.

Where party walls are found to exist between buildings purchased by different bidders, the materials of said party walls shall be understood to be equally divided between the separate purchasers.

Party walls and fences, when existing against adjacent property not sold, shall not be taken down. All furrings, plaster, chimneys, projecting brick, etc., on the faces of such party walls are to be taken down and removed. The walls shall be made permanently self-supporting, beam-ends, etc., bricked up, and the wall pointed and made to exclude wind and rain and present a clean exterior. The roofs and adjacent buildings shall be properly flashed and painted and made watertight where they have been disturbed by the operations of the Contractor.

The Comptroller of The City of New York reserves the right on the day of sale to withdraw from sale any of the buildings, parts of buildings and machinery included therein, or to reject any and all bids; and it is further

Resolved, That, while the said sale is held under the supervision of the Commissioners of the Sinking Fund, the Comptroller is authorized to cause the sale to be advertised and to direct the sale thereof as financial officer of the City.

GENERAL INSTRUCTIONS TO BIDDERS.

The person or persons making a bid or estimate for any services, work, materials or supplies for The City of New York, or for any of its departments, bureaus or offices, shall furnish the same in a sealed envelope, indorsed with the title of the supplies, materials, work or services for which the bid or estimate is made, with his or her name, or names and the date of presentation to the President or Board or to the head of the Department at his or its office, on or before the date and hour named in the advertisement for the same, at which time and place the estimates received will be publicly opened by the President or Board or head of said Department and read, and the award of the contract made according to law as soon thereafter as practicable.

Each bid or estimate shall contain the name and place of residence of the person making the same, and names of all persons interested with him therein, and, if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Board of Aldermen, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of The City of New York is, shall be or become interested, directly or indirectly, as contracting party, partner, stockholder, surety or otherwise in or in the performance of the contract, or in the supplies, work or business to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath in writing of the party or parties making the estimate that the several matters stated herein are in all respects true.

No bid or estimate will be considered unless, as a condition precedent to the reception or consideration of any proposal, it be accompanied by a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money or corporate stock or certificates of indebtedness of any nature issued by The City of New York, which the Comptroller shall approve as of equal value with the security required in the advertisement to the amount of not less than three nor more than five per centum of the amount of the bond required, as provided in section 420 of the Greater New York Charter.

The amount shall be as specified in the proposals or instructions to bidders and shall not be in excess of 5 per cent.

The certified check or money should not be inclosed in the envelope containing the bid or estimate, but should be either inclosed in a separate envelope addressed to the head of the Department, President or Board, or submitted personally upon the presentation of the bid or estimate.

For particulars as to the quantity and quality of the supplies, or the nature and extent of the work, reference must be made to the specifications, schedules, plans, etc., on file in the said office of the President, Board or Department.

No bid shall be accepted from or contract awarded to any person who is in arrears to The City of New York upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City.

The contract must be bid for separately. The right is reserved in each case to reject all bids or estimates if it is deemed to be for the interest of the City so to do.

Bidders will write out the amount of their bids or estimates in addition to inserting the same in figures. Bidders are requested to make their bids or estimates upon the blank forms prepared and furnished by the City, a copy of which, with the proper envelope in which to inclose the bid, together with a copy of the contract, including the specifications, in the form approved by the Corporation Counsel, can be obtained upon application therefor at the office of the Department for which the work is to be done. Plans and drawings of construction work may also be seen there.
