■ PUBLIC HEARINGS

PUBLIC HEARING IN THE MATTER OF the amendment to the terms and conditions of certain real property previously conveyed by the City of New York ("City"), as submitted by the Department of Housing Preservation and Development ("HPD"), pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter, located in the Borough of Brooklyn and known as:

 BLOCK

on the Tax Map of the City ("Premises") and also now known as the BEC Continuum Housing Development Fund Company, Inc. project in the Low-Income Housing Tax Credit Portfolio Preservation Program.

The City conveyed the referenced Premises to 736 Willoughby Housing Development Fund Corporation ("Current Owner") under HPD's Special Initiatives Program on June 17, 1999, pursuant to Mayoral Approval Document dated May 7, 1999 (Cal. No. 12). The Premises consist of two multiple dwellings containing an aggregate of 42 dwelling units for low income families. The City deed contained a restriction which prohibited the Current Owner from conveying the Premises to any entity other than a not-for-profit corporation which qualifies under Section 501(c)(3) of the Internal Revenue Code or to a governmental entity. This submission is to request approval to modify such deed restriction in order to remove the requirement that the Premises be conveyed to an entity which qualifies under Section 501(c)(3) and instead allow the Current Owner to convey the Premises to any housing development fund company organized pursuant to Article XI of the Private Housing Finance Law ("Article XI") and the Not-For-Profit Corporation Law ("NPCI"), and to allow that housing development fund company organized pursuant to Article XI and the NPCL or to convey the beneficial interest in the Premises while retaining legal title.

The Premises is now part of a proposed larger preservation transaction. Under the proposed transaction, the Current Owner will transfer the Premises to BEC Continuum Housing Development Fund Company, Inc. ("Proposed Owner") and the Proposed Owner will transfer the beneficial interest in the Premises to BEC Continuum Owner LLC ("Beneficial Owner") ("Proposed Owner" and "Beneficial Owner" are collectively "New Owner"). New Owner will rehabilitate the Premises, obtain new Low Income Housing Tax Credits pursuant to Section 42 of the Internal Revenue Code, and extend the affordability of the Premises for 30 years.

PLEASE TAKE NOTICE that a public hearing will be held at 10:00 A.M. on Monday, November 21, 2016, at Armstrong Houses II, Multi-Purpose Room, Building 6, 495 Gates Avenue, Brooklyn, NY 11216, or as soon thereafter as the matter may be reached on the calendar, at which time and place those wishing to be heard will be given an opportunity to be heard concerning the proposed modification of deed restriction pursuant to Section 695(2)(b) of the General Municipal Law and Section 1802(6)(j) of the Charter.

HHS ACCELERATOR

To respond to human services Requests for Proposals (RFPs), in accordance with Section 3-16 of the Procurement Policy Board Rules of the City of New York "PPB Rules"), vendors must first complete and submit an electronic prequalification application using the City's Health and Human Services (HHS) Accelerator System. The HHS Accelerator System is a web-based system maintained by the City of New York for use by its human services Agencies to manage procurement. The process removes redundancy by capturing information about boards, filings, policies, and general service experience centrally. As a result, specific proposals for funding are more focused on program design, scope, and budget.

Important information about the new method

- Prequalification applications are required every three years.
- Documents related to annual corporate filings must be submitted on an annual basis to remain eligible to compete.
- Prequalification applications will be reviewed to validate compliance with corporate filings, organizational capacity, and relevant service experience.
- Approved organizations will be eligible to compete and would submit electronic proposals through the system.

The Client and Community Service Catalog, which lists all Prequalification service categories and the NYC Procurement Roadmap, which lists all RFPs to be managed by HHS Accelerator may be viewed at http://www.nyc.gov/html/hhsaccelerator/html/ roadmap/roadmap.shtml. All current and prospective vendors should frequently review information listed on roadmap to take full advantage of upcoming opportunities for funding.

Participating NYC Agencies

HHS Accelerator, led by the Office of the Mayor, is governed by an Executive Steering Committee of Agency Heads who represent the following NYC Agencies:

Administration for Children's Services (ACS)

Department for the Aging (DFTA)

Department of Consumer Affairs (DCA)

ONLINE AND REMOTE BAIL PAYMENT SYSTEM -

Demonstration Project - Testing or experimentation is required -PIN# 072201718MIS - Due 11-2-16 at 11:00 A.M.

The Department of Correction intends to negotiate with "Paymentus Corporation" to modernize the current bail payment system by piloting a new electronic bail payment method that would allow individuals to pay for bail remotely. The bail system is used in order to obtain the release of the accused while a pending case progresses. An online remote payment bail system would expedite the process for those who eventually make bail payment, by eliminating traveling cost and waiting time, thereby shortening incarceration stays in jails and reducing associated incarceration and administrative costs to the City. DOC intends to partner with Department of Finance (DOF) and Office of Court Administration (OCA) to develop the system. The New York City Department of Correction (DOC) is issuing this Request for Expressions of Interest for "Informational Purpose Only" vendors who can provide an Online and Remote Bail Payment System for future procurements of this nature. PRE-QUALIFIED LISTS

PRE-QUALIFIED LISTS

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstances. When an agency decides to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR. Information and qualification questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting questionnaires for inclusion on such lists may be obtained directly from the Agency Chief Contracting Officer at each agency (see Vendor Information Manual). A completed qualification questionnaire may be submitted to an Agency Chief Contracting Officer at any time, unless otherwise indicated, and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings (OATH). Section 3-10 of the Procurement Policy Board Rules describes the criteria for the general use of pre-qualified lists. For information regarding specific pre-qualified lists, please visit www.nyc.gov/selltonyc.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board Rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, and the Housing Authority. Suppliers interested in applying for inclusion on bidders lists for Non-Mayoral entities should contact these

entities directly at the addresses given in the Vendor Information Manual.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City pays interest on all late invoices. However, there are certain types of payments that are not eligible for interest; these are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year: in January and in
