Your petitioner, Richard M. Collard, by George B. Deane, Jr., his attorney, respectfully represents to your Honorable Board :

That on the 22d day of October, 1878, the Common Council of the City of New York, by an ordinance or enactment, authorized and empowered the Justices of the several district civil courts of said city to appoint janitors for said courts "at an annual salary, as now fixed by law;" that the salary of a janitor of a district court at the date of said enactment of the Common Council, as fixed by law, was fifteen hundred dollars (\$1,500) per annum; that pursuant to the authority conferred by said ordinance or enactment your petitioner was on the 23d day of October, 1878, duly appointed janitor of the Third District (Civil) Court of said city by Hon. Which was received and referred to the Comptroller.

The Comptroller presented the following:

To the Hon. S. HASTINGS GRANT, Comptroller:

SIR—We, the undersigned stand-holders and tenants in Clinton Market, respectfully ask you to consider the following facts:

The said Clinton Market is in a very bad and unsafe condition; the main supports of the building lean over; there is insufficient light, ventilation and drainage; the principal front, facing the Canal street park, is a collection of old sheds, which entirely shut off and hide the market proper. We are convinced that the present building cannot be repaired.

We believe that a new building will be of advantage to the public, to the city revenues, and to the stand-holders, and we believe that during such rebuilding the market business could be kept together in and around the Canal street park. We therefore ask you to recommend the appropriation of a sufficient amount of money to erect a new building, as has been done in the case of other markets.

We respectfully ask you to examine the present market, and to exert your influence to have a new market built.

Commissioner Spencer then offered the following resolution:

“Resolved, That the above-named plans, this day submitted by the Commissioner of Public Works, be and the same are hereby approved and adopted by the Aqueduct Commissioners, and that the plan for the new gate-house at Croton Dam be designated ‘Final Plan Sheet No. 12,’ and that the plan (in three sheets) for the blow-offs upon the line of the New Aqueduct be designated ‘Final Plan Sheet No. 13,’ and the Secretary is hereby directed to prepare copies of said final plan sheets for certification, and to transmit one of said copies, so certified, to the Commissioner of Public Works for filing in his office.”

This resolution was adopted by the affirmative vote of the Mayor, Comptroller, Commissioner Spencer, and Commissioner Dowd.

Chief Engineer Church presented a communication, dated October 8, 1884, in relation to the detail of the Engineer Corps to be placed in charge of the work included in the sixth section of the New Aqueduct, and making recommendations as to their compensation, and other matters.

This communication was, on motion of the Mayor, referred to the Committee of Finance and Audit, for consideration and report.

The Chief Engineer also presented a communication, dated October 8, 1884, submitting a plan for dividing that part of the New Aqueduct in Westchester County into sections, for contracts; and into six engineering divisions between the Croton river and the Harlem river.

On motion of the Mayor, seconded by Commissioner Dowd, these recommendations were approved, subject to such modifications as may hereafter be deemed necessary; and the Chief Engineer and Secretary were directed to prepare forms of contract and specifications adapted to each of the sections in Westchester County, and to report the same to the Commissioners as soon as practicable.

The stated meeting was then adjourned.

The persons desiring to make bids or estimates shall furnish the same in a sealed envelope, indorsed "Bid or Estimate for Groceries, Dry Goods, and Lime," with his or her name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the bids or estimates received will be publicly opened by the President of said Department, and read.

THE BOARD OF PUBLIC CHARITIES AND CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE UNFAIR, OR TO BE OTHERWISE UNDESIRABLE, IN ACCORDANCE WITH THE PROVISIONS OF SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in, and well prepared for the business, and must be able to furnish satisfactory evidence to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract by his or their bond, with two sufficient sureties, in the penal amount of fifty per cent. of the estimated amount of the contract.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein; and if no other person be so interested, it shall distinctly state that no other person is so interested, or in connection with any other person making an estimate for the same purpose, and is in all respects fair, and without collusion or fraud; and that no member of the Common Council, Head of a Department, Chief of a Bureau, Deputy thereof, or Clerk thereof, or any other person, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of each of the persons making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath, in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above his debts of every nature, and over and above his liabilities as bail, surety, or otherwise; and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of the City of New York, and that the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a check upon one of the National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be enclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the Estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk, and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall neglect or refuse to execute the contract within five days after the contract is awarded to him, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal to execute the contract. If the successful bidder within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been

awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having defaulted in the contract, and the contract will be awarded to the person or persons to whom it will be re-awarded and relet as provided by law.

The quality of the articles, supplies, goods, wares, and merchandise must conform in every respect to the samples of the same, respectively, at the office of the said Department. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required, before making their estimates.

Bidders will state the prices for each article, by which the bids will be tested.

Bidders will write out the amount of their estimate, in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, issued on the completion of the contract, or from time to time, as the Commissioners may determine.

Bidders are informed that no deviation from the specifications will be allowed, unless under the written instruction of the Commissioners of Public Charities and Correction.

The form of the agreement, including specifications, and showing the manner of payment, can be obtained at the office of the Department.

Dated New York, October 13, 1884.

HENRY H. PORTER,
