(Resolutions adopted by the Board of Public Improvements on the 25th day of October, 1899.)

Whereas, At a meeting of this Board, held on the 6th day of September, 1899, resolutions were adopted proposing to alter the map or plan of The City of New York, by laying out and extending West One Hundred and Fifty-eighth street, from Avenue St. Nicholas to Edgecombe road, in the Borough of Manhattan, City of New York, and for a meeting of this Board to be held in the office of this Board on the 27th day of September, 1899, at 2 o'clock P. M., at which such proposed laying out and extending would be considered by this Board, and for a notice to all persons affected thereby of the aforesaid time and place at which such proposed laying out and extending would be considered, to be published in the CITY RECORD for at least ten days continuously, exclusive of Sundays and legal holidays, prior to the 27th day of September, 1899; and

Whereas, It appears from the affidavit of the Supervisor of the City Record that the aforesaid resolutions and notice have been published in the CITY RECORD for ten days continuously, Sundays and legal holidays excepted, prior to the 27th day of September, 1899; and

Whereas, At the aforesaid time and place, a public hearing was given to all persons affected by such proposed laying out and extending, who have appeared, and such proposed laying out and extending was duly considered by this Board; now therefore be it

Resolved, That the Board of Public Improvements of The City of New York, in pursuance of the provisions of section 436 of chapter 378, Laws of 1897, deeming it for the public interest to alter the map or plan of The City of New York, by laying out and extending West One Hundred and Fifty-eighth street, from Avenue St. Nicholas to Edgecombe road, in the Borough of Manhattan, City of New York, does hereby favor and approve of the same so as to lay out and extend the aforesaid street as follows:

Beginning at a point in the easterly line of Avenue St. Nicholas, distant 879.50 feet northerly from the southerly line of One Hundred and Fifty-fifth street; thence easterly and parallel with said street, distance 217.88 feet to the westerly line of Edgecombe road; thence southerly along said line and in a curved line to the left, radius 335 feet, distance 44.92 feet; thence still southerly, and in a reversed curve to the right, radius 230.06 feet, distance 16.88 feet; thence westerly and parallel to One Hundred and Fifty-fifth street, distance 216.65 feet to the easterly line of Avenue St. Nicholas, thence northerly along said line, distance 54.45 feet, thence still along said line and deflecting to the right 4 degrees, 48 minutes and 20 seconds, distance 7.62 feet to the point or place of beginning.

Said street to be 60 feet wide between the lines of Avenue St. Nicholas and Edgecombe road.

Resolved, That the foregoing resolution, approving of the above-named proposed change in the map or plan of The City of New York, by laying out and extending West One Hundred and Fifty-eighth street, adopted by this Board, together with a statement of its reasons therefor, be transmitted to the Municipal Assembly for its action thereon.

To the Board of Public Improvements of The City of New York:

William A. Spencer, Charles G. Spencer and Wolcott G. Lane, as trustees under the will of Lorillard Spencer, deceased, for the benefit of Eleanor L. S. Cenci and remaindermen, the said William A. Spencer, Charles G. Spencer and Wolcott G. Lane, as trustees under the will of Lorillard Spencer and remaindermen, and the said William A. Spencer and Charles G. Spencer, individually, being the owners as tenants in common of all the land lying in the northerly half of the proposed bed of One Hundred and Fifty-eighth street, between St. Nicholas avenue and Edgecombe road, and a strip of land about fifteen feet in width on the northerly side of said proposed One Hundred and Fifty-eighth street, and Eleanor L. S. Cenci, the owner of a lot of land situated on the easterly side of St. Nicholas avenue and immediately adjoining on the north the land last above mentioned, respectfully submit the following objections to the proposed opening of One Hundred and Fifty-eighth street from St. Nicholas avenue to Edgecombe road:

1. There is no general demand for the opening of any such street, between One Hundred and Fifty-fifth and One Hundred and Fifty-ninth streets.

2. If there is a demand for the opening of any such street, between St. Nicholas avenue and Edgecombe road, the street which should be opened is One Hundred and Fifty-seventh street, which is equidistant between One Hundred and Fifty-fifth street and One Hundred and Fifty-ninth street.

3. The opening of One Hundred and Fifty-seventh street would be attended with less expense than the opening of One Hundred and Fifty-eighth street, as there is a decidedly less grade and much less filling.

4. Taxpayers have already paid considerable assessments on property in this immediate neighborhood, and will soon be subjected to further large assessments for the opening of Edgecombe road, and should not at this time be further assessed for the opening of an unnecessary street.

5. The petition to the President of the Borough of Manhattan is signed by John Creeden and

is stated to be signed by five others without giving their names. This method of procedure is irregular and should not be countenanced by the Board of Public Improvements.

Dated NEW YORK, September 27, 1899.

Respectfully submitted.

COMMUNICATIONS AGAIN RESUMED.

The President laid before the Council the following communication from the Board of Aldermen:

No. 2291.

Whereas, Under Divine Providence, there has been removed from among this community one of our most eminent citizens,

FREDERICK A. SCHROEDER,

Ex-Mayor of Brooklyn,

Resolved, That it is fitting that the Municipal Assembly should accord a proper recognition to his signal services for the common weal, his noble example, his public spirit, his far-seeing sagacity and great executive ability. He had not fully attained the Psalmist's span of life, but had used the years of his manhood so completely that he has left monuments of achievement behind him which are imperishable. Born in Prussia in 1833, he was but a youth when the revolutionary troubles in Europe in 1848 were the cause of the immigration of his family. He encountered narrow fortunes at first, but with indomitable will, rose superior to circumstances and soon laid the foundation of a fortune, and established a reputation which led to repeated and continuous honors from his fellow citizens. His first conspicuous elevation was to the presidency of the Germania Savings Bank, which in turn led to his choice by the people to the office of Comptroller, where he inaugurated reforms in bookkeeping which greatly simplified the transaction of the public business. In 1875 he was elected Mayor of Brooklyn, and during his administration was erected the Municipal Building, so much under the appropriation that it is known to this day as "the most honest job ever put up in Brooklyn." The beginning of the Brooklyn bridge and the foundation of the great system of elevated railroads were notable features of his administration. In 1878 he was elected State Senator, and there worked to secure the proudest memorial of his career, the Brooklyn City Charter, which in its radical changes in the apportionment of power and responsibility was revolutionary, but which has been declared by publicists of all parties, abroad as well as at home, to be the most perfect instrument of the kind ever devised for municipal government. It is the bed rock on which were established the Consolidation Act of New York and the present Greater New York Charter.

Resolved, That the Municipal Assembly lament the loss of

FREDERICK A. SCHROEDER,

and extend their cordial sympathies to the surviving members of his family, who may find consolation in the fact that their distinguished relative earned the tribute of admiration and respect from all who were ever brought into contact with him, and, in all his political career, was so conspicuously unassailable that he escaped the obloquy which often most unjustly has embittered the lives of many of our statesmen.

Resolved, That a Committee of seven each be appointed by the President of the Council and the Board of Aldermen to attend the obsequies of the late

FREDERICK A. SCHROEDER,

and that the flags on all the City buildings be lowered to half-staff until after the interment.

Resolved, That a copy of this preamble and resolutions be suitably engrossed, duly authenticated, and presented to the family of the late ex-Mayor Schroeder.

Resolved, That, as a further mark of respect, this Board do now adjourn.

Which was unanimously adopted by a rising vote, and the President appointed the following committee to represent the Council:

Councilmen Leich, McGarry, Francisco, Ebbets, Cassidy, Goodwin, and the Vice-Chairman.

The President then declared that the Council stood adjourned until Tuesday, December 5, 1899, at 2 o'clock P. M.

P. J. SCULLY, City Clerk.

The President filed in the office of the City Clerk, on Friday, December 1, 1899, the following-named committee to co-operate with a similar committee from the Board of Aldermen in the matter of determining locations for public hack-stands:

Councilmen Brice, Hottenroth, O'Grady, Hester and Van Nostrand.

P. J. SCULLY, City Clerk.

BOARD OF PUBLIC IMPROVEMENTS—CITY OF NEW YORK,
No. 346 BROADWAY, BOROUGH OF MANHATTAN,
NEW YORK, April 10, 1899.

To the Honorable the Municipal Assembly of The City of New York:

SIRS—In pursuance of the provisions of section 436 of chapter 378, Laws of 1897, and by direction of the Board of Public Improvements, I herewith transmit to you, for your action thereon, a resolution adopted by the said Board at a meeting held on the 5th of April, 1899, approving of and favoring a change in the map or plan of The City of New York, by changing the lines of Prospect avenue, between Eleventh avenue and Terrace place, in the Borough of Brooklyn, City of New York.

The said resolution was adopted by the said Board of Public Improvements on the request of the President of the Borough of Brooklyn and on the recommendation of the Chief Topographical Engineer of this Board.

Should the resolution receive your approval, I inclose a form of ordinance, approved by this Board, for your adoption.

Very respectfully,

JOHN H. MOONEY, Secretary.

(Resolutions adopted by the Board of Public Improvements on the 5th day of April, 1899.)

Whereas, at a meeting of this Board, held on the 15th day of March, 1899, resolutions were adopted proposing to alter the map or plan of The City of New York, by changing the lines of Prospect avenue, between Eleventh avenue and Terrace place, in the Borough of Brooklyn, City of New York, and for a meeting of this Board to be held in the office of this Board on the 5th day of April, 1899, at 2 o'clock P. M., at which meeting such proposed change of lines would be considered by this Board, and for a notice to all persons affected thereby, of the aforesaid time and place at which such proposed change of lines would be considered, to be published in the CITY RECORD and the Corporation newspapers, for at least ten days continuously, exclusive of Sundays and legal holidays, prior to the 5th day of April, 1899; and

Whereas, It appears from the affidavit of the Supervisor of the City Record, and of the publishers of the Corporation newspapers, that the aforesaid resolutions and notice have been published in the CITY RECORD and the Corporation newspapers, for ten days continuously, Sundays and legal holidays excepted, prior to the 5th day of April, 1899; and

Whereas, At the aforesaid time and place, a public hearing was given to all persons affected by such proposed change of lines who have appeared and such proposed change of lines was duly considered by this Board; now therefore be it

Resolved, That the Board of Public Improvements of The City of New York, in pursuance of the provisions of section 436 of chapter 378, Laws of 1897, deeming it for the public interest to alter the map or plan of The City of New York, by changing the lines of Prospect avenue, between Eleventh avenue and Terrace place, in the Borough of Brooklyn, City of New York,

does hereby favor and approve of the same, so as to change the lines of the aforesaid avenue as follows:

Prospect avenue, at Eleventh avenue, to be connected with Prospect avenue, at Terrace place, by curved line, in order to make the avenue continuous, and to remedy the present faulty laying out, by which the lines of Prospect avenue at the division line do not meet.

Resolved, That the foregoing resolution, approving of the above-named proposed change in the map or plan of The City of New York, by changing the lines of Prospect avenue, adopted by this Board, together with a statement of its reasons therefor, be transmitted to the Municipal Assembly for its action thereon.

BOARD OF PUBLIC IMPROVEMENTS—CITY OF NEW YORK,
No. 21 PARK ROW, BOROUGH OF MANHATTAN,
NEW YORK, May 29, 1899.

Hon. P. J. SCULLY, City Clerk:

SIR—Under date of the 25th instant you transmitted to this office a communication with two inclosures, viz.:

Document No. 597—Changing the lines of Prospect avenue, Borough of Brooklyn.

Document No. 598—Changing grade of Bay street, Borough of Richmond.

Both documents were adopted by the Board of Public Improvements and then transmitted to the Municipal Assembly for official action.

By some misunderstanding of the City Charter, the members of the Council believe that a certificate of the Local Board is necessary to legalize a change of the existing official map.

By reference to section 436 of the Charter, "the Board of Public Improvements is authorized and empowered, whenever and as often as it may deem for the public interest so to do, to initiate a change in the map or plan of The City of New York, so as to lay out new streets, parks, bridges, etc., * * * to widen, alter and close streets, change grades of existing streets," etc.

The section further provides: "That after hearing takes place before the Board of Public Improvements * * * it shall transmit its resolution to the Municipal Assembly. * * * If both houses of the Municipal Assembly concur by passing an ordinance, and the same receives the approval of the Mayor, such change in the map or plan, or in the grade of any street * * * shall be deemed to have been made."

There are other sections in the Charter which can be quoted, showing that authority to change the map of the city is limited to the Board of Public Improvements, the Municipal Assembly and the Mayor.

I return to you the two ordinances without delay, for the reason that the President of the Borough of Brooklyn is extremely anxious that the change of the Prospect avenue lines should receive official approval at the earliest possible moment, and the President of the Borough of Richmond is equally anxious concerning the proposed change of grade of Bay street.

Respectfully yours,

MAURICE F. HOLAHAN, President.

BOARD OF PUBLIC IMPROVEMENTS—CITY OF NEW YORK,
No. 21 PARK ROW, BOROUGH OF MANHATTAN,
NEW YORK, June 27, 1899.

To the Honorable the Municipal Assembly of The City of New York:

SIRS—At the meeting of this Board held on the 21st instant the two following resolutions were adopted on recommendation of the President of the Borough of Brooklyn, viz.:

"Resolved, by the Board of Public Improvements, That the Municipal Assembly be and is hereby requested to rescind the ordinance which was confirmed by the Common Council of Brooklyn for paving with asphalt the carriageway of Regent place, between Flatbush and Ocean avenues, Borough of Brooklyn."

"Resolved, by the Board of Public Improvements, That the Municipal Assembly be and is hereby requested to rescind the ordinance which was confirmed by the Common Council of Brooklyn on September 14, 1896, for grading, paving, curbing and guttering three (3) feet on each side, with belgian blocks, of Regent place, between Flatbush and Ocean avenues."

CITY OF NEW YORK—BOROUGH OF BROOKLYN,
OFFICE OF THE PRESIDENT,
June 14, 1899.

Board of Public Improvements:

GENTLEMEN—In September of last year the attention of your Board was called to two separate proceedings for the improvement of Regent place, between Flatbush and Ocean avenues, which were commenced prior to consolidation. The first proceeding was for the grading and paving, curbing and guttering three feet on each side with belgian blocks, which was confirmed by the Common Council of the City of Brooklyn on September 14, 1896 (see Minutes Common Council, volume 3, 1896, page 361). Subsequently the property-owners requested that an asphalt pavement be laid on the block, and proceedings were instituted in accordance with that request and carried to the point of confirmation of the assessment (see Minutes Common Council, City of Brooklyn, volume 4, 1897, pages 1098 and 1099). This proceeding provided simply for the paving of the block with asphalt, it being the opinion of those interested that the contracts to grade, pave, curb and gutter three feet on each side with belgian blocks and to pave with asphalt could be made simultaneously and the improvements carried out at the same time. This the Department of Highways reported as impracticable (see Minutes Board of Public Improvements, September 7, 1898, page 713) for the reason that a three-foot belgian-block gutter would not be suitable for a street paved with asphalt.

The Corporation Counsel, in an opinion addressed to the Board of Public Improvements under date of May 23, 1899, stated that either one of the proceedings referred to above could be discontinued and the other prosecuted to completion. I think, however, it would be better to discontinue both proceedings, for the reason that in the proceeding to pave with asphalt no provision is made for grading the street, so that one could not be prosecuted alone. As the property-owners desire an asphalt pavement, it is not advisable to prosecute the proceeding for grading and paving, curbing and guttering three feet on each side with belgian blocks.

I accordingly present for your consideration proposed resolutions rescinding both proceedings. In case favorable action is taken on the resolution which I present, I desire to recommend to your Board that any new proceedings commenced for the improvement of Regent place between Flatbush and Ocean avenues, be hastened as much as possible.

Respectfully,

EDWARD M. GROUT, President of the Borough.

No. 3982.

NEW YORK, November 24, 1899.

To the Honorable, the Board of Aldermen:

The undersigned Committee on Finance, to whom was recommended so much of the report of the Special Committee in charge of the funeral of the late Edward S. Scott, aldermen from the Borough of Brooklyn, as relates to the floral tribute to the memory of the deceased, beg leave to

REPORT:

That we have given the matter careful consideration. The florist has appeared before us and made the following statement:

"The floral piece was a representation of a vacant chair, six feet in height, filled with choice flowers on both sides, with the following words in large letters, to wit: 'Vacant,' 'Not forgotten,' 'Board of Aldermen, New York.'"

The bill is itemized as follows:

600 roses	\$35 00
100 orchids	50 00
2,000 valleys	60 00
1,000 violets	20 00
Chair	5 00
Ribbons and smilax	5 00
Total	\$175 00

It is claimed that the order was given for the best, and that no price was asked for or fixed in advance.

Although the florist contends his price is not too high, and that he is entitled to full payment, he is willing, in view of public criticism, and because of his personal relations with Alderman Scott when living, to deduct fifty dollars, in order to have the matter settled.

We therefore recommend the following:

Resolved, That the Comptroller be and he hereby is requested and authorized to draw his warrant in favor of A. Jahn for the amount of one hundred and twenty-five dollars, in full payment of the claim against the City for a floral tribute, ordered by the Aldermanic Committee on the occasion of the death of the late Alderman Edward S. Scott.

ROBERT MUH, ELIAS GOODMAN, JOSEPH GEISER, JOHN T. McMAHON, Committee on Finance.

MOTIONS, ORDINANCES AND RESOLUTIONS AGAIN RESUMED.

No. 3983.

By Alderman Burleigh—

Whereas, Under Divine Providence, there has been removed from among this community one of our most eminent citizens, Frederick A. Schroeder, ex-Mayor of Brooklyn.

Resolved, That it is fitting that the Municipal Assembly should accord a proper recognition to his signal services for the common-weal, his noble example, his public spirit, his far-seeing sagacity and great executive ability.

He had not fully attained the psalmists span of life, but had used the years of his manhood so completely that he has left monuments of achievement behind him which are imperishable. Born in Prussia in 1833, he was but a youth when the revolutionary troubles in Europe of 1848 were the cause of the immigration of his family. He encountered narrow fortunes at first, but with indomitable will, rose superior to circumstances and soon laid the foundation of a fortune, and established a reputation which led to repeated and continuous honors from his fellow-citizens. His first conspicuous elevation was to the Presidency of the Germania Savings Bank, which in turn led to his choice by the people to the office of Comptroller, where he inaugurated reforms in bookkeeping which greatly simplified the transaction of the public business. In 1875 he was elected Mayor of Brooklyn, and during his administration was erected the Municipal Building, so much under the appropriation that it is known to this day as "The most honest job ever put up in Brooklyn." The beginning of the Brooklyn Bridge and the foundation of the great system of elevated railroads were notable features of his administration. In 1878 he was elected State Senator and there worked to secure the proudest memorial of his career, the Brooklyn City Charter, which in its radical changes in the apportionment of power and responsibility was revolutionary, but which has been declared by publicists of all parties, abroad as well as at home, to be the most perfect instrument of the kind ever devised for Municipal Government. It is the bed rock on which were established the Consolidation Act of New York and the present Greater New York Charter.

Resolved, That the Municipal Assembly lament the loss of Frederick A. Schroeder, and extend their cordial sympathies to the surviving members of his family, who may find consolation in the fact that their distinguished relative earned the tribute of admiration and respect from all who were ever brought into contact with him, and, in all his political career, was so conspicuously unassailable that he escaped the obloquy which often most unjustly has embittered the lives of many of our statesmen.

Resolved, That a Committee of seven each be appointed by the Presidents of the Council and the Board of Aldermen to attend the obsequies of the late Frederick A. Schroeder, and that the flags on all the City buildings be lowered to half-staff until after the interment.

Resolved, That a copy of this preamble and resolutions be suitably engrossed, duly authenticated, and presented to the family of the late ex-Mayor Schroeder.

Resolved, That, as a further mark of respect this Board do now adjourn.

The President put the question whether the Board would agree with said resolution.

Which was decided in the affirmative by a rising vote, and the President appointed as such committee Aldermen John L. Burleigh, David S. Stewart, John Diemer, Elias Goodman, Abraham L. Bennett, Francis P. Kenney and William Keegan.

And the President declared that the Board stood adjourned until Tuesday, December 5, 1899, at 1 o'clock P. M.

MICHAEL F. BLAKE, Clerk of the Board of Aldermen.

ELECTION MINUTES.

Certificates of nominations having been presented for filing under the name of Citizens' Union, Seventh Assembly District of the County of Kings, one of which certificates purports to nominate Charles W. Wright for Member of Assembly, and Frederick Lundy for Member of the Board of Aldermen, and another of which certificates purports to nominate Charles A. Newman for Member of Assembly, and another of which certificates purports to nominate Patrick H. Malone for Member of the Board of Aldermen in said Assembly District, all of said certificates purporting to be filed under the name Citizens' Union and under a like emblem, and the Board having caused notice to be served upon each of the candidates named in said certificate and upon the persons named as committee in each of said certificates, and the Board having heard all of said parties who personally appeared before them, and due consideration having been had, it is determined by the Board that each of said certificates is irregular and does not comply with the provisions of the Election Law with reference to independent certificates of nomination, and for such reason all of said certificates and each of them are refused filing and each of them is rejected.

Certificate of nomination having been filed by the Battle Ax party of the Borough of Queens for the nomination of George W. Davison for District Attorney, and certain other candidates on said certificate named, and objections to said certificates of nomination having been duly filed within the time prescribed by law, and due notice having been given as required by the Election Law, and after a hearing had on said objections, the Police Board does determine that the objections to said certificate of nomination as to each of the persons named in said certificate of nomination by the Battle Ax party of Queens County, except George Wilbur Doughty for Member of Assembly in the Third District, and William T. Monterverde for Justice of the Municipal Court for the Second District, be and the same are overruled, and said certificates are directed to be filed; and it appearing that the number of signers to the said certificate as to the nomination of William T. Monterverde for Justice of the Municipal Court for the Second District is 12, and such number not being sufficient to nominate for such office, it is determined by the Police Board that said certificate be refused filing and be rejected.

Certificate of nomination having been filed by the Battle Ax party, by which it is sought to be nominated for Member of Assembly, Third Assembly District, County of Queens, George Wilbur Doughty; and it appearing from an examination of said certificate that 160 signatures were attached thereto, and such number not being sufficient to nominate an independent candidate for Assembly, it is by the Police Board determined that the said certificate of nomination of the said George Wilbur Doughty be rejected.

Certificate of nomination of the Battle Ax party, nominating Clarence Edwards for Justice of the Municipal Court, Second District, County of Queens, having been filed and objections to said certificate of nomination having been duly filed within the time prescribed by law, and due notice having been given as provided by the Election Law, and after a hearing had on said objections, the Police Board does determine that the objections to such certificate of nomination be and are overruled.

Resolved, That the polling place of the Ninth Election District, Thirty-fifth Assembly District, Borough of The Bronx, be and the same is hereby changed from No. 816 East One Hundred and Sixty-first street, fish store, to No. 826 East One Hundred and Sixty-first street, real estate office, for the reason that No. 816 is too small, is badly ventilated and has an offensive smell.

Resolved, That the polling places in the following-named Election and Assembly Districts be and the same are hereby changed for the reasons given: Fifteenth Election District, Thirtieth Assembly District, from No. 1639 Avenue A to No. 1637 Avenue A, the former being too small; Fourteenth Election District, Twenty-ninth Assembly District, from No. 958 Lexington avenue to No. 960 Lexington avenue, former being too small.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested, it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the VERIFICATION be made and subscribed by all the parties interested.

Each bid or estimate of \$1,000 or over shall be accompanied by the consent, in writing, of two householders or freeholders, or security, trust or deposit companies in the City of New York, with their respective places of business, or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the faithful performance of the contract. Such check or money must not be included in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and be retained by the City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to him or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be re-advertised and relet as provided by law.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time as the Commissioners may determine. The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Department, Nos. 126 and 128 Livingston street, Brooklyn, and bidders are cautioned to examine each and all of its provisions carefully, as absolute enforcement in every particular.

The articles, supplies, goods, wares and merchandise are to be delivered, free of expense, at the Storehouse, Flatbush, and are to be delivered in such quantities and at such times as may be required.

The quality of the Hospital Supplies must conform in every respect to the specifications and samples and bidders are cautioned to examine both specifications and samples of the articles required before making their estimates.

THE BOARD OF PUBLIC CHARITIES RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 419, CHAPTER 375, LAWS OF 1897.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids. Delivery will be required to be made from time to time and in such quantities as may be directed by the said Commissioners.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof, or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the VERIFICATION be made and subscribed by all the parties interested.

Each bid or estimate of \$1,000 or over shall be accompanied by the consent, in writing, of two householders or freeholders or security, trust or deposit companies in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as its sureties for its faithful performance, and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the supplies by which the bids are tested. The consent above-mentioned shall be accompanied by the oath or affirmation in writing, of each of the persons signing the same, that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as surety in good faith and with the intention to execute the bond required by law if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of the City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National Banks of the City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by the City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Payment will be made by a requisition on the Comptroller in accordance with the terms of the contract, or from time to time, as the Commissioners may determine. The form of the contract, including specifications, and showing the manner of payment, can be obtained at the office of the Department, Nos. 126 and 128 Livingston street, Brooklyn, and bidders are cautioned to examine each and all of its provisions carefully, as the Board of Public Charities will insist upon its absolute enforcement in every particular.

THE COMMISSIONER OF THE DEPARTMENT OF CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 419, CHAPTER 378, LAWS OF 1897.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioner.

Any bidder for this contract must furnish satisfactory testimonials that he is engaged in the business of "Butcher" in The City of New York, and has the plant necessary to carry out promptly and regularly the contract, if it be awarded, to the entire satisfaction of the Commissioner of Correction, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of TWENTY THOUSAND (\$20,000) DOLLARS.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation is directly or indirectly interested therein, or in the supplies or work to which it relates or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders, or trust or security companies in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting, the amount in each case to be calculated upon the estimated amount of the articles by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in The City of New York and is worth the amount of the security required for the completion of this contract, over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of The City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of One Thousand Dollars, being five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited and retained by The City of New York as liquidated damages for such neglect or refusal, but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Bidders will write out the amount of their estimate in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract.

The form of the contract, including specifications, and showing the manner of payment, will be furnished at the office of the Department, No. 148 East Twentieth street, New York City, and bidders are cautioned to examine each and all of its provisions carefully, as the Commissioner of the Department of Correction will insist upon its absolute enforcement in every particular.

THE COMMISSIONER OF THE DEPARTMENT OF CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 419, CHAPTER 378, LAWS OF 1897.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time and in such quantities as may be directed by the said Commissioner and to be free of all expense.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of ONE THOUSAND (\$1,000) DOLLARS.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the VERIFICATION be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders, or trust or security companies, in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the milk by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 27 of chapter 7 of the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of The City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of Fifty Dollars, being five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who

has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet as provided by law.

Bidders will write the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract. The form of the contract, including specifications, and showing the manner of payment and other details, can be obtained at the office of the Department, No. 148 East Twentieth street, New York City, and bidders are cautioned to examine each and all of its provisions carefully, as the Commissioner of the Department of Correction will insist upon its absolute enforcement in every particular.

THE COMMISSIONER OF CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 64, CHAPTER 410, LAWS OF 1882.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect; and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated herein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders, or security, trust or deposit companies in the City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or refuse to execute the same they will pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same that he is a householder or freeholder in the City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of The City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the National or State banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate-box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

The quality of the articles must conform in every respect to the samples of the same on exhibition at the office of the Kings County Penitentiary, or in the absence of samples, to the printed specifications. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates.

Bidders will state the price for each article, by which the bids will be tested.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioner may determine.

The form of the contract, including specifications, and showing the manner of payment and other details, will be furnished at the office of the Department, No. 148 East Twentieth street, New York City, and bidders are cautioned to examine each and all of its provisions carefully, as the Commissioner will insist upon its absolute enforcement in every particular.

No bonds or deposit required on bids under One Thousand Dollars. Awards will be made on the lowest items.

THE COMMISSIONER OF CORRECTION RESERVES THE RIGHT TO REJECT ALL BIDS OR ESTIMATES IF DEEMED TO BE FOR THE PUBLIC INTEREST, AS PROVIDED IN SECTION 419, CHAPTER 378, LAWS OF 1897.

No bid or estimate will be accepted from, or contract awarded to, any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The award of the contract will be made as soon as practicable after the opening of the bids.

Delivery will be required to be made from time to time, and in such quantities as may be directed by the said Commissioner.

Any bidder for this contract must be known to be engaged in and well prepared for the business, and must have satisfactory testimonials to that effect, and the person or persons to whom the contract may be awarded will be required to give security for the performance of the contract, by his or their bond, with two sufficient sureties, each in the penal amount of fifty (50) per cent. of the bid for each article.

Each bid or estimate shall contain and state the name and place of residence of each of the persons making the same, the names of all persons interested with him or them therein, and if no other person be so interested it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud, and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The bid or estimate must be verified by the oath, in writing, of the party or parties making the estimate that the several matters stated therein are in all respects true. Where more than one person is interested it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, on its being so awarded, become bound as his sureties for its faithful performance, and that if he shall omit or

refuse to execute the same they shall pay to the Corporation any difference between the sum to which he would be entitled on its completion and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount in each case to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract over and above all his debts of every nature, and over and above his liabilities as bail, surety or otherwise, and that he has offered himself as a surety in good faith and with the intention to execute the bond required by section 12 of chapter 7 of the Revised Ordinances of The City of New York, if the contract shall be awarded to the person or persons for whom he consents to become surety. The adequacy and sufficiency of the security offered to be approved by the Comptroller of The City of New York.

No bid or estimate will be considered unless accompanied by either a certified check upon one of the State or National Banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the persons making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him, to execute the same, the amount of the deposit made by him shall be forfeited to and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

Bidders will state the price for each article, by which the bids will be tested.

The quality of the articles, supplies, goods, wares and merchandise must conform in every respect to the samples of the same on exhibition at the office of the said Department, or, in the absence of samples, to the printed specifications. Bidders are cautioned to examine the specifications for particulars of the articles, etc., required before making their estimates.

Bidders will write out the amount of their estimates in addition to inserting the same in figures.

Payment will be made by a requisition on the Comptroller, in accordance with the terms of the contract, or from time to time, as the Commissioner may determine.

The form of the contract, including specifications, and showing the manner of payment and other details, will be furnished at the office of the Department, No. 148 East Twentieth street, New York City, and bidders are cautioned to examine each and all of its provisions carefully, as the Commissioner will insist upon its absolute enforcement in every particular.

Commissioner of Bridges.

NEW EAST RIVER BRIDGE COMMISSION.

COMMISSION NEW EAST RIVER BRIDGE,
CITY OF NEW YORK, November 9, 1899.

NOTICE TO CONTRACTORS.

Proposals will be received by the Commissioners of the New East River Bridge, at their office, at No. 49 Chambers street, in the Borough of Manhattan, in The City of New York, at 2 o'clock in the afternoon of the

7th DAY OF DECEMBER, 1899,

indorsed "Proposal for Construction of Steel Cables, Suspenders, etc., of the New East River Bridge," for furnishing the materials for and constructing the steel cables, suspenders, cable bands, coverings, sheaves, and their appurtenances of the New East River Bridge, in accordance with the proposed form of contract and the drawings and specifications therefor. All bids shall be inclosed in sealed envelopes, addressed to Lewis Nixon, President of the Board of Commissioners of the New East River Bridge, and presented to him on that day and at that hour at said office, and such bids will be opened in public meeting by the said Commissioners on that day, at 2 o'clock in the afternoon.

Copies of the specifications and the general drawings for the work, with the proposed forms for the bid, bond and contract, may be seen and further information will be given at the office of the Chief Engineer, No. 84 Broadway, Borough of Brooklyn, City of New York, on and after the 13th day of November, 1899.

The Commissioners require that all bidders shall carefully examine the specifications, drawings and proposed form of contract, in order that no question as to their meaning may arise hereafter. It must be distinctly understood that no changes in the quality of the materials or of the workmanship will be allowed, and that the specifications will be adhered to strictly.

The contract is to be completely performed within ten months after the cable saddles are set in place upon the steel towers of the bridge.

Proposals will be made upon a form provided therefor, and only those proposals will be considered which are complete, in proper form, comply with the requirements herein stated, and are offered by parties of known reputation, experience and responsibility.

Each bidder will be required to deposit, with his proposal, in the office of the Commissioners, a certified check for \$25,000, payable to the order of Julian D. Fairchild, as Treasurer of the New East River Bridge Commissioners, as security for the execution by him of the contract and the giving of the required bond, if his bid is accepted, within two weeks after notice of the acceptance of his bid.

The contractor will be required to give a bond in the penal sum of \$400,000, in the form annexed to the proposed form of contract, with an approved surety company doing business in The City of New York, conditioned for the prompt and faithful performance of the contract and its covenants and the work thereunder.

As by far the greater part of this work can be executed only by bridge establishments of the first-class, bids will be received only from such parties as have the requisite plant and facilities, which have been in successful operation on work of similar character for at least one year.

The bidders must be, in the opinion of the Commissioners, fully qualified, both by experience and in appliances, to execute work of this character and importance, according to the highest standard of such work at the present time.

The Commissioners reserve the right to reject any and all of the proposals offered, and to accept any proposal offered.

LEWIS NIXON,
President.

JAMES D. BELL,
Secretary.

POLICE DEPARTMENT OF THE CITY OF NEW YORK,
No. 300 MULBERRY STREET.

TO CONTRACTORS.

PROPOSALS FOR ESTIMATES.

SEALED ESTIMATES FOR SUPPLYING THE Police Department with three copies of the Enrollment Books used on the days of Registration at the

last General Election will be received at the Central Office of the Department of Police, in The City of New York until 12 o'clock M. of

FRIDAY, THE 8th DAY OF DECEMBER, 1899,

The person or persons making an estimate shall furnish the same in a sealed envelope, indorsed "Estimate for Furnishing Copies of Enrollment Books," and with his or their name or names, and the date of presentation, to the head of said Department, at the said office, on or before the day and hour above named, at which time and place the estimates received will be publicly opened by the head of said Department and read, and the award of the contract made to the lowest bidder, with adequate security, as soon thereafter as practicable.

For particulars as to the quantity and kind of copies required, reference must be made to the specifications, blank forms of which may be obtained at the office of the Chief Clerk in the Central Department.

Bidders will state a price for the work and materials furnished in accordance with the specifications. The price must be written in the bid and stated in figures. Permission will not be given for the withdrawal of any bid or estimate, and the right is expressly reserved by the head of said Department to reject any or all bids which may be deemed prejudicial to the public interests.

No estimates will be accepted from or a contract awarded to any person who is in arrears to the Corporation upon debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the Corporation.

The entire quantity is to be delivered as stated in the specifications and as shall be directed by the Superintendent of Elections of The City of New York.

The person or persons to whom the contract may be awarded will be required to give security for the performance of the contract in the manner prescribed by law in the sum of Ten Thousand Dollars.

Each estimate shall contain and state the name and place of residence of each of the persons making the same; the names of all persons interested with him or them therein, and if no other person be so interested, it shall distinctly state that fact; also, that it is made without any connection with any other person making an estimate for the same purpose, and is in all respects fair and without collusion or fraud; and that no member of the Municipal Assembly, head of a department, chief of a bureau, deputy thereof or clerk therein, or other officer of the Corporation, is directly or indirectly interested therein, or in the supplies or work to which it relates, or in any portion of the profits thereof. The estimate must be verified by the oath, in writing, of the party or parties making the estimate, that the several matters stated therein are in all respects true. Where more than one person is interested, it is requisite that the verification be made and subscribed by all the parties interested.

Each bid or estimate shall be accompanied by the consent, in writing, of two householders or freeholders in The City of New York, with their respective places of business or residence, to the effect that if the contract be awarded to the person making the estimate, they will, upon its being so awarded, become bound as his sureties for its faithful performance; and that if he shall omit or refuse to execute the same, they will pay to the Corporation any difference between the sum to which he would be entitled upon its completion, and that which the Corporation may be obliged to pay to the person or persons to whom the contract may be awarded at any subsequent letting; the amount, in each case, to be calculated upon the estimated amount of the work by which the bids are tested. The consent above mentioned shall be accompanied by the oath or affirmation, in writing, of each of the persons signing the same, that he is a householder or freeholder in The City of New York, and is worth the amount of the security required for the completion of this contract and herein stated, over and above all his debts of every nature, and over and above his liabilities as bail, surety and otherwise; and that he has offered himself as a surety in good faith, and with the intention to execute the same required by law. The adequacy and sufficiency of the security offered will be subject to approval by the Comptroller of The City of New York after the award is made and prior to the signing of the contract.

Should the person or persons to whom the contract may be awarded neglect or refuse to accept the contract within five days after written notice that the same has been awarded to his or their bid or proposal, and that the adequacy and sufficiency of the security offered has been approved by the Comptroller, or if he or they accept but do not execute the contract and give the proper security, he or they shall be considered as having abandoned it and as in default to the Corporation, and the contract will be readvertised and relet, as provided by law.

No estimate will be received or considered unless accompanied by either a certified check upon one of the State or National banks of The City of New York, drawn to the order of the Comptroller, or money to the amount of five per centum of the amount of the security required for the faithful performance of the contract. Such check or money must not be inclosed in the sealed envelope containing the estimate, but must be handed to the officer or clerk of the Department who has charge of the estimate box, and no estimate can be deposited in said box until such check or money has been examined by said officer or clerk and found to be correct. All such deposits, except that of the successful bidder, will be returned to the person making the same within three days after the contract is awarded. If the successful bidder shall refuse or neglect, within five days after notice that the contract has been awarded to him to execute the same, the amount of the deposit made by him shall be forfeited and retained by The City of New York as liquidated damages for such neglect or refusal; but if he shall execute the contract within the time aforesaid, the amount of his deposit will be returned to him.

The Board of Police reserves the right to reject all the bids received if deemed for the best interests of the city so to do, and to readvertise until satisfactory bids or proposals shall be received.

Blank forms for estimates may be obtained by application to the Superintendent of Elections of The City of New York, at his office in the Central Department.

By order of the Board.
