PROCUREMENT

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination. Services (Other Than Human Services)

ACTUARIAL CONSULTING SERVICES - Negotiated Acquisition – Available only from a single source -PIN# 0082009001 – DUE 06-11-08 AT 9:00 A.M. – Currently the Office of the Actuary ("OA") is in a twelve-month extension of its contract with Buck Consultants, LLC for the provision actuarial consulting services. This contract extension will expire on June 30, 2008. The OA proposes to extend its contract with Buck Consultants, LLC for one additional twelve-month period, from July 1, 2008 to June 30, 2009 to bridge a gap in services and to provide additional time to release a Request for Proposals for actuarial consulting and related services and to negotiate a new contract.

The second twelve-month extension is needed to assist the OA in providing technical advice and expertise to the New York City Retirement Systems ("NYCRS"), to the City and State government authorities, to the unions and to other employers. The scope of services under the extended contract remains unchanged from the original contract.

The second twelve-month extension is through negotiated acquisition. The basis for using negotiated acquisition is to bridge a gap in services and to provide additional time to release a Request for Proposals and to negotiate a new contract. Due to the familiarity of the current vendor with the NYCRS and the other consulting needs of the OA, including the continued implementation of Government Accounting Standards Board Statements No. 43 and No. 45 for the accounting and financial reporting of Other Postemployment Benefits, there is an imperative to retain the current vendor for an additional twelve-month period.

PREQUALIFICATION APPLICATION FOR CITY COUNCIL DISCRETIONARY AWARDS

CORRECTION: Prequalification Application and Information for inclusion on a Prequalified List (PQL) for City Council Discretionary Awards may be obtained electronically on DYCD's website - www.nyc.gov/dycd - or in person, Monday through Friday between the hours of 9:00am and 5:00pm at 156 William Street, 2nd Floor, New York, New York 10038. Prequalified List (PQL): DYCD requests applications from not-for-profit organizations qualified to provide services one or more of the following areas: seniors; youth and education services (including sports and recreation); community development/housing; health; victim services; legal services; cultural/parks activities; anti-poverty/social service/workforce development; public safety/criminal justice; business support/economic development; and immigrant services. DYCD is administering the PQL process on behalf of all affected City agencies. Award designations for organizations approved for the PQL will be made in multiple agencies, not only DYCD.

This PQL will be used by the New York City Council in selecting recipient organizations for its entire Fiscal Year 2009 discretionary award designations valued at more than \$10,000. Inclusion on the PQL does not guarantee any award, but award recipients will be designated by the City Council from among the organizations listed on the PQL. Eligibility for the PQL will remain open throughout the fiscal year, and the Council expects to make discretionary award designations from the PQL several times during the fiscal year. Interested eligible organizations should therefore complete both the PQL application and the Organizational Qualification Form (OQF) and addendum, which are available on the City Council's web site, at http://council.nyc.gov/html/budget/FY09_OQF_forms.shtml.

The PQL application has two Options. Under Option 1, organizations holding current non-discretionary City contracts to provide services in any of the service areas, or that held such contracts within the past two years, may apply for inclusion on the PQL. Any organization that delivers a properly completed Option 1 application to DYCD by 5:00 p.m. on Thursday, June 5, 2008 will receive a determination of its eligibility under Option 1 of the PQL by no later than June 18, 2008. Under Option 2, any not-for-profit organization may demonstrate its qualifications to provide services in any of the service areas, regardless of whether or not it holds or has held non-discretionary City contracts during the past two years. Determinations of eligibility for inclusion under Option 2 (and, with respect to applications received after June 3rd, inclusion under Option 1) will be made within 90 days of the receipt by DYCD of a properly completed application.

Use the following address unless otherwise specified in notice, to secure, examine or submit bid/proposal documents, vendor pre-qualification and other forms; specifications/ blueprints; other information; and for opening and reading of bids at date and time specified above. READER'S GUIDE

The City Record (CR) is, published each business day and includes notices of proposed New York City procurement actions, contract awards, and other procurement-related information. Solicitation notices for most procurements valued at or above \$100,000 for information technology and for construction and construction related services, above \$50,000 for other services, and above \$25,000 for other goods are published for at least one day. Other types of procurements, such as sole source, require notice in the City Record for five consecutive days. Unless otherwise specified, the agencies and offices listed are open for business Mondays thru Fridays from 9:00 A.M. to 5:00 P.M. except legal holidays.

NOTICE TO ALL NEW YORK CITY CONTRACTORS

The New York State Constitution ensures that all laborers. workers or mechanics employed by a contractor or subcontractor doing public work are to be paid the same wage rate that prevails in the trade where the public work is being done. Additionally, New York State Labor Law §§ 220 and 230 provide that a contractor or subcontractor doing public work in construction or building service must pay its employees no less than the prevailing wage. Section 6-109 (the Living Wage Law) of the New York City Administrative Code also provides for a "living wage", as well as prevailing wage, to be paid to workers employed by City contractors in certain occupations. The Comptroller of the City of New York is mandated to enforce prevailing wage. Contact the NYC Comptrollers Office at www.comptroller.nyc.gov, click on Labor Law Schedules to view rates

New York City's "Burma Law" (Local Law No. 33 of 1997) No Longer to be Enforced. In light of the United States Supreme Court's decision in **Crosby v. National Foreign** Trade Council, 530 U.S. 363 (2000), the City has determined that New York City's Local Law No. 33 of 1997 (codified in Administrative Code Section 6-115 and Charter Section 1524), which restricts City business with banks and companies doing business in Burma, is unconstitutional. This is to advise, therefore, that the language relating to Burma contained in existing New York City contracts may

CONSTRUCTION/CONSTRUCTION SERVICES OR CONSTRUCTION RELATED SERVICES

The City of New York is committed to achieving excellence in the design and construction of its capital program, and building on the tradition of innovation in architecture and engineering that has contributed to the City's prestige as a global destination.

VENDOR ENROLLMENT APPLICATION

New York City procures approximately \$7 billion worth of goods, services, construction and construction-related services every year. The NYC Procurement Policy Board Rules require that agencies primarily solicit from established mailing lists called bidder/proposer lists. To register for these lists--free of charge-, prospective suppliers should fill out and submit the NYC-FMS Vendor Enrollment application.

- Online at NYC.gov/selltonyc
- To request a hardcopy application, call the Vendor Enrollment Center at (212) 857-1680.

Attention Existing Suppliers:

Even if you already do business with NYC agencies, be sure to fill out an application. We are switching over to citywide, centralized Bidders Lists instead of the agency-specific lists previously used to issue notices about upcoming contract opportunities. To continue receiving notices of New York City contract opportunities, you must fill out and submit a NYC-FMS Vendor Enrollment application.

If you are uncertain whether you have already submitted an application, call us at (212) 857-1680.

SELLING TO GOVERNMENT TRAINING WORKSHOP

New and experienced vendors are encouraged to register for a free training course on how to do business with New York City. "Selling to Government" workshops are conducted by the Department of Small Business Services, 110 William Street, New York, NY 10038. Morning and afternoon sessions are convened on the first Tuesday of each month. For more information, and to register, call (212) 618-8845.

PRE-QUALIFIED LIST

New York City procurement policy permits agencies to develop and solicit from pre-qualified lists of vendors, under prescribed circumstance. When it is decided by an agency to develop a pre-qualified list, criteria for pre-qualification must be clearly explained in the solicitation and notice of the opportunity to pre-qualify for that solicitation must be published in at least five issues of the CR.

Information and qualification questionnaires for inclusion on such list may be obtained directly from the Agency Chief Contracting Officer at each agency, (see Vendor Information Manual). A completed qualification Questionnaire may be submitted to the Chief Contracting Officer at any time, unless otherwise indicated and action (approval or denial) shall be taken by the agency within 90 days from the date of submission. Any denial or revocation of pre-qualified status can be appealed to the Office of Administrative Trials and Hearings, (OATH), Section 3-11 of the Procurement Policy Board Rules describes the criteria for the general use of prequalified lists.

NON-MAYORAL ENTITIES

The following agencies are not subject to Procurement Policy Board rules and do not follow all of the above procedures: City University, Department of Education, Metropolitan Transportation Authority, Health & Hospitals Corporation, Housing Authority. Suppliers interested in applying for inclusion on bidders list should contact these entities directly (see Vendor Information Manual) at the addresses given.

PUBLIC ACCESS CENTER

The Public Access Center is available to suppliers and the public as a central source for supplier-related information through on-line computer access. The Center is located at 253 Broadway, 9th floor, in lower Manhattan, and is open Monday through Friday from 10:00 A.M to 3:00 P.M. For information, contact the Mayor's Office of Contract Services at (212) 788-0010.

ATTENTION: NEW YORK CITY MINORITY AND WOMEN OWNED BUSINESS ENTERPRISES

Join the growing number of Minority and Women Owned Business Enterprises (M/WBEs) that are competing for New York City's business. In order to become certified for the program, your company must substantiate that it: (1) is at least fifty-one percent (51%) owned, operated and controlled by a minority or woman and (2) is either located in New York City or has a significant tie to New York City's business community. To obtain a copy of the certification application and to learn more about the program, contact the New York City Department of Small Business Services, 110 William Street, 2nd Floor, New York, New York 10038 (212) 513-6311.

PROMPT PAYMENT

It is the policy of the City of New York to pay its bills promptly. The Procurement Policy Board Rules generally require that the City pay its bills within 30 days after the receipt of a proper invoice. The City now pays interest on all late invoices. The grace period that formerly existed was eliminated on July 1, 2000. However, there are certain types of payments that are not eligible for interest. These are listed in Section 4-06 of the Procurement Policy Board Rules. The Comptroller and OMB determine the interest rate on late payments twice a year, in January and in July.

HOW TO READ CR PROCUREMENT NOTICES

Procurement Notices in the CR are arranged by alphabetically listed Agencies, and within Agency, by Division if any. The notices for each Agency (or Division) are further divided into three subsections: Solicitations, Awards; and Lists & Miscellaneous notices. Each of these subsections separately lists notices pertaining to Goods, Services, or Construction.

Notices of Public Hearings on Contract Awards appear at the end of the Procurement Section. At the end of each Agency (or Division) listing is a paragraph giving the specific address to contact to secure, examine and/or to submit bid or proposal documents, forms, plans, specifications, and other information, as well as where bids will be publicly opened and read. This address should be used for the purpose specified UNLESS a different one is given in the individual notice. In that event, the directions in the individual notice should be followed. The following is a SAMPLE notice and an explanation of the notice format used by the CR.
