SPECIAL PERMIT PROVISIONS

79-43

Special Permit for Limited Bulk Modifications for Certain Large-scale Community Facility Developments

For #large-scale community facility developments# located within the boundaries of Community Districts 8 and 12 in the Borough of Manhattan, that contain #community facility uses# specified in Section 73-64 (Modification for Community Facility Uses), the City Planning Commission may, by special permit, ~~permit modification of regulations relating to height and setback on the periphery of the #large-scale community facility development#, #courts# and distance between windows and walls or #lot lines# not otherwise allowed in Section 79-21 (General Provisions).~~ As a condition for such action, allow modifications to the following provisions set forth in paragraph (a) of this Section, provided that the findings in paragraph (b) are met.

(a) The Commission may allow modifications:

- (1) to regulations relating to height and setback on the periphery of the #large-scale community facility development#, #courts# and distance between windows and walls or #lot lines# not otherwise allowed in Section 79-21 (General Provisions); and
- (2) additionally, in R9 and R10 Districts, located within Community District 8:

(i) to #lot coverage#; and

(b) In order to grant such special permit, the Commission shall find that such modification:

(a)(1) is required in order to enable the #large-scale community facility development# to provide an essential service to the community;

(b)(2) will provide a more satisfactory physical relationship to the existing #buildings# which form the #large-scale community facility development#, and provide a more efficient and integrated site plan;

(c)(3) will better complement the existing character of the neighborhood;

(d)(4) will not unduly increase the #bulk# of #buildings# in any #block# to the detriment of the occupants or users of #buildings# in the #block# or nearby #blocks#; and

(e)(5) will not adversely affect any other #zoning lots# or #streets# outside the #large-scale community facility development# by unduly restricting access to light and air; and

(6) in R9 and R10 Districts located within Community District 8:

(i) with regard to #lot coverage#, will result in a better site plan and a better relationship among #buildings# and open areas; and

(ii) with regard to #sign# modifications:

(a) a signage plan has been submitted showing the location, size, height, and illumination of all #signs# on the #zoning lot#;

(b) the modifications are consistent with the amount and location of the #large-scale community facility development# that the Commission finds appropriate on the #zoning lot#; and

(c) #illuminated signs#, if provided:

(1) utilize an illumination type, and are located and oriented in a manner so as to minimize any negative effects on nearby #residences#; and

(2) do not alter the essential character of the adjacent area.

The Commission may prescribe additional conditions and safeguards to improve the quality of the #large-scale community facility development# and to minimize adverse effects on the character of the surrounding area.

The New York State Office of Mental Health ("OMH") continues to recognize re-solicitation of contracts for ongoing operations may result in awards to different providers which have not previously served the specific population. In such cases, associations between recipients and

providers which are of limited durations may prove to be detrimental to recipient's recovery. Frequent changes in service providers can also seriously compromise continuity of care, which is also detrimental to those served. Since there continues to be a need for these services, the State requires us to continue contracting with the same vendors as long as the vendors demonstrate fiscal integrity, positive program performance and administrative compliance. This applies to all funding awarded on the State Aid Letter, including both State and federal funding.

NOTICE OF INTENT TO ENTER INTO NEGOTIATIONS - TENNIS PROS - Negotiated Acquisition - Judgment required in evaluating proposals- PIN# CWTP-2024 - Due 7-8-24 at 5:00 P.M.

In accordance with Section 1-14 of the Concession Rules of the City of New York ("Concession Rules"), the New York City Department of Parks and Recreation ("Parks") intends to enter into a negotiated concession for permit agreements for the Operation of Tennis Professional Concessions at Various Locations Citywide. The selected operator will be permitted to give tennis instruction during the times that the tennis court is open for use.

The concession will have a term not to exceed five (5) years. The concession will be operated pursuant to a permit issued by Parks; no leasehold or other proprietary right will be offered. As compensation to the City, Parks anticipates receiving a permit fee, expressed as a guaranteed annual minimum fee. The available locations are:

Bronx X39-TP: Pelham Bay Park X104-TP: Williamsbridge Oval

Brooklyn B28-TP: Dyker Beach Park (Due to construction, the permit will be for 4 years. The construction timeline and dates are subject to change) B51-TP: William E. Kelley Memorial Park B129-TP: Kaiser Park

Queens Q413-TP: Rochdale Park

At this time, it is neither practicable nor advantageous to award these concessions by competitive sealed proposals or competitive sealed bids as the current outdoor tennis season is currently underway and ends on November 24, 2024. If Parks were to issue either a competitive sealed proposal or competitive sealed bid, there would not be enough time left in the current season for successful operations. As these locations did not receive any bids on the most recent competitive sealed bid solicitation, the sites remain vacant and the community is without permitted tennis instructors. Additionally, with the absence of permitted concessionaires on site, this invites illegal vendors to fill the void. For these reasons, it is in the best interest of the City to pursue a negotiated concession for these locations.

Potential concessionaires that would like to express interest in the proposed concession and/or obtain additional information concerning the concession may contact Andrew Coppola, Senior Project Manager for the Revenue Division, at (212) 360-3454 or via e-mail at Andrew.Coppola@parks.nyc.gov by July 8, 2024. Thereafter, there will be a process for submission of fee offers. Parks will select the highest fee offers to the City from the responsible and responsive applicant while

also taking into account the extent to which the potential awardee concessionaires would be operating or providing instruction at a similar concession on Parks property during all or part of the term of the concession, in determining an award of the concession on the subject premises. In no event shall a potential awardee (or principal(s) of a potential awardee) have more than two concessions total from this or any other solicitation during all or part of the term of the concessions. At Parks' request, the applicant shall submit documentation, satisfactory to Parks, demonstrating that it has the necessary certifications and the financial capability to pay the fees set forth in its fee offer. Failure to provide such documentation will result in a determination of non-responsiveness.

Where applicable, Parks may condition the award of this concession upon the successful completion of PASSPort (the Procurement and Sourcing Solutions Portal) Questionnaires and review of that information by the Department of Investigation. In addition, any person or entity with at least a 10% ownership interest in the submitting vendor (including a parent company), may be required to complete PASSPort Questionnaires (Principal Questionnaire for any person and Vendor Questionnaire for any entity with at least a 10% ownership interest in the submitting vendor).

This concession has been determined not to be a major concession as defined by Chapter 7 of the Rules of the City Planning Commission.

Please note that the concession award is subject to applicable provisions of federal, State, and local laws and executive orders requiring affirmative action and equal employment opportunity.

The New York City Comptroller is charged with the audit of concession agreements in New York City. MANAGEMENT AND BUDGET

■ NOTICE

**COMMUNITY DEVELOPMENT BLOCK GRANT-DISASTER
RECOVERY PROGRAM
NOTICE OF INTENT TO REQUEST RELEASE OF FUNDS**

NYC Mayor's Office of Management and Budget (NYC OMB)
255 Greenwich Street, 8th Floor
New York, NY 10007
(212) 788-6130

On or about July 1, 2024, the City of New York (“the City”) will submit a request to the U.S. Department of Housing and Urban Development for the release of Community Development Block Grant-Disaster Recovery (CDBG-DR) funds authorized under the Community Development Act of 1974, as amended, and the Continuing Appropriations Act, 2023 (Public Law 117-180), to undertake a project

known as NYCHA Green Infrastructure for the purpose of managing stormwater runoff across seventeen (17) New York City Housing Authority (“NYCHA”)–owned developments. The funds will be requested for one of these sites, the Cooper Park Houses. The location of the Cooper Park site is 40 Debevoise Avenue, Brooklyn, NY 11211.

The City proposes to award approximately \$2,001,646 in CDBG-DR funds to NYCHA, who will procure a contractor to install green infrastructure at Cooper Park as part of the NYCHA Green Infrastructure project. The Cooper Houses site will include four (4) assets in the form of sub-surface slow-release detention chambers that will temporarily store rainwater below ground and then release it slowly into the combined sewer after the storm has passed and capacity has returned.

The green infrastructure practices in this project will all be located in parking lots or other open spaces on NYCHA properties. Excavation is required to install subsurface chambers and reconstruct catch basins and outlet control structures that are reconnected to existing sewer pipes. Once installation and reconstruction are complete, the area will be backfilled, resurfaced, and restored to its pre-existing condition; features at or above ground level will be replaced in kind.

The activities proposed are categorically excluded under HUD regulations at 24 CFR Part 58 from National Environmental Policy Act (NEPA) requirements. An Environmental Review Record (ERR) that documents the environmental determinations for this project will be made available to the public for review either electronically or by U.S. mail. Please submit your request by U.S. mail to Julie Freeman, Senior Assistant Director, New York City Office of Management and Budget, at 255 Greenwich Street, 8th Floor, New York, NY 10007, or by email to CDBGComments@omb.nyc.gov.

PUBLIC COMMENTS

Any individual, group, or agency may submit written comments on the ERR to the New York City Office of Management and Budget (NYC OMB) at the above address or via email to CDBGComments@omb.nyc.gov. All comments received by June 30, 2024 will be considered by NYC OMB prior to authorizing submission of a request for release of funds.

ENVIRONMENTAL CERTIFICATION

NYC OMB certifies to HUD that the City and Julie Freeman, in her capacity as Certifying Officer of the City's CDBG-DR Program, consents to accept the jurisdiction of the Federal Courts if an action is brought to enforce responsibilities in relation to the environmental review process and that these responsibilities have been satisfied. HUD's approval of the certification satisfies its responsibilities under NEPA and related laws and authorities and allows the City to use CDBG-DR Program funds.

OBJECTIONS TO RELEASE OF FUNDS

HUD will accept objections to its release of funds and NYC OMB's certification for a period of fifteen days following the anticipated submission date or its actual receipt of the request (whichever is later) only if they are on one of the following bases: (a) the certification was not executed by the Certifying Officer of NYC OMB; (b) NYC OMB has omitted a step or failed to make a decision or finding required by HUD regulations at 24 CFR Part 58; (c) the grant recipient or other participants in the development process have committed funds, incurred costs or undertaken activities not authorized by 24 CFR Part 58 before approval of a release of funds by HUD; or (d) another Federal agency acting pursuant to 40 CFR Part 1504 has submitted a written finding that the project is unsatisfactory from the standpoint of environmental quality. Objections must be prepared and submitted in accordance with the required procedures (24 CFR Part 58, Sec. 58.76) and shall be addressed to CPDRROFNYC@hud.gov. Potential objectors should contact HUD to verify the actual last day of the objection period.

City of New York: Eric Adams, Mayor
